THE NEXT STORY BEGINS

Team Loud Phoenix Storm, the greatest heroes in the Multiverse. They formed in 2017 7 years ago.

Since then, they've protected the innocent and destroyed several villains out to destroy the world.

And in 2020, their frenemies, the Masters of Evil, formed. And the usual battles were born.

Throughout the course of 7 years, they finally managed to destroy Xehanort and his Dark Orbs. Everyone thought a new age of peace was about to begin. They were wrong.

Now, the Anti Monitor has made his move. And he brought with him old enemies that are itching for payback.

Team Loud Phoenix Storm. Masters of Evil. It's up to these two teams to thwart the Anti Monitor!

GET READY FOR THE NEXT ADVENTURE IN LOUD HOUSE REVAMPED 2: EMBODIMENT!

20 DAYS OF DARKNESS ANNIVERSARY 2024

This is for the 20 Days of Darkness Anniversary for 2024

Nico: (to the viewers) Hi, I'm Nico Chan.

Deadpool: And I'm Deadpool. I'm here to help Nico recap the events of Loud House Revamped. Team Loud Phoenix Storm was first formed in 2017

Nico: 2018 is when me, Maria, May, William, Poliwag, and Horsea joined up along with several others.

Deadpool: 2019 is when the Power Rangers and Horsea joined up along with other heroes.

Nico: 2020 is when the Masters of Evil formed and when we met Twilight and her friends.

Deadpool: 2021 is when we began adding Super Sentai to the team. We also participated in the battle against Mr. Mind and the Great War of Friendship.

Nico: 2022 is when the Ambassador missions started. We also fought Opaline and met the Kamen Riders.

Deadpool: And in 2023, we destroyed Xehanort, Galactus, Vilgax, and other baddies.

Nico: Things are starting to look peaceful. But as always, there's gonna be some bad guy causing trouble.

Deadpool: You'll find out who it is later. For now, let's start Loud House Revamped Embodiment!

LOUD HOUSE REVAMPED 2: EMBODIMENT!

We see the Keyblade Graveyard now completely empty. Except for the hooded figure walking in it.

?: Fools. Do they really think it's all over? That there will be peace in the Multiverse now and no evil.

The figure reached the center of the Graveyard and clenched his fist.

?: Evil never dies. It evolves!

With that, he used his power to resurrect several villains from the Black Gates. When he was finished, he kneeled down panting.

?: That severely weakened me. But it'll be worth it for my plans.

He got up and took out several pictures of Xehanort, Dark Eddy, Flip, Icky Vicky, Rita Repulsa, Vilgax, Barodius, Swartz, Opaline, Thanos, Slappy, and Giovanni. Then he blasted the pictures, obliterating them.

?: The age of Xehanort is over. The new age of the Anti Monitor begins now!

UH OH!

Nico was sleeping until he heard Poromon's voice.

Poromon: Nico, wake up!

Nico was still sleeping until he heard Poliwag's voice.

Poliwag: Nico, it's time to wake up!

Nico felt something bouncing on his stomach. He woke up to see Poromon and Poliwag staring at him.

Nico: Okay okay guys I'm up.

Poromon: Awesome. Time for breakfast.

Nico: Okay.

He went to have breakfast.

Camie: Wow! This is the Digital World that Takato and everyone knows?

Me: Yep.

Xenia: Amazing.

Nico: It sure is.

Sunny Starscout: I'm excited here for this.

Lola: Me too Sunny!

Nico: Sunny, I want to thank you, Malachite, and your teams for coming.

Sunny Starscout: No problem Nico. I'm really excited for this too.

Pipp Petals: Oh my glitter this is gonna be so fun.

Camie: Yeah!

Toola Roola: Yeah we're really going to have fun on this one.

Xenia: Yeah we sure are.

Nico: Toola, tell us more about yourself.

Toola Roola: Sure Nico. I am one of the kids of Ponyville. I go to school with Apple Bloom and her friends and I'm also an artist. I'm also the best friend of Coconut Cream.

Nico: Cool.

Me: Yeah she's in Fluttershy's group as the princess of Kindness and the Life Skylanders.

Qin: Yeah.

Nico: Wow!

Me: I met Toola Roola and Coconut Cream when they were throwing food at each other and Twilight showed us her Friendship Book.

Twilight Sparkle: I remember that. That was a good time.

Camie: It sure was.

Nico: Sorry. It's just that we only recently met you.

Toola Roola: Right no worries.

Me: Toola Roola has been with us for a while.

Nico: I must not have been paying attention. Sorry about that.

Toola Roola: It's okay.

Camie: Yeah.

Me: Man that was quite a party.

Nico: That was several weeks ago. Since then, we've taken Gai's suggestion and have been hunting down the Stankcos and what remains of Flip's thugs.

Me: Oh sorry. But yeah that's good. So far we found many of them.

Camie: Yeah.

Xenia: Boy time sure passed by fast.

Varie: Yeah.

Lola: No kidding.

Sunny Starscout: Yeah it sure did.

Lola: Well, clearing out so many scumbags will do that to you.

Me: Time flies when you're having fun kicking scumbags butts.

Lana: Yeah.

Qin: But I can't help but shake this feeling like we're going to face NUMEROUS enemies from our pasts that we took down before.

Nico: Yeah I got that feeling too.

Me: Yeah more criminals have been popping up more than normal.

Nico: Yeah.

Eddy: So far, they've been nameless crooks. Nothing we can't handle.

Me: Yep.

Qin: Our jails on Earth are getting overstuffed.

Xenia: Yeah.

Lola: Soon we'll have many big enemies.

Camie: Yeah.

We walked on and then we got to an area that looked like it was ravaged by a devastating earthquake.

Me: Whoa!

We saw the area ripped apart and huge cracks everywhere.

Me: My god. What the hell happened here?

Nico: Looks like an epic battle took place here.

Me: Beelzemon and Gallantmon no doubt.

Nico: Yeah.

Maria: We should enjoy the age of peace that we have right now. No telling when it might end.

Me: I have a feeling something big is about to go down.

But then...

MASSIVE AND POWERFUL EXPLOSION!

Me: WHOA! What was that!?

Nico: A huge explosion!

We saw the castle of Zhuqiaomon and it was reduced to rubble!

Me: Something big is going on!

Suddenly, Lincoln's phoenix tattoo on the back of his left forearm and vermillion bird tattoo glowed and he winced in pain, same with my birthmark of Phoenix the Firebird.

Nico: Lincoln, J.D., you Okay?

Lincoln: We're okay, Nico. But, guys, we've got ourselves an emergency and we're in for one fiery battle: we got word that an evil version of Zhuqiaomon has been sighted, and this is the version of him that Takato and the others took on.

WE GASPED!

Nico: And during that time, it was right around there that Jeri also lost Leomon. Oh man.

Qin: Oh no.

Me: So, we're going to take on the evil version of Zhuqiaomon, huh? This is really going to be fiery.

Me: No kidding! Infernal!

Zoey Zhuqiaomon: It sure is. But, just to make sure we have an equal footing in this fight. (ECHOING) Zhuqiaomon, Digimon Sovereign of Fire, I summon you into battle.

Suddenly, we saw Zhuqiaomon appear from a tornado of fire.

Eli: Whoa! How on...?!

Zhuqiaomon: Lincoln did say that Zoey is my Ambassador and Avatar, and she also has the power to summon me.

Nico: Oh right, I hadn't forgotten.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, we got an evil version of Zhuqiaomon running loose. Looks like we need to stop him and fast.

Lincoln: Right, and we're also going to comfort and cheer up the version of Jeri who lost Leomon.

Varie: Leave that to me and J.D. The poor girl needs all the help she can get.

Xenia: Right.

Nico: Okay lets go.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Evil Zhuqiaomon) AHA! Gotcha! I just spotted Evil Zhuqiaomon, he's 20 yards away, and he's already causing trouble.

Nico: Just as we expected. Let's get him.

Lincoln: We can't let him go on causing havoc anymore, he must be stopped now.

Suddenly, we hear a demonic choir sing as flames from Hell burst from the ground, and we see the sigil of King Minos, Judge of The Damned, form from the fires of Hell.

Anna Anyanova: The Sigil of King Minos?! That means, we're running into one of the Nine Keyblade Knights of Hell and Avatars of The Nine Circles of Hell.

Lincoln: We'll explain later about that.

We then took off into the air and set our sights on Evil Zhuqiaomon.

Lily heard a Pokemon Cry.

Lily: Look here!

We saw a Manaphy!

Lily: Oh it's a Manaphy!

Manaphy 2: Hey there.

May: Wow! Looks like my Manaphy has a little playmate.

Manaphy: HEY! I'm the only Manaphy around here!

Lily: It's okay Manaphy. This one is gonna be for me.

Manaphy 2: Yeah.

Lily: Lets get you some food.

Lily gave her some apples.

Manaphy 2: Thanks.

She got to eating.

Lily's Manaphy was full.

Lily: Feel better?

Lily's Manaphy: I sure am.

Lily: Awesome. Want to come with us?

Lily's Manaphy: Sure.

Me: Awesome. You won't Regret it.

Nico: Yep. Lets get moving.

We were flying in the air, and we spotted our target: Evil Zhuqiaomon.

Lincoln: There he is. Now, to really turn up the heat.

Suddenly, Lincoln's long shoulder-length wild white hair, large white wolf ears on top of his head, eleven massive and long white wolf tails and rabbit tail, and massive white angel wings and medium sized and small sized white angel wings underneath his massive white angel wings turned crimson red except for the multi-colored phoenix fire ombre streaks in the back of his hair and front strands of hair in front of his face, the rainbow markings on his large wolf ears, the rainbow tips and markings on the wolf tails and rabbit tail, his large white pants turn crimson red, the fifteen large planets orbiting around his legs and the fifteen smaller planets turned crimson red, and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned crimson red as a massive wave of fire appeared behind him.

Lincoln has transformed into INFERNO LINCOLN, THE ELEMENTAL HERO OF FIRE!

Me: I knew he was going to turn into Inferno Lincoln. Now, he's really turned up the heat!

Lincoln: Time to give you a taste of your own medicine. (ECHOING) BLAZING HELIX!

Lincoln fired helix blasts of fire and crimson red energy from his massive crimson red angel wings and medium sized and small sized crimson red angel wings underneath his massive crimson red angel wings, and they hit Evil Zhuqiaomon hard and he got burned badly, and this angered him greatly as soon as he saw us as we landed.

Nico: You got him, Lincoln! Nice!

Me: I can't believe how much stronger your Inferno Lincoln form's gotten, that's really awesome.

Qin: Just like what happened on New Year's Day when we went after Manaphy's Akuma, his Maelstrom Lincoln form also became that much stronger as well.

Me: Better turn up the heat myself! ZHUQIAOMON ARMOR FUSION!

Zhuqiaomon merged with me and I donned my ZHUQIAOMON SOVEREIGN OF THE SOUTH ARMOR!

Piper Willowbrook: WOW! I haven't seen you do this is a while!

Me: I know. Feels like forever.

Evil Zhuqiaomon: YOU IRRITATING INSECTS!

Me: Takes one to know one! (ECHOING) BLAZING HELIX!

I fired Helix Blasts of fire from my wings!

Evil Zhuqiaomon: (ECHOING) BLAZING HELIX!

He did the same and the blasts collided and exploded with incredibly unbelievable power!

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION OF INTENSE POWER!

Nico: WHOA!

I fired waves of intense fire and blasted Evil Zhuqiaomon!

Nico: Can't believe we're fighting an evil version of one of our Core members!

Takato: Well he was like this when we first met him before we joined the team.

Nico: Oh. Good point.

Manaphy 2 charged at him and fired a powerful blast of energy and blasted him.

Me: YEAH!

Evil Zhuqiaomon came at us!

Me: Time for some pain! (ECHOING) SONIC ZEPHYR!

I fired a powerful blast of wind from my wings and blew him back.

Evil Zhuqiaomon: You won't be laughing for much longer. (ECHOING) BLAZING HELIX!

Evil Zhuqiaomon fired a blast of fire at us, but we absorbed it and it made us even stronger than ever.

Nico: Nice try!

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Evil Zhuqiaomon: HORRIBLE!

Manaphy: YOU LOOK AT IT!

Evil Zhuqiaomon: AWFUL MOVIE!

Me: Who knew a Sovereign can be scared of the trailer. No offense Zhuqiaomon.

Zhuqiaomon: None taken J.D.

Nico: It can scare anyone but Poromon's Akuma!

Me: YEAH!

Qin: That is for sure!

Me: Take this! (ECHOING) BLAZING HELIX!

I fired a massive blast of fire and it hit Evil Zhuqiaomon and exploded with incredible force!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: WHOA!

Evil Zhuqiaomon: YOU MISERABLE INSECTS! (Echoing) PHOENIX FIRE!

He fired a flame blast from his mouth!

Me: Two can play that! (Echoing) PHOENIX FIRE!

I fired a flame blast from my hand and the blasts collided and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: WHOA!

Nico got out Pyros' Ridewatch.

Nico: Time to fight fire with the power of the Volcano!

Nico activated it and fired a wave of lava and blasted Evil Zhuqiaomon all over.

Camie: Nice one!

May: YEAH!

Nico: I thought it was fitting.

Me: I agree.

Zhuqiaomon: Same here Nico.

Nico: Yep.

Lincoln, Nico, and I had an embarrassed blush on our faces, same with Cage Blunt and Travis Tackett and Leela and Peace Salyers.

?: That was a smart move to snap those three out of it, Zoey.

Suddenly, we saw a girl appear from a tornado of hellfire: she has black hair, red eyes, black clothes, red demon wings, and she has Xehanort's Keyblade in her right hand.

Lincoln: (GASPS) Laina Acheron, Keyblade Knight of Hell and the Avatar of the 1st Circle - Limbo. Whoa! Alright, now it's time we take you down, Evil Zhuqiaomon.

Lincoln swung his massive greatsword and fired massive waves of vermillion fire that turned into vermillion fire swords that hit Evil Zhuqiaomon and he got burned. Then, Lincoln grabs Evil Zhuqiaomon and bearhugs him, and then, he began absorbing him into his body through his skin and he was assimilating all his powers and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips, medium sized white angel wings with aurora and orange tips, and small sized white angel wings with aurora and orange tips spread out even more and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, he also sent Evil Zhuqiaomon's soul to the M.O.E. HQ. after he drained his soul of his life essence. Plus, he now has a phoenix, angel, Thunderbird, and buffalo surrounding the Crest of Miracles on his right pec. Nico: That takes care of Evil Zhuqiaomon for good.

Cage Blunt: You said it.

Travis Tackett: (Mischievous Smirk) And also, there's the matter of that little crack you said, Simone.

But, before they could, Leela went up to Travis Tackett and Peace went up to Cage Blunt, and right in front of us, they shared a deep kiss which stunned those two, but they returned it.

Jack Howard: Heh, well, it's about time.

Caleb Maxwell: You just got saved from those two, they were about to tickle you the same way Nico and J.D. got tickled.

Nico: You said it. So, Lincoln, are you going to introduce us?

But, before he could, Laina Acheron had her hands on Lincoln's pecs, and they began kissing Lincoln on the lips and face, along on his pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. This is Laina Acheron, Keyblade Knight of Hell and the Avatar of the 1st Circle - Limbo, she's Lincoln's Guardian Angel from Hell and she's a powerful force of epic power to be reckoned with. She was born and raised in Hell, and she's a powerful master of darkness and a deadly force to be reckoned with, she's the master of The Judge of The Damned and bringer of those that sinned to The Circles of Hell. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness and judging the damned, and she hates all of Lincoln's enemies with a vengeance and she vowed to judge them to the 9th Circle.

WE GASPED!

Nico and me: And did Lincoln say there are...NINE KEYBLADE KNIGHTS OF HELL WHO ARE NINE AVATARS OF THE NINE CIRCLES OF HELL?!

Lincoln: That's right, and each of them not only have the powers of darkness, all forms of dark, black, and Satanic Magic, and the fires of hell along with summoning demons, but also, the individual powers of the 9 Circles of Hell: Lust, Gluttony, Greed, Wrath, Heresy, Violence, Fraud, and the absolute worst of the Circles of Hell: Treachery, and they also have the power to send the damned souls of their victims to the circle of Hell where they rule.

Selene Arcangela: And they have the power to inflict the very same levels of pain that each Circle and the demons there governs, and it's NOT PRETTY!

Eli: (GASPS) They are the embodiments of Hell Times 10,000!

Me: (GULPS)

Sabrina Lorelai: That's exactly right, and having the power to inflict the very same levels of pain that each Circle and the demons there governs, and like Selene and you said, Eli, it's NOT PRETTY and they're basically the embodiments of Hell times 10,000. Plus, Lucy and the others definitely get along with them, and they really gave Lori, Lynn, Lola, Lisa, Luan and the rest of his enemies a new definition of Hell on Earth.

Lincoln: I saw their power for myself, and it's horrifying, and it's so good to see you again, Laina.

Laina Acheron: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then wrapped his arms around Laina Acheron and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laina Acheron with blood red gems on the gold lightning bolt links with blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Laina Acheron saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

Nico: We've still got it!

Me: Yep. Always will.

Qin: That was cool!

Me: Yeah! Now Evil Zhuqiaomon is in the M.O.E.

Camie: He sure is.

Lola: Awesome.

Nico: Nice job, Manaphy 2!

Manaphy 2: Thanks Nico!

Manaphy: I admit you got amazing power.

Me: Yep.

Poromon: Want some beer?

Manaphy: Oh no thanks. I know that's your thing so I'll leave that to you guys.

Poromon: Okay.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Poliwag: Okay.

I saw Jeri looking sad and full of sadness.

Me: Jeri?

I went over to her.

Me: Oh Jeri.

Varie: Jeri it's gonna be okay.

Manaphy: I'll have some beer, Poromon!

Nico: Guys! Shh.

Me: Jeri we're sorry about Leomon.

Varie: But we know how you feel. You are a nice soul.

Past Jeri Katou: You're wrong I'm not nice.

Me: What are you saying?

Past Jeri Katou: When my real mother died, I swore I wouldn't let anyone take her place. So when my new stepmother came, she wanted to be my friend. But I never gave her a chance. So I'm not nice. I'm awful.

Me: Jeri, come on. Don't talk like that.

Varie: Jeri you know that's not true. You are nice and love everyone.

Past Jeri Katou: My mother then Leomon. Leomon said that all of us has their own destiny. Maybe mine is to be alone.

Me: Jeri come on that is not true.

Varie: Yeah Jeri it's not your fault.

Me: Jeri come on.

Nico: You're not alone!

May: Nico! Let them talk to her.

I put my hand on her.

Me: Jeri come on look at me.

She looked at me.

Me: Jeri I'm sorry about what you went through. Believe me I know how you feel.

Varie: As do I. Because like you I too have a dark past. When I was 5 years old, My parents were killed by Evil Mermaids from the Dark Side of the Legend.

Past Jeri: You've never had your Digimon Partner destroyed by an evil Digimon! How would you know!?

Varie: You're right. I don't have a Digimon Partner but I can tell that you and Leomon were very close. I also can tell that you and your mother were close too. I know how hard it is to lose a member of your family and I know how much it hurts. The pain never goes away. I can tell. But your destiny is to never be alone. That's not how it works. Everyone has the power to change their destiny and it lies within your heart. Everyones destiny is never set in stone.

Past Jeri: Maybe my destiny was to always to be alone.

Varie: No. That's not true. You have a lot of friends and you made them apart of your life. Takato loves you more than life itself. Hes always been there for you. Takato has strong feelings for you. He just never showed it. You can't let the past haunt you like this. Losing my parents was rough but I know that they will always be with me in my heart and in spirit. I have learned how to let go of the past and move on towards the future.

Me: That's right. Leomon and your mother would never want you to be sad for them. They cared about you too much for that to happen. But it's not too late to move on and be with those closest to you.

Past Jeri: How can I?

Varie: You can start by being with your friends and let go of your sadness, guilt and regret. You can't live your life in sadness. You can't blame yourself for what happened to your mom and Leomon. It wasn't your fault.

Me: And also Jeri, Takato loves you. And he has always been there for you. He loves you more than anything and will always be there for you to protect you.

Takato: Guilty as charged

Nico: Yeah.

Me: Jeri come on. Don't be sad.

She had tears stream down her face.

Varie: Jeri you are a good girl and your mother loves you too. I know you will always miss her. And I know you will always miss Leomon too. As long as you remember everything that they taught you. You will never be apart from them as long as you hold them close to you in heart, mind, memory and in spirit.

Me: So please Jeri be there for Takato, be there for Calumon and be there for everyone that loves you. Don't bottle it up inside you.

Varie: Yeah.

Jeri then started to realize everything that me and Varie said and she broke down crying and hugged Varie.

Varie: Just let it all out Jeri. Let it all out.

Past Jeri: I hate being alone! [Crying hard] I want to be with everyone!

Varie: I know Jeri. It's okay.

Varie was comforting Jeri as she cried for 30 minutes. She began to feel better.

Nico: Tsukasa, I got a new super mode for you later in the Ambassador mission.

Tsukasa: Looking forward to it.

Varie was comforting her and she calmed down.

Varie: Feel better now?

Past Jeri Katou: (Sniffles) Yes. Thank you.

Varie: You're welcome.

Past Takato: Jeri?

She then ran to Takato and jumped into his arms and then she looked into his eyes and then kissed him on the lips. His face turned as red as a tomato because of that.

All of us: Awwww!

Guilmon smiled at this.

So did Rika, Henry and Suzi and Kazu.

Kenta: So adorable.

Qin: It sure is.

But then Jeri got a headache!

Past Jeri: (GROANS)

Me: Jeri what's wrong!?

Past Jeri: My head feels like it's going to explode!

Nico: Oh no!

Then a black aura appeared around her and she screamed in pain!

Me: OH MAN!

It separated from her as a black blob and then Takato caught her and then we saw it form into something.

Then we saw it form into A CLONE OF JERI BUT WITH A YELLOW ROBE, RED JACKET, SCARY DEMONIC WINGS AND HAD PIERCING RED EYES!

WE GASPED!

Nico: WHAT THE!?

Me: Who or what in the 9 fucking levels of hell are you!?

Past Jeri: (Weakly) Who is that?

Dark Jeri: (Demonic Voice) Don't be so naive. I am the embodiment of all the sorrow and pain that was inside you. From when our mother died and Leomon dying released me.

Me: SO YOU were the cause of Jeri's darkness and despair!

Qin: YEAH! How can you torment someone as sweet and loving as Jeri!?

Dark Jeri: Because it was easy to make her feel sad and depressing. I hated the mask she put on.

Me: That mask she put on was her true self! You destroyed that mask when Jeri lost Leomon!

Camie: YEAH!

Dark Jeri: That's right! I am Jeri's Dark Side and I was created when Jeri lost our mother.

Qin: Jeri is now better thanks to Varie and J.D.!

Lola: And now she loves Takato!

Me: Something a monster like you can never understand!

Dark Jeri: We'll see about that!

Me: Nico get ready!

Poromon: Kill her!

I then held out my hands and they glowed green and fired a wave of energy and it hit the dark clone and spun her around.

Me: Nico open the bottle! Now!

Nico pulled out a bottle and opened it and I put the clone inside it and Nico shut it!

Me: There!

Nico: The Evil Containment Wave. Good call!

Me: Thanks.

Nico: I can't believe I'm about to say this but Jeri Katou you have failed this city.

Qin: Yeah the Dark version her has.

Poromon: Evil Containment Wave?

Goku: I remember that move.

Me: Master Goku taught it to me. It's a containment energy wave that seals demons away in containers marked with seals. Master Piccolo knows this move.

Piccolo: That's right. It was used on me before. It was a long story.

Me: Yeah. But it came at a huge price for Master Roshi's master. He sacrificed his life.

Nico: WHOA!

Goku: That's right. It's what lead me to want to kill Piccolo the first time. But because of the link he had with Kami, I knew it wasn't going to be easy.

Me: Yeah.

Piccolo: Not one of my best moments

Nico: Yeah.

Me: But the reason Master Roshi's master died so fast was because he didn't have as much energy and power as we do.

Nico: That is true. He had a limited amount of energy. But with the power we have it's no problem.

Past Takato: But that was cool.

Me: It was.

Xenia: Yeah.

Nico: And because he was old. No offense to Master Roshi.

Me: He still has some fight left in him.

Qin: Yep.

Nico: What are you going to do with Jeri's dark side?

Me: Give her to the M.O.E. If Vypra can have Samurai Jack's dark side in with them then Dark Jeri can be added.

Qin: Good call.

Yan Lin: I used to be old too

Me: Yes that's true.

Hay Lin: Yeah.

Past Jeri: But thank you guys. Thank you for helping me get over my grief.

Me: Anytime Jeri.

Qin: Boy that was amazing. We defeated an evil version of one of the Sovereign and removed the darkness from Jeri's heart.

Xenia: Wow! Very eventful rescue.

Me: Not done yet though. Now we have the Anothers to face.

Eli: (Concentrates) Whoa! We got Another Malachite, Paint Roller (Kirby), Tick Tock Jr. (Kirby), Captain Barbossa (2001), Rocky (Looney Tunes) and Heat Phanphan.

Qin: Wow!

Nico: So Sunny Starscout, Toola Roola, Riku, Luxord, Evan, and Ienzo.

Qin: Yeah.

Lola: This will be interesting.

Eli: And I sense that the Anothers minus Malachite are 2 people.

Me: Wow. Okay then. They should be coming.

Nico: There they are!

We saw Another Paint Roller (Kirby), Tick Tock Jr. (Kirby), Captain Barbossa (2001), Rocky (Looney Tunes) and Heat Phanphan!

Nico: WHOA!

Me: This will be awesome.

Another Tick Tock Jr.: (In a girls voice) (Icelandic Accent) It sure will.

Another Paint Roller: (In a girls voice) (Icelandic Accent) I agree.

They merged and split into two and they were the gene-slammers of Duskmon and Velgrmon!

Nico: (GASP) Sigríður Dusk and Ingibjörg Hræsvelgr!

Me: Whoa! The gene-slammers of Duskmon and Velgrmon. Awesome to meet you girls.

Ingibjörg Hræsvelgr: Same to you J.D.

Brynja: (Icelandic Accent) Pleasure to meet 2 fellow Iceland Natives.

Sigríður Dusk: You too Brynja.

Me: Can you tell us more about yourselves?

Sigríður Dusk: Sure. We went to Nico's history classes and studied about Norse myth and history with him.

Me: That's awesome girls.

Nico: It sure is.

Me: By the way is the Another Malachite friendly or hostile?

Sigríður Dusk: Friendly but she is a bit not right in the head.

Me: How so? Like she's talking to herself?

Sigríður Dusk: Yes.

Ingibjörg Hræsvelgr: Yes.

Me: Uh oh.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Past Jeri: Wow that was amazing.

Me: Yeah our power is amazing. We get that a lot.

Qin: Yep.

Nico: And Now we wait.

Camie: Yep.

Me: We don't have to wait long!

We saw ANOTHER MALACHITE!

Me: Wow!

Qin: Oh boy.

Me: Yep.

Another Malachite: And this will be fun.

Nico: (Gasp) That voice!

She reverted back and it was a girl with black hair, purple eyes, black clothes and had black angel wings and had Yatagaramon in the middle of her forehead and on her skirt and had a black crow sword.

Nico: Yolei Karasu!

Yolei Karasu: Awesome to see you Nico.

Kurumu: (GASP) Oh my gosh! You're one of the students that went missing years ago!

Me: Is she really!?

Yolei Karasu: I sure am. I'm a Yatagarasu.

Me: The Legendary Three-Legged Crow in Japanese Myth. So you went to Yokai Academy a while back?

Yolei Karasu: That's right. I was learning how to master darkness.

Me: Wow.

Yolei Karasu: (To air) I told you they were here.

Me: Who are you talking to?

Yolei Karasu: My Spirit Guide Ravena.

Then out came a ghost and it was THE RAVEN SPIRIT!

Me: Whoa! She's a Raven Spirit from Inuit Myth in Alaska.

Ravena: That's right.

Nico: Wow!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Me: Wow! Awesome escape maneuver.

Nico: Yep.

Xenia: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

We did so.

Me: Time for some action.

We got it on!

Nico: (gets out Malachite's Ridewatch) Talk about a split personality!

May: (Gets out Tick Tock Jr.'s Ridewatch) TICK TOCK TICK TOCK Time for you to sound the clock.

Maria: (Gets out Rocky's ridewatch) (Imitating Edward G. Robinson) All right see! Nobody move or the Mayor gets it see! Nyah!

They used the powers of Malachite, Paint Roller (Kirby), Tick Tock Jr. (Kirby), Captain Barbossa (2001), Rocky (Looney Tunes) and Heat Phanphan and blasted the Another all over!

Lola: YEAH!

Then Bad End Pretty Cure, Bomb Guardian (Metroid), Grey Wolf (Monster Rancher), Chaos Ripper (Monster Rancher) and Grapple Guardian (Metroid) came.

Qin: Yeah!

Nico: Nice team girls!

Bad End Pretty Cure: Thanks Nico!

Nico: Yep.

MagnaAngemon came!

Qin: WHOA!

MagnaAngemon: (In a girls voice) Looks like this will be fun.

Nico: Megan Angel! Wow!

She reverted back and was a girl with purple hair, blue eyes, yellow clothes, yellow angel wings, Had the Crest of Hope in the middle of her forehead and had MagnaAngemon on her shirt and skirt and had the mighty sword Excalibur in her hand.

Megan Angel: Awesome to see you again Nico. I got this. (ECHOING) GATE OF DESTINY!

She formed a circle in the air and it formed a gate and sucked in the Another and vaporized it and I caught the Ridewatch and purified it!

Me: Wow! That was amazing!

Poromon: It sure was!

Qin: Yeah!

Xenia: That was cool!

Lily: It sure was!

Toola Roola: Do you have a favorite memory of Nico?

Megan Angel: I sure do. When me and Nico went to England and we battled a bunch of thieves out to steal the Queen's Jewels and we stopped them.

Me: That is cool!

Xenia: Yeah.

Nico: Yep.

Nico and Megan hugged.

Nico: I've missed you.

Megan Angel: Same here.

We later went back

Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

Suddenly, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Raszgareth, Vyranoth, Fyrakk, and Iridikron, along with their servants and allies, Eranog, Koroleth, Kurog Grimtotem, Balakar Khan, Stoneheart, Rymek, Ekrazathal, Granyth, Frostcaller Julh'ek, Kretchenwrath, Melidrussa Chillworn, Frostcaller Nai'jin, Shela the Windbinder, Frostcaller Sin'tia, Ruvin Stonegrinder, Embar Firepath, Opalfang, Kadros Icewrath, and Dathea Stormlash, and he began absorbing them and he and all of us assimilated Raszgareth, Vyranoth, Fyrakk, and Iridikron's Immortality, Flight, Sharp claws and fangs, Elemental Breath, Inhuman strength, and Inhuman durability and their followers' Elemental magics, Charisma, Cunning, and Strategy, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips, medium sized white angel wings with aurora and orange tips, and small sized white angel wings with aurora and orange tips spread out even more and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Raszgareth, Vyranoth, Fyrakk, and Iridikron, along with Eranog, Koroleth, Kurog Grimtotem, Balakar Khan, Stoneheart, Rymek, Ekrazathal, Granyth, Frostcaller Julh'ek, Kretchenwrath, Melidrussa Chillworn, Frostcaller Nai'jin, Shela the Windbinder, Frostcaller Sin'tia, Ruvin Stonegrinder, Embar Firepath, Opalfang, Kadros Icewrath, and Dathea Stormlash, and he banished all of their souls to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: It's over, now begone from this world forever, Primalists. (To Helena Dianlanhuo) And it's so good to see you again, Helena.

Helena Dianlanhuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Helena Dianlanhuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Helena Dianlanhuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Helena Dianlanhuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Helena Dianlanhuo and hugged her, and Helena Dianlanhuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helena Dianlanhuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Helena Dianlanhuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Buffalo, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of Indigo fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Buffalo, along with having angel wings along with having intense indigo fire powers. She's known as The Strongest Warrior of The Sisterhood of The Fists of Fire, because she's as strong as a herd of buffalos. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of indigo fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built, and she knew of Lincoln's spirit animal being the buffalo. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Helena hates Lynn with a blazing passion, because of what that super mega aggressive, belching, farting, superstitious gorilla has done to Lincoln in the past, and in one incident, she and Lincoln beat that gorilla up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Lincoln showed Lynn with two black eyes, broken arms and legs, bloody broken nose, and with an irreversible super double mega wedgie, and it was horrific!

Nico: Jeez. That was just nasty.

Me: I know, and I thought the thrashings Lynn had gotten were bad before, the one Helena gave her topped all of them, and now that you're here, Helena.

Lincoln leaned his head down the right side of Helena Dianlanhuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Helena Dianlanhuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Helena Dianlanhuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Helena Dianlanhuo: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena Dianlanhuo.

Helena Dianlanhuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Helena Dianlanhuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Helena Dianlanhuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the thirteen girls, and when Lincoln saw them, he immediately recognized them. The thirteen girls are Annette and Tama from No Longer Allowed in Another World, Rumi Jinguuj and Naori Jinguuji from Love Is Indivisible by Twins, Nikola and Akira from Quality Assurance in Another World, Suzy from Miniforce, and Aoi Hayama, Haru Asakiri, Hideko Ooyama, Natsuki Nakamori, Rin Yuuki, and Yoriko Sakamoto from Dress Wizard.

Lincoln: Oh wow, it's Annette and Tama from No Longer Allowed in Another World, Rumi Jinguuj and Naori Jinguuji from Love Is

Indivisible by Twins, Nikola and Akira from Quality Assurance in Another World, Suzy from Miniforce, and Aoi Hayama, Haru Asakiri, Hideko Ooyama, Natsuki Nakamori, Rin Yuuki, and Yoriko Sakamoto from Dress Wizard.

Nicole: Oh man, thank goodness Helena got them away from The Primalists.

Lincoln: Or they would've been next. Are you girls okay?

Annette: Yes, we're okay, thanks to you.

Then, when Annette and the other twelve girls saw who it was that saved them from Raszgareth, Vyranoth, Fyrakk, and Iridikron, along with Eranog, Koroleth, Kurog Grimtotem, Balakar Khan, Stoneheart, Rymek, Ekrazathal, Granyth, Frostcaller Julh'ek, Kretchenwrath, Melidrussa Chillworn, Frostcaller Nai'jin, Shela the Windbinder, Frostcaller Sin'tia, Ruvin Stonegrinder, Embar Firepath, Opalfang, Kadros Icewrath, and Dathea Stormlash, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command, Strategist, And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, Dodgeball Angel King of Gotham

We returned to The World Tree Estate and everyone was shocked to find out that the villains we went after were Raszgareth, Vyranoth, Fyrakk, and Iridikron, along with Eranog, Koroleth, Kurog Grimtotem, Balakar Khan, Stoneheart, Rymek, Ekrazathal, Granyth, Frostcaller Julh'ek, Kretchenwrath, Melidrussa Chillworn, Frostcaller Nai'jin, Shela the Windbinder, Frostcaller Sin'tia, Ruvin Stonegrinder, Embar Firepath, Opalfang, Kadros Icewrath, and Dathea Stormlash, The Primalists from World of Warcraft.

But, when Lincoln showed what we all did in beating them down and Lincoln absorbing them and assimilating all of their powers and abilities and sending their souls to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Helena Dianlanhuo have a lot of catching up to do, now that she's back in town.

Maria: Oh man! I had no idea that The Primalists from World of Warcraft were there in Tostarena. But, I'm so glad we're rid of them forever thanks to you absorbing them, Lincoln.

Lincoln: I knew it would be a matter of time before they came after us.

Nico: But, there was no way we would let those monsters get away with this.

Me: You said a mouthful.

Here's the second scene

After Lincoln and all of us beat down Raszgareth, Vyranoth, Fyrakk, and Iridikron, along with Eranog, Koroleth, Kurog Grimtotem, Balakar Khan, Stoneheart, Rymek, Ekrazathal, Granyth, Frostcaller Julh'ek, Kretchenwrath, Melidrussa Chillworn, Frostcaller Nai'jin, Shela the Windbinder, Frostcaller Sin'tia, Ruvin Stonegrinder, Embar Firepath, Opalfang, Kadros Icewrath, and Dathea Stormlash and Lincoln absorbed them and assimilated all their powers and abilities and sent them to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Helena Dianlanhuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Helena Dianlanhuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Helena, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Helena Dianlanhuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Helena Dianlanhuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Hunter: (German Accent) I've also got more memories of Caleb, and this one was two years later after he found out the truth about his father and brother, and it's right around the time that Cage and Travis arrived in New York.

Hunter put a video which played on the big screen, and it showed Caleb Maxwell and Hunter from the past, and as Hunter said, it was two years later and Caleb was now in college, and he was meeting Hunter right near a convenience store.

Past Caleb Maxwell: It's hard to believe that two years had passed: two whole years following the day I found out about Dad and Drake.

Past Hunter: (German Accent) You're right about that, Caleb. I hope that your mom and your sister, Allie, are still doing alright.

Past Caleb Maxwell: They are, and since we live near the police station, I can run there in case Dad and Drake show up to get revenge, they've been hiding for two years and I don't like it. (Sees something) Hey, what's that over there at the parking lot?

Suddenly, Caleb Maxwell and Hunter saw something in the parking lot: it was a red Camaro car with viper stripes.

Past Hunter: (German Accent) Take a look at this.

Past Caleb Maxwell: A red Camaro with viper stripes. It's not one of my brother's goons, but where did this come from, and who owns it? (Sensed someone coming) Hunter, we need to go.

Past Hunter: (German Accent) Is it your dad or Drake?

Past Caleb Maxwell: I don't know.

Caleb Maxwell and Hunter hid in a corner of the building.

Past Hunter: (German Accent) Caleb, wait, it's not your dad, Drake, or Drake's goons, look.

Caleb looked, and we also saw who it was that got Caleb rattled: it was Cage Blunt and Travis Tackett from long ago, but they were in 80s style black and red clothes and they had blood red eyes and black sclera.

Luna: Whoa! He encountered you two dudes! And what's with the creepy black sclera?

Cage Blunt: That was from when we drank demon blood, it has a very dark effect on us.

Jack Howard: Caleb immediately thought it was Marcus, Drake, or Drake's goons.

Roxy Drake: But, he's no pushover, he was pretty strong, and for two years, Caleb also took self-defense in case his dad or Drake showed up. But, here is where Caleb's encounter with them led to him being introduced to the world of the vampires.

Past Caleb Maxwell: W-who are they? Must be new to the city, but we can't stick around to find out, if I know Dad and Drake, they're gonna be in the city soon to meet with some of their allies. Let's head back home, Hunter. I know a detour from here.

Caleb Maxwell and Hunter ran for his house taking a detour he knows, but the scent of blood caught the attention of Cage Blunt and Travis Tackett and they followed, and just as Caleb and Hunter were almost home free, they bumped into Cage Blunt and Travis Tackett who came out of nowhere.

Past Caleb Maxwell: Look, I don't know where you came from or how you caught up to us, but we were just heading home now.

Past Cage Blunt: (Smirks) So soon? Why don't you both stay a while for a...quick bite?

Caleb saw the fangs on the two, and his blood suddenly ran cold, and Caleb backed away, but found himself back first to the wall of a nearby apartment.

Past Caleb Maxwell: You've got to be kidding me, you're...?!

Past Hunter: (German Accent) Vampires?

Past Travis Tackett: Looks like you figured it out. I get the brown-haired kid, you get the kid with the black hair.

Cage Blunt then approached Caleb Maxwell still back first to the wall while Travis Tackett approached Hunter who was also back first to a wall opposite of Caleb Maxwell, as Cage Blunt put his right hand to the left side of Caleb Maxwell's head and Travis Tackett put his right hand to the left side of Hunter's head, and we knew they were about to bite them and drain them dry of blood, but Hunter blasted Travis Tackett with water and pushed him off of him and blasted Cage off of Caleb and they ran inside Caleb's home. The video ended, but we saw the shaken look on Caleb's face.

Nico: Caleb, what's wrong, are you okay? You really got shaken up seeing that.

Cage Blunt: Caleb.

Caleb Maxwell: That day still left its' mark on me, I was introduced to the dark side: the world of the vampires.

Suddenly, Cage Blunt hugged Caleb Maxwell who was still shaking like a leaf.

Travis Tackett: That day left a mark on Caleb, but not as bad the day he was murdered.

Caleb Maxwell: That day still left its mark, and not even the council was able to wipe that dark day away from my mind.

Lincoln: It's not exactly an easy thing to get rid of. Once you've been exposed to that world, it stays with you forever.

We got a shower, and then, Lincoln, Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee are heading to Wave Ocean.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Universe 666 Shirley: Whoa, so this is Wave Ocean, it sure is beautiful.

Lincoln: It sure is, Universe 666 Shirley, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a volleyball game, and Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Universe 666 Shirley: (Swooning) So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee are in your harem, Linky.

Universe 666 Shirley, Universe 666 Queen La, and Universe 666 Queen Tyr'ahnee showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Universe 666 Shirley: Nope, not at all. But, Lincoln did have us all swooning when he lifted thirteen massive 900,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Ooh, they're in trouble!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have any missions since today's the anniversary of The 20 Days of Darkness, but I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and

soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than The Anointed One, another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than The Anointed One, another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him.

We gasped.

Brittney: Oh shit, I thought I'd never have to see him again. The Anointed One is a child vampire whom The Master believed would become a prophetic figure similar in some ways to the Antichrist. He had great and ancient power, but he was destroyed before he could even demonstrate them.

Nico: And this is no ordinary child, but a vampire of pure evil.

Sophia Kitka: Leave this to me and Lincoln.

Lincoln: A vampire who's a lot like the Antichrist doesn't deserve to live.

Nico: You said a mouthful. Alright, gang, let's go, we may not have a mission since today's the anniversary of The 20 Days of Darkness, but we still need to get rid of The Annointed One.

Lincoln: We can't let him run free any longer, this is where he dies here and now.

Sophia Kitka: Never again are we going to let that demon live any longer, today, he dies here.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Gotham Royal York Park to destroy The Anointed One.

Alright, here's the match-up scene: Sophia Kitka, Gene-Slammer of Neo-Spacian Flare Scarab and Lincoln VS The Anointed One

We arrived at Gotham Royal York Park to destroy Buffy's old enemy, The Anointed One.

Me: We made it to the park. There's no sign of The Anointed One.

Lincoln: He hasn't attacked anyone yet, but now, it's time to use my trap. (SNAPS FINGERS)

Lincoln snapped his fingers and we were on Glaren.

?: (DEMONIC ROAR) YOU DARE TO INTERFERE WITH MY FEAST! I'LL KILL YOU ALL!

Suddenly, the fifteen large planets orbing around my legs, the fifteen large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the fifteen large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the fifteen large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the twelve large planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from dark energy blasts that came out of nowhere and the barrier really stood strong against them and the dark energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) AHA! There's no mistaking the scent of blood from anywhere, you better come out now, Anointed One, or we're forcing you out.

A child vampire appeared, it was The Anointed.

Brittney: Should've known you'd show up once again, prophet of The Master.

Sophia Kitka: But, this is where it all ends for you.

Suddenly, Sophia Kitka's pink eyes turned neon pink and she was surrounded by an orange energy aura with stars, fire, flames, scarab beetles, phoenixes, and angels, she unholstered her massive fire greatsword, and as she approached The Thesulac Demon, she left orange energy, stars, fire, flames, scarab beetles, phoenixes, and angels with every step.

Sophia Kitka: You really are nothing more than a monster, all you've done is try to fulfill the ancient prophecy and lead the vampires to take over the Earth. You're no better than the coven of vampires who destroyed Barrow, Alaska seventeen years ago, and just like what we did to them, I'm going to destroy you once and for all and end your miserable life.

Suddenly, Sophia Kitka was surrounded by a massive vortex of orange energy with stars, fire, and flames surrounding the vortex, there are scarab beetles, phoenixes, angels, and Neo-Spacian Flare Scarab flying around the vortex, and in the vortex is an orange phoenix with blood red eyes glaring at The Anointed One: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Oh boy, now things are definitely going to get ugly.

Lincoln: And Sophia's right, what The Anointed One's done proved he's no better than the coven of vampires who destroyed Barrow seventeen years ago. Now, he's going to be destroyed forever.

Then, as the vortex faded, Sophia Kitka emerged, but she was changed forever.

Sophia Kitka grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large orange planets orbiting around her legs and fifteen smaller orange planets orbiting around her waist, she has the body of a goddess, she has yellow highlights in the bangs of her long orange hair and yellow hairband with yellow phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange energy aura with stars, fire, flames, scarab beetles, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Neo-Spacian Flare Scarab emblazoned on her forehead and Third Eye with orange iris, she has on scarab beetle earrings with orange gems for eyes and holding the Star, Fire, and Eternity Kanjis in their legs, she also has Neo-Spacian Flare Scarab with orange gems for eyes and holding the Star, Fire, and Eternity Kanjis in his hands for the second pendant on the bottom of her orange scarab beetle-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and orange gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental

Suddenly, Sophia Kitka felt a sharp pain on her back, and then, her massive orange angel wings with yellow tips on the large orange feathers grew much larger for her new body with a wingspan of 20'0" and medium sized orange angel wings with yellow tips grew and sprouted out underneath her massive orange angel wings with a wingspan of 15'0" and small sized orange angel wings with yellow tips grew and sprouted out underneath her medium sized orange angel wings with a wingspan of 10'0" and she now has eleven massive and long orange wolf tails with yellow tips and yellow markings, Sophia Kitka has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Sophia Kitka's massive fire greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange energy, stars, fire, flames, scarab beetles, phoenixes, and angels, and when it emerged, it was transformed into Sophia Kitka's True Cosmic Eternal Harmony Inferno Firestorm Master Neo-Spacian Flare Scarab Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Inferno Firestorm Master Neo-Spacian Flare Scarab Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded orange gems and Neo-Spacian Flare Scarab and etched on the 8'0" massive, wide, double-edged orange blade, large orange scarab beetle heads with yellow gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large pink gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large orange scarab beetle heads with yellow gems for eyes and on the bottom of the large orange scarab beetle heads is a large orange scarab beetle head with yellow gems for eyes and yellow gem in its mouth for the pommel, Sophia Kitka has on her brand-new large gold Bracers of The Champions of The Universe with large orange gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Neo-Spacian Flare Scarab's head with orange gems for eyes and yellow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Sophia Kitka, Lincoln, Nico, and I went after The Anointed One, and we fired extremely powerful blasts of rainbow energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and

Mythological Animals at The Anointed One and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Sophia Kitka also did the same by firing orange energy slashes from her massive greatsword and gold-plated dragon claws, and he, Sophia Kitka, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making The Anointed One even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln said the Lord's Prayer and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was glowing with rainbow light, and as he swung his massive greatsword, he fired a massive beam of rainbow light that hit The Anointed One with full force, and he exploded into nothing and he was sent to The Black Abyss forever. Everyone cheered wildly for what Sophia Kitka, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Sophia Kitka's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large orange planets orbiting around her legs, fifteen smaller orange planets orbiting around her waist, smaller planets orbiting around her fingers, and massive orange angel wings and medium sized orange angel wings and small sized orange angel wings underneath her massive orange angel wings are permanent.

Sophia Kitka: The Order of Aurelius shall never return to hurt anyone ever again. Thanks for helping me take down The Anointed One, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Sophia.

Me and Nico: Our pleasure, Sophia.

Suddenly, Sophia Kitka wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sophia Kitka's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Neo-Spacian Flare Scarab flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Sophia Kitka sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that vampire down and Lincoln fired that beam of rainbow light.

Me: And sent him to The Black Abyss forever. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a dragon made of orange fire pass through the sky.

Panda Faye Ling: Was that...?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Laura Chengsehuo, Gene-Slammer and Avatar of Brotherhood of the Fire Fist -Dragon.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Laura Chengsehuo is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of orange fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Dragon, along with having angel wings along with having intense orange fire powers. She's known as The Orderly Warrior of The Sisterhood of The Fists of Fire, because she always keeps order among the group even when Lincoln's mean sisters and the rest of his enemies show up to cause trouble. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of orange fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built, and she knew of Lincoln's spirit animal being the buffalo. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Laura hates Lola with a blazing passion, because of what that blackmailing rampaging pageant diva and she-demon has done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Nico: Yikes!

Me: I remembered her all too well, she's one powerful and mega strong warrior, and Lincoln literally kept up with her in his training with her and she was so proud of how strong he's gotten.

Lincoln: She's going to be even more proud of how much stronger I've gotten the last time when we meet her again.

Nico: And we really liked hearing about the memories you had with Caleb, Hunter, we've definitely got to hear more.

Hunter: (German Accent) Trust me, you'll love hearing them. The next one will feature what happened after Caleb came back from the dead and transformed.

Me: This we got to hear.

Later it was time for Lynn, Minuette and Cammy's final mission

Nico: Anyone else want to go with Lynn, Minuette, and Cammy Bolton? Besides Ikki and Vice, Tsukasa, and Kita Birmingham?

Lola: That is awesome.

Eli: Yeah.

Gai Kurenai: That is really cool.

Lemon Hearts: It's true.

Twinkleshine: Yeah we went to Princess Celestia's school for gifted unicorns.

Moondancer: It's true and it was really fun.

Me: Twilight introduced me to her Canterlot friends when I was forming the Knights of the Friendship Table and they told me about everything they did in that school and it was fun.

Minuette: It sure was. We learned all about magic and more. But also I'm a dentist and I work on teeth and help people.

Ikki: That's right.

Gai Kurenai: The main bad guy for the Revice team was...

Me: His name was Giff and you would hate this guy with a vengeance.

Nico: Yeah.

Gai Kurenai: What was he like?

Me: An absolute evil son of a bitch.

I went over his history and it was terrible.

When I was done he was shocked!

Gai Kurenai: He was that evil!?

Me: Oh yeah. He was like the Devil himself.

Gai: Also, how was your break?

Nico: Pretty good. We've been killing the last of Flip's thugs

Me: Yeah on every rescue we had to deal with Flip's thugs on a daily basis. We can tell they are coming because of his rancid B.O. on them.

Gai Kurenai: (Sniffs) EW! That smell!

Me: Yeah like that.

I saw thugs coming and fired an energy blast and blasted them apart.

Nico: See what we mean?

Gai Kurenai: I sure do.

Nico: Not to worry. I'm thinking by the end of the day, they'll be all dead and the Stankcos will be locked up for good

Me: Yep.

Gai Kurenai: Good.

Eli: At least we're making sure they are gone.

Gai Kurenai: Yeah.

Nico: So, what's been going on since last visit?

Gai Kurenai: Well...

Then the alarm sounded.

Me: Uh oh.

We went to the computer and then we saw GUBILA ATTACKING!

Gubila reappears in episode 8 of Ultraman Orb where he ate up the supply of fish in the local sea, which resulting in a parent and child Ragon breaching the surface for food. Still hungry, Gubila decided to leave the ocean from the coastline to attack fish markets in Japan and eat their fish in the process, with his movements causing earthquakes to occur and spouts of water to erupt from the sewers.

When the SSP, the fishmonger Mr. Minamoto, and the two Ragon noticed an earthquake after they all got acquainted with each other, Gai warned them about the earthquake happening outside and they saw the monster Gubila burrow up from underground and started to attack the fish market. When the young Ragon was getting his prized toy boat from the storage warehouse, he noticed Gubila using his drill to bore his way inside the warehouse and then the child found himself on the monster's drill. When Gubila noticed this, seeing as how the monster was fish-like, he tossed him into the air and then ate him, much to the despair of his parent and the fish market owner.

But then, Gai transformed into Ultraman Orb Hurricane Slash and gave him a punch so hard, he forced the monster to release the Ragon child via water spray. After he caught the child and returned him to his parent, Orb fought Gubila and he, at first, had the upper hand due to his speed. However, the monster tried to use his drill to attack the Ultra, but Orb kept dodging them point-blank and then summoned his Orb Slugger Lance to hold the monster at bay.

Afterwards, Orb transformed into his Spacium Zeperion form and taunted Gubila to come closer. When he did, the Ultra stopped him in his tracks by using his Shutdown Protect technique to trap him an a bubble and proceeded to send him back to the sea where he came from.

Me: Gubila! I remember him!

Nico: Yeah!

Kari reverted back and was a girl with blue hair, blue eyes, blue clothes and blue angel wings, blue wolf ears and blue tail and had KendoGarurumon in the middle of her forehead and the Light Spirit Kanji on her arm and she had a Wolf Claymore in her hands.

Kari Kendo Lupine: Lets bring the light!

She flew at Tara and slashed her down and knocked her out and the Antidote took effect and she was cured.

Kari Kendo Lupine: That was awesome!

Eli went and picked up Tara.

Eli: She's going to be feeling that.

Rodan: Lets finish him!

Gai Kurenai: Lets do it!

We fired a massive energy wave and blasted Gubila and he exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: YEAH! Gubila you have failed this city!

Me: Yep!

Me: How did you like your Vistamp?

Gai Kurenai: Really awesome!

Eli: We're glad.

Me: Yep.

Kari Kendo Lupine: That was awesome though.

Me: It sure was.

Minuette: Do you have a favorite memory of Nico?

Kari Kendo Lupine: I sure do. When me and Nico were at my family's wolf sanctuary and we took care of many wolves there.

Nico: They were so awesome.

Me: That is awesome.

Nico: Yep.

Nico and Kari hugged.

Nico: I've missed you.

Kari Kendo Lupine: Same here.

Gai Kurenai: Lynn, ever since I met you, Minuette, and Cammy, I've seen you 3 as sisters.

Lynn: Really? Awesome!

They hugged him!

Lincoln: I guess we're in laws now. Minuette is one of my many future wives.

Gai Kurenai: It sure does.

Me: Yeah. But that was awesome.

Gai Kurenai: I'm glad we had fun.

Me: Yep.

* * *

Later we came home.

May: Hey guys. How did it go?

Me: Really awesome!

Nico: Yep.

We told everyone what happened and it was awesome.

May: Wow! That is awesome!

Camie: I'll say!

Nico: Lily, the next missions will be for you, Lemon Hearts, and Maria.

Maria: SWEET!

Nico: Yep.

Lily: Looking forward to this!

Lemon Hearts: Me too!

Nico: Yep.

Lincoln was walking around the city outside when Girl Jordan joined him.

Girl Jordan: Hey, Lincoln. Mind if I join you?

Lincoln: Sure. I'm okay. Really. I'm just walking around reflecting on what we've accomplished.

Girl Jordan: Always fun to reflect on that.

Lincoln: It sure is.

Girl Jordan: Yeah.

Lincoln: To think this all started when J.D. moved in

Girl Jordan: I know. J.D. is truly a gift to all of us.

Lincoln: He made us into amazing people and also helped so many of us.

Girl Jordan: I know. And he is a great force of good.

Lincoln: Do you regret everything that's ever happened up to this point?

Girl Jordan: Absolutely not. As long as we're together we can do anything.

Lincoln: That is true.

Girl Jordan and Lincoln held hands.

Lincoln: I'm just sorry Carnage had to ruin your life all those years ago.

Girl Jordan: I know. But it will be with me forever. As long as there are many versions of Carnage out there I will always HATE THEM ALL. And I will tear them apart.

Lincoln: I agree. But we can tear them apart together.

Girl Jordan: Awesome.

Lincoln: Do you ever wonder what happened to Boy Jordan?

Girl Jordan: Boy I haven't seen him in a while. I hope he's okay.

Lincoln: Yeah.

Girl Jordan: I know.

Lincoln: Well we'll think of him soon.

Girl Jordan: Well, it's almost time for lunch. We should get back before-

But before Girl Jordan could finish, they both got an unexpected distress call from me.

Nico: (over the comlinks) Calling all Team Loud Phoenix Storm members! I'm under attack! Send reinforcement to my position immediately!

Both of their eyes widened in shock!

Girl Jordan: What the hell was that?! (tries contacting Nico) Nico? Nico! Please respond! What the hell was that message about?!

But no reply came from Nico. Lincoln looked at her in shock, fear and confusion.

Lincoln: Girl Jordan, what happened? Why did Nico send us that message?

Girl Jordan: Damn if I know...

Just then, Iron Man contacted them.

Iron Man: Lincoln, Girl Jordan, get back here ASAP!

Girl Jordan: Tony? What happened?!

Iron Man: I don't know how it's even possible. But Wertz is back with a new terrorist group called Graveyard Fire! They're trying to kill us! Ed and Cap are knocked down! I don't know how long we'll last!

Lincoln: We better go see then!

Girl Jordan: Lets form clones and help.

They did so and went to help.

Earlier...

Tony Stark was walking along the hallway when he noticed something odd.

Tony: That's odd. Where are J.D. and Eli?

Stopping by at the backyard, he saw Lynn practicing kickball.

Tony: Lynn, do you know where J.D. and Eli are?

Lynn: (sighs) You know, you're the second person to ask me that. And this is the second time I'm going to answer it. J.D. was called in a few hours ago. He and Eli were needed in Afghanistan. Something about a lead on the Stankcos

Tony: What?! Why didn't they bring some of us along?

Lynn: I have no idea. You better ask them when they come back. Oh, and don't bother asking Nico either. He, May, Maria, and William have a mission too in Virginia hunting down the last of Flip's thugs. As for Lincoln, he went out for a walk. Girl Jordan is currently following him now.

Tony: (in his head) That's odd. Why would J,D, and Nico have missions all at the same day? Nah, maybe I'm just paranoid. I think I'm getting too old. (to Lynn) Alright. If something comes up, I'll be in the lab.

Lynn: (gives him thumbs up) Gotcha.

As Tony went back in exited the door, he noticed Lucy leaning against a wall with her arms crossed, staring at the floor with a pensieve look.

Lucy Loud: You can feel it too.

Tony: (confused) What do you mean?

Lucy Loud: Nico leaving on a mission with May, William, and Maria. J.D. and Eli going to a country far from the estate. (looks Tony in the eyes) This isn't a coincidence. Something's about to happen. Something bad. (walks away)

Tony: Didn't she say that the day before Xehanort returned? (sighs) How is it that we're getting paranoid without the Dark Orbs?

Something was going on

Tony was working on a few tools when he heard Poromon and Poliwag screaming outside the door.

Poromon: Tony! Tony! Open up! Wertz is somehow back and he brought a lot of mean looking people with him!

Poliwag: Yeah! They're asking Cap where Nico is!

At this, the Avenger quickly dropped his tools and opened the door.

Tony: Where are they?

Poromon: They're at the entrance. Everyone that stayed here are also there with the the Eds, Lucy and Lynn.

Tony: Alright, stay close to me. I'm gonna put my armor on.

They did just that as Tony put his Iron Man suit on. Then, they got to the entrance quickly to find everyone facing Wertz and his group.

Cap: I'm not gonna ask you again, Wertz. Why do you want to see Nico?

Wertz: Because our superiors want me to. Now tell us where the big boss is!

Captain America: Not one step!

Iron Man: What the Hell's going on here? You know it's illegal to barge in here without permission, right?

Wertz: And who might you be?

Iron Man: Um... I'm Tony Stark aka Iron Man. You've seen me before from all the times we took you down, right?

Wertz: All you stupid heroes are the same to me. Anyway, these gentlemen behind me are Graveyard Fire.

Captain America: I don't care who you guys are. You can't just barge in here like this. Now, show me some documents or else I'll take this up with Director Fury.

Wertz: (sneers) I don't think the good director will be able to help you with this.

He finally handed a letter in Cap's hands. Cap and Iron Man both read it with increasing disbelief.

Captain America: (throws letter to ground) We're being disbanded for reckless destruction and endangerment?! What kind of bullshit is this?

Wertz: (shrugs) How should I know? I'm just following orders. Though I won't be surprised. After all, you guys recklessly caused the destruction of property and almost got many people killed on all your missions. (smugly) Now, is that good enough? You have the President's seal in there. You can't disregard it, can you?

Qin: Wait a sec.

She dispelled something.

Qin: This is just a coupon for a free pizza. You big fat liar!

Eddy: Wait. Why didn't you guys give this to us while leaders, Nico and J.D., were here?

Wertz: How was I supposed to know that those two would leave today?

Eddy just grumbled inaudibly. However, as Iron Man was about to speak and protest again, a lot of things immediately happened. First, all of the team received a distress message from me.

Nico: Calling all Team Loud Phoenix Storm members! I'm under attack! Send reinforcements to my position immediately!

Captain America: (noticing Iron Man's shocked look) Tony, what's wrong?

Iron Man: Nico's under attack!

Cap: WHAT?!

As this was happening, a radio from Wertz's group crackled to life.

Paul: Hey, Wertz! Me and my group got Nico and his loser friends cornered. But they're fighting back hard. Make yourself useful land send backup, will you?

As soon as all of them heard this, all hell broke loose.

Wertz: (cursing Paul's stupidity) Kill them all! (runs for cover)

Cap: EVERYONE, TAKE THEM DOWN!

THEY BLAST THEM AND THE DEFENSE ARRAY BLASTED THEM!

Lincoln and Girl Jordan came and blasted them all over.

Lincoln: What's going on?

Me: What do you mean I can only take Eli with me?

Maria Hill: (over the phone apologetically) I'm sorry, J.D.. But Jorgen specifically said that It's better if you and Eli come to where he is to be informed about the situation personally

Me: (sighs) Fine. I'll be there shortly. (hangs up)

Sighing once more, I exited my room and headed towards the backyard where Lynn was.

Me: Lynn.

Lynn: Yeah, J.D.?

Me: If you see the others, tell them that me and Eli are going to see Jorgen about something regarding the Stankcos.

Lynn: Wait. You're not going to take any of us?

Me: That's just it. We were told to come alone.

Lynn: Odd. It's not protocol to just go on a mission with two members

Me: I know. Anyway, I just came here to say that. If we find something, we'll call you up.

Lynn: J.D.?

Me: Yes?

Lynn: (looks me in the eyes) Be careful.

Me: Will do.

I left with Eli.

Eli: Bro, you should probably call Misty about this.

Me: Okay.

I did so and told her what's going on.

Misty Tredwell: Man something is weird.

Me: I know. I sense it. Some force is dividing us to make us vulnerable.

Misty Tredwell: Weird.

Me: Put base defenses on full alert.

Misty Tredwell: Right.

Misty did so.

Jorgen: Thank you two for coming.

Me: No problem, Jorgen. Now, what's this about?

Jorgen: Earlier after Nico's rescue, the Stankcos were spotted in the nearby area negotiating a deal with terrorists.

Eli: What kind of deal?

Jorgen: Something about illegal weapons. But this is the perfect opportunity to finally take the two of them down for good. If they escape, one of you should place a tracer on them

Me: If that's the case, shouldn't we bring the others?

Jorgen: They're going to be busy preparing for the anniversary. (sighs) Look, I don't like it either. But do you really want to deal with the Stankcos any longer?

Eli: You're right about that.

Me: We better get moving. Lets get them,

We got to the entrance of their hideout and saw the guards.

Me: There they are.

Eli: Let's not announce our presence yet. First, let's take down the outside guards quietly.

Me: Right.

We used our stealth and got behind the guards and snapped their necks.

CRUNCH!

Me and Eli went in and saw crates of weapons.

Me: Just like Jorgen said.

Eli: Wait. Doesn't this seem too easy?

Me: I know, bro. There should a lot of guards in here.

Eli: (eyes widens) This is a trap. We need to get out of here!

Not needing to be told twice, Me and Eli ran to the exit only to be met with a large group of terrorists. Before me and Eli knew it, we were outnumbered. That's when we heard a familiar laugh.

?: It's been a while, hasn't it, Knudson?

Me: (GASP) That voice!

We saw Kurata there with a smug look on his face with the Stankcos next to him

Eli: Kurata!

Me: IMPOSSIBLE!

Kurata: Haven't seen you in 2 years. I was worried that you forgot about me.

I growled but before I could say anything else, Kurata's phone range.

Kurata: Ah, my apologies. I think that's my business partner calling. If you will excuse me.

While Kurata answered it, I looked at Eli.

Me: Can you place a tracer on one of the Stankcos?

Eli: I can try.

While Kurata wasn't looking, Eli silently placed a tracker on Stan Stankco's arm.

Kurata: (on the phone) Of course. Nice doing business with you. (hangs up) I'm sorry for that long talk, Knudson. My business partner was just thanking me for my payment.

Me: Business partner?

Kurata: He was the one who brought me back, after all.

Eli: Who is he?!

Kurata: (smirks evilly) That's on a need to know basis. I would love to let out my feelings towards you guys for ruining my plans as always. But I'm afraid I have to go. Don't want to miss my meeting with said business parter. Have fun in the afterlife, Knudson.

Me: (angrily) YOU BASTARD! (charges at him)

Having anticipated this, Kurata calmly grabbed one of the terrorists and thrusted him forwards, using him as a shield in expense of his life while he and the Stankcos got away outside.

Eli: Worry about Kurata enother time, bro! We need to get rid of these guys!

Me: Okay!

I fired waves of energy and blasted them all over.

Me: That takes care of them

In Virginia, an hour before the attack...

Nico, May, Maria, and William were walking in a forest to our destination.

Nico: Nothing like taking down thugs before an anniversary.

May: You said it.

Maria: Don't forget these are the last of Flip's thugs.

William: So, Nico. Are Poromon and Poliwag expecting children with Manaphy and Horsea yet?

Nico: Haven't asked them yet but it will be cool.

May: (sighs) Nico, don't you think it's time to take it easy? I mean, Xehanort's gone for good. And crime is at an all time low.

Nico: I know, May. But you heard what Deadpool and the others said. The battle between good and evil is eternal. That means we can't afford to be lazy 24/7.

May: You're right.

Maria: Agreed.

Nico: You three check that warehouse over there. I"ll check around the area and see if I can find any clues regarding what the thugs are up to. Once you're all finished, let's all meet back here.

They nodded.

And they went over.

Nico scanned the area first for any threats before looking at the smaller buildings. After making a thorough sweep of the perimeter, he found nothing interesting and proceeded towards his next destination. As he was approaching the large building, a loud explosion in the warehouse disturbed the silence. Suddenly, Nico's comm link crackled to life.

May: Shit! Nico, this is a trap! We need to get out of here!

In the backround, gunshots and explosions can be heard.

Nico: May, what happened? What's your status?

May: Flip's thugs are surrounding us. I don-

Before she could finish, a loud boom was heard and the line went dead.

Nico: May? May, come in! May! What's your status?

Maria answered instead.

Maria: Nico! We need to Get out of here now! This was a trap! Paul was here too!

Nico: PAUL!? That can't be! What about May?

William: (also answers) Relax, buddy. She's okay. Paul just fired a rocket at her and sent her unconscious. He got away though!

Nico: Good. I'll be right there!

Nico teleported.

Nico teleported and blasted the thugs.

Nico: Calling all Team Loud Phoenix Storm members! I'm under attack! Send reinforcements to my position immediately!

?: Let me help!

Out came the Embodiment of Spike Rosebud! She was a girl with red hair, red eyes, green clothes and red wings and had a tiara with Spike Rosered on it.

Saphira Rosered: Saphira Rosered at your service.

Nico: Awesome!

She blasted the thugs.

Me: (On the radio) J.D. to Nico we're on our way!

We got the thugs killed.

May: (groans) What happened?

Me: You got hit in the head big May.

Maria: But you're okay.

May: Yeah. (GASP) Guys! Paul is back!

Me: Paul too!?

Eli: Weird! We saw Kurata earlier!

Nico: Kurata!? How can that be!?

Me: Someone is REALLY FUCKING AROUND with the Black

Gates!

Nico: We better get back to the Estate to tell them about this!

Me: Agreed! Lets go!

We teleported back!

We got back and saw everyone in a battle.

Me: WHOA!

Nico: Not good!

I saw a figure and grabbed him and it was Wertz!

Me: Wertz! I should have known you would do something like this again!

Wertz: Yes it's me!

Me: I thought we were rid of you and your fucked up ways forever Wertz!

Wertz: Well now I'm back!

Me: Huh?

I then saw a grey light on his back.

Me: What's this?

I ripped his shirt and saw a strange grey orb imbedded in his back.

Me: WHOA! This is new.

I pulled it out and Wertz screamed in pain!

Me: Got it!

Saphira Rosered: Allow me J.D.!

She grabbed him and threw him far!

Me: Awesome throw Saphira!

Saphira Rosered: Thanks.

Me: I better analyze this orb.

I went over to everyone.

Me: Is everyone alright?

Lincoln: Yes we are.

Me: Good.

Laney: Saphira! Wow!

Layla Williams: Awesome to see you.

Saphira Rosered: You too Laney and Layla. Been a while.

We went in the estate.

Poromon: Okay. I'm coming out of the closet. No hostiles better be out there!

Me: It's all clear.

Xenia: Yeah.

Qin: What's going on? Why are some of our enemies back from the Black Gates?

Me: I have no idea.

Nico: I thought we were rid of these douches.

Me: It probably has something to do with this grey orb I ripped out of Wertz.

Nico: Is that a Dark Orb?

Me: No Dark Orbs are black and purple. This one is Grey and white.

Nico: Weird.

King Kai: Everyone! Thank goodness! I've been trying to contact you guys for the last several hours!

Me: We hear you loud and clear King Kai.

King Kai: I found out what's going on and you guys are not going to like it.

Me: Go ahead.

King Kai: A few hours before you guys went on Nico's rescue, the Anti Monitor made his move!

WE GASPED!

All of us: ANTI-MONITOR!?

Camie: Who is Anti-Monitor?

Me: A Monster that the Justice League and the DC Heroes battled.

I went over his history

The Anti-Monitor is one of the main antagonists of the DC Universe, first specifically appearing as the main antagonist of the 1985 storyline Crisis on Infinite Earths, and the overarching antagonist of the 2007 storyline Infinite Crisis. He first appeared in Crisis on Infinite Earths #2 (although he remained in shadow until Crisis on Infinite Earths #5), and was destroyed in Crisis on Infinite Earths #12, only to return after a long absence in Green Lantern: Sinestro Corps Special #1 (2007).

Hailing from one of the moons of Qward in the Antimatter Universe, the Anti-Monitor is the brother and polar opposite of the Monitor, both created when the universe split into the Multiverse as both the son of Perpetua and a result of the Maltusian scientist Krona tampering with time. Despising everything that wasn't him, the Anti-Monitor sought to destroy the Multiverse one reality at a time by initiating an "entropy wave", a slow-moving wave of antimatter that obliterated every alternate Earth. He is one of the main antagonists of the Justice League franchise (alongside Darkseid and Vandal Savage) and a major antagonist in the Green Lantern franchise. He is the arch-nemesis of the Monitor, the Justice League, the Green Lantern Corps, and the entire multiverse.

Following the first reboot of the DC Universe, dubbed Post-Crisis, and despite his corporeal form's destruction, his physical body drifted in the very outer corners of the universe, eventually located by Alexander Luthor, Jr., Superboy-Prime, and Earth-2 Superman, who all saw the potential of using his body to create a "dimensional tuning tower" to begin recreating the destroyed worlds. However, this was foiled and the tower was destroyed. Following the actual rebirth of the Multiverse, during the 2009 storyline Blackest Night, the cosmic embodiment of death Nekron began using Black Power Rings to create the Black Lantern Corps. Eventually, the Anti-Monitor was resurrected during this event.

After a second reboot of reality due to a paradox accidentally caused by the Flash (Barry Allen), a new timeline called the New 52 came into being, and the Anti-Monitor's history was altered, having been an alien scientist named Mobius, who had created the New God Metron's Mobius Chair. Eventually gaining godlike power through antimatter, Mobius became a member of the New Gods and began wreaking havoc as he had in realities before. During the 2014 storyline The Darkseid War, he and Darkseid went into battle, which ended with Darkseid's death and allowed the Anti-Monitor to revert into Mobius simply so he could kill his enemies more personally.

Pariah performed an experiment similar Krona's on a parallel Earth, it reawakened both the Monitor and the Anti-Monitor and destroyed Pariah's universe. It was there that the Anti-Monitor rebuilt his army, took over Qward and using the Thunderers as his own private army, as well as creating the Shadow Demons from the elite of the Thunderers. The Anti-Monitor then released a massive anti-matter wave, absorbing the energies of the destroyed positive matter universes and growing stronger even as the Monitor grew weaker.

He employed Psycho-Pirate, using his emotion control powers, to terrorize the populations of the planets he sought to conquer and destroy. The Monitor, along with his aide Harbinger, gathered a group of heroes and villains from various alternate universes to fight the Anti-Monitor. However, one of Harbinger's duplicates was taken control of by the Anti-Monitor and killed the Monitor, but the Monitor planned this and used his death to create a pocket universe to contain the remaining realities from the Anti-Monitor's attack.

When the heroes tried to defeat the Anti-Monitor the first time, Supergirl dies but manages to destroy his body, forcing him to make another one with a different appearance for himself. Then the Anti-Monitor and tries to use an antimatter cannon to penetrate the limbo universe and destroy the five partially merged Earths. However, the Flash, who's been the Anti-Monitor's prisoner for most of the story, destroys the cannon, but also dies as well. It was there that the Anti-Monitor absorbed the entirety of the anti-matter universe and traveled to the beginning of time, intending to create a complete anti0matter universe. When the heroes followed him there, he began to drain the power from most of them. The Spectre decided to send the heroes against the Anti-Monitor and the villains to stop Krona from creating the multiverse.

However, the actions of the Spectre, empowered by the sorcerers of the surviving Earths, brought the Anti-Monitor to a stalemate. The villains of said Earths, sent to stop Krona from viewing the origins of the universe, failed due to squabbling, allowing Krona to see the hands of the Anti-Monitor and the Spectre struggling for domination, which collapsed the current Multiverse. After struggling, the Spectre creates an energy overload against the Anti-Monitor which shatters space and time. At the same time, Krona looks into the past, as the villains have failed, causing a new, singular universe to be created. Just as people true to get adjusted to the newly singular Earth, the Anti-Monitor, draws the new Earth into the anti-matter universe, intending to destroy this last bastion of positive matter once and for all. Many heroes and villains lost their lives against the Anti-Monitor's forces. Finally, the Anti-Monitor falls into a trap where Darkseid fires his power through Alexander Luthor, Jr., which reduces the Anti-Monitor into a flaming head where Kal-L delivers the final blow, destroying the Anti-Monitor by punching him into a star.

The Anti-Monitor is not only a dangerous enemy of the Green Lantern Corps, but he is an enemy of the entire Multiverse. Billions of years ago, on the planet Maltus, there existed a race of beings, blue-skinned and immortal. One of these beings, Krona, was a scientist obsessed with the origins of the universe, even though a taboo existed amongst the ancient Oans concerning the viewing of the origins of the universe.

Krona created a machine that allowed him to see into the moment of creation. Somehow, his experiment disrupted the process of creation, with terrible consequences. The exact consequences have been rewritten over the years; originally, it was the unleashing of evil itself in the universe; later, it was assumed to be the creation of the evil antimatter universe of Qward.

During the Crisis on Infinite Earths, it was also revealed to be the cause of the existence of all parallel universes in the Multiverse; several villains were sent back in time to stop him, but were defeated by Krona and the other Oans. In a final revision, it was established that it increased entropy in the universe, shortening its existence by a billion years. In any event, two beings were created on both the moon of Oa and the moon of Qward. On the moon of Oa, the being known as the Monitor was instantly aware of his counterpart, the Anti-Monitor (although his official name is the Monitor, and he is often addressed as such, the name Anti-Monitor is used to distinguish him from his heroic positive matter counterpart). By this time, the Anti-Monitor had quickly conquered Qward, as well as the rest of the Antimatter universe. In searching for other places to conquer, he also became aware of his counterpart. These two beings battled for a million years, unleashing great powers against each other, but to no avail. At the end of their stalemate, they rendered each other inert for 9 billion years with a simultaneous attack.

In Final Crisis, it is revealed that, in the wake of the birth of the original Multiverse, an unfathomable being of limitless imagination, the Original Monitor, became aware of the life germinating in the budding Multiverse occupying the void space in which he resided, and which he encompassed. Curious about it, and wanting to interact and know better the lesser life forms birthed by the Multiverse, he fashioned a probe - a smaller Monitor. Unprepared to deal with the complexity of life and the passing of time, the probe-Monitor upon coming in contact with the Multiverse itself was instantly split into two symmetrical and opposite beings: the Monitor, embodying the positive matter and the goodness, and the Anti-Monitor, embodying the antimatter and evil.

Crisis On Infinite Earths

In more modern times, the being known as Pariah performed an experiment similar to the one Krona attempted long ago on a parallel earth. This experiment resulted in the reawakening of both the Monitor and the Anti-Monitor, and the destruction of Pariah's earth and his universe. Anti-Monitor rebuilt his army, taking over Qward and using the Thunderers as his own private army, as well as creating the Shadow Demons from the elite of the Thunderers.

Anti-Monitor then released a massive antimatter wave, absorbing the energies of the destroyed positive matter universes and growing stronger even as his counterpart grew weaker. Anti-Monitor also employed the second Psycho-Pirate, using his emotion control powers to terrorize the populations of the planets he sought to conquer and destroy. Monitor, along with his aide Harbinger, gathered a group of heroes and villains from various alternate universes in order to combat the threat of the Anti-Monitor.

After defeats from various heroes, including the Flash and Supergirl sacrificing themselves to destroy an antimatter cannon and to save Superman respectively, the Anti-Monitor absorbed the entirety of the antimatter universe and traveled to the beginning of time, intending to stop the formation of the positive matter multiverse and to create a multiverse where antimatter prevails. When the heroes followed him there, he began to drain the power from most of them.

However, the actions of the Spectre, empowered by the sorcerers of the surviving Earths, brought the Anti-Monitor to a stalemate. Villains of said Earths, sent to stop Krona from viewing the origins of the universe, failed due to squabbling, allowing Krona to see the hands of the Anti-Monitor and the Spectre struggling for domination, which shattered the current multiverse.

From the ashes rose a new and singular universe. While various persons adjusted to the newly singular Earth (including those whose worlds and histories had been destroyed with the loss of the Multiverse), the Anti-Monitor was enraged and drew this new Earth into the antimatter universe, intending to destroy this last bastion of positive matter once and for all. What followed was the Shadow Demon War, wherein many heroes and villains lost their lives against the Anti-Monitor's forces. Finally, the combined efforts of various superheroes and villains, destroyed the Anti-Monitor by punching him into a star.

The star went nova and caused antimatter waves to erupt, threatening to destroy the entire antimatter universe. Kal-L and Superboy-Prime were willing to resign themselves to their final fates, when Alexander Luthor, using his power to open dimensions, revealed that he had created a "paradise dimension", and he used it to prevent the Lois Lane Kent of Earth-Two from being erased from existence when the post-Crisis universe was formed, as he foresaw how events would unfold and refused to allow Superman to have to deal with such a terrible loss. Using his own body as a portal, Alexander Luthor, Kal-L, and Superboy-Prime went into the "paradise dimension" alongside Lois.

Infinite Crisis

Superman (and Lois Lane) of Earth-Two, Superboy of Earth-Prime, and Alexander Luthor, Jr. of Earth-Three, from their home in the hidden pocket universe, were revealed to be observing the events of the newly-formed universe, as well as the actions of its heroes. Upon observing the events leading up to Infinite Crisis, the heroes returned to the universe in an attempt to restore Earth-Two's existence, at the expense of Earth-One.

Anti-Monitor's remains were then used as part of a tuning fork, similar to the ones used during the first Crisis. This construct then created the vibrational frequency that Earth-Two was on prior to its nonexistence, which in turn recreated Earth-Two with no visible expense to Earth-One, save the movement of characters who originated on Earth-Two to the recreated Earth-Two. Alexander Luthor then recreated the other Earths with his tuning fork, with their respective heroes forcibly migrating to said Earths. Superboy-Prime then returned from the Speed Force wearing what appeared to be select elements of the Anti-Monitor's armor, using it as a yellow sunlight collector.

How he obtained it is still unrevealed, although evidence suggests that he built it himself while he was imprisoned and it merely resembles the Anti-Monitor's armor, although whether by intention or coincidence is unconfirmed. Ultimately, the tower was destroyed when Kon-El, the modern Superboy, and Superboy-Prime crashed into it while fighting each other; Kon-El died in the arms of Wonder Girl as Superboy-Prime fled.

Legacy

Despite his extremely limited exposure (he only appeared in the Crisis on Infinite Earths mini-series, a single issue of Wonder Woman, and Flash #149-150), the Anti-Monitor was responsible for one of the most profound changes in the entire history of DC Comics, the DC Universe, and all of its parallel universes. The antimatter universe still exists, now with both Qward (said to be the counterpart of Oa) and an alternate Earth populated by counterparts of the positive matter heroes and villains (each taking the opposite role) known as Earth-2.

Perhaps the most notable impact the Anti-Monitor had on the post-Crisis universe was the elimination of the multiverse aspect of the DC Universe. Previously, there existed an infinite number of Earths, each one with a unique history, that could be accessed through various means, the most common being vibrational attunement. Post-Crisis, with the restart of the universe as one thanks to the machinations of the Anti-Monitor, a simpler, more streamlined DC Universe seemed imminent, with characters acquired from Charlton Comics, Fawcett Comics, and Quality Comics all becoming incorporated into the new DC Universe.

Sinestro Corps

It was revealed that the Anti-Monitor was reborn following the recreation of the Multiverse and that he had been fueling Sinestro's ideology since the return of Hal Jordan, acting as the Sinestro Corps' "Guardian of Fear". His body was rebuilt by the Manhunters, and in addition, he recruited Superboy-Prime, the Cyborg Superman, and Parallax, who was using Kyle Rayner as its host, along with Sinestro as his 'heralds'.

During the war between the Sinestro Corps and the Green Lantern Corps, the Anti-Monitor contacted Cyborg Superman to inquire about the status of New Warworld. The cosmic tyrant stated that he would soon abandon Qward and that he would kill Henshaw for his services, allowing him the peace that had for so long evaded the Cyborg. When the Lost Lanterns made their way to the antimatter universe to save Hal Jordan and the Ion power, they inadvertently stumbled upon the Anti-Monitor in a basement chamber of his stronghold on Qward. He was seemingly experimenting on or torturing the Ion entity previously inhabiting Kyle Rayner. He proceeded to kill Ke'Haan before the other Lanterns forced him back, taking the Ion entity from the planet and the antimatter universe. The Anti-Monitor pursued the Lanterns for a short while, long enough for Hal Jordan, Guy Gardner, John Stewart, and the other Lanterns to learn of his return. Having this vital information, they then leave Qward.

Shortly after, the Sinestro Corps launched its attack on Earth. The Anti-Monitor traveled to the planet aboard New Warworld, and landed shortly thereafter, along with Sinestro. He was attacked by Sodam Yat and other members of the Green Lantern Corps, but the tyrant killed the two unnamed beings and severely injured the Daxamite Lantern.

The Anti-Monitor began to siphon the positive matter of New York City to create his traditional antimatter waves. However, he was attacked by the Guardians of the Universe, angry at being impotent during his first war. The Anti-Monitor was able to counter the vicious attack, permanently scarring the face of Scar. John Stewart and Guy Gardner brought down New Warworld, which, along with Yellow Central Power Battery, were detonated next to the Anti-Monitor, of which all were surrounded by a shield created by hundreds of Green Lanterns to contain the explosion; even this was not enough to kill him. Superboy-Prime, seeing an opportunity to defeat the now-weakened Anti-Monitor and thereafter pursue his own agenda as he had intended to do from the very start, finished the battle by flying through the Anti-Monitor's chest and then hurling his shattered body into space.

The Anti-Monitor's shrivelled and glowing form crashed on an unknown planet. He was recognized by a dark voice that bade him rise. Too weak to resist or escape, a Black Power Battery formed around him. In Green Lantern issue 43 this was revealed to be the planet Ryut in sector 666, homeworld of Atrocitus - last of the Five Inversions and founder of the Red Lantern Corps.

Recent events related to storylines in both the "Green Lantern" and "Final Crisis" titles make the strong implication that the Anti-Monitor's attack on the female Guardian now known as Scar exposed her to the power behind the Blackest Night; she is currently engaged in machinations in the very presence of the other Guardians, who thus far do not suspect her of any wrongdoing. Thus far, these machinations have led to her assigning Green Lanterns Ash and Saarek to the recovery of the remaining armor of the Anti-Monitor, and a deadly ambush of the Green Lanterns by the Sinestro Corps, whom she fed inside information on a prisoner transfer.

Blackest Night

Green Lanterns Ash and Saarek find the Black Central Power Battery and after touching the battery, Saarek reports that their presence has awoken something. The two lanterns try to escape just before two monstrous hands emerge from below them to the sound of the battery calling: "flesh". Both are killed off-panel.

The Guardian Scar also reveals that she had died long ago after the Anti-Monitor's attack, making her the Guardian of the Black Lantern Corps and through her death, she made contact with the demon Nekron, who is the one that imprisoned him in the black battery as its power source. Despite possessing the Anti-Monitor's essence, it is unclear of why Nekron would need to send Scar to find the remains of his armor.

The Anti-Monitor will be appearing as a Black Lantern in Green Lantern Corps #46. However, once Dove of the Teen Titans is near the Black Central Power Battery, the Anti-Monitor is revived, telling

Nekron to let him out. As the Lantern Corps make their way to Earth, Guy Gardner finds the Battery, and the Anti-Monitor as he is trying to break free. Despite having a Black Lantern Symbol, the Anti-Monitor is not truly under Nekron's control and is being used as energy for the Black Lantern Corps. Ultimately, Dove, because of her connection to the White Light of Creation, is shot by Bevodian of the Sinestro Corps into the Anti-Monitor's eye. For the first time since the original Crisis, the Anti-Monitor is killed. However, the Battery pulls his corpse back into itself, despite the efforts of the Lantern Corps. After Black Hand is revived by the White Light, he coughs up a white ring and it passes through Nekron, and into the Black Central Power Battery, reviving the Anti-Monitor and destroying the battery, who attacks Nekron for his imprisonment. Nekron, however, banishes him back to the Antimatter Universe. After the end of the Blackest Night, the Anti-Monitor is back, waiting to make a move.

New 52

The Anti-Monitor's origin and history was changed for the New 52. In this continuity, The Anti-Monitor was originally a scientist named Mobius who was born on the planet Qward in the Anti-Matter Universe. Mobius was obsessed with learning the secret of his universe's creation and constructed a device called the Mobius Chair to help him achieve this goal. After ruthlessly murdering many people in his pursuit for the forbidden knowledge, Mobius eventually laid eyes upon the answer to his reality's existence, the Anti-Life Equation, which transformed him into the living embodiment of Anti-Life known as the Anti-Monitor.

Millennia later, the Anti-Monitor had drained all of the energy from Earth-3 before he met a woman named Grail, who claimed herself to be the daughter of Darkseid. She told Mobius that he could free himself from the Anti-Life Equation by killing her father, which would blur the line between mortals and Gods. With this knowledge, the Anti-Monitor planned to destroy Darkseid on Prime Earth and end the age of the New Gods, replacing it with the age of the Anti-Gods.

Upon arriving on Prime Earth with the help of Grail, the Anti-Monitor summoned an army of shadow demons and defeated the Justice League that tried to stop him. Eventually, Darkseid and the forces of

Apokolips were lured to Earth where the Anti-Monitor launched his attack. As war between the villains progressed, Darkseid summoned the Black Racer to aid him in the conflict. However, the Anti-Monitor managed to merge it with the Flash and directed him to kill Darkseid instead, allowing Mobius to finally separate from the Anti-Life Equation while still retaining the powers he gained from it. Despite Mobius' success, his freedom was seemingly short-lived as Grail soon betrayed him by merging the Anti-Life Equation with Steve Trevor, who then obliterated Mobius.

DC Rebirth

Sometime after the events of Dark Nights: Metal, it is revealed that the Anti-Monitor is one of the children of Perpetua, and like his brothers, he is to be reincarnated within the Sixth Dimension should he die.

When I was done everyone was horrified!

Nico: Great as if Xehanort wasn't bad enough, now we got a Multiverse Destroying monster running amok!

Me: Like I said, Evil ALWAYS Finds a way. It just comes back for more.

Qin: Oh great!

Me: So he revived some of our major enemies that we banished to the Black Gates.

Nico: Not good!

King Kai: There is some good news though! He didn't bring back Xehanort, Dark Eddy, Flip, Icky Vicky, Rita Repulsa, Vilgax, Barodius, Swartz, Opaline, Thanos, Slappy, and Giovanni.

Me: At least they won't cause any problems. Wait! If Rita wasn't revived then that means that Lord Zedd was. Now I have a chance to finish up some unfinished business and finish what I failed to do before Vilgax killed him.

King Kai: I'm sorry. I wanted to contact you all but the Anti Monitor was blocking me temporarily.

Me: It's not your fault King Kai.

Nico: But at least now we know who is behind all this.

Xenia: Yeah.

King Kai: He revived 310 enemies that each of you faced.

Me: One for each member of the Core 310.

Marinette: Oh boy.

Me: This is gonna be brutal. I better analyze this orb first. Nico you get Vypra and everyone together in the briefing room. I'll be there in a few minutes.

Nico: Okay.

He went and did so and I analyzed the orb.

I analyzed the orb and saw that the orb was made when Anti-Monitor revived the 310. Surprisingly it was not universe-wide like Xehanort did. Instead it was limited to just 310 villains. The Orbs he made are his energy and when they are destroyed we will get a boost in power. But they won't poison us like how Xehanort did.

Me: This is good. At least these orbs won't poison us like how Xehanort did.

I printed my findings.

Me: Okay.

I went to the briefing room.

King Kai: And Saphira how did you meet Laney and Layla?

Saphira Rosered: I met Laney when she was working on a proto-psychology project and I helped her and she got an A+ on it.

Nico: That's awesome. Good job Laney.

Laney: Yeah it was about how each personality affects the mind.

Nico: Interesting.

Saphira Rosered: Yeah and I met Layla when she and her friends were battling Royal Pain. We gave her one helluva beatdown.

Nico: Wow!

Saphira Rosered: Yeah.

Nico: Would you like to join us?

Saphira Rosered: I would be honored.

We got to the briefing room and Nico called the meeting.

Me: Thank you all for coming. Now I'm sure you're wondering what's going on and what this meeting is all about. Well just about 30 minutes ago we were attacked by 3 enemies we thought we would never see again.

Varie: We were attacked by Wertz, Paul and Kurata.

Vypra: WHAT!? That's impossible! They were destroyed and banished to the black gates!

Lord Drakkon: Yeah! They are gone for good!

Me: That's what we thought too. But we have a new enemy that brought them back along with 310+ more villains. It was Anti-Monitor.

Vypra: Are you serious!?

Lord Drakkon: Anti-Monitor is behind this!?

Me: I'm afraid so.

Vypra: This is bad. I've heard about him and how big a danger he is.

Me: Yeah.

Nico entered the MOE HQ to see Dark pointing his blaster at him.

Nico: Easy. It's just me.

Dark Spicer: Geez, man! Don't sneak up on a guy like that!

Nico: I take it you already heard what happened?

Dark Spicer: I thought the hideout was gonna be attacked next! Needed to be sure

Nico: At least you guys are safe.

Ebon: And Lily, before I forget, you should take care of that Manaphy. Like May takes cares of hers.

Lily: I will.

Me: Good.

Eli: We got to find a way to stop him now that we know who we're up against.

Me: And we will.

Eli: Yeah.

Me: King Kai confirmed it. Before Nico began his rescue, Anti-Monitor made his move and brought back many of our major enemies. But the good news is that Xehanort, Dark Eddy, Flip, Icky Vicky, Rita Repulsa, Vilgax, Barodius, Swartz, Opaline, Thanos, Slappy, and Giovanni were not among them.

Vypra: That's good.

Lord Drakkon: It's possible that we'll face Lord Zedd again and finish what you failed to do.

Me: Bingo.

Vypra: I better tell everyone at HQ.

Nico: Okay, let's calm down. We beat most of these guys before. And we can do it again. Especially since no Dark Orbs are in us anymore.

Dark Spicer: I know and we're ready.

Vypra called and told everyone what happened.

Nico and everyone came.

Nico: (to me) Look at the bright side. At least Xehanort's threat to the Multiverse truly is over along with Icky Vicky and Flip.

Me: That is true. And to be honest I've wanted another crack at these guys again. But Arkayna, Zarya, I have a feeling that Necrafa may be back too. And I did some research in the Gemina archives earlier and found out that she was not entirely evil at all to begin with. That mask poisoned her and turned her into the Lich Queen. So there's a strong chance we can save her from it.

Arkayna: You're right.

Zarya: I know you can do it.

Wiggum: This doesn't change anything. I still got Eddie and Lou on assignment to take down what's left of Flip's thugs and the Stankcos for good.

Me: Good Chief. It's time we stop being so repetative with them.

Nico: Yeah.

Sebastian Mendez: Yeah I agree.

Nico: You didn't go with them?

Wiggum: Hey, with the announcement, I need to make sure Ralphie's safe!

Ralph: Thanks dad.

Me: Aww. Always a good father.

Lola: Yep.

Nico: Yeah.

Vypra: We'll keep our eyes peeled for them.

Vince: I'll inform the president about what's going on and tell our allies all over the universe about what we just found out.

Me: Okay.

Carol: Be careful Vince.

Vince: I will.

He teleported to the white house.

Me: I have a feeling Cyclonis will be back too. Aerrow, you better alert everyone on Atmos.

Aerrow: Right.

Me: Arkayna you better alert your family and all of Gemina for the return of Necrafa. And Tazma may be involved as well.

Arkayna: You got it.

Me: Twilight, you better alert all of Equestria and Princess Celestia. There's a possiblity that some of your major enemies are back too.

Twilight Sparkle: Right.

ZAP!

She teleported.

Me: Tommy, you better tell Zordon that Lord Zedd has returned again because of Anti-Monitor.

Tommy: Right.

Me: Jeri we may be facing the D-Reaper again so you better be ready for that.

Jeri Katou: I know.

Me: Zoe, Koji, Tommy, you better be ready to fight Lucemon again. He might have returned too.

Zoe Orimoto: Understood.

Me: And there's a possiblity that MY enemy for me is gonna be the Shredder.

Nico: And mine is MaloMyotismon.

Eli: And mine is Sephiroth.

Dan Kuso: Since Barodius isn't coming back, it's time me and Fabia focused on the other two big bads me and the Other Brawlers faced.

Me: Naga and King Zenoheld.

Dan Kuso: Yep.

Me: Okay.

Poromon: Nico, which Gene Slammer do you think you'll meet next?

Nico: Vegiemon next.

Qin: Ooh! This will be good.

Me: Yep.

Laney: Yeah this will be interesting.

Camie: Yeah.

Everyone regrouped.

Twilight Sparkle: We told everyone and everypony.

Me: Okay.

Lynn: What about Gai?

Me: I sent out numerous shadow clones to warn everyone we know.

Nico: Good.

Me: I sent them out after we were told what's going on.

Nico: On future Ambassador missions, we'll give the same warning

Qin: Okay.

Lola: Good idea.

Nico: Yeah. Lets head over to the park for the anniversary party.

Camie: Okay.

Me: Lets go.

We were off.

* * *

We arrived at the park.

Poromon: Here we are!

Me: Yep. Lets get this party started.

Xenia: Yep.

We got the party underway.

Taro: You never explained to me us about the 20 Days of Darkness in full

Me: Well it started back on January 23rd, 2021 and lasted till February 11th, 2021.

Flurry Heart: It was on my little sisters birthday too.

Me: Yep. We first were warned about it from Cameron Clix under the influence of Number 25: Force focus.

Qin: Yep.

Taro: What birthday?

Flurry Heart: January 23rd, 2021 was also the day when my little sisters Lilly Crystal and Cloud Star were born.

Nico: It's true.

Taro: Oh wow!

I gave Lilly Crystal and Cloud Star an amazing birthday cake and Shining Armor, Cadance and Twilight Sparkle sang happy birthday to them.

They blew the candles out and we cheered for them.

Nico: It's also today as well

Me: Yep.

Taro: That is amazing. Flurry Heart's little sisters have their birthday on the same day as the start of the 20 Days of Darkness.

Me: Yeah it sure is amazing.

Camie: Yep.

Kit Taylor: We're happy for them too.

Nico: Yeah.

Me: We also became the very first humans and more to witness a Crystaling in the Crystal Empire.

Nico: Yep.

Laney: Yeah.

Me: Then came the adventures. First we went to Twilight Town.

Luan: I fought Evil Roxas there.

Roxas: That was fitting too. I govern the element of Light and Luan has light powers.

Luan: It sure was En-LIGHT-ENING! (LAUGHS) Get it?

WE LAUGHED!

Nico: (LAUGHS) Good one!

Eddy: (LAUGHS) Good one!

Nico: Yeah! But after that battle is when all hell broke loose.

Me: Yeah!

Nico: Xemnas hit me from behind.

Me: With a red energy blast that put the Digimon Emperor in his mind.

Nico: Yep.

Taro: Geez! The Digimon Emperor is in your prison isn't he?

Me: Lets see.

I looked it up and showed the security footage of his cell and sure enough he was locked up.

Me: Yep. He's still in there.

Nico: Good.

Maria: Guess the Anti Monitor thought he wasn't worth bringing back also

Me: Yeah.

Qin: I agree.

Luan: Whew.

Nico: Yeah thank goodness.

Me: Yep.

Lincoln: After that, I fought Evil Larxene

Nico: Yeah in the world of Mulan.

Qin: That was cool.

Mulan: It sure was and Lincoln and Evil Larxene were masters of lightning.

Camie: Yep.

Taro: That is cool!

Camie: Yep.

Kit: Anything else happen that day?

Me: Yeah. Nico under the control of the Emperor beat the living crap out of Skinner's mom.

Qin: Yep.

Agnes: It took that and some thinking to realize how much of a bitch I was. (Smiles) Seymour, for what it's worth, you truly have grown into a fine young man

Skinner: Thanks mama.

Me: Aww.

Laney: Next I fought Evil Marluxia.

Qin: That was cool and we did that in the Pridelands.

Laney: Yep.

Nico: Before that I beat up King Stefan.

King Stefan: (winces) (Scottish Accent) Not one of my best moments.

Me: Yeah.

Qin: That was brutal.

Lola: Yeah.

Lana: And we had the first bug eating contest!

Me: (LAUGHS) Yeah.

Taro: With Timon and Pumbaa?

Qin: Yep!

Timon: Lana is the queen of bug cuisine.

Pumbaa: She sure is and she eats bugs like no problem.

Camie: Yeah no kidding!

Pumbaa: We're so proud of her! (LOUD FART) Oops. Sorry.

Lily: Next, I fought Evil Luxord.

Evil Luxord: She's talking about me.

Me: Yeah and she fought him in Port Royal.

Lily: That was fun.

Jared: It sure was.

Nico: And I almost threw Riddler's boss out the window.

Brian: But he didn't thanks to some...food I tried before.

Taro: What kind?

Me: Magic mushrooms.

Nico: And I DON'T KNOW WHAT THE FUCK I WAS THINKING! SOMEONE PUNCH ME!

KRABLAM!

I smashed Nico on his head powerful punch to his head!

Nico: Thanks. I needed that.

Nico had a huge lump on his head.

Me: Oops. Sorry.

I took a tiny hammer and pounded it back in.

Nico: Thanks.

Me: No problem.

Nico: Did you have to hit so hard?

Me: You want me to hit you harder?

Nico: No I'm good.

Me: Good.

Luna: Next, I fought Evil Demyx

Qin: That was amazing.

Camie: Wow!

Luna: Yeah it was a battle of water.

Nico: And before that, I almost killed Burgundy

POW!

Nico got slugged in the face by her!

Burgundy: And I still feel it you idiot!

May: NO ONE DOES THAT TO MY HUSBAND!

She jumped Burgundy and smashed and pulverized her in a brutal fight cloud!

I grabbed May and Burgundy and they stopped.

Nico: But I was stopped by sleeping pills.

Qin: Yeah

Plankton: Let me explain the next part. While everyone was sleeping, the Digimon Emperor took control of Nico and had Norm restore me, Vlad, Burns, Crocker, Jock, and King Goobot

Me: Yeah.

Taro: Wow!

Me: Yeah that was awful.

Nico: It was.

Me: Yeah. And during that sleep, I found Princess Luna's mansion and brought the Children of the Night here.

Princess Luna: I remember that. That was cool.

Camie: Wow!

Nico: Speaking of eating, let's have some food before we continue. We've reached the halfway point of the recap.

Me: Good idea.

Mary Knudson: Food's ready anyway. Come and get it!

We got to eating a lot of good food.

Poromon tried some food.

Poromon was eating some Banana Cream Pie and pudding.

Poromon: Delicious!

Nico had burgers, chicken wings and drumsticks.

Poliwag: Now, where were we?

Me: We were at what happened after the battle with Axel.

Lola: Yeah.

Lisa Loud: I believe it was my turn in Disney Castle to face Saix there.

Nico: But you should know that the Digimon Emperor was removed before Evil Saix. As a result, he took on a form identical to mine. He tried to blow the Flim Flam Brothers up

Eddy: By sticking a bomb onto Rarity!

Rarity: Yeah! And thank goodness J.D. saw that.

Me: I know.

Nico: The next day, I snapped out of my depression thanks to J.D. crying.

Me: You're never going to let me live that down are you?

Nico: Nope. After that the Digimon Emperor made his next move.

Taro: Which was what?

Me: Beat up Gary and Betty and the South Park Kids.

Lola: Yeah.

Nico: Yeah. (To the viewers) Sorry fans of South Park.

Timmy: (to Gary and Betty) I still think the South Park kids got what they deserved. But after recent revelations, I realized that you two didn't deserve to be beat up.

Gary: I know that now.

Betty: Yeah.

Timmy: Yeah.

Hades: Okay, let me narrate this part. After Nico got back in the game, he and the rest participated in one of my Underworld Tournaments.

Deadpool: Me, Lobo, Grier, and Moosk participated too

Me: Yeah we all did. That was so fun.

Lucy Loud: And I battled Zexion there which was fun.

Camie: Wow!

Hades: (sighs) Honestly, when I heard that Nico and some of you guys were depressed over the revelation that he broke out what was going to form the Sullen 6, I felt empty inside. I mean, no offense to Wonderboy, but fighting him can feel tiresome at times. But you guys? You guys give me a challenge. But I made sure no one knew that by pretending I wasn't bothered by it

Me: I am glad we could provide.

Nico: Especially because you always crack us up.

Anna Knudson: Yeah and this guy is the Stiff that does that!

Luan: Yeah and he Works himself to death!

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS) That is funny!

Hades: (LAUGHS) Yeah that is funny and true

Eddy: After that, before the Digimon Emperor freed Marge, I took on a bounty hunting job where I warned some stalker stalking a few girls to back off.

Nico: That's right!

Marge: I can't believe I was like that.

Camie: Yeah.

Deadpool: But Eddy did a great job as a bounty hunter too. Gave me a good laugh and a good run for my money.

Toad Man: Good thing I was there to spot him. And to have lunch there anyway.

Me: Yeah that is for sure.

Nico: Yeah.

Lana: After that, I fought Evil Vexen.

Me: In the Timeless River and that was a fun one. Because it made us feel like we went back in time to the 1930s.

Nico: That was awesome!

Lola: Yeah!

Me: Ahh good memories.

Nico: Yeah those were good cartoons back in the old days.

Maria: After that, the Digimon Emperor almost killed Iron Will

Me: Yeah he sure did!

Lola: At least his muscles and strong physique stopped that.

Nico: Yeah it'll take more than a bullet to stop Iron Will.

Me: Tough as a brick wall.

Apple Bloom: Yeah! Also At the end of that one I ascended to becoming an Alicorn.

Camie: Wow!

Lori: I literally fought Evil Xaldin after that.

Me: In Beast's Castle which was awesome.

Lola: Yeah!

Xaldin: That was so cool.

Beast Boy: It sure was.

Seifer: After that, the Digimon Emperor tried offing me and my gang!

Me: Man what a jerk! At least you're all right Seifer.

Eli: And okay to play Struggle for another day.

Seifer: That's true Eli.

Xigbar: After that, I fought Leni before I became a core member

Qin: You sure did.

Me: In Space Paranoids. Which really put my technological expertise to good use.

Nico: Yeah that was awesome.

May: After that, we defeated Xemnas and the Digimon Emperor.

Me: In the World That Never Was.

Qin: And Salem helped us destroy the Digimon Emperor for good.

Camie: Wow!

Taro: That is amazing.

Vlad: To make a long story short, after Xemnas' defeat, J.D. and the rest spent the next 7 days working to take down me, Plankton, and the rest of the Sullen 6.

Chiro: Me and my team helped too.

Me: Yeah you sure did and that was a brutal u days.

Lola: Yeah but also during those 20 days The Kamen Riders helped us big time.

Nico: Like I told Crocker and Burns before, the 20 Days of Darkness haunted us for months. Until we realized they replaced an event far worse

Me: Yeah.

Laney: Him taking over the world.

Xenia: Yep.

Taro: Oh man.

Nico: And those 20 days also helped us grow closer together

Me: They sure did.

Qin: And made us STRONGER than ever.

Lola: In strength, bonds and spirit.

Nico snapped my fingers.

Eddy: What did you just do?

Nico: I tightened the security around the Digimon Emperor's Cell.

Maria: Shouldn't you do the same for Brightburn's cell?

Nico: Fair enough. (snaps fingers again)

Me: Good idea.

Lola: Now that we have Anti-Monitor to deal with, things are going to get rough.

Camie: Yep.

Xenia: But we're ready.

Nico: And we'll face things one at a time. As a team.

Qin: We sure will.

Lola: Yeah.

Wiggum (to Eddie and Lou): I take it you two got the job done.

Lou: Sure did, Chief. I tranquilized the Stankcos. It was actually easy to target their muscles.

Eddie: And with how big Flip's thugs were, it was easy to shoot them in the heads.

Me: Cool.

Xenia: Now Flip is a TRUE forgotten memory.

Camie: Good riddance.

We had a good party and it was fun. But now we have a new enemy to face. The next chapter of our adventures as Team Loud Phoenix Storm was about to begin.

We later went back home and went to sleep.

Meanwhile in Japan, Hiroyuki of Ultraman Taiga was getting ready for our adventure with him.

Hiroyuki: We're ready for this.

Taiga: You bet we are. We're going to tear apart Kirisaki and make him pay.

Hiroyuki: We sure are. Lets get him!

ULTRAMAN TAIGA! BUDDY UP!

In a flash of light he transformed and then the screen turned yellow.

TO BE CONTINUED!

Chapter 1 done!

Wow! This is awesome!

She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of orange fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built, and she knew of Lincoln's spirit animal being the buffalo. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Laura hates Lola with a blazing passion, because of what that blackmailing rampaging pageant diva and she-demon has done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Get ready for an awesome and epic battle as we help the Taiga Ultraman Team and we're going to battle Kirisaki and banish him to the Black Abyss forever. Also we're going to battle Evil Chandler and that is gonna be brutal.

Simone Honou: This is gonna be so awesome.

Camie: It sure is.

Keesha: And Keesha said "Let there be night."

The lights dimmed and crickets were heard and it was on a tape recording. We were helping build an awesome Nocturnal animal display for the class.

Carlos: And I say "Let there be Ms. Frizzle." Where is she anyway?

Tim: Yeah. Our parents will be here any minute.

Simone Honou: It'll be awesome to see your parents again guys.

Dorothy Ann: Yeah its been a while for them for you Simone.

Simone Honou: I know.

Nico: We're so honored to be here to help you guys for this.

Fluttershy: I agree. Night animals are amazing.

Phoebe: Oh I hope they like our display of nocturnal animals. Animals that come out at night are my personal favorites.

Brittney: Mine too Phoebe. We goths live during the night and love the animals of darkness.

Xenia: That is cool.

Arnold: I don't know about you guys but Parent Teacher Conferences make me nervous.

Me: Welcome to my world.

Lola: Yeah.

Nico: Izzy, I want to thank you, Bad End Pretty Cure, and your teams for coming

Izzy Moonbow: Not a problem Nico. This is gonna be a fun and amazing adventure!

Eli: Yeah it is!

Elfilin: Yeah it is!

Kirby: This will be fun.

Nico: Elfilin, how did you meet Kirby?

Elfilin: I met him when he came to the Forgotten Land.

Kirby: It was a really awesome adventure for us.

Nicole: Yep. That was a fun one. It was in an abandoned civilization called the New World.

Kirby: That was cool to see.

Nico: Cool.

Someone tapped on Arnold's shoulder and he saw RALPHIE WEARING A VAMPIRE MASK!

Ralphie: I VANT TO SUCK YOUR BLOOD!

Arnold screamed and fainted.

FWOMP!

Nico: Cool mask Ralphie.

Ralphie: Thanks.

Brittney: That was a good scare.

Ralphie: Yeah. Chill out Arnold. It's just me. Your ordinary creature of the night.

Laney: Nice scare though.

Keesha: Knock it off Ralphie. There are no vampires. They only exist in your imagination.

Ralphie: That's what you think. Bats are just vampires in disguise.

Natasha Hernandez: Also...

She showed her fangs and Keisha gasped.

Natasha Hernandez: I am a vampire myself but also we have seen NUMEROUS vampires before.

Maria: What's the forgotten land like?

Nicole: A really amazing place. Kirby had an amazing adventure there.

She went over what happened.

One day on Planet Popstar, a dark vortex appears over Dream Land, sucking up everything on the planet in its path. Kirby is among those sucked into the vortex and finds himself in an abandoned civilization called the New World, where he discovers that the Waddle Dees from Dream Land are being kidnapped by the native wildlife, the Beast Pack. Eventually, he finds the destroyed Waddle Dee Town and a chinchilla-like creature called Elfilin, who helped the Waddle Dees settle there. After being rescued from the Beast Pack, Elfilin explains to Kirby that he and the Waddle Dees attempted to fight back but were overwhelmed. Kirby offers to help

Elfilin rescue the missing Waddle Dees, and the two, along with Bandana Waddle Dee, set off together.

As Kirby, Bandana Waddle Dee, and Elfilin make their way through the New World, save Waddle Dees and defeat the Beast Pack's high council members, the two discover that King Dedede is helping the Beast Pack for unknown reasons. After being defeated, Dedede captures Elfilin and escapes, with Kirby in pursuit. Kirby frees Dedede from the Beast Pack's mind control and ascends into their center of operations, Lab Discovera, to find Elfilin while Dedede stays behind to hold off the remaining Beast Pack members. A tourist attraction within the lab explains, via pre-recorded narration, that a powerful extraterrestrial under the identification tag ID-F86 tried to invade the New World. It was captured by the planet's inhabitants and placed in the lab, where its ability to create space-time rifts was researched. Thirty years after research began, ID-F86 split into two halves during a "warp-experiment incident"; one half, Elfilin, escaped in the chaos, while the other half, Fecto Forgo, was placed in permanent suspended animation within Lab Discovera's Eternal Capsule.

Kirby then meets the leader of the Beast Pack, a lion named Leongar, who is holding Elfilin captive. Leongar explains that the previous inhabitants of the New World used ID-F86's power to depart for "a land of dreams," and that he intends to do the same by reuniting Fecto Forgo with Elfilin. After Leongar is defeated, Fecto Forgo awakens; speaking through Leongar, they reveal that they had formed the Beast Pack by controlling Leongar, possessing King Dedede, and kidnapping the Waddle Dees to the New World to use as slaves, in order to resume their invasion. They break free from the Eternal Capsule and absorb Leongar, the Beast Pack, and Elfilin to become their original form, Fecto Elfilis. Kirby manages to weaken Fecto Elfilis enough to free Elfilin, but Fecto Elfilis creates a large portal back to Popstar, intending to cause the two planets to collide. Kirby narrowly defeats Fecto Elfilis by ramming a semi-trailer truck into them; he and Elfilin then find themselves back in Dream Land, where the portal is still open. Using all his power, Elfilin seals the rift between the two worlds, with himself in the New World. In the credits, it is revealed that Elfilin is able to open rifts to Popstar, and the inhabitants of the two worlds have become friends.

However, Leongar's soul remains trapped in an alternate dimension called Forgo Dreams, created by Fecto Forgo's psychic power and populated by phantoms generated by their memories of the Beast Pack. Clawroline, a member of the Beast Pack and friend of Leongar, discovers a rift in Waddle Dee Town that leads to Forgo Dreams. After being sucked into this dimension, Kirby and Elfilin rescue Leongar, who is possessed by Soul Forgo. Kirby defeats the possessed Leongar, separating Soul Forgo from his body. Before they can attack Kirby, a scarlet butterfly flies into the lab, absorbs them, and transforms into Morpho Knight, a valkyrie-like warrior who feasts on souls to absorb their power. Kirby defeats Morpho Knight and Leongar is properly freed; Soul Forgo partially absorbs Morpho Knight's power and vanishes in the aftermath.

Following this, a mysterious portal opens within Waddle Dee Town's colosseum. In an optional final encounter, Kirby combats the phantoms of Forgo Dreams before confronting the newly formed Chaos Elfilis. He defeats Chaos Elfilis in a final battle, and a lingering remnant of their soul approaches Elfilin. He accepts it into his heart, allowing his two halves to finally become whole.

When it was done we were amazed.

Qin: WHOA! That is amazing.

Nico: I'll say!

Me: Boy what a day yesterday.

May: I got hit in the head with a rocket!

May had a nasty bruise on her forehead.

Me: Ooh! Ouch!

May: I know.

Lana gave her a block of ice for it.

May: Ah thanks Lana.

Phoebe: We heard all about some of your major enemies returning from the black gates because of Anti-Monitor.

Nico: I know! What a shocker.

Lola: Yeah!

Bad End Peace: That is just hard to imagine that happened.

Me: I know.

Xenia: Yeah.

Nico: And Wertz's so called disbarment order was really a pizza coupon!

Me: Man what a pathetic act.

Nico: No kidding!

Me: And a waste of a very good pizza coupon.

Qin: Yeah.

Camie: At least we drove them off.

Nico: But we stopped these jerks before. We can do it again

Me: Yep and this time they are getting the Black Abyss.

Xenia: Yeah!

Carlos: Come on guys. The Frizz wants us to set up the attic too.

He pulled a rope and out came a staircase from the ceiling and we went up

Simone Honou: I remember going up to the attic. It was awesome.

Ralphie: (Reading) "The vampire looked around the room of half-humans half-bats and said (Transylvanian Accent) "Attention my beloved children, at last the moment I've been waiting for is here! (EVIL LAUGH)" (Gulps)

He went up with us.

Me: Boy the attic is really spacious.

Nico: It sure is.

Eli: Yeah.

Wanda: Wow it's dark up here.

Me: Yeah.

Ralphie: Uh why don't I go get a flashlight?

Keesha: What's the matter Mr. Vampire Expert? Afraid of the dark?

Ralphie: No I'm not afraid I just can't see that's all.

Tim: Maybe you can't Ralphie. But THAT can.

He pointed to a bat hanging on the ceiling.

Me: Hey a bat.

Nico: Wonder how that got in here.

Me: Good question.

Dorothy Ann: Ooh! A bat. A REAL creature of the night.

Carlos: Yuck! It sure is creepy.

Phoebe: I don't know. I think it's kind of cute.

Fluttershy: I do too. As long as it's not a Vampire Bat.

Me: No those mostly live in South and Central America. This is a Brown Bat. Mostly common here in America.

Nico: You're right.

Dorothy Ann: Creepy or cute. This is one animal we know very little about.

Me: I know.

Keesha: Maybe THAT's why we're afraid of them. We don't know much about them.

Brittney: Luckily for you guys that we goths are here.

The bat screeched and flew.

Ralphie: Oh man!

Keesha: Don't hurt it!

Ralphie: Don't let it get me! I don't want to be turned into a vampire!

Brittney: It's okay Ralphie.

She held out her hand and the bat was hanging on her finger.

Brittney: This is not a vampire bat. And you just were too loud that you woke it.

Keesha: Wow! How did you know what the bat is saying?

Brittney: We Goths are true masters of the night and we know all about what each creature of darkness says.

Fluttershy: That is amazing.

Keesha: Yeah and you can relax Ralphie.

Then we heard a creek.

Keesha: (GASP) What was that?

We gasped!

Then a huge figure hung down!

All of us: YIKES!

We saw that it was Ms. Frizzle wearing a vampire bat cape!

Class: Ms. Frizzle!?

She got down.

Simone Honou: Nice entrance.

Ms. Frizzle: (Transylvanian Accent) Good evening class.

Brittney: Nice vampire cape Ms. Frizzle. Truly gothic.

Ms. Frizzle: It sure is. Ah I see you found my animal of the night. So dark of wing and keen of craft, of all night fliers the master's a bat.

Ralphie: (GULPS) That's just the kind of thing a vampire would say!

He imagined Ms. Frizzle as a bloodthirsty vampire. She showed her fangs and laughed evilly. The thought vanished and he shivered in fright.

Ms. Frizzle: Oh come come don't be afraid. Let me show you the secrets of being nocturnal. When you're a creature of the night, you wear the color of night so you won't be seen by your enemies. You stay hidden until the sun has set. The darker the night, the safer the flight and of course being nocturnal, you feed only during the night.

Ralphie imagined Ms. Frizzle sprout bat wings and she flew at him screeching terrifyingly as the thought vanished.

Ralphie: YIKES!

Nico: Ralphie?

Ms. Frizzle: Ralphie? Is something wrong?

Ralphie: Wrong? No nothing's wrong. (Nervous chuckle)

Then we heard cars pull up.

Me: That must be your parents.

Arnold: I think so.

We went outside

Arnold: J.D., Nico this is my mom and dad.

Me: Pleasure to meet you Mr. And Mrs. Perlstein.

Mr. Perlstein: You too J.D. and you as well Nico.

Nico: Same to you.

Simone Honou: Good to see you again Mr. Terese.

Mr. Terese: Same to you Simone and it's good to hear your voice again.

Simone Honou: You too and Mrs. Li awesome to see you.

Mrs. Li: Same here.

Mrs. Hudson: Congratulations on defeating Xehanort everyone.

Varie: Thank you Mrs. Hudson. That was awesome.

Eli: Awesome to meet you Dr. Tennelli.

Dr. Tennelli: You too Eli. How have things been with all of you?

Eli: Busy as ever.

Keesha had us meet her grandmother.

Keesha: This is my grandmother everyone.

Me: Oh pleasure to meet you Mrs. Franklin.

Mrs. Franklin: You too J.D. I love all your adventures and they are so amazing. Keesha told me so much about them.

Me: I'm glad Keesha spread the word too.

Ms. Frizzle: Oh how nice to finally meet you. Keesha has told me so much about you I could just... eat you up.

We later regrouped.

Ralphie: You gotta believe me. The Frizz must be a vampire.

Maria: Ms. Frizzle a vampire? That's ridiculous

Natasha Hernandez: Yeah.

Qin: I agree.

Camie: Yeah.

Natasha Hernandez: Ralphie how can she be a vampire? I would know if she was one.

Nico: Same here.

Phoebe: The Frizz can't be a vampire. She's our teacher.

Ralphie: Maybe during the day. But what about at night huh? Didn't she say "The Darker the Night The Safer the Flight."

Dorothy Ann: She was talking about bats. When it's dark they blend in. And their enemies can't see them.

Me: She's right. The night sky makes them one with the shadows.

Ralphie: Vampires like the dark too and Night is when they strike. Which is exactly why she wanted our parents here after dark.

Natasha Hernandez: I know that feeling. When I was turned into a vampire I thought I was only going to come out at night. But after finding out that I can walk in the day and night I found out that I was special.

Ralphie: Wow.

Ms. Frizzle: Your attention please! Before we all visit the classroom I thought for the parents only portion of the evening we might go someplace more uh suitable. More Breathtaking. (Spooky Laughter) Well come along. I won't bite.

Me: Uh oh.

They went on the bus.

Mr. Perlstein: Is this a field trip Ms. Frizzle.

Ms. Frizzle: It certainly is Mr. Perlstein. Arnold adores them.

Mr. Terese: At Phoebe's old school we never had field trips.

Ms. Franklin: What about the children? Are they coming with us.

Ms. Frizzle: Don't you worry about them Mrs. Franklin. They will be taken care of.

They left.

Ralphie: Yikes. We're next.

Tim: Wonder where Ms. Frizzle's taking them.

Me: We better go find out.

Eli: Yeah I sense something.

Me: Lets go.

We were off!

We followed them to a dark and creepy castle that was by the sea. Cloudless lightning struck in the sky and bats flew all over.

We hid in the bushes and saw them at the castle.

Me: Boy this castle gives me the creeps.

Eli: Me too.

Xenia: Yeah.

Wanda: Why would Ms. Frizzle bring our parents to a place full of bats?

Dorothy Ann: And mosquitoes?

Ralphie: Because she's a vampire that's why.

Maria: If she WAS a vampire, we would've sensed it

Me: Yeah.

Camie: But we don't know for sure.

Me: Yeah. You know this rescue should have been a Halloween rescue.

Nico: Yeah.

Me: Lets go see then.

We went over to the door And I put my ear to the door.

Nico: Can you hear anything?

Me: Barely can get a sound. Lets head for a window.

We went to one.

Me: I see them.

Ralphie: And she's making our parents drink blood.

She held up a glass full of a red liquid.

Ms. Frizzle: To the creatures of the night. Long may we fly together.

They drank it.

THUNDERCLAP! THUNDERCLAP!

All of us: Ew.

Natasha Hernandez: Wait that's not blood I'm smelling. It's tomato juice.

Brittney: She's right. Blood smells different.

May: Ralphie, I think You're being paranoid.

Me: Yeah.

Ralphie: Oh yeah? The only way to stop a teacher vampire is to drive a textbook through her heart.

Me: Ralphie that's not how you kill a vampire.

Eli: Yeah take it from us. We know how to do it.

We went to another window and saw a bunch of bats that are nursing their young.

Phoebe: Oh aren't those bat babies cute?

Brittney: They aure are. Bat babies are called pups.

Nico: Yeah.

Keesha: Wow.

Ralphie: Lets get going.

We went to the bus. Most of us were outside.

Wanda: Ralphie what are you trying to do?

Ralphie: Get us outta here before she turns us all into vampires!

He saw a pink bat button.

Ralphie: Wonder what this does.

He pressed it and the bus turned into a bat!

Me: Whoa!

Nico: Cool!

Keesha: Nice one Ralphie. You turned the bus into a bat.

Arnold: And this is turning into a field trip!

Me: Boy this is gonna be interesting.

Nico: It sure is.

We followed the bus and then we heard the bus make some kind of weird noise.

Nico: What is that noise?

Ralphie: Where are we going?

Phoebe: I don't know it's too dark to tell.

Ralphie: Is it just me or does everything look really weird?

Me: This is cool to see.

Nico: The bus is flying as a bat and it's not crashing into stuff.

Keesha: Yeah the bat bus knows how to get around in the dark like them.

Ralphie: But how?

Me: That's what I want to know.

Nico: Yeah.

Keesha: I think it has something to do with that pinging sound.

Wanda: I can tell you this. Everything the bus opens its mouth I hear a ping.

Tim: Yeah and then its ears wiggle.

Me: Wow.

Tim: I think it's listening to the echo of each ping.

We saw the bus fly through the window of the castle unharmed.

Keesha: Wow! That's it! When the sounds echo back, the Bat Bus knows something is there and doesn't bump into it.

Dorothy Ann: That must be what the bats are doing.

Phoebe: When they make that funny sound.

Dorothy Ann: They are using echoes to locate things.

Phoebe: Echoes to locate. Echolocation.

Me: Like how radar and sonar on a submarine works.

Phoebe: That's right. Bats don't need to see with their eyes. They can see with their ears.

Wanda: Weird but cool. Bats use sound to get around.

Me: Yeah.

I had my eyes turn purple and I saw the echoes the bus was making and going around.

Me: Boy that is cool. Whales and Dolphins have the same thing and that's how they find their food in the water.

Nico: Yeah.

Brittney: That is amazing.

Ralphie: Well we have to get back to the castle!

Brittney: That's why we goths love bats.

Keesha: And if you were a night animal you would want to be one.

Ralphie: I would not! Or would I? A bat could fly back to the castle in the dark, find a way inside and save his parents from Count Frizzula!

He was pushing buttons

Phoebe: Ralphie what are you doing?

Ralphie: Winging this thing back to the castle!

He pushed a button and and the bus spewed out the class who were turned into bats!

WE WERE AMAZED!

Me: WHOA! You all were turned into bats!

Rainbow Dash: That is so awesome!

Fluttershy: (Gasp) Oh you guys are so adorable.

Nico: That is so cool!

Phoebe: (Laughs) Yep Ralphie you sure know how to wing it.

Ralphie: This wasn't what I have in mind.

Brittney: Oh wow you guys are so amazing as bats.

Lucy Loud: You all look so adorable.

Lola: Even the goths love you guys this way.

Dorothy Ann: Yeah they sure do.

?: Wow! You guys look so awesome as bats.

Me: (Gasp) That voice.

We saw a girl with black hair, Red eyes, black clothes, bat wings and a tiara with the symbol of the Bat Dopant on it and on her skirt and had a dark sword.

Me: Bianca Bat!

Nico: It's not time to face the anothers already is it?

Bianca Bat: No I'm one of the Embodiments that got away.

Me: Bianca is the Embodiment of the Bat Dopant and is a master of the darkness and bats.

Bianca Bat: Yep. I'm also a vampire that can walk in the sun. I am also a powerful master of blood.

Nico: Wow!

Me: Awesome to have you with us.

Bianca Bat: I am glad to help.

Me: Wait! I hear something.

Ms. Frizzle: (From the castle) Attention parents of my dear beloved children!

Keesha: It's the Frizz!

Me: She's up to something!

Ms. Frizzle: At last the moment I've been waiting for has come!

Ralphie: That's exactly what the vampire in my comic book said!

Nico: Lets go!

Ralphie: To the castle!

We were off!

Ralphie: When we get there, you'll see that I'm right!

Nico: We know you're right.

Lincoln: This is really awesome seeing the bats, and this emergency is directly based on our trip: we just got word that the version of Ms. Frizzle as a vampire has been seen here, and she's separate from the Ms. Frizzle we know.

We gasped.

Simone Honou: Whoa! So, it looks like we're facing off against Ms. Frizzle as a vampire.

Ralphie: Just like how I thought!

Lincoln: And we're sending her to The M.O.E. after Lucille transforms.

Nico: Whoa, so Lucy's ancestor is going to transform, cool!

Me: Nice.

Lucille: (Scottish Accent) Aye, this should be interesting.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, we got a vampire version of Ms. Frizzle to fight against, eh? This should be interesting.

Caleb Maxwell: I've had more than my fair share of encountering vampires.

Cage Blunt and Travis Tackett put their arms over Caleb Maxwell's shoulders with smirks on their faces.

Travis Tackett: Aw, still sore about the day we first met?

Eli: You guys did try to turn him and Hunter into midnight hors d'oeuvres.

Cage Blunt: Oh, but that smoothed over the day you came back and we still got that memory to share with the rest of you guys of how he softened up towards us.

Lincoln: This should be good. I'm wanting to see how Caleb's apprehension towards you two smoothed over after he came back from the dead.

Nico: Same here.

Lincoln: (Sensed for Vampire Ms. Frizzle) AHA! Gotcha! I just spotted Vampire Ms. Frizzle, she's 20 yards away, and she's flying in the air.

Nico: Just as we expected. Let's get her.

Lincoln: A battle between Goth of Darkness and Vampire, this should be good.

Suddenly, we hear a demonic choir sing as flames from Hell burst from the ground, and we see the sigil of Asmodeus, Demon of Lust, form from the fires of Hell.

Anna Anyanova: The Sigil of Asmodeus?! That means, we're running into the second of the Nine Keyblade Knights of Hell and Avatars of The Nine Circles of Hell.

Lincoln: There's no doubt who it is.

We then took off into the air and set our sights on Vampire Ms. Frizzle.

Me: She's in this castle

We were flying in the air, and we spotted our target: Vampire Ms. Frizzle.

We got to the bell tower.

Ms. Frizzle: (From down the stairs) Prepare yourselves. For your time has come.

Parents: (Spooky Scream)

Phoebe: Something terrible is happening.

Ms. Frizzle: And Who would like to be my first victim?

Ralphie: I TOLD YOU She was a vampire!

Mrs. Franklin: Take me Ms. Frizzle. Take me.

Keisha: (GASPS!) GRANDMA!

Lincoln: Now, to show her the true powers of darkness.

Suddenly, Lincoln's long shoulder-length wild white hair, large white wolf ears on top of his head, eleven massive and long white wolf tails and rabbit tail, and massive white angel wings and medium sized and small sized white angel wings underneath his massive white angel wings turned midnight black except for the multi-colored phoenix fire ombre streaks in the back of his hair and front strands of hair in front of his face, the rainbow markings on his large wolf ears, the rainbow tips and markings on the wolf tails and rabbit tail, his large white pants turn midnight black, the fifteen large planets orbiting around his legs and the fifteen smaller planets turned midnight, and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned midnight black as a massive wave of darkness and creatures of the night appeared behind has transformed into SHADOW LINCOLN, THE ELEMENTAL HERO OF DARKNESS!

Me: I knew he was going to turn into Shadow Lincoln. Now, he's really going to show her the true powers of darkness!

Me: Lets go!

We went down the stairs

We entered the room.

Nico: Okay, Ms. Frizzle! What's REALLY going on here? Because Ralphie thinks you're a vampire!

WE THEN GOT A SHOCK AS WE SAW THE VAMPIRE MS. FRIZZLE WITH THE PARENTS! They were asleep. But they weren't bitten thankfully!

She looked like Ms. Frizzle with BAT WINGS! AND SHE HAD FANGS!

Bianca Bat: Oh man!

SHE HISSED AT US FEROCIOUSLY!

Sakura Haruno heard a Pokemon cry

Sakura Haruno: Look!

We saw a Terrakion!

Me: Terrakion!

Terrakion: Let me help you guys too.

Me: Thanks Terrakion.

She formed an energy sword and slashed at Vampire Ms. Frizzle!

Nico: Nice one!

Terrakion charged at her and bashed her down.

Bianca Bat: I would love having this bad teacher as my archenemy.

She jumped and slashed her.

Lincoln: Time to give you a taste of your own medicine. (HISSES) (ECHOING) GRISLY WING!

Lincoln used Myotismon's powers and he fired waves of darkness that form into bat familiars that hit Vampire Ms. Frizzle.

Nico: Ooh, nice one! Let me have some fun. (ECHOING) CRIMSON LIGHTNING!

Nico used Myotismon's powers and fired waves of crimson red lightning that hit Vampire Ms. Frizzle.

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Vampire Ms. Frizzle: (HISSES IN FRIGHT)

Manaphy: YOU LOOK AT IT!

Vampire Ms. Frizzle: AWFUL MOVIE!

Poliwag: YOU LOOK AT IT!

Horsea: LOOK AT IT!

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Mevya: LOOK AT IT!

Hoppip: LOOK AT IT!

Emolga: LOOK AT IT!

Eevee: LOOK AT IT!

Gatomon: LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

SHE SCREAMED IN FRIGHT!

Nico: WHOA!

Vampire Ms. Frizzle went at Johnny Bravo!

Johnny Bravo: (SCREAMS)

He ducked under her and ran!

Johnny Bravo: (SCREAMING LIKE A LITTLE GIRL!)

Vampire Ms. Frizzle was chasing him as he was screaming like a little girl!

Nico then jumped her and pinned her down!

Nico: Where's the real Ms. Frizzle?!

Simone Honou: YEAH! What have you done with her!

SHE HISSED!

Me: Not talking huh? Ino?

Ino: Right!

She probed her mind.

Ino: She's in there!

I went to a closet and opened the door and in it was Ms. Frizzle tied up and gagged and we freed her.

Me: Ms. Frizzle!

I cut the rope and ungagged her.

Me: Are you okay?

Ms. Frizzle: I am now thanks to you. That vampire took over my life for this.

Caleb Maxwell: Now, it's our turn.

Right now, let's do this.

Lincoln, Lucille, Nico, and I went after Vampire Ms. Frizzle, and we fired extremely powerful blasts of rainbow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Vampire Ms. Frizzle and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, and Travis Tackett shot her multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Lucille, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts.

(I call upon the darkness of the shadows of the night and bring forth the shadows of the eternal night to bring down this terrible foe to the endless void of The Netherworld! Let the souls of the underworld take the form of the wisps of darkness that bring the damned to the darkness of the netherworld forever! Let my song bring forth the shadows of the night and unleash your revenge on this evil abomination!)

Lincoln sang the song of darkness and darkness wisps appeared and they went at Vampire Ms. Frizzle and banished her to The Masters of Evil's HQ, and our jaws dropped as Eli closed our jaws.

Everyone cheered as we holstered our weapons and we powered down and Lucille's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large midnight black and blood red planets orbiting around her legs, fifteen smaller midnight black and blood red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive midnight black angel wings and medium sized midnight black angel wings and small sized midnight black angel wings underneath her massive midnight black angel wings are permanent.

Qin: Oh man, no way!

Nicole: Lincoln said that he gained the same powers as Maria Ying Xiao along with becoming a powerful master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Golem, Fairy, and Shadow Wisp on the back of his left forearm.

Lincoln: Yep, that's right, I did say I also have the powers of The Elemental Maiden and I can also sing the same songs as Qin.

Nico: That's really really awesome! So, Lincoln, are you going to introduce us?

But, before he could, Cammie Carnal had her hands on Lincoln's hairy pecs, and she began deeply kissing Lincoln on the lips and kissing him on the face face, along on his massive hairy pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. This is Cammie Carnal, Keyblade Knight of Hell and the Avatar of the 2nd Circle - Lust, she's Lincoln's Guardian Angel from Hell and she's a powerful force of epic power to be reckoned with. She was born and raised in Hell, and she's a powerful master of darkness and a deadly force to be reckoned with, she's the master of the Storms of Lust and brings the pain of blowing around those guilty of Lust in eternal relentless winds and lightning. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness and the Storms of Lust, eternal relentless winds, and lightning, and she hates all of Lincoln's perverted enemies with a vengeance and all those that hurt him.

WE GASPED!

Nico: OH SHIT!

Me: I remember her all too well, she viciously pulverized tons of Lincoln's perverted enemies who are perverted girls who want to rape and harm him, and Cammie sent them straight to The 2nd Circle, but instead of being battered by the Storms of Lust, they were raped by male demons.

WE GASPED IN HORROR!

Eli: MY GOD!

Lincoln: I saw what she did that time, and boy, I was horrified. And it's so good to see you again, Cammie.

Cammie Carnal: You too, Lincoln, and whoa, you've really really grown into quite a large, sexy, and extremely manly rugged hunk of a man.

Lincoln then wrapped his massive and muscular arms around Cammie Carnal and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Cammie Carnal with blood red gems on the gold lightning bolt links with blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Cammie Carnal saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

We got the parents down and they had a NASTY HEADACHE!

Me: Are you all okay?

Mr. Perlstein: What happened?

Me: Well really ugly story Mr. Perlstein.

Qin: Yeah.

We told them everything.

Mr. Ramón: Looks like she got The Bats Wings! (LAUGHS)

Parents: Mr. Ramón!

WE LAUGHED!

Me: (LAUGHS) Hey that was good.

Luan: (LAUGHS) Yeah!

Eddy: (LAUGHS) Carlos got his jokes from his dad.

Me: No doubt.

Nico: Okay, Ralphie. You were right about there being a vampire. But OUR Ms. Frizzle wasn't a vampire!

Ralphie: I know and I was paranoid. But I was half right.

Me: Yeah you were half right. Like I've said, we met vampires before and battled them.

Bianca Bat: You're right on that one.

Nico: Nice job, Terrakion!

Terrakion: Thanks Nico!

Me: Yeah!

Poromon: Want some beer?

Terrakion: No thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Horsea: Now, Ralphie. What have we learned today?

Ralphie: I'm sorry! I was wrong about the Frizz. She's really a good teacher (Transylvanian Accent) Gets wrapped up in her work! (Evil Laugh)

Me: That was good and yes she does.

Ralphie: And I was wrong about the bats too. They are nocturnal animals that use Echolocation to fly at night.

Keesha: And why do they come out at night?

Ralphie: To feed.

Me: And what do they usually eat?

Ralphie: Insects. Not human blood.

Me: Yep. Vampire Bats in South and Central America feed on blood. Not Brown bats here in the USA.

Manaphy: But on the bright side, you DID lead us to a new mascot and a new MOE recruit

Ralphie: Yep.

Bianca Bat: And also to me.

Nico: Yeah that's true.

Brittney: And we learned a lot about bats too.

Xenia: Yeah.

Johnny Test: And we found out why dad's meatloaf tastes like bat guano. Because it IS made of bat guano.

Me: (LAUGHS) Yuck! But also it's good fertilizer as well as a good cosmetics foundation.

Sakura Knudson: He's right. Daphne said so.

Nico: Wait. What does your Dad's meatloaf have anything to do with this?

Johnny Test: I was just kidding about that Nico.

Nico: Oh. Sorry.

Horsea: The bat news is that you guys are still bats.

Phoebe: Fangs for reminding us Horsea!

Class: PHOEBE!

WE LAUGHED!

Me: (LAUGHS) That was a good one!

Luan: (LAUGHS) Yeah! Good one!

Eddy: (LAUGHS) Yeah!

Carlos: (pouts) I was gonna do that one!

Me: (LAUGHS)

Nico: Lets get you all back to normal.

Xenia: Good idea.

I snapped my fingers and they were back to normal.

Camie: There.

Dr. Tennelli: Ralphie, please explain what's going on?

Poromon: We were just hanging around.

Poliwag: And Bats all!

WE LAUGHED!

Qin: (LAUGHS)

Carlos: (LAUGHS)

Me: (LAUGHS) That was a good one.

Eli: Yeah!

Nico: But how about you folks head on home?

Me: Yeah it's (Looks at watch) Whoa! 8:45 PM. We got to finish the Anothers and head in ourselves.

Nico: Yeah.

Xenia: I agree.

Eli: Lets see. (Concentrates) Whoa! We got Another Bad End Pretty Cure, Bomb Guardian (Metroid), Grey Wolf (Monster Rancher), Chaos Ripper (Monster Rancher) and Grapple Guardian (Metroid).

Qin: Wow!

Me: So Izzy Moonbow's team with Kirby, Elfilin, Tiff, Tuff, Ribbon, Three Mage Sisters, Susie, Adeleine and Nago & ChuChu & Pitch & Rick & Kine & Coo are up.

Xenia: Nice. Actually Izzy Moonbow, Elfilin, Tiff, Tuff, Ribbon, and Nago & ChuChu & Pitch & Rick & Kine & Coo.

Me: Oh.

The parents went back home.

Eli: Wait. I sense there's an Another Laney as well!

WE GASPED!

Laney: WHAT!? Another me!?

Nico: That is too bizarre!

Me: Yeah!

Lola: I did not expect this! Another versions of us!

Eli: The Another Laney will appear alongside Another Bad End Pretty Cure!

Qin: Whoa this is gonna be crazy.

Camie: Yeah.

Nico: (DROOLS) CHOCOLATE! That smell is delicious!

Nicole: Oh boy.

Nico: There they are!

We saw Another Bomb Guardian (Metroid), Grey Wolf (Monster Rancher), Chaos Ripper (Monster Rancher) and Grapple Guardian (Metroid)!

Qin: WHOA!

Lola: This is gonna be big!

Another Bomb Guardian: (In a girls voice) Oh yeah!

They reverted back and they were 5 girls. They were the gene-slammers of Burgamon, ZeedMillenniummon, MoonMillenniummon, Millenniummon, Tyranno-S'more-us Mess!

Nico: (GASP) Brenda Burga, Zhalia Zeed Millennium, Monica Moon Millennium and Mandy Millennium.

Me: And Tahlia Tyrannosmore!

Eli: Wow! The gene-slammers of Burgamon, ZeedMillenniummon, MoonMillenniummon, Millenniummon, Tyranno-S'more-us Mess.

Nico: Yep!

Tahlia Tyrannosmore: Have some chocolate Nico.

She fired chocolate into his mouth and it was delicious!

Nico: YUMMY!

Nicole: (LAUGHS)

Me: Tahlia is known as the Queen of S'mores and she can make THOUSANDS of kinds of s'mores.

Nico: Wow! Perfect for awesome camping expeditions.

Qin: Yeah.

Me: Can you girls tell us more about yourselves?

Brenda Burga: Sure. I went to Nico's cooking classes and I specialize in barbecues and make burgers. Many kinds actually.

Xenia: Cool!

Zhalia Zeed Millennium: Me and my sisters here are known as the Millennium Sisters. We are the creators of the Millennium Items and the Millennium Spellbook and also made them for the Pharaohs of Egypt back over 5,000 years ago.

Me: WHOA!

Pharaoh Atem: And it's good to see you girls again after all these years.

Monica Moon Millennium: It has been a long time your majesty.

Mandy Millennium: It sure has.

Nico: SAY WHAT!?

Nico opened his jaw wide and his skeleton fell out!

Xenia: That is shocking!

Nico put his skeleton back in.

Nico: I hate it when that happens.

Me: By the way girls are the Another Bad End Cure girls and Laney friendly or hostile?

Mandy Millennium: Friendly.

Me: Wow.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: And now we wait.

Me: Yep.

But then Nico got an amazing surprise as he saw an AMAZING 4 STACKED COOKIES AND CREAM CAKE IN FRONT OF HIM!

Me: Where did that cake come from?

Qin: Oh wow.

Nico: Who fucking cares?! (eats cake)

Me: (LAUGHS) Nico loves his cake.

Laney: Look!

We saw ANOTHER LANEY AND SHE LOOKED LIKE A SKELETON VERSION OF HER!

Laney: I'm a skeleton!?

Qin: That is freaky!

And the Another Bad End Pretty Cure girls came!

Me: There's our anothers.

Another Bad End Pretty Peace: Like the cake we did?

Nico: (GULPS) Wait that voice.

They both reverted back and the Another Bad End Pretty Cure was the gene-slammer of Crab Cakes! And the Another Laney was the gene-slammer of Flame Princess!

Nico: Cara Crabcakes!

Laney: (GASP) Phoebe Pyro! Wow!

Phoebe Pyro: Its been a while Laney.

Nico: You know her?

Laney: I sure do. Phoebe is not only the gene-slammer of Flame Princess but she is also a Firebender.

Flame Princess: A gene-slammer of me!? Wow!

Laney: Yep. And she like Lincoln is one of my guardian angels. She defended me from many of Lincoln's enemies and burned them bad.

Me: Wow! And Cara can you tell us more about yourself?

Cara Crabcakes: I sure can. I am one of Nico's cooking class buddies and I make cakes. Nico's favorite mostly.

Me: Boy no kidding!

LOUD BURP!

Nico had eaten the whole thing.

Me: Boy Nico licked that whole plate clean!

Qin: No kidding!

Nico: Yep.

Cara Crabcakes: Just like old times. Also I'm a master of the elements like Bad End Pretty Girls there.

Me: Cool!

Xenia: Nice.

Laney: Wow! Also Phoebe is my embodiment.

Me: Wow! So the Another Core 310 are also our embodiments.

Phoebe Pyro: That's right.

Me: Wow.

Kaito: (gets out Drive gear) Did Swartz promise you two anything?

Zocks: (gets out Ghost gear) Because we can grant it instead.

Kaito got a Drive Sword and Zocks got a Ghost sword.

Cara Crabcakes: No he didn't. I made him my worst ever kind of cake and made him sick to his stomach. It was Eel Chum Surprise cake.

Me: YUCK! That would taste like puke!

Qin: Oh yuck!

Cara Crabcakes: Yep.

Phoebe Pyro: Also I wasn't promised anything because I used a flash of light and ran out with Cara.

Me: Clever.

Xenia: Nice.

Sougo (gets out Drive Ridewatch): Considering what today is, it's fitting you showed up.

Rider Time! (Type Speed transformation music) Drive! Drive!

Geiz (gets out Specter Ridewatch): Today is also the first big mission of the year.

Armor Time! (Low-pitched electronic music) Kaigan! Specter!

Sougo got DriveArmor while Geiz got SpecterArmor

Cara Crabcakes: That is awesome!

Phoebe Pyro: I'm looking forward to that.

Nico: Awesome!

Lincoln: Lets separate you girls first.

We did so

We got the battle with them underway

Nico: (Gets out Bad End Pretty Cure's ridewatches) Time for Elemental Power

May: (Gets out Grey Wolf's ridewatch) Time for some lightning!

Maria: (Gets out Ripper's ridewatch) Lets rip!

Elfilin: (Get sout Bomb Guardian's Ridewatch) This bomb is gonna blow!

They used the powers of Bad End Pretty Cure, Bomb Guardian (Metroid), Grey Wolf (Monster Rancher), Chaos Ripper (Monster Rancher), Ripper and Grapple Guardian (Metroid) and blasted the Another!

Then Roller Ghoster, Haunted Car, Jackson Storm, Tolga Trunkov, Aligned Steeljaw and Giulia came!

Qin: WHOA!

Nico: Nice team Roller Ghoster!

Roller Ghoster: Thanks Nico!

Zipp Storm: Awesome! So my team is next!

Qin: Sweet!

Pipp Petals: Oh my glitter Zipp! You are going to do great!

Aligned Steeljaw: Been a while, hasn't it, Nico?

Nico: You behaving yourself, Steeljaw?

Aligned Steeljaw: Actually, yes. In a way, I got what I wanted. Earth is a home for Decepticons at last. Even if it's also a home for Autobots

Nico: Good. Just keep being good.

?: I agree.

Vegiemon came!

Me: Vegiemon!

Qin: Oh boy.

Vegiemon: (In a girls voice) It sure will be fun.

Nico: Vicky Vegie!? Whoa!

She reverted back and was a girl with green hair, green eyes, green clothes, green angel wings and had Vegiemon on her forehead and skirt and had a Carrot Magisword in her hand.

Vicky Vegie: Awesome to see you again Nico. I got this. (ECHOING) COMPOST BOMBER!

She fired Compost poop blasts and they hit the Anothers and released many farts!

LOUD FARTS!

I caught the ridewatches and they were covered in raw manure!

Me: YUCK!

Maria washed them off and I purified them.

Nico: Can I have more cake?

Cara Crabcakes: Like you had to ask.

She gave him cookies and cream and German Chocolate and man was he eating them.

Camie: Nico loves his cake.

Me: Yep.

Elfilin: Do you have a favorite memory of Nico?

Vicky Vegie: It's when me and Nico were on my family's farm and we saw a bunch of rustlers and splated them with chum and manure and they got arrested. The men that arrested them were wearing HAZMAT Suits when they were brought in.

Me: OH GOOD GOD! That must've smelled just as bad as what me and Naruto subjected those Gai and Lee impostors to.

Nico: Really?

Me: Yeah in 150,000 years we did crazy chores and humiliated two impostors after the Leaf's secrets. We did all kinds of crazy stuff.

Nico: Nice.

Nico and Vicky hugged.

Nico: I've missed you.

Vicky Vegie: Same here. You got food on your face.

Nico: Sorry.

We later went back home.

The next morning, Laney woke up to see Scovillain looking right at her

Laney: Huh?

Scovillain: Morning Laney.

Laney: Oh morning Scovillain.

Scovillain: We have something for you.

Nico came in and Pinkie Pie blasted off her confetti cannons.

Pinkie Pie: TODAY IS YOUR BIG DAY LANEY!

Nico: We made you these too.

She got Chocolate Vanilla Strawberry Pancakes with sprinkles on them.

Laney: Oh wow! What awesome pancakes.

Nico: J.D. made them special for you today.

Laney: Thanks guys.

Laney got to eating.

Laney: (Eating) Delicious!

Nico: Glad you like them Laney.

Laney: I LOVE THEM!

Me: (From the kitchen) Glad to hear that Laney!

Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit her.

Suddenly, Lincoln stabbed his massive greatsword into Queen Lana'thel's stomach, and he began sucking out all of her vampire abilities and blood magic along with her blood, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips, medium sized white angel wings with aurora and orange tips, and small sized white angel wings with aurora and orange tips spread out even more and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and he removed his greatsword from her stomach, Queen Lana'thel was left as a desiccated withered corpse and he sent her soul to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: It's over, now begone from this world forever, Blood Queen. (To Laura Chengsehuo) And it's so good to see you again, Laura.

Laura Chengsehuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Helena Dianlanhuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Laura Chengsehuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Laura Chengsehuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Laura Chengsehuo and hugged her, and Helena Dianlanhuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Laura Chengsehuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Laura Chengsehuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Dragon, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of orange fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Dragon, along with having angel wings along with having intense orange fire powers. She's known as The Orderly Warrior of The Sisterhood of The Fists of Fire, because she always keeps order among the group even when Lincoln's mean sisters and the rest of his enemies show up to cause trouble. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of orange fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built, and she knew of Lincoln's spirit animal being the buffalo. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Laura hates Lola with a blazing passion, because of what that blackmailing rampaging pageant diva and she-demon has done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Lincoln showed Lola with two black eyes, broken arms and legs, bloody broken nose, and with an irreversible super double mega wedgie, and it was horrific!

Nico: Jeez. That was just nasty.

Me: I know, and I thought the thrashings Lola had gotten were bad before, the one Laura gave her topped all of them, and now that you're here, Laura.

Lincoln leaned his head down the right side of Laura Chengsehuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Laura Chengsehuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln. Oh, and the five girls I rescued are extremely voluptuous, so...!

Me: Right. Let's go, gang.

We left for home except for Lincoln's harem and Nicole. Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Chengsehuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Laura Chengsehuo: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Laura Chengsehuo.

Laura Chengsehuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Laura Chengsehuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Laura Chengsehuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them and he wound up getting a nosebleed. The five girls are Miho, Eli, Rei, Mana, and Aya from Saint Slut Academy Dating Diary 2021.

Lincoln: Oh whoa, it's Miho, Eli, Rei, Mana, and Aya from Saint Slut Academy Dating Diary 2021.

Nicole: That's why Laura told Dad and the others to go home. That was a quick save.

Lincoln: But, not me, I knew this was coming. Are you girls okay?

Miho: Yes, we're okay, thanks to you.

Then, when Miho and the four other girls saw who it was that saved them from Blood-Queen Lana'thel, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Miho: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miho, Eli, Rei, Mana, and Aya with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. Lincoln, Nicole, and his harem returned to The World Tree Estate and everyone was shocked to find out that the villain we went after was Blood-Queen Lana'thel from World of Warcraft.

But, when Lincoln showed what we all did in beating her down and Lincoln stabbing her in the stomach with his massive greatsword and sucking out her life force, blood magic, and vampire abilities and sending her to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Laura Chengsehuo have a lot of catching up to do, now that she's back in town.

Maria: So, that's the whole story, wow. And now, I know why J.D. and the rest came back home early, you rescued those five voluptuous babes from that vampire bitch.

Nicole: At the risk of Lincoln getting a nosebleed upon seeing them.

Lincoln: I took the risk, remember the rescue at that forsaken 19th century mansion in Ohio?

Nico: Oh, I remember.

Me: So, next time, whenever there are mega voluptuous girls, we'll head back home, that way we won't have problems with Nicole.

* * *

After Lincoln and all of us beat down Blood-Queen Lana'thel and Lincoln sucked out her blood magic, vampire abilities, and life force and sent her soul to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Laura Chengsehuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Laura Chengsehuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Laura, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Laura Chengsehuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much

bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Laura Chengsehuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Cage Blunt: Alright, it's time to show you guys the video of Caleb's apprehension towards me and Travis smoothing over after he came back from the dead.

Cage Blunt put a video which played on the big screen, and it showed what happened a week later after Caleb's return from the dead, and it was with a confrontation between the Nightshift and Drake and his thugs.

Past Drake Maxwell: You fucking pieces of shit! If you hadn't gotten in our way, we'd have taken out The Big Claw Gang, and The Syndicate could finally rule New York!

Past Cage Blunt: Only one problem, you hadn't taken into account that by murdering your own older brother, you were cast out of your role as leader of the Mafia gangs your Dad put you in charge of.

Past Travis Tackett: That's right. You went too far, but in truth, it's clear you deserved it, you wound up getting karma for your actions.

Past Drake Maxwell: WHAT THE HELL DID YOU JUST SAY!?

?: I think you already know it's the truth, Drake.

Suddenly, the thugs went pale when they saw the figure, it was Caleb Maxwell.

Past Drake Maxwell: Wh-what the Hell?! Who the fuck are you?!

Past Caleb Maxwell: Surprised you saw a ghost? You were always so jumpy..., brother.

Past Drake Maxwell: C-Caleb?! Impossible! (GETS OUT GUN) DIE!

Drake fired his machine gun, but before Caleb could attack, Cage Blunt and Travis Tackett remembering how Caleb pushed them out of the way did the same and pushed Caleb away and they got shot multiple times, but they were still standing.

Past Cage Blunt: Okay, now, you've done it.

The two vampires were about to attack, but Drake and his thugs pissed their pants and ran like babies.

Past Travis Tackett: That coward. Oh great, now we're gonna need to dig out the bullets they shot us with and get a shower.

Past Cage Blunt: Yeah, that hurt like Hell.

As Cage and Travis were digging out bullets, Caleb Maxwell was still sitting on the floor, still reeling from what happened: Cage and Travis pushed him out of the way eight years ago when Drake and his thugs showed up at the Hollowshade Bar, and now, the favor was suddenly returned.

Past Caleb Maxwell: T-they've changed. What did the council do to make them change that much?

Caleb Maxwell got up from the floor.

Past Caleb Maxwell: Y-you two saved me before I got shot.

Past Cage Blunt: It was pretty obvious though, wasn't it, Caleb?

Past Jack Howard: Wait, Caleb Maxwell? But, you died eight years ago.

Past Caleb Maxwell: Yes, I did, but now, years later, here I am back to life.

Caleb Maxwell got out two bottles filled with blood: his own blood and gave them to Cage and Travis who drank them and the wounds sealed back up.

Past Travis Tackett: Okay, that's better. (Groans)

Past Cage Blunt: You said it. (Groans) Oh man, what was in that blood bottle we drank, it feels like my body's burning up!

Suddenly, Cage Blunt and Travis Tackett groaned in pain, and then, they suddenly gained tons of massive muscle mass and had a massive increase in height as they were now 9'3" in height and the sudden muscle mass and height increase strained their beyond tight shirts, and their pants and boots look really strained.

Past Cage Blunt: Oh man, whatever was in that blood really gave us quite a knock to the head.

Past Jack Howard: Cage, don't look now, but now, you're seriously ripped, and so is Travis.

The two vampires saw it for themselves, and they were stunned.

Past Roxy Drake: Man, if the Chief sees Cage now, he's in for the shock of a lifetime.

Past Travis Tackett: We seriously got to...!

But, before Travis could speak to Caleb, he'd put his arms around Cage and Travis around their shoulders as the video ended.

Nico: Now, that's really awesome, and you'd gotten your blood taken out and put in bottles to give them, eh?

Caleb Maxwell: I know they were under demon blood when we first met, and I died saving their furry tails from my brother. So, I wanted to let bygones be bygones.

Lincoln: The time you spent being dead must've opened your eyes to wanting to forgive Cage and Travis for that incident, and they repaid that by saving you from your insane brother.

Roxy Drake: That also meant they went from strained foes to true friends, and after that, he moved in with them, and he also knew of Leela having a crush on Travis and Peace having a crush on Cage, but he kept it a secret.

Me: Why couldn't you read his mind to find that out?

Cage Blunt: Because I didn't turn him eight years ago, but his transformation after he came back meant he found ways to counter my powers. (Smirks) Clever bastard.

Lincoln: Still, that was really amazing. Caleb's encounter with the world of the supernatural helped shape him into what he is today, and of course get revenge on his father and brother.

We got a shower, and then, Lincoln, Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus are heading to Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Universe 666 Eclipse Aries: Whoa, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Universe 666 Eclipse Aries, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a volleyball game, and Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Universe 666 Eclipse Aries: (Swooning) So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus are in your harem, Linky.

Universe 666 Shadow Lady, Universe 666 Eclipse Aries, Universe 666 Eclipse Virgo, Universe 666 Eclipse Libra, and Universe 666 Eclipse Ophiuchus showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Universe 666 Eclipse Aries: Nope, not at all. But, Linky did have us all swooning when he lifted thirteen massive 900,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Ooh, they're in trouble!

* * *

Later it was time for another awesome Super Mario Odyssey adventure!

Nico: Next up is Ruined Kingdom for round one.

Qin: WHOA!

Me: I remember that one. That was a scary place!

Nico: Yep.

Laney: Me and Layla will go with.

Jack Atlas: Me, Carly and Dante Vale too.

Me: And I'll go too.

Nico: Okay. Lets go.

We went into the simulator and it activated and we were at RUINED KINGDOM!

* * *

The Ruined Kingdom is the twelfth kingdom visited in Super Mario Odyssey. The greater location of Crumbleden, the Ruined Kingdom is a stormy and mysterious world filled with the ruins of a long-dead kingdom.

During the events of the game, Mario and Cappy crash land the Odyssey in this location after Bowser and the Ruined Dragon attack them. The crash leaves the Odyssey damaged, requiring three Power Moons to restore back to working condition. Mario fights and defeats the Ruined Dragon in this kingdom, enabling him to use the Odyssey again to leave and continue his journey to Bowser's Kingdom.

* * *

We were shocked!

Me: My god!

Nico: Wow! This whole place is dead!

Me: It's like a scene out of an Apocalyptic City movie!

Carly Atlas: This is scary.

Nico: No kidding.

Jack Atlas: Is that a skeleton?

Me: That's a Chincho.

Nico: Yep.

Nicole: Well he's not much of a threat. But get ready guys. The boss is on that huge tower right there.

We saw the tower.

Me: Oh boy.

Nico: This is gonna be brutal.

Me: And I got a good feeling I know what the boss is going to be.

Nico: Yep.

Dante Vale: Lets get a move on.

Laney: Right!

We were off.

Me: Boy this whole place reminds me of where we found the Journal that lead to us finding the Staff of The Necromorphs when the Church of Nekrom attacked.

Nico: Yeah no kidding.

Laney: That was terrible.

We kept going.

Me: Wow.

We landed on the tower and then heard a roar and then out of the sky came THE LORD OF LIGHTNING!

The Ruined Dragon, also referred to as the Lord of Lightning, is a giant dark purple dragon encountered in the Ruined Kingdom in Super Mario Odyssey. According to Crumbleden's brochure, it is thought that the altar with the shape of his head in said location was built to talk to him or possibly confront him, with it being made to restrain the lightning. It is also implied that he is the one responsible for reducing Crumbleden to ruins. His Japanese name, "Crumbleden Dragon", indicates that the "Ruined" term in his name refers to the place he lives in rather than his physical condition.

When first meeting him, the Ruined Dragon is seen wearing a golden samurai helmet featuring the shape of Bowser's head on it, as well as various horns and a black cloth with golden motifs similar to the ones seen in Bowser's Kingdom, as a way to introduce the upcoming kingdom. After being defeated, the Ruined Dragon no longer wears said helmet.

Unlike other bosses, the dragon does not explode after being defeated and instead rests hanging on the tower of Crumbleden. If Mario gets on the plaza on top of it, he follows Mario with his eyes and closes them if Mario throws Cappy at them, and can even be spoken with, though he will only state that he is tired. After activating the Moon Rock, a Power Moon can also be obtained by throwing Cappy at the tip of his upper right horn.

Much like the T-Rex and Sphynx, the Ruined Dragon was designed as a standard dragon to evoke surprise, with detailed textures and very minimal cartoonish exaggeration.

WE GASPED!

Nico: WHOA! What a dragon!

Me: That is an amazing dragon!

Laney: Wow! He would be perfect for the M.O.E.

Lord of Lightning: Time for you to be electrocuted to death!

Jack Atlas: How about you fight MY dragon? I SUMMON RED DRAGON ARCHFIEND!

Carly Atlas: I SUMMON EARTHBOUND IMMORTAL ASLLA PISCU!

Me: I SUMMON NINE-HEADED DRAGON!

We summoned said monsters!

Nico: Oh yeah!

Lord of Lightning: You think I'm scared?

Me: You should be!

Laney: And now it's going to hurt bad!

Dante Vale: MY TURN! MANIFEST! UMBRA THE SHADOW JAGUAR!

Out of a vortex of Darkness came Umbra the Shadow Jaguar!

Lord of Lightning: Come get some.

He fired a blast of lightning from his mouth and we dodged it. I fired waves of energy and blasted him on his head.

Nicole: You have the right idea dad! You have to get those swords out of his head. It wiill free him from Bowser's control.

Nico: You heard the lady!

Nico fired blasted some of the swords out of his head.

Nico: YEAH!

?: (ECHOING) SHADOW METEOR!

A massive blast of dark energy hit the dragon and blasted him.

Me: WHOA!

Out came Loweemon and a girl with red hair, orange eyes, red, and yellow clothes and had fire angel wings and phoenix tail feathers and had a tiara with Blaze Heatnix on it.

Hellia Heatnix: Hellia Heatnix, Embodiment of Blaze Heatnix.

Dante Vale: Been a while Hellia.

Jack Atlas: It sure has.

Carly Atlas: Wow you are looking great!

Hellia Heatnix: Dante, Jack and Carly. Been a long time.

Loweemon: (In a girls voice) This will bring the darkness.

Nico: Lanaia Lowee!? Whoa!

Loweemon: Been a while nico.

Me: Awesome! Lets get him!

Nico: (gets out Malachite and Bad End Pretty Cure's Ridewatches) Time for an elemental split personality!

He activated them and fired waves of water and elements and blasted the swords.

I fired energy blasts.

Laney fired waves of leaves and Layla fired flower blasts.

Hellia fired fire blasts.

Lanaia reverted back and was a girl with black hair, purple eyes, black clothes, cat ears, black angel wings and had Loweemon on her forehead and skirt and had a tattoo of a Sphinx Head on her belly and had the Dark Spirit Kanji on her arm and had a cat tail and she had Loweemon's spear.

Lanaia Lowee: This will be awesome. And Lord of Lightning here is a riddle! What goes on four feet in the morning, two feet in midday, and three feet in the evening?

Lord of Lightning: Uhh. I don't know! Gorillas?

Lanaia Lowee: Close. It's man!

She fired waves of energy and blasts and blasted the swords.

We fired energy waves and blasted the rest and the Lord of Lightning was down and exhausted. We got 30 moons!

Me: YEAH!

Nico: AWESOME!

We high five.

Nico: How did you meet Jack and Dante?

Hellia Heatnix: I met Jack when he was dueling Carly on a Duel Track in the shape of the Nazca Line of the Hummingbird. When she was taken over by the evil of Aslla Piscu I flew in and chanted an incantation and made Aslla Piscu one with her.

Carly Atlas: It's true. She saved me from evil.

Nico: Wow!

Jack Atlas: That was awesome.

Me: I'll say.

Hellia Heatnix: And I met Dante when you and he were battling DeFoe, J.D.

Me: Wait I thought you looked familiar. I remember seeing you there when I killed some of DeFou's teammates.

Nico: Wow!

Me: Yeah that was cool.

Nico: Yep.

Me: And Lanaia are you half sphinx too?

Lanaia Lowee: That's right. I am half sphinx. I have the ears and tail and their powers of riddles.

Me: The riddles of the sphinx are always very enigmatic.

Lanaia Lowee: Yep.

Me: Do you have a favorite memory of Nico?

Lanaia Lowee: I sure do. My favorite is when me and Nico were over in Egypt and found a spell book under the Sphinx.

Me: Wow!

Nicole: Wait that's the Legendary Spellbook of the Hor-em-akhet! That was an artifact I was trying to find for years!

Me: Wow!

Lanaia Lowee: Yep. That was fun.

Nico: That it was.

They hugged.

Nico: I've missed you.

Lanaia Lowee: Same here.

Nico: Would you two like to join us?

Hellia Heatnix: We would be honored.

We left and everyone cheered.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Laney's main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

We saw the mascots doing something.

Babs Seed: what are you guys doing?

Poromon: We're going for a ride on our own rocket.

Me: We better check this out.

Poliwag: Since you guys won't let us go on Sandy's Rocket

Poromon: We build our own.

We went to the garage and we saw that they built an AMAZING ROCKET!

Qin: Wow!

Me: Wow! Nice rocket!

Laney: That is amazing!

Sumire Denellda: I hope they don't get themselves killed

Me: Lets watch this.

Poromon: Commence launch.

The countdown continued.

Me: 3... 2... 1... 0!

Nico: We have booster ignition!

The Rocket Blasted off!

Nico: WE HAVE LIFTOFF!

The masccots were off into space!

Me: WOW!

Horsea: Look at the stars!

Poromon: So cool!

Manaphy: Wow!

Me: T-minus 10 seconds!

They landed on the moon.

Poromon: Are there aliens here?

Poliwag: J.D. said no.

Horsea: Lets start exploring anyway.

They got out and went onto the moon.

They had net guns ready for harvesting moonrocks.

Poromon heard something.

Poromon: What was that?

Poliwag: What?

They saw rocks. But then ONE MOVED!

Poromon: One moved!

Manaphy: I saw it!

It was a MOONSPIDER!

He fired a net and grabbed it!

Poromon: Moonspiders!

Manaphy: GEEZ!

Horsea: Lets get it back to the estate along with some rocks for analysis.

Poliwag: Good idea!

They went and did so.

They loaded the rocks and spider in and went back home.

Dirtbag: They're taking an awful long time.

Me: Wait look!

We saw the rocket come back.

Nico: There they are.

They landed and came out.

Grapple: How was it?

Poromon: It was amazing! We got a bunch of moonrocks.

They showed us.

Me: Wow!

But then we saw one of the moonspiders!

WE GASPED!

Shanan: Oh my god! I never thought I would see one. They are the Lunartheraphosans.

Nico: What are Lunartheraphosans?

Shanan: They are Moonrock spiders that live on the dark side of the moon.

Nico: GEEZ!

Shanan: Yeah rumors have been flying around that these were responsible for killing Apollo XVII.

Masker Mind: I hope you guys had fun

Poromon: We did and it was cool!

Shanan: And awesome job finding moonrocks and the Moonspiders too.

Nico: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than Kirisaki, and he's on the move and is causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you've finally made your move, Kirisaki.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than Kirisaki, and he's on the move and is causing havoc.

WE GASPED!

Laney: I knew it.

Nicole: Looks like it's finally time.

Nico: Kirisaki's finally on the move, and now, we can finally destroy him forever.

Me: You said it.

Eli: He's finally getting The Black Abyss for what he's done.

Me: You got that right, Eli. This is gonna be one explosive battle.

Nico: The start of the 2024 Ambassador Main Day Missions is on. Alright, team, let's get ready to head to Japan and destroy that piece of shit, Kirisaki.

Lincoln: He's not getting away with this, the time to destroy him has finally come.

Then the previous group came. Machinedramon, Lord Drakkon, Cluemaster, Dark Turtles, Magma, Griffin, Red X, Taskmaster, Puppetmon, Madame Masque, and Roxy Rocket Came.

Magma: Can me, Machinedramon, Cluemaster, Dark Turtles, Griffin, Red X, Taskmaster, Puppetmon, Madame Masque, and Roxy Rocket go with you guys?

Dark Mikey: I missed doing these!

Me: Me too!

Nico: Yeah! And yes you all can come with.

Wallflower: Nico, which Gene Slammer do you think you'll meet next?

Nico: Digitamamon next.

Me: Ooh a Rotten Egghead!

WE LAUGHED!

Nico: (LAUGHS) That was a good one!

Eddy: (LAUGHS) Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his

Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: the figure to our shock and horror was none other than Dark Chandler, and he's suddenly returned from The Black Gates and he's still out to kill Lincoln and the Louds and get his revenge. When we saw it, we knew it meant trouble.

Lincoln, Nico, me, and the Louds: YOU'VE GOT TO BE FUCKING KIDDING!

Rayman: Please, tell me that wasn't who I think we just saw!

Lincoln: I'm afraid it is, Rayman, and I thought we were through with that pile of sewage. The figure that we just saw is none other than Dark Chandler, and he's returned from The Black Gates, and he's still out to kill me and my family and get his revenge.

WHEN WE HEARD IT, NOT ONLY WERE WE HORRIFIED, BUT NOW, WE WERE BEYOND MEGA PISSED OFF!

Nico: But, how?! You and Lily the Mermaid sent that pile of sewage straight to The Black Gates after she transformed and trashed him at Chang An two years ago.

Me: Shit!

Xenia: Not good!

Laney: Tthis time, we're sending him to The Black Abyss forever!

Lily: After everything that sewage pile's done to Lincoln and all of us, he more than deserves it!

Nico: You got that right. Alright, team, let's go, we're off to Japan to help Hiroyuki and the team destroy Kirisaki.

Lincoln: That madman's looking at a one-way trip to The Black Abyss after we get done with him, and we finally get done with Kirisaki, you're next, Dark Chandler.

Laney: I would've thought we were finally rid of you when Lincoln and Lily the Mermaid sent your smelly hide to The Black Gates. But, this time, we'll make sure you never ever rise again, you piece of shit! Hiroyuki, everyone, hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Japan to help Hiroyuki and the team destroy Kirisaki, and once we get done with him, Laney and Lincoln are going to destroy Dark Chandler and finally send him to The Black Abyss.

We were off to Japan!

We arrived.

Me: Good old Japan.

Xenia: Yeah.

Cluemaster: Let's look for the sign of fighting

Nico: Right.

We heard blaster fire and went and saw HIROYUKI BATTLING A BUNCH OF MOEBAS!

Me: Moebas!

Yamato: Wow!

Me: Lets get it on! Mini-Entrance time!

We went at them.

Hiroyuki: So many!

But then!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and a phoenix cry was heard!

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Hiroyuki: What the?

Then we came!

Me: Looks like we got here just in time!

Laney: Starting the party without us?

Misty Tredwell: We're hurt!

Hiroyuki: You all made it!

We fired energy waves and blasted the Moebas and blasted them into dust.

Hiroyuki: YEAH!

Misty Tredwell: Did you miss us?

Hiroyuki: You bet I did! What were those things?

Me: Moebas. They were the footsoldiers of the Zyuohgers.

Yamato: The footsoldiers that me and my team faced.

Hiroyuki: Oh wow!

Nico: Yeah and the enemies of the Zyuohgers REALLY put up one helluva challenge.

Xenia: They sure do.

Laney: Yep.

Hiroyuki: Awesome! Hey guys congratulations on destroying Galactus! That was awesome!

Laura Wynn: Thanks!

Me: Yeah that was so awesome!

Xenia: And explosive too.

Me: Yep.

Hiroyuki: I heard many of your enemies that you banished to the Black Gates over the last two years have returned and Anti-Monitor did it.

Me: Yes he sure did! Gai Kurenai must've told you.

Hiroyuki: He sure did. He went to tell the Ultraman Teams you guys all visited last year.

Brittney: That's good he did. I got a call earlier from Yuya.

Sunny Starscout: And I got a call from Joey.

Sandbar: And Ace too.

Me: That's good my message got through to everyone we met.

Nico: Yeah.

Qin: We even told the World Leaders and everyone on the planets we visited to be on the alert for them.

Me: The good news is that Anti-Monitor didn't bring back Xehanort, Dark Eddy, Flip, Icky Vicky, Rita Repulsa, Vilgax, Barodius, Swartz, Opaline, Thanos, Slappy, and Giovanni.

Hiroyuki: Thank god.

Laney: No kidding.

Demona: Can we see your base?

Hiroyuki: Sure.

We went to their base which was E.G.I.S. HQ.

We arrived.

Pirika Asahikawa: Hey guys!

Me: Hey Pirika!

Homare Soya: Congratulations on destroying Galactus! Well done!

Nico: Thanks Homare.

Me: Yeah that was an awesome way to close out 2023.

Red X: Hiroyuki, do you like using a Supreme Blaster in battle?

Hiroyuki: I sure do.

Eli: That was so cool!

Hiroyuki: Yep and Eli you are so awesome to have Godzilla and the Kaiju help you out in this.

Eli: I know. The Kaiju have become friends with me ever since I helped Godzilla Jr.

Carol: That's my little bro.

Me: In the universe Eli came from, Carol loved him like a brother.

Camie: Yeah.

Pirika: That is so sweet.

Luminous: Speaking of Carol, she uses Kaiju powers too

Carol: It's how I got the title, Queen of the Kaiju. Me and Mothra here share it.

Mothra 2019: Yeah it's true.

Me: Yeah. Did you guys have a good Christmas and start of the new year?

Homare: We sure did. We spent it with our families and had a lot of fun.

Me: Cool.

Fluttershy: I adopted an adorable little girl.

Lilja: (Icelandic Accent) That's me. I'm Lilja.

Pirika: Oh she's adorable Fluttershy.

Homare: She sure is.

Hiroyuki: Pleasure to meet you Lilja.

Lilja: Same to you.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Dark Leo: And now for the best part.

Poromon came out in a fairy costume with 1 bottle of beer.

Poromon: (to the Ultraman Taiga team): Hello there! I'm the beer fairy! Come to give you guys 1 bottle of beer!

Puppetmon: If you're good, you get one under your pillow!

WE LAUGHED!

Pirika: Oh Poromon looks so adorable in a fairy costume.

Me: YEAH! He sure is cute like that! I missed him doing this.

WE LAUGHED MORE!

Poromon: I missed doing this too.

Me: Yeah.

Homare: We can tell.

Me: It's part of our Big Day Ambassador mission tradition in a way.

Nico: Good way to put it.

Hiroyuki: But I'm sorry we don't drink beer.

Homare: Yeah sorry.

Poliwag: (Does Puppy eyes) Aww pwetty pwease?

Nico: Poliwag that's enough.

Hiroyuki: (LAUGHS) The old puppy dog eyes trick. Always a classic.

Me: Yeah.

Pirika: By the way do you guys really live in a huge tree?

Me: We sure do. The tree is 528,000 feet high and the view of the entire planet is breathtaking.

Nico: Yep. And Gotham Royal York is an amazing place too.

Me: We made Gotham Royal York into an amazing city over the course of 7 years since I moved to Michigan.

Hiroyuki: Wow! That is cool.

Lola: Yeah it sure is!

Me: It's full of stuff that's cool.

Cassandra: And some not so amazing stuff.

Poromon: LIKE THE BLOOD AND HONEY MOVIE! (Shows trailer close to Hiroyuki's face) LOOK AT IT!

Hiroyuki: Wait is that the Blood and Honey movie!?

Me: Yeah that's it.

Pirika: Oh man! I saw the lawsuit you guys did against that! That was crazy!

Maria: Yeah it was!

Homare: Remind me. What is Blood and Honey?

Me: It's a REALLY DARK Version of Winnie the Pooh. It's about where Christopher Robin goes off to College and Pooh and friends turn into feral psychotic bloodthirsty killing machines.

Pooh: Yeah it really hurt my image.

Piglet: Same with me.

Me: It's one of the movies we blacklisted. We saw the trailer for it 2 years ago and the Mascots were horrified of it.

Xenia: Yeah.

Lily: What they do when they show you that reminds me every time of the Peanut Onion Sundae Fiasco that SpongeBob and Patrick went through.

Me: SpongeBob ate a disgusting sundae made of ketchup, onions and rotten peanut plants and it made his breath smell like shit. Patrick said he was ugly and made everyone look at him and they ran because of his REALLY stinky breath.

Patrick: Yeah it's what I did in the theater.

Nico: The mascots do the same thing with Blood and Honey.

Dark Don: The reason you didn't get the full version was because there's not 6 of you

Nico: Yeah.

Hiroyuki: I see what you mean.

Homare: That is crazy though.

Pirika: Yeah. I'm glad you guys did that lawsuit.

Roxy Rocket: Most of us wanted them to get the Black Gates for a good reason!

Me: But they were innocent people and we DON'T harm the innocent.

Hiroyuki: Good judgement there.

Me: Yep.

Laney: Yeah that was a good one.

Kit Taylor: We had the lawsuit after Natalia's big mission with me last year.

Me: Yep.

Suddenly Lincoln had a Premonition!

Lincoln: Uh oh! Guys we got trouble! Another Akuma of Laney is coming! This one is called Dr. Protopsychology! The 2nd Hypothetical Form of Laney Loud and she is a girl of all 4 elements of the Adventure Time miniseries Elements. She has one quarter of her body for each element:

Candy - Sanguine

Ice - Melancholic

Slime - Phlegmatic

Fire - Choleric

She is all 4 of those elements in one for Protopsychology. She has all those powers in 1. She was made when the fight over the dress in The Loud House escalated into brutal violence that landed her in the hospital and she vowed to get back at Lori and Leni for it.

WE GASPED IN SHOCK!

Laney: I have a second Akuma form!?

Nico: Well if Chloe can have many Akuma forms then anyone can.

Laney: True. What does she look like?

Lincoln showed a sketch and it was a woman that was 1 quarter candy, ice, fire and slime.

Me: Wow!

Laney: Wow that is fitting. And I do want to be a psychologist.

Camie: Yeah.

Skalor: Lets call Bane here!

Bane arrived

Bane: (Spanish Accent) I'm here amigos.

Me: Glad you came. Better get my gameface on. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: YEAH!

We went to face her.

Outside we saw her and it was DR. PROTOPSYCHOLOGY!

Me: WHOA!

Laney: Wow!

Dr. Protopsychology: So you all came!

She fired ice balls and threw them and bashed Lori and Leni in their faces!

KRABLAM KRABLAM!

Me: GEEZ!

Lori: (Stupid Dazed talk) Mama read me the story of the bunnies. That is literally fun.

Leni: (Stupid Dazed talk) (Laughs stupidly)

Bleez: Laney, you still remember us, right?

Dr. Protopsychology: I do Bleez and always will. I love you all so much.

Luna: That's good little dudette.

Laney went over to her.

Laney: Wow! I look cool! My 2nd Akuma Form is amazing. Just like what I read about in my books.

Dr. Protopsychology: And you always will be gifted in everything you read in Laney. Never give up on everything you dreamed about.

Laney: I won't.

Hiroyuki: What's Laney's first Akuma form?

Me: Her name is Book Butterfly and she looks like a lawyer with butterfly wings.

Hiroyuki: Fitting.

Bane: Laney, stand down. Before we're forced to do something that we'll regret.

Dr. Protopsychology: Sorry Bane but not until I give Lori and Leni a piece of my mind!

Nico: What did they do?

Me: Lincoln said it was because of fighting over a dress. Ugly story. It was a few weeks after I first moved in. Dr. Protopsychology can I go over what happened?

Dr. Protopsychology: You might as well. They do have a right to know.

Me: Okay. Nico this was a couple of weeks after I moved in.

I went over when happened in chapter 11 of Loud House Revamped.

When I was done everyone that hadn't heard about it was SHOCKED!

Nico: ARE YOU FUCKING KIDDING ME!?

Me: I know. But back then the Loud kids would fight over pretty much anything petty.

Nico: You're right.

Lynn: And looking back we had no idea what the heck we were thinking.

Nico: Yeah.

Lori: But we made up for that.

Me: Yeah that's good.

Bane: That was in 2017. Lori and Leni have changed since then. This is your final warning, Laney. Stand down.

Me: Actually 2016 Bane.

Bane: Oh my apologies.

Dr. Protopsychology: Not a chance.

Me: Then sorry about this Laney!

I fired waves of blue fire and blasted her down!

Bane pumped himself with Venom and then Bane stomps his foot, launching Dr. Protopsychology into the air. Bane leaps after her and hits her, headbutts her and slams his knee into her face before finishing her off with an earth-shattering DDT!

KRASMASH!

She was knocked out!

Bane stomps his foot, launching Dr. Protopsychology into the air. Bane leaps after her and hits her, headbutts her and slams his knee into her face before grabbing her under his arms and slamming her into the ground

KRASMASH!

Qin: WHOA!

Lola: Nice one!

Taskmaster: (to the Louds) I don't care what you guys did before Nico joined up. That was clearly all in the past.

Lori: I literally agree.

---

12 years prior to the series, a Guesra infant named Chibisuke (チビスケ) belonged to the young Hiroyuki Kudo, who fed it chocolate. One day, a Lecuum suddenly took Chibisuke and went back to its ship, but Hiroyuki tried his best to stop him. Hiroyuki almost died after failing to save his pet, but was fortunately saved by the light of Ultraman Taiga.

The kidnapped Chibisuke had a control chip planted into its brain and was modified into a King Guesra by the Villain Guild. It was first sighted at a seaport, having been summoned by a Lecuum and his accomplices as a showcase for a monster auction, which prompted EGIS members Hiroyuki and Homare Soya to investigate after being contracted by Inspector Sakura. The Rekyum activated the control chip in its brain, causing King Guesra to go berserk before it escaped once again. Upon further inspection, Pirika Asahikawa discovers that the monster had attacked a cacao storage, giving Hiroyuki further suspicion that the Guesra is his old pet Chibisuke.

King Guesra was summoned again near another chocolate storage facility, but Hiroyuki managed to calm it down, confirming to him that the monster was indeed Chibisuke, which caused most of the bidders of the monster auction to withdraw their money. However, Kirisaki appeared and caused it go on another rampage. With no other choice left, Hiroyuki transformed into Ultraman Taiga. A brief battle took place, but Hiroyuki stopped and managed to calm Chibisuke down again. Their reunion was interrupted by Ultraman Tregear, who fought against Taiga and easily trounced him. Seeing Hiroyuki/Taiga get hurt, Chibisuke fought Tregear as well, but could not even land a hit on him. Tregear then used his Trera Ardiga, firing at Taiga but Chibisuke stepped in the way to protect him. Chibisuke was destroyed in an explosion, which greatly angered both Taiga and Hiroyuki.

Me: King Guesra! I remember this guy!

Xenia: Wow!

King Guesra: You guys aren't going anywhere!

?: Oh yes they are!

Joey: We'll hold him off guys!

Nico: WOW!

Me: Lets go!

Morpho and Gabby Gator came.

Bane: (to Morpho and Gabby Gator) Thank you for coming, you two.

Morpho: Not a problem Bane.

Gabby Gator: Lets get him.

We saw him and hid.

Bane, Morpho and Gabby went over to him

Kirisaki: Bane. You, Morpho, and Gabby Gator are just in time to see me destroy Ultraman Taiga!

Bane: I don't think so.

Gabby Gator: Our friends might not like it if you did that.

Kirisaki: What do you mean?

Then the spirits of the Ultraman came and swirled around him and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a Phoenix Cry was heard and we landed.

Me: Kirisaki. we meet at last.

Xenia: Yeah.

Kirisaki: Team Loud Phoenix Storm!?

Me: That's right! And we came to destroy you!

Nico: Alright, Kirisaki. We know Dark Chandler is with you!

Me: So come on out you red-headed sewage spewing turd!

?: If you really wanted me to show myself, all you had to do was ask.

Dark Chandler walked out of the shadows with a smirk on his face

Me: Well well well. If it isn't Royal Woods Elementary's most UNPLEASANT BULLY!

Dark Chandler: How does it feel to know that everything you morons have done was for nothing?

Nico: Not for nothing! Xehanort hasn't come back, has he?

Me: And the only moron here is you!

Laney: I thought we were rid of you forever!

Dark Chandler: Well I'm...

She punched him in his face and knocked him down. He had a bloody nose!

Laney: That was for all the times you called me Lamey!

Me: Kirisaki you will pay for everything you did!

Kirisaki: Moebas, attack!

An army of Moebas appeared.

Me: Moebas! We saw Hiroyuki get attacked by them earlier.

Kirisaki: DARN They spoiled the surprise.

Me: They aren't very smart like you!

I fired waves of lightning and blasted them all over!

The Moebas then jumped the Ultraman team!

The Ultraman Taiga team laid defeated at the hands of the Moebas.

Kirisaki: This is the end of your journey, Ultraman Taiga. But not to worry. Your fellow Ultraman will be joining you in death.

Dark Chandler: Along with Larry and his stupid sisters!

Scovillain: (punches a Moeba) What do we do?!

I blasted the Moebas.

Laney, Misty Tredwell, and Laura Wynn got an idea.

Laney: (to everyone watching) Everyone out there! Lend the Ultraman Taiga team your strength! They get stronger with your support! When I go "1, 2", shout "Buddy Up"! Okay? 1, 2...

All: BUDDY UP!

Misty Tredwell: One more time! 1, 2...

Jamesdean5842: BUDDY UP!

Hiroyuki: (gets up) Like Hell I'm going to give up right now!

Hiroyuki then punched the Moeba about to attack him

Kirisaki: WHAT!?

Dark Chandler: IMPOSSIBLE!

Hiroyuki: Thanks for the help, everyone.

Homare: I can't believe so many people are cheering for us.

Pirika: Are you really that surprised?

Kana: I'm not.

Laney: You guys are just as popular as the Power Rangers, Super Sentai, and Kamen Riders.

Misty Tredwell: Now, let's give everyone a show.

Me: Lets do it!

Camie: YEAH!

Eli: Lets get them!

Nico: YEAH!

Laney: Let me, Misty, and Laura transform with you guys!

Yamato: Go for it, Laney.

Zyuohgers: WILD INSTINCT AWAKEN!

AAAAHHAAAHHAHAH WOOOWOOOWOWO!

With that, a strange structure forms on Takeru's waist, what looks like a small one-eyed ghost, complete with stereotypical sheet look, with a handle on the side of it. As the ghost-like device settles into form, Takeru pulls out what looks like a small eye, and presses a button on the side of it, before forcing the sheet portion of the ghost-like device forward and placing the eye in it before slamming it shut.

Ghost Driver: Eye! Batchirimina! Batchirimina!

Takeru: Henshin!

As the phrase "Batchirimina" repeats, a black and orange parka looking ghost emerges from the belt, while Takeru is covered by a majority black suit with orange lines crisscrossing it and a blank silver face. After a few seconds, Takeru pulls out the handle and pushes it back in, causing the ghost-like device to blink, shifting the eye-like device to a new screen, one that is primarily orange with two black spots looking like eyes.

Ghost Driver: Kaigan! Ore! Let's Go! Kakugo! Gho-Gho-Gho-Ghost! Go! Go! Go! Go!

With that action, the parka looking ghost drapes itself over Takeru, allowing his true face to rise, matching the symbol on the eye, but adding a small silver and blue horn to the forehead. And as the transformation finishes, Takeru flips down his hood that was the parka looking ghost's head

With that, Alain throws on a wrist-mounted device that looks like an eye-dropper turned sideways as Makoto summons a Ghost Driver. With their transformation devices armed, both pull out eye looking devices, but Alain's is a lot wider. Both press a button on the side of their devices and slot them into their transformation devices, Makoto using the same method as Takeru, while Alain slots his into a large gap in the eye-dropper device.

Necrom Eyecon: Standby. (As it is slotted into the eye-dropper device) Yes, Sir!

Ghost Driver: Eye! Batchirimiro! Batchirimiro!

While the Specter's Ghost Driver begins it's chant, Alain flips his eye dropper device straight up, and presses a button on the side

Mega Uloader: Loading!

With these actions, two parka like ghosts start flying around. One looking like Ghost's, only blue, and the other only vaguely resembling those two, being solid black save some green lines and two green and silver shoulder bits.

Makoto and Alain: Henshin!

With their battle cry known, Makoto pulls the lever on his Ghost Driver out then pushes it back in while Alain pushes a small button the actual dropper part of the Mega Uloader.

Ghost Driver: Kaigan! Specter! Ready Go! Kakugo! Doki Doki Ghost!

Mega Uloader: Tengan: Necrom! Mega Uload! (Heavy guitar rock) Crush the Invader!

As these battle cries are made known, Makoto is covered in a suit similar to Takeru's, but the orange lines are blue, while Alain is given a white and green suit with black details, and a face plate that more resembles an actual eye. As the parka looking ghosts settle in, Makoto's face reveals two horns similar to Takeru's one and a face of more angular black sections on a blue backdrop. Meanwhile, Alain has what looks like a large green cylindrical eye sticking forward on his suit, with a green and silver horn going straight up from that. And to complete the transformation, both flip their hoods down.

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

Sela: MONARCH OF THE OPEN SEAS! ZYUOH SHARK!

Leo: MONARCH OF THE SAVANNA! ZYUOH LION!

Tusk: MONARCH OF THE DEEP FOREST! ZYUOH ELEPHANT!

Amu: MONARCH OF THE SNOW FIELDS! ZYUOH TIGER!

Misao: MONARCH OF THE WORLD! ZYUOH WORLD!

Bud: MONARCH OF THE BLUE SKIES! ZYUOH BIRD!

Zyuohgers: DOBUTSU SENTAI ZYUOHGERS!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready!

Takeru: THE GHOSTS OF JUSTICE! KAMEN RIDER GHOST!

Makoto: THE GHOSTS OF FREEDOM! KAMEN RIDER SPECTRE!

Alain: THE GHOSTS OF HOPE! KAMEN RIDER NEKROM!

Ghost Riders: THE GHOSTS OF LIGHT AND ELEMENTAL HOPE! KAMEN RIDER GHOST!

They were ready!

Hiroyuki: ULTRAMAN TAIGA! BUDDY UP!

He turned into ULTRAMAN TAIGA!

Ultraman Taiga: KAIJU BEWARE! HERE COMES 2019'S TAIGA!

Makoto: We will show you... our way of life!

Takeru: Our lives are burning bright!

Yamato: Don't Underestimate our Planet!

Me: Or you are not going to live to regret it!

Kirisaki: Soon, all of humanity will all perish! (LAUGHING INSANELY)

Laney: That's never going to happen, you piece of shit!

Suddenly, we all felt Laney, Misty Tredwell, and Laura Wynn's power and energy rise astronomically and their energy auras flared up extremely, and we knew it meant huge trouble for Kirisaki.

Misty Tredwell: Never in a million years will we ever forgive you, you've lived for far too long.

Laura Wynn: You don't deserve to live again, you piece of shit. This is where you die here and now.

Laney, Lincoln, Nico, and I went after Dark Chandler, and we fired extremely powerful blasts of rainbow energy, rainbow and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Dark Chandler and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Laney also did the same by firing rainbow and green energy slashes from her massive greatsword and gold-plated dragon claws, and he, Laney, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Dark Chandler even angrier than ever.

Bane: (Spanish Accent) You've got some nerve coming back from the dead. Laney told me of all the sick and disgusting things you've done and what you did in making a deal with The Devil, you've caused far too much pain for the last time, and now, you're about to be broken.

Just then, Bane bulked himself up using his Venom. Then, he proceeded to thrash him all over the place with brutal superhuman strength, and he grabbed him and then...!

HE SLAMMED DARK CHANDLER'S SPINE UNTO HIS KNEE AND HE BROKE HIS SPINE AS DARK CHANDLER SCREAMED WITH AGONIZING PAIN!

Then, I fired an energy dagger into The Monitor Orb embedded in Dark Chandler's forehead and it shattered.

Dark Chandler: AGH! YOU FUCKERS I'M STILL STRONG ENOUGH TO DESTROY YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) Oh, thanks for reminding me.

Suddenly, Lincoln sprouted vacuum tubes from his chest and latched themselves onto the massive pecs, neck, arms, and legs of Dark Chandler. Then, the vacuum tubes began sucking Dark Chandler dry of his newly gained massive muscle mass, virility, and massive physical strength and he was groaning in pain as he began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, and massive physical strength of Dark Chandler began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and medium sized white angel wings with aurora and orange tips and small sized white angel wings with aurora and orange tips under his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the vacuum tubes detached themselves from Dark Chandler and went back into Lincoln, Dark Chandler was back to being a scrawny weakling. Suddenly, we heard a car heading our way, and when Fran Anderson saw it, she knew who it was.

Fran Anderson: Oh boy, Ma's here and she brought the rest of the family.

Then, Fran's mother and her father, grandmother, and aunts, uncles, and cousins came out, and they got out guns and fired bullets into him and he now looked like swiss cheese.

Dark Chandler: AGH! YOU! I'M NOT DONE YET!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done forever, Dark Chandler.

Dark Chandler: (BALLISTIC BELLOW) WHAT THE FUCK DID YOU JUST SAY?!

Laney: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Rainbow Firestorm Artistic Nature Jungle Master Almighty Gaia True Immortal Dryad Fairy Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Rainbow Firestorm Artistic Nature Jungle Master Almighty Gaia True Immortal Dryad Fairy Phoenix God Angel Love) YOUR TIME IS UP!

I held up my watch!

Suddenly, the bell of judgement rang in Dark Chandler's ears and he was suddenly seized by the spirits of all those he's harmed and killed.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on Dark Chandler's forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Dark Chandler: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU! FUCK YOU ALL, LOSER LOUDS! DAMN YOU ALL, TEAM LOUD PHOENIX STORM, DAMN YOU ALL TO HELL! (LETS OUT ONE LAST INSANE SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU DISGUSTING PILE OF SEWAGE, AND DON'T YOU DARE EVER COME BACK, YOU PIECE OF SHIT!

Everyone cheered as we holstered our weapons and we powered down and Laney's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large brown and green planets orbiting around her legs, fifteen smaller brown and green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings and small sized brown angel wings underneath her massive brown angel wings are permanent and Chandler's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen red and white planets orbiting around his legs and fifteen smaller red and white planets orbiting around his waist, smaller planets orbiting around his fingers, and massive red angel wings and medium sized red angel wings and small sized red angel wings underneath his massive red angel wings are permanent.

Laney and Lincoln: Dark Chandler, you have failed this entire world and the entire universe! Now, go to The Black Abyss and stay there forever, you piece of shit!

WE ALL CHEERED!

Nico: That'll teach that piece of shit. But, I also felt that Anti-Monitor's power took a dive. That Monitor Orb, was that the reason?

Lincoln: That actually is the reason. See, replacing the Dark Orbs after Xehanort's demise will be Monitor Orbs, which also empower certain villains Anti Monitor will resurrect. But the good news is the Monitor Orbs won't be a lot and the Anti Monitor will be severely weakened after performing said resurrection.

Me: Whoa, so the Monitor Orbs are his power source, and with each resurrection, he'll be weakened. We destroy them and the resurrected villains, it'll make the future battle against Anti Monitor much easier. So, Lincoln, who are we meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw an Erland made of black fire pass through the sky.

Panda Faye Ling: Was that...?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Jackie Heihuo, Gene-Slammer and Avatar of Brotherhood of the Fire Fist - Eland.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Jackie Heihuo is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of black fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Eland, along with having angel wings along with having intense orange fire powers. She's known as The Skillful Warrior of The Sisterhood of The Fists of Fire, because her skills in the martial arts are well known throughout China and not even the most expert martial artists could defeat her. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of black fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Laura hates Luan with a blazing passion, because of what that homicidal pranking she-demon has done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Nico: Yikes!

Me: I remembered her all too well, she's one powerful and skilled warrior, and Lincoln literally kept up with her in his training with her and she was so proud of how strong he's gotten.

Lincoln: She's going to be even more proud of how much stronger I've gotten the last time when we meet her again.

Nico: And we really liked hearing about the memories you had with Caleb, Hunter, we've definitely got to hear more.

Hunter: (German Accent) Trust me, you'll love hearing them.

We headed home and we welcome Hiroyuki and the Taiga team to the team. Outside of the city and looking at the World Tree Estate, there was a vampire cat with lighter caramel colored fur with bright red eyes and fangs and he has the same hair as Cage Blunt but longer and it was black and he has a black tail: it was James Blunt, Cage's vampire dad.

James Blunt: So, this is where you're now living, Cage, and the rumors were true Caleb's returned from the dead and he's now with all of you. Well, you guys are going to enjoy seeing me again along with all of you, Team Loud Phoenix Storm. See you all then.

James Blunt left, but we were in for one surprise tomorrow.

Atomic Puppet charged at King Guesra.

And bashed him down and Sunny, Aqua and Harry blasted him with magic and kicked him down.

Sunny Starscout: Take that!

Aqua: YEAH!

Joey: That was awesome!

We regrouped.

Poromon: Not bad for our first mission with an Ultraman!

Me: Yeah!

Hiroyuki: That was so awesome!

Angel: That's one main Ultraman villain down.

Skalamander: And one Ultraman team recruited.

Me: Yep. But we have over 58 years of Ultraman to meet.

Nico: Yep.

Rich Texan: (to Joey Felt and Atomic Puppet) You two helped too.

Joey Felt: We sure did!

Atomic Puppet: That was so fun.

Hiroyuki: See you 2 in two days.

Atomic Puppet: Looking forward to it.

Joey held out his fist and Hiroyuki slapped it gently.

Black Adam: How should we celebrate?

Amora: Is there a restaurant nearby?

Hiroyuki: We can go to the Blade Riders restaurant.

Me: You must mean the Jacaranda Cafe.

Kazuma: Haven't been there in a while.

Qin: Yeah.

Nico: By the way, Hiroyuki, we want to thank you for keeping Zedd's goona distracted while we went after Vilgax.

Hiroyuki: Ah it was nothing.

Nico: Yeah. But Laney, you and Misty and Laura did a great job! Great job today everyone.

Rita: We're so proud of you sweetie.

Laney: Thanks mom. This was fun.

Camie: It sure was.

Nico: Yep.

Laney: (To the viewers) Now we have one Ultraman team with us and there's many more.

Lola: You got that right.

Nico: Awesome.

We went to the Jacaranda Cafe and had a great meal and then later went back home. We enjoyed the rest of the day and went to sleep.

Number 1 of Anti-Monitor's lackeys was defeated. 309 to go.

ATTACK OF THE KAIJU STEVEN

This chapter is based on the Corrupted Gem form of Steven Universe.

Tara woke up to see Gigantamax Moltres staring at her

Tara: Oh morning Gigantamax Moltres.

Gigantamax Moltres: Morning Tara. Time for breakfast.

Tara: Thanks.

She got up and got dressed and went to breakfast.

Nico: Boy this is gonna be fun.

Qin: You said it.

Lola: Yeah!

Camie: I'm ready to kick some butt!

Me: Me too! Especially now that we discovered that our own Quirks have manifested.

Fiona Hernandez: I can't wait to see what we can do.

Laney: Yeah this will be fun!

Zipp Storm: I'm ready for some awesome fun!

Lana: Me too!

Nico: Zipp, I want to thank you, Roller Ghoster, and your teams for coming

Zipp Storm: No problem Nico. I'm ready to kick some butt.

Lola: All of us are!

Lightning McQueen: Oh yeah! This is gonna be awesome!

Doc Hudson: You said it!

Mater: Oh yeah!

Nico: Lightning, do you feel anything when one of us drives you?

Lightning McQueen: Nah it's all cool. And I love it when people drive me. Makes me feel more cool.

Mater: Yeah he is cool that way.

Doc Hudson: I feel that way too.

Me: Yep. Also Doc you're one of my dad's favorite cars, the 1951 Mercury. That was a cool one.

Nico: Wow.

Doc Hudson: Yep. It sure was.

Lightning: Although no one ever drove me back in the old days

Me: That's okay though.

Xenia: But you are still awesome.

Me: All the heroes of Cars are great.

Holly Shiftwell: I'm glad you think so.

Nico: Yep. Laney, you and Misty and Laura all did a great job yesterday.

Rita: We are so proud of you sweetie.

Laney: Thanks mom and thanks Nico. That was so fun.

Misty Tredwell: It sure was.

Nico: That was our first Ultraman mission

Me: Yep! First of many.

Laney: That was awesome.

Qin: Boy it sure was. And Taiga was 2019's series right?

Me: Yep. 5 years ago.

Laney: Wow!

Nico: Yeah. And we destroyed Dark Chandler too.

Me: That Sewage-Spewing vomitpot had it coming.

Nico: Bane had fun literally breaking him

Laney: Yep.

Qin: Yeah that is for sure.

Camie: But at least Chandler is rid of him.

Me: Yeah.

Sento: I knew you guys would get to using my Fullbottles

Me: Yeah and we discovered that we have our own quirks.

Camie: That is so awesome!

Himiko: Welcome to the party.

Camie: So how does it feel having your own quirks now?

Nico: Pretty damn good!

Himiko: You guys are gonna do great with them.

Me: Yeah.

Tsuyu: I agree.

Sirius: Some of them you all did were really awesome.

Starlight Glimmer: I know. Demonfire is really scary.

Lola: It sure is.

Me: Nebula Lightning is really cool. I did some tests and found out that I can strike lightning from MANY Nebulae from all over the galaxy.

Nico: That is cool!

Lola: Yeah!

Me: Along with all the powers we have, having a quirk is an awesome addition to them

Lola: Yeah.

Lana: I'll say!

Camie: Yep.

Laney: This will be so awesome.

Me: Yep.

The Simulator activated and all of us were in Peach Creek.

Me: So we're in Peach Creek. Nice.

Eddy: Feels like we're back home.

Lincoln: Okay, gang, we're in for one awesome and really hilarious battle for this rescue: we're here in Peach Creek in the Simulator, and we're going after The Vengeance Express.

WE GASPED!

Me: Oh, you've no idea how much I've been waiting for this!

Nico: Big time. Besides, this'll prepare us even more if our "least favorite" members of The M.O.E. decide to disobey Vypra again and try to come after the Eds once more.

Lincoln: You said it, and Vince also told the President 2 days ago about what happened and he had put out the alert that 310 of our old enemies from the past seven years have returned thanks to Anti Monitor, and he even strengthened the law he put out after the fall of The Sullen Six.

Me: I heard about that, that was definitely quick thinking.

King Kai: (Telepathically) Anti Monitor's not getting away with this, he crossed a severe line that ultimately means war, and I've also kept an eye out for Morgana Midnight Sparkle, and like you said, Lincoln, she and the Midnight Princesses are going to return on the day of The Ridonculous Race, so you and The Daydream Princesses show those she-devils no mercy, I've also got ringside seats for that showdown.

Nico: Nice. Alright, now let's go find our "least favorite" dorks and kick their asses.

Ed Cowart: And there was no need for Lincoln to send out a telepathic message since we also joined in as well.

Lori: I'm literally looking forward to trashing those dorks again, even though they're just the Simulator versions of them.

Shanan: Eh, we're still kicking their butts.

Tara: I'm looking forward to this as well, they're gonna regret hurting the Eds.

Me: Me too!

Lincoln: Same here.(Sensed for The Vengeance Express) AHA! Gotcha, you dorks. I just spotted the Simulator Vengeance Express losers, they're 20 yards away, but they're already going after the Simulator Eds.

Luan: Let's hogtie those dorks and run 'em out of town on a rail!

Yikes, I must've picked that up from Sandy.

Sandy Cheeks: (Chuckles) You sure did, but I agree wholeheartedly, Luan.

Lincoln: Plus, I'm going to show you guys a little something I've wanted to show you for a long time. Now, let's get going.

Suddenly, we hear a demonic choir sing as flames from Hell burst from the ground, and we see the sigil of Cerberus, The Hellhound of Gluttony, form from the fires of Hell.

Anna Anyanova: The Sigil of Cerberus?! That means, we're running into the third of the Nine Keyblade Knights of Hell and Avatars of The Nine Circles of Hell.

Lincoln: There's no doubt who it is.

Me: Yep.

Chandler: Uh guys You are not going to like what my quirk is when you see it.

Me: Okay. Show us shortly okay?

Mollie heard a Pokemon cry.

Mollie: Look here!

We saw a Plusle and Minun!

Me: Wow a Plusle and Minun.

Nico: Cool!

Then jumped onto Mollie and nuzzled her face.

Me: Aww so cute.

Nico: Looks like Tory's Plusle and Minun have 2 new playmates.

Mollie: Yeah. Are you two hungry?

Plusle: We sure are.

We gave them some apples

Mollie: Feel better?

Minun: We sure do.

Plusle: Yeah.

Mollie: Wanna come with me?

They nodded.

Me: Cool!

Mollie: You won't regret it.

Nico: Now lets go.

We then took off into the air and set our sights on the Simulator Vengeance Express losers.

We were flying in the air, and we spotted our target: The Simulator Vengeance Express losers, and they're after the Simulator Eds!

Lincoln: There they are. Now, to unleash the fury of the storms on those Vengeance Express losers. AZULONGMON ARMOR FUSION!

Suddenly, Lincoln donned an azure dragon head helmet, he also has on azure dragon braces over his Bracers of The Champions of the Universe, he also has on azure dragon greaves over his gold armored knee-high boots, and his gold chest harness turned into an azure dragon scale chest harness. WE WERE STUNNED: LINCOLN HAS ON AN AZULONGMON DIGIMON SOVEREIGN OF THUNDER ARMOR!

OUR JAWS DROPPED AND ELI CLOSED OUR JAWS!

Nico: NO WAY! Lincoln, you also have Digimon Sovereign Armor as well?!

Lincoln: Yep, that's right, this is my default Digimon Sovereign Armor, it's an Azulongmon Digimon Sovereign of Thunder Armor, and I also now have a Zhuqiaomon Digimon Sovereign of Fire Armor like J.D., a Baihumon Digimon Sovereign of Metal Armor, an Ebonwumon Digimon Sovereign of Nature Armor, and a Huanglongmon Digimon Sovereign of Light and Dark Armor.

Me: So awesome!

Lincoln: Thanks. Now, to get after the dorks. (ECHOING) AURORA FORCE!

Lincoln fired intense bursts of lightning which hits and electrocuted the Simulator Vengeance Express losers, and that angered the dorks as we landed.

Nico: WHOA! That was so awesome! Nice one, Lincoln.

Lincoln: Thanks. Now, for fire. ZHUQIAOMON ARMOR FUSION!

Lincoln donned a vermillion red phoenix head helmet, he also has on vermillion red phoenix braces over his gold Bracers of The Champions of the Universe, he also has on vermillion red phoenix greaves over his gold armored knee-high boots, and his gold chest harness changed into a vermillion red phoenix chest harness. LINCOLN HAS ON A ZHUQIAOMON DIGIMON SOVEREIGN OF FIRE ARMOR JUST LIKE ME!

Simulator Vengeance Express Kevin: DIE DORKS!

Lincoln: No, time for you to burn. (ECHOING) BLAZING HELIX!

Lincoln fired Helix blasts of fire from his massive white angel wings that hit the dorks and they got burned badly.

Lincoln: Want some more? Alright, then! (ECHOING) PHOENIX FIRE!

Lincoln fired a flame blast from his left hand which hit the dorks and burned them even more.

Lincoln: Here's some more. (ECHOING) SONIC ZEPHYR!

Lincoln fired a powerful blast of wind that hit the dorks and blew them into a tree, and they got back out, but now, now they were pissed off, as his Digimon armor disappeared.

Chandler: Awesome Lincoln! Now watch this.

HE THEN VOMITED A NASTY AND DISGUSTING SLUDGE VOMIT AND DRENCHED THE VENGEANCE EXPRESS 6!

Me: OH SICK!

Nico: What was that!?

Chandler: That was my quirk. It's called Putrid Voice.

Me: YUCK!

Sakura Haruno: Like what I can do with my Dante's Inferno Quirk but with one of those abilities! That was cool!

Me: Yeah!

Nico: (to the Simulator Eds) Get to safety!

Me: We'll handle things here!

They nodded and went into their houses and barracaded the doors.

Me: Now lets see how you like this!

Suddenly, we saw a girl appear from a tornado of hellfire: she has black hair, red eyes, black clothes, yellow demon wings, and she has Xehanort's Keyblade in her right hand.

Lincoln: (GASPS) Jiahda Cerberus, Keyblade Knight of Hell and the Avatar of the 3rd Circle - Gluttony. Whoa! Alright, now it's time we take you down and put you all out of your misery.

(Burn down from the heavens with the intensity of a thousand flaming embers of fire and burn with the fury of a million infernos oh mighty phoenixes of the flaming fire! Let my song of fire bring forth the flames of divine retribution on these evil abominations that plague the land and purge and cleanse it with the flames of virtue!)

Lincoln sang the Song of the Phoenix and then massive fireballs rained down from the skies and transformed into powerful phoenixes, and they hit the Simulator Vengeance Express kids and they were incinerated into ashes and their souls were sent to The Black Abyss, and we all exited the Simulator.

Everyone cheered as we holstered our weapons and powered down, and Harlia Meggido's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large crimson red planets orbiting around her legs, fifteen smaller crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive crimson red angel wings and medium sized crimson red angel wings and small sized crimson red angel wings underneath her massive vermillion red angel wings are permanent, Freya Peach's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large orange planets orbiting around her legs, fifteen smaller orange planets orbiting around her waist, smaller planets orbiting around her fingers, and massive orange angel wings and medium sized orange angel wings and small sized orange angel wings underneath her massive orange angel wings are permanent, Callie Capsaicin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large crimson red and yellow planets orbiting around her legs, fifteen smaller crimson planets orbiting around her waist, smaller planets orbiting around her fingers, and massive crimson red angel wings and medium sized crimson red angel wings and small sized crimson red angel wings underneath her massive vermillion red angel wings are permanent, and Sally Strawberry Sunrise's new body, clothes, weapons, jewelry, Third Eye, longer Strawberry Sunrise's tail, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large red and yellow planets orbiting around her legs, fifteen smaller red and yellow planets orbiting around her waist, smaller planets orbiting around her fingers, and massive red angel wings and medium sized red angel wings and small sized red angel wings underneath her massive red angel wings are permanent.

Nico: That'll teach them, and Lincoln, that was so awesome that you used The Song of The Phoenix to incinerate those losers forever.

Lincoln: I was hoping to use it on them one day, glad I was patient.

Nico: That's proof that patience is a virtue So, Lincoln, are you going to introduce us?

But, before he could, Jiahda Cerberus had her hands on Lincoln's hairy pecs, and she began deeply kissing Lincoln on the lips and kissing him on the face, along on his massive hairy pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. This is Jiahda Cerberus, Keyblade Knight of Hell and the Avatar of the 3rd Circle - Gluttony, she's Lincoln's Guardian Angel from Hell and she's a powerful force of epic power to be reckoned with. She was born and raised in Hell, and she's a powerful master of darkness and a deadly force to be reckoned with, she's the bringer of the punishment of Gluttony and brings those guilty of it eternal rain of mud, filth and eternal dirt. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the

Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness and eternal rain of mud, filth, and eternal dirt, and she hates all of Lincoln's enemies that are pigs and will damn them to the Circle of Gluttony.

WE GASPED!

Nico: OH SHIT!

Me: I remember her all too well, she viciously pulverized many of Lincoln's enemies that are pigs, and many of them were sent to The Circle of Gluttony, and they were reduced to mere skin and bones!

WE GASPED IN HORROR!

Eli: MY GOD!

Lincoln: I saw what she did that time, and boy, I was horrified. And it's so good to see you again, Jiahda.

Jiahda Cerberus: You too, Lincoln, and whoa, you've really really grown into quite a large, sexy, and extremely manly rugged hunk of a man.

Lincoln then wrapped his massive and muscular arms around Jiahda Cerberus and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Jiahda Cerberus with blood red gems on the gold lightning bolt links with blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Jiahda Cerberus saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

Sento: I had time to make more Fullbottles

Me: Awesome! Looking forward to seeing them and using them.

Lola: Yep.

Camie: Yeah.

Poromon: Boy this was one of the funniest rescues ever!

Xenia: (LAUGHS) Yeah it was!

Nico: Nice job, Plusle and Minun!

Plusle: Thanks!

Minun: Yeah it was fun!

Poromon: Want some beer you two?

Plusle: No we don't drink sorry.

Minun: We short circuit whenever we drink.

Poromon: Oh man.

Me: Yikes.

Camie: Yeah.

Jetfire: Now you guys just need me to be the jet.

Me: Yeah.

Poromon: That will be awesome.

Jetfire: Yeah mate!

Qin: Yep.

Horsea was eating her jawbreaker.

Horsea: So delicious!

Qin: Yeah.

Lola: They sure are.

Camie: Yep.

Manaphy was eating her jawbreaker

Manaphy: So delicous.

Drool was pouring out of their mouths like Niagara Falls.

Qin: So funny.

Nico: You guys are drooling.

Poromon: It's just so good.

Eddy: Jawbreakers make us drool too.

Edd: Yes they do

Nico: Good point.

Qin: Yeah.

Me: True.

We waited till they were finished.

Which was five minutes later.

Ed swallowed his.

Eddy: You were supposed to let it melt in your mouth Ed. Not swallow it.

Me: That can't be good for your stomach.

Ed: Aw it's kickin. The Little whatchimacallit.

Eddy: (sighs) Well, at least it'll get digested in hours

Me: Yeah.

Lola: (LAUGHS) That is funny.

Camie: Yeah.

Luan: It sure is.

Leni: Oh Ed you are so silly.

Me: Yep. Hiroyuki how are you liking our pad?

Hiroyuki: Boy you weren't kidding about how your estate has an amazing view of the planet.

Laney: Glad you like it.

Hiroyuki: Thanks for helping me, by the way

Nico: It was no problem.

Misty Tredwell: Yeah we had an awesome time helping you.

Lola: Yeah that was fun.

Laura Wynn: It sure was.

Hiroyuki: Yeah. Boy you guys have amazing power.

Me: Well we don't brag about it. It's what we do to protect the planet and everyone. With great power comes great responsibility.

Spiderman: That is the line I made. But it is too true.

Hiroyuki: If there's anything I can do to repay you...

Nico: Thank us by staying true to yourself

Me: Besides we do what we do to keep everyone safe.

Nico: Yep.

Nico: There they are!

We saw Another Haunted Car, Jackson Storm, Tolga Trunkov, Aligned Steeljaw and Giulia!

Lightning McQueen: Awesome!

Nico: Yeah!

Xenia: Cool!

Another Jackson: (In a girls voice) It sure will.

They merged and reverted back and it was a girl with purple, blue and pink hair, purple eyes, purple clothes and had purple angel wings and had a tiara with Violette Rainbow's cutie mark on it and on her skirt and had a nebula sword and Violette's tail.

Violet Violette Rainbow: Violet Violette Rainbow - Embodiment, Gene-slammer and Legacy of Violette Rainbow.

Izzy Moonbow: Wow it's great to meet you! Violette is my friend in Bridlevale and she is a really awesome artist.

Me: Cool! We never met her before Izzy.

Lola: Yeah.

Nico: Awesome to meet you Violet.

Xenia: Yeah.

Violet Violette Rainbow: Same to all of you.

Me: By the way Violet is the Another Roller Ghoster and Tara friendly or hostile?

Violet Violette Rainbow: Friendly and really awesome.

Me: Wow.

Nico: Sorry we have to do this.

Aligned Bumblebee: Let me handle the Another Steeljaw

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

Another Steeljaw: Savor the daylight! Things are about to get dark!

Aligned Steeljaw: Ah, good memories.

Nico: Boy that was awesome.

Me: He sure had a big ego.

Aligned Bumblebee slashed and sliced and diced Another Steeljaw!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Maria: Now for backup! (TURNS DIAL) ELEMENTAL CREATIVITY POWER!

She summoned Bad End Pretty Cure, Bomb Guardian (Metroid), Grey Wolf (Monster Rancher), Chaos Ripper (Monster Rancher) and Grapple Guardian (Metroid).

Qin: YEAH!

Nico: Geez! What an earthquake!

Xenia: No kidding!

Laney: That was a strong one!

Lynn: Yeah!

Me: Lets see.

I looked at where the Epicenter of the Earthquake was.

Me: The Epicenter is only 50 yards ahead of us!

Nico: How strong was that?

Me: Measured at 8.2 on the Richter scale.

Qin: Wow.

Nico: Strong!

Me: Yep. Wait look!

We saw ANOTHER ROLLER GHOSTER AND TARA!

Nico: WHOA!

Tara: (GASP) That Another version of me looks like something Trigon would have made!

Me: Yeah that definitely is something Trigon would do!

Nico: I just hope that's not the case.

Another Roller Ghoster: (In a girls voice) Yeah no kidding.

Nico: (GASP) That voice!

She reverted back and was The Gene-slammer of JewelBeemon!

Nico: Jewel Honeybee! Wow!

Me: The gene-slammer of JewelBeemon!

Jewel Honeybee: Yep.

Another Tara: (GASP) Tara?

She reverted back and was a girl with brown hair, blue eyes, Black clothes and had brown angel wings and had a tiara with Tara on it and on her skirt and had a lava sword.

Tara: (GASP) Jenny Markov!?

Jenny Markov: Sister? Oh my god! YOU'RE ALIVE!

They went over and hugged for the first time in so long!

Nico: SAY WHAT?!

Nico opened his mouth so wide that his skeleton fell out!

Nico put it back.

Nico: I hate it when that happens!

Cyborg: Might want to tell her about your so called dad kicking the bucket.

Me: Good idea.

Tara: I thought I would never see you again!

Jenny Markov: Me neither!

Tara: I thought you died when Markovia was destroyed!

Jenny Markov: I thought the same thing!

Tara: Oh. Guys this is my sister Jenny. She is my little sister.

Me: Awesome to meet you Jenny.

Jenny Markov: You too J.D. It's an honor.

Me: I take it you heard about..

Jenny Markov: Our so called dad kicking the bucket? Yeah and I'm glad he's gone.

Me: You have us to thank for that. We killed him.

Jenny Markov: Yeah I heard. Thank you so much.

Me: You're welcome.

Camie: You guys killed her father?

Me: Yeah we forgot to tell you. He was a RUTHLESS Tyrant and a nightmare on the world.

Xenia: Yeah.

Maxxor: That was around the time me and the rest of the Tribal Alliance joined up.

Me: Yeah.

Qin: It was awesome.

Jenny Markov: Wow that is amazing!

Me: We also reunited Tara with her sister during a rare event where we saw Comet Kohoutek.

Tara: Yeah Gloria is back with us.

Jenny Markov: Oh it'll be so happy to see her.

Tara: And there's more.

She showed her wedding ring.

Jenny Markov: (GASP) You got married!? Who's the lucky guy?

Beast Boy: Me. I'm Garfield Logan but everyone calls me Beast Boy.

Jenny Markov: It's awesome to meet you Beast Boy.

Me: We had their wedding on Starfire's home planet Tamaran. First ever interstellar wedding we've ever done.

Jenny Markov: Wow! I'm so happy for you Tara. I got a lot of catching up to do.

Me: I can tell. And Jewel can you tell us about yourself?

Jewel Honeybee: Sure. I am Nico's friend from Earth Science and Jewelry making. We made jewelry of many kinds.

Me: Cool!

Jewel Honeybee: Also I am a demolition specialist. I tear down old buildings with skating moves.

Me: Cool!

Otto Rocket: Boy that is radical!

Stacy Bolton: Sounds cool and awesome.

Nico: Yeah!

Kaito: (gets out Ryusoulger gear) Did Swartz promise you two anything?

Zocks: (Gets out Kiramager gear) Because we can grant it instead.

Kaito got a Dino Fury Sword an d Zocks got a Kiramager Sword.

Jewel Honeybee: No he didn't. After he put the ridewatches in us we flew out before he could say anything.

Jenny Markov: Yeah we sure did.

Lana: Awesome.

Tara: By the way Jenny did you hear about what happened to me with Slade?

Jenny Markov: I sure did. That monster! I will kill him for what he did.

Shanan: Better get in line Jenny. Me and Tara have dibs on ripping him to pieces and banishing him to the Black Abyss should he return.

Sougo: (gets out Dino Fury Ridewatch) And your sister has another side.

Geiz: (gets out Kiramager Ridewatch) To understand more, you should have Jet show you his Moby Lick form.

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor

Jet: It's true.

He concentrated and turned into MOBY LICK!

Moby Lick: Yeah!

Me: She is also half Orca Whale.

Nico: Yep.

Jenny Markov: Wow! That is really cool!

Tara: You'll see it in action later.

Me: Yep.

Lincoln: Lets separate you two first.

We did so.

Me: Lets get it on!

Nico: (Gets out Roller Ghoster's ridewatch) Time to ride the Roller Ghoster!

May: (Gets out Jackson Storm's ridewatch) Lets burn rubber!

Maria: (Gets out Aligned Steeljaw's Ridewatch) Savor the daylight! Things are about to get dark!

Lightning McQueen: (Gets out Haunted Car's ridewatch) To Quote The Mascots IT'S THE HAUNTED CAR! IT WILL KILL US ALL!

They used the powers of Roller Ghoster, Haunted Car, Jackson Storm, Tolga Trunkov, Aligned Steeljaw and Giulia and blasted the Anothers

Then Jasper, Polar Boy, Gorillamon, Pain Yatta, Badpipes, and Mechanized Dragon (Rayman) came!

Me: Wow!

Nico: Awesome team Jasper!

Jasper: Thanks Nico!

Pipp Petals: (GASP) Oh my glitter! That means that me and my team are up next!

Deadpool: Jasper, you might want to be on standby later

Jasper: Why is that?

Jamesdean5842: Wade don't give away the fun.

Deadpool: Sorry.

Nico: Huh?

Me: (SHRUGS)

But then a figure flew in and bashed the anothers down and we saw it was DIGITAMAMON!

Me: WHOA! Digitamamon!

Qin: I hope this one isn't a rotten egg!

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (Sniffs) OH GOOD GOD! THAT SMELLS HORRIBLE!

Qin: I spoke too soon.

Digitamamon: (In a girls voice) Sorry about that.

Nico: Vicky Galas Digitama!? Whoa!

She reverted back and was a girl with green hair, green eyes and purple clothes and purple angel wings and had Digitamamon on her forehead and skirt and she SMELLED REALLY HORRIBLE!

Vicky Galas Digitama: Yep. Awesome to see you again Nico. Sorry about the stench. It came with my gene-slammer form. It makes me smell like a rotten sack of filth and rotten eggs.

Me: GEEZ! No shit!

Vicky Galas Digitama: I got this. (ECHOING) NIGHTMARE SYNDROMER!

She fired a blast of darkness and it hit the two anothers and blasted them down after sucking them in and I caught the ridewatches and purified them.

Me: Yeah!

Nico: You need a shower.

Vicky Galas Digitama: Yeah you're right.

Me: WHEW! And you need one now!

Lightning McQueen: Do you have a favorite memory of Nico?

Vicky Galas Digitama: I sure do. On my family's chicken farm we made amazing chicken feed that grew chickens to as big as people and they hatched eggs to the size of TV's.

Nico: Yep.

Me: Wow! Sounds like something Cluck would do.

Splat: Yeah he did that and it is really good chicken.

Vicky Galas Digitama: I can tell.

Me: Filling too.

Nico: Yep.

Nico put a nose plug on and hugged her.

Nico: (Nasally) I've missed you.

Vicky Gala Digitama: Same here.

We left the simulator and got her into the shower and got her cleaned up.

CHINESE MUSIC PLAYS

We then saw a Eland made of black flame fly through the skies.

Lincoln: The Eland made of black flame, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with black streaks and orange headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless orange crop top, white bridal gloves, crimson red skirt, black stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, black fire, black flames, elands, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Erland, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the fourteen girls.

Lincoln: (GASPS) Jackie Heihuo, Gene-Slammer and Avatar of Brotherhood of the Fire Fist - Eland.

Jackie Heihuo: That's right, and I got the girls away from that monstrous bastard, and he's heading here now, and boy, is he pissed off.

?: YOU WILL PAY FOR RUINING MY PLANS AND FOR KILLING ME, TEAM LOUD PHOENIX STORM!

We then saw our old enemy, Black Shadow, heading for us, and like Jackie Heihuo said, he's pissed off to no end.

Suddenly, Lincoln stabbed Black Shadow with his eleven massive and long white wolf tails, and then, Lincoln began absorbing him and he was assimilating Black Shadow's superhuman strength, Dark magic, Genius-level intelligence, Charisma, Manipulation, Agility, and Expert F-Zero racing, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips, medium sized white angel wings with aurora and orange tips, and small sized white angel wings with aurora and orange tips spread out even more and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and he retracted his tails, nothing was left of Black Shadow except for his clothes and he sent his soul to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: It's over, Black Shadow, never ever come back again. (To Jackie Heihuo) And it's so good to see you again, Jackie.

Jackie Heihuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Jackie Heihuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Jackie Heihuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Jackie Heihuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his abnormally massive and muscular arms around Jackie Heihuo and hugged her, and Jackie Heihuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jackie Heihuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Jackie Heihuo, Gene-Slammer and Avatar of Brotherhood of the Fire Fist - Eland, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of black fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Eland, along with having angel wings along with having intense orange fire powers. She's known as The Skillful Warrior of The Sisterhood of The Fists of Fire, because her skills in the martial arts are well known throughout China and not even the most expert martial artists could defeat her. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of black fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Laura hates Luan with a blazing passion, because of what that homicidal pranking she-demon has done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Lincoln showed Luan with two black eyes, broken arms and legs, bloody broken nose, and with an irreversible super double mega wedgie, and it was horrific!

Nico: Jeez. That was just nasty.

Me: I know, and I thought the thrashings Luan had gotten were bad before, the one Jackie gave her topped all of them, and now that you're here, Jackie.

Lincoln leaned his head down the right side of Jackie Heihuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Jackie Heihuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Jackie Heihuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged

Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Jackie Heihuo: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jackie Heihuo.

Jackie Heihuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Jackie Heihuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Jackie Heihuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the fourteen girls, and when Lincoln saw them, he immediately recognized them. The fourteen girls are Kana Minase, Izumi Mitsumine, Ayaka Otokura, Minako Suzuya, and Erika Yaezaki from Harem Game, Princess Romi from Catch! Teenieping, Jin Hong Ju and Jessi Kim from Bite Choicar, Sera, Isobel, Mari, and Juliet from Mecard, and Kira and Skyla from Metalions.

Lincoln: Oh wow, it's Kana Minase, Izumi Mitsumine, Ayaka Otokura, Minako Suzuya, and Erika Yaezaki from Harem Game, Princess Romi from Catch! Teenieping, Jin Hong Ju and Jessi Kim from Bite Choicar, Sera, Isobel, Mari, and Juliet from Mecard, and Kira and Skyla from Metalions.

Nicole: Those were the girls that scumbag tried to kill?! Ugh, he still has no sense of shame.

Lincoln: Not surprising, but Jackie got them away from him. Are you girls okay?

Kana Minase: Yes, we're okay, thanks to you.

Then, when Kana Minase and the thirteen other girls saw who it was that saved them from Black Shadow, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag

Kana Minase: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kana Minase: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal

Love appeared on the necks of Kana Minase, Izumi Mitsumine, Ayaka Otokura, Minako Suzuya, Erika Yaezaki, Princess Romi, Jin Hong Ju, Jessi Kim, Sera, Isobel, Mari, Juliet, Kira, and Skyla with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone was shocked to find out that the villain we went after was our old enemy, Black Shadow, who came back from the dead for revenge.

But, when Lincoln showed what we did in beating him down and Lincoln absorbing him and sending him to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Jackie Heihuo have a lot of catching up to do, now that she's back in town.

Maria: Oh shit! I didn't expect Black Shadow to come back from The Warp, it's been a long while since we've dealt with the villains we'd sent to The Warp.

Lincoln: Anti Monitor is already causing us trouble by bringing back 310 of the worst villains that we'd put down with The Black Gates, and our old enemies we sent to The Warp are also returning as well, but we're ready for them as well.

Nico: You said it, Lincoln, we're also ready for those pieces of shit from The Warp.

Me: No matter what comes our way, we're always ready to face trouble.

After Lincoln and all of us beat down Black Shadow and Lincoln absorbed him and sent his soul to The Black Abyss forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Jackie Heihuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Jackie Heihuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Jackie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Jackie Heihuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Jackie Heihuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Caleb Maxwell: Alright, now we're going to show another memory I had. (Catches the scent of blood) Blood in the air. But, how on...?

Cage Blunt: It's not me or Travis, we're here doing workouts. (Catches the scent) Uh oh, I'd recognize that blood scent from anywhere. Caleb, don't look behind you.

Caleb Maxwell: Cage, I'm not falling for any of your tricks.

Suddenly, Caleb Maxwell felt a hand on his shoulder: the hand was brown fur different from Cage's lighter brown fur, but the black claws were present.

?: Looks like my son tried to warn you, but you weren't going to listen. That's just like you, Caleb.

Caleb Maxwell: That voice. I should've known it was you, James Blunt.

Suddenly, we saw the figure: a good-looking and physically strong vampire cat who looks like Cage except he has a darker shade of brown fur in contrast to Cage's lighter brown fur, bright red eyes and fangs and he has the same hair as Cage Blunt but longer and it was black and he has a black tail, and he was in a white tank top, dark blue jeans, and knee-high boots: it was James Blunt, Cage's dad.

Travis Tackett: Wait, how did your Dad find out?

James Blunt: You two transforming was the only way I found out.

Peace Salyers: That's your dad?! Now, I see where you got your good looks from.

Nico: So, you're Cage's dad, eh? Caleb did say that when we ran into him on Christmas.

James Blunt: Correct. So, this is where you're now living, Cage, it's pretty nice, and the rumors were true, you've returned from the dead, Caleb.

Caleb Maxwell: That's correct, but your son didn't say anything to you about that.

James Blunt: Didn't need to, he and I have a blood bond since he was born a vampire. Oh, and the next memory you're going to share: it's about his encounter with me.

Cage Blunt put a video which played on the big screen, and it showed Caleb Maxwell out on the hunt for his dad's men.

Past Caleb Maxwell: Now, where the heck are those assholes?

Suddenly, Caleb Maxwell heard a very loud cacophony of screams, and he ran out. Then, he saw his dad's men, but they were bitten on the neck and drained dry of blood.

Past Caleb Maxwell: Okay, who the heck are you?

Suddenly, the vampire cat turned around to face Caleb Maxwell: he was a good-looking and physically strong vampire cat who looks like Cage except he has a darker shade of brown fur in contrast to Cage's lighter brown fur, bright red eyes and fangs and he has the same hair as Cage Blunt but longer and it was black and he has a black tail, and he was in a white tank top covered in blood, dark blue jeans, and knee-high boots: it was James Blunt, Cage's dad.

Past James Blunt: (Thinking) Damn, this guy saw me. Looks like I'll have to wipe his memory clean.

But before he could, Caleb Maxwell fired a dark energy blast at James Blunt and sent him flying into a wall. That pissed him off as his eyes turned an even brighter red, and they got into a nasty fist fight, but James Blunt pinned him to the ground and was about to bite Caleb Maxwell in the neck, only for him to bite into a bag full of his own blood and he drank all of it.

Past James Blunt: Hey, that was a dirty trick you pulled.

Past Caleb Maxwell: You tried to bite me and feed on my blood, and you didn't think I knew you were a vampire like Cage and Travis!

Past James Blunt: Cage? That's my son's name, you know him?

Suddenly, James Blunt groaned in pain, and then, he felt even more stronger than ever.

Past James Blunt: Wh-what on Earth was in that blood bag?! It's really powerful stuff!

But, before he could get the answer from him, Caleb vanished as the video ended.

Me: Yeesh, first you take away his chances of killing his dad's men, and then, he tricks you into taking a bite into a bag full of Caleb's blood and you went through the same change as your son.

James Blunt: I was about to ask about that, but then, he runs off. That was rude. (Groans) Oh man, I think I'm feeling something about to happen, Caleb's blood is really potent even to vampires.

Suddenly, James Blunt was surrounded by a very massive vortex of black and blood red energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes. Then, when the vortex faded, he emerged and was changed forever.

James Blunt has on a blood red version of He-Man's loincloth, black pants with blood red flames on the legs, black knee-high boots with vampire bats for the buckles, long black trenchcoat coattails with stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels and tattooed on his wider and muscular back is a blood red cross with a vampire bat in the center of the cross and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a blood red gem with neon glowing blood red lights equipped with recognition of him and fits an infinite number of items and components for his Miraculous, Familiars, and Bakugan to rest in. Suddenly, James Blunt felt a sharp pain on his wider and muscular back, and then, massive black angel wings with blood red tips on the feathers grew and sprouted out of his back with a wingspan reaching 20'0" and medium sized black angel wings with blood red tips grew and sprouted out underneath with a wingspan reaching 15'0" and then, another set of black angel wings with blood red tips grew and sprouted out underneath his medium sized black angel wings with a wingspan reaching 10'0", and his long black tail grew larger and longer, James Blunt has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left finger and Stone of Gelel embedded in his left hand, and he has on black fingerless gloves with a blood red phoenix, blood red dragon, blood red angel, and blood red skull on them and he has gold-plated armor on his fingers and gold dragon claws covering his fingers and smaller planets orbiting around his fingers like rings.

Suddenly, James Blunt gained the same weapons as us, and then, and all the greatswords and swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels, and when it emerged, it was transformed into James Blunt's True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Vampire True Immortal Phoenix God Angel Greatsword of Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Vampire True Immortal Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded blood red gems and blood red cross etched on the 8'0" massive, wide, double-edged midnight black blade, large black vampire bat heads with blood red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large blood red gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large black vampire bat heads with blood red gems for eyes and on the bottom of the large black vampire bat heads is a large black vampire bat head with blood red gems for eyes and blood red gem in its mouth for the pommel, and he also gained the same pistols as Caleb Maxwell holstered on his hips, James Blunt has on his new large gold Bracers of The Champions of The Universe with blood red gems on his arms and Dragon Ball Bracelet and wrist computer and Omnitrix on the left gold Bracer, large gold Elemental Belt of Eternal Bravery with gold vampire bat head with blood red gems for eyes and blood red gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver and Crystal Saber holstered on his left hip. James Blunt has transformed into SUPER ANGEL-VAMPIRE-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ETERNAL HARMONY

UNIVERSAL DEMONIC SHADOW BLOODY DARKNESS ALMIGHTY VAMPIRE TRUE IMMORTAL PHOENIX GOD ANGEL OF COSMIC ETERNAL HARMONY UNIVERSAL DEMONIC SHADOW BLOODY DARKNESS ALMIGHTY VAMPIRE TRUE IMMORTAL PHOENIX GOD ANGEL JUSTICE AND DIVINE COSMIC ETERNAL HARMONY UNIVERSAL DEMONIC SHADOW BLOODY DARKNESS ALMIGHTY VAMPIRE TRUE IMMORTAL PHOENIX GOD ANGEL HOPE!

James Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) N-no way? Did I just...?

Travis Tackett: You transformed just like Cage.

James Blunt powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, Third Eye, longer black tail, and massive black angel wings and medium black angel wings and small black angel wings underneath his massive black angel wings are permanent.

Lincoln: Looks like you're now part of the team, Mr. Blunt.

James Blunt: Looks like it, and I happen to be a lot stronger than I look because I work all the time and it keeps my vampire side under control.

Lincoln: I know that feeling because. (Shows fangs)

Me: It's an ugly story involving what happened to him thanks to Lynn.

We explained it, and James Blunt, Cage Blunt, and Travis Tackett along with the NYPD Nightshift were shocked.

James Blunt: Damn, that was really awful, but this was the fault of

Chase Young's dark side and Killjoy Huggins. If we face them and the others who made you suffer through Hell, we're joining in, Lincoln.

Nico: We all are. We'll make them pay once more.

We got a shower, and then, Lincoln, Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia are heading to Seaside Hill.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Dendra: Whoa, so this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Dendra, and it's perfect for our first date, shall we?

Lincoln, Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a volleyball game, and Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Raifort: (Swooning) So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia and they hugged the girls in their abnormally massive and powerful muscular arms and Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented

Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia are in your harem, Linky.

Dendra, Raifort, Yue, Vega, Cher, Deneb, Icla, Izar, and Pia showed the marks Lincoln made on the right sides of their necks.

May: Wow, it's been a while since any of our friends have joined Lincoln's harem.

Jenna: You guys had no trouble at all.

Raifort: Nope, not at all. But, Linky did have us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Ooh, they're in trouble!

Later it was time for Lily, Lemon Hearts and Maria's first mission.

Lincoln: You're going to love meeting the Ultraman Trigger team Lily. I meet them all the time to tell them what's going on after my rescues.

Qin: Wow Lincoln!

Xenia: That's cool!

Lincoln: Yep.

Nico: Anyone else want to go with Lily, Lemon Hearts, and Maria? Besides 1 Rabbid?

Shendu: I'll go as well.

Bai Tza: I'll go as well.

Tso Lan: Same with me.

Me: All right then.

Girl Jordan: Me and Leeli will go too.

Me: Okay.

Nico: Lets go.

We were off to Japan

We arrived.

Lincoln: Always love coming to Japan.

Me: Me too.

Eli: Yeah.

Then we saw Kengo Manaka.

Kengo Manaka: Lincoln, is that you?!

Lincoln: Hey Kengo!

They went and hugged.

Lincoln: Awesome to see you.

Lily: Awesome to meet you Kengo. I'm Lily Loud.

Lemon Hearts: I'm Lemon Hearts.

Maria: And I'm Maria Dunbar, 2nd in command of the Redemption Squad.

Lily: And we're your ambassadors.

Me: It's part of a diplomatic mission program we made.

Lincoln: Lily is my little sister and Lemon Hearts is one of my future wives.

Kengo: Wow! And Team Loud Phoenix Storm what an honor.

Me: Same here Kengo.

Shendu: Pleasure to meet you. I'm Shendu, Demon Sorcerer of Fire

Bai Tza: Bai Tza, Demon Sorcerer of Water.

Tso Lan: I'm Tso Lan, Demon Sorcerer of the Moon.

Kengo: It's a pleasure.

Girl Jordan: Awesome to meet you too. I'm Jordan Rosato. But eveeryone calls me Girl Jordan.

Leeli: And I'm Leeli Wingfeather, the Song Maiden.

Kengo: Wow! So you are Girl Jordan and Leeli that I've heard about. Pleasure to meet you both and an awesome honor to meet 3 of Lincoln's future wives.

Lemon Hearts: Same here.

Kengo: Wait. Weren't you a baby before?

Lily: That's what everyone says. But I was made this way because of the Glowing Water of Coventina. It gave me a massive growth spurt.

Kengo: I see.

Me: Yeah it's how most of them got their powers.

Maria: It's true. Just like me when I got cured from being Aquamaria.

Kengo: Wow!

The Rabbid gibbered.

Lily: (sighs) And this is a Rabbid.

Kengo: So thees are the Rabbids Lincoln told me about. Cute little guy.

Me: Yeah they are cute but they are not the brightest lightbulbs in the closet if you know what I mean.

Kengo: Oh yeah. Oh congratulations guys on destroying Galactus. Lincoln told me immediately after you guys got back from that.

Me: Glad he spread the message. And thanks.

Kengo: You're welcoe. Also Lincoln told me about Anti-Monitor appearing to cause mayhem along with some of your major enemies you all hate.

Me: Yeah Xehanort may be dead and now Anti-Monitor is out there to take his place.

Kengo: But look at the bright side. At least Xehanort's definitely not coming back now.

Me: Too true.

Kengo: Yeah. Also since 2021 Lincoln has been keeping me up to date on everything that was happening since my adventures came.

Me: That's cool!

Lincoln: I went and met Kengo every day after my rescues to talk with him. It's how we became awesome international friends.

Girl Jordan: That's great Linky.

Nico: It sure is.

Me: I agree.

Nico: Can you show us your base?

Kengo: Sure.

We went to GUTS HQ.

We arrived.

Yuna Shizuma: Lincoln welcome back! Team Loud Phoenix Storm what an honor!

Lincoln: Awesome to see you Yuna. And you as well Kanata.

Kanata: Same here.

Kengo: Welcome to G.U.T.S.

Lincoln: GUTS Stands for **G**lobal **U**nlimited **T**ask **S**quad. It's like G-Force and operates to destroy monsters.

Eli: Boy the Ultraman series did a lot of organizations like that.

Nico: Yep.

Me: And we have a lot of Kaiju with us to help with this too.

Eli: We sure do. I summon Kaiju to help us out.

Lincoln: It's true.

Maria: Lincoln's got a lot of girls in his harem now

Kengo: I heard. Lincoln showed me and everyone here pictures of them and they are beautiful.

Yuna: They sure are.

Me: And they did so many good deeds and protected him too.

Lily: It's true.

Kengo: Yeah.

Lincoln: Yep. Is Carmeara still causing problems?

Kengo: Not as much as she used to.

Me: Good.

Eli: Yeah.

Me: I remember Carmeara. She was crazy. I wanted to kill her when she was a villain.

Girl Jordan: Can you tell us about her?

Lincoln: Sure.

Lincoln did so.

Nico: Any other baddies?

The alarm sounded.

Me: Uh oh.

We went to the computer and we saw GOLBA!

Golba was manipulated by Carmeara to attack the Martian colony. Immediately after emerging in a cloud of dark smoke, Golba targeted the Ultra-ancient ruins that housed the stone statue of Ultraman Trigger and the Circle Arms, bombarding the dome protecting the site with volleys of fireballs. After both the dome's walls and its automatic defense systems failed to deter Golba, Mitsukuni Shizuma shot at it with the GUTS Sparklence, making Golba retreat momentarily. Nevertheless, Golba's efforts to breach the dome were successful, as it had managed to enter the interior of the dome itself, simultaneously allowing Carmeara a means of access.

Golba reappeared soon enough to further rummage through the now-exposed upside-down pyramid ruin, but Kengo Manaka transformed into Ultraman Trigger just as he was attacked by Carmeara, and fought against them both. Struggling at first, the Circle Arms returned to Trigger, allowing him to knock Golba over with the Zeperion Sword Finish. Trigger then attempted to fire the Zeperion Beam at Carmeara, only for her to use Golba as a meat shield to protect herself before leaving. Hit by the beam, Golba exploded and was destroyed.

An even more powerful Golba, Golba II (ゴルバーII, Gorubā Tsū), fought against Trigger and GUTS-Select on Earth. It was summoned by Kyrieloid after placing the members of GUTS-Select, Ignis and Giants of Darkness with hallucinations to determine their worth as saviors. With the members of GUTS-Select out of focus due to inexplicable delusions overcoming them, Golba beat down Trigger until they snapped out of it with Yuna's help. Trigger then transformed into Glitter Trigger Eternity and finished off Golba II with the Eternity Bomber.

Me: Golba! I remember him!

Nico: UG-LY!

Eli: Yeah!

Kango: And the Blackwing Eatos 12 Embodiments are not far behind.

Me: Yep. Lincoln kept you up to date on that?

Kango: He sure did.

Yuna: Lets get him!

Girl Jordan: Yeah!

We were off.

We were flying.

Maria: Leave the Embodiment to me and Shendu

Shendu: Right!

Bai Tza: I'll help too.

Me: Okay.

We saw him! GOLBA!

Me: Whoa! He is UG-LY!

Nico: Yeah!

Eli: Better summon a monster for flying! RODAN!

Then Supersonic flying was heard and then out of the sky came RODAN!

Rodan roared and Golba roared too.

Rodan: So Golba is here. This will be good.

Kango: Lets get him!

HE TURNED INTO ULTRAMAN TRIGGER!

Me: OH YEAH!

Rodan fired his Fire Ray and blasted Golba all over and fiery explosions blasted off all over the place!

KRABBBBBOOOOOOOOOMM!
KRABBBBBBOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOOOOOMMMMM!

Golba roared in pain.

Lily got out her Fuestle!

Lily: Taste this!

She blew it and fired blasts of darkness and blasted Golba.

Me: We discovered that we can do this now.

I formed a ball of energy and then the Eagle Nebula formed around Golba and then...

NUMEROUS LIGHTNING STRIKES AND THUNDERCLAPS!

Lightning struck Golba all over the place with intense fury!

HE ROARED IN EXCRUCIATING PAIN!

Kengo: WOW! How did you do that!?

Me: Part of our new powers. We have Quirks now.

Lincoln: That just manifested yesterday when we met the Taiga Ultraman Team.

Lemon Hearts got out her Fuestle!

Lemon Hearts: Lets see how you like this.

She blew it and fired Kung Fu energy blasts with the powers of Pimon and Tumbaa.

Lemon Hearts: Yeah! And how about this for my Quirk!

She held out her hands and then swirls of water formed wings of water on her back and then fired a massive swirls of water that hit Golba and blasted him all over!

Lemon Hearts: That was my quirk called Maelstrom Wing!

Kango: Wow! That is awesome!

The Rabbid peed on Golba.

Rabbid laughs.

But then.

SQUISH!

He squished the rabbid flatter than a pancake!

He popped out of the footprint and he screamed.

Me: See told you they were stupid. But they are funny.

Kango: And tough too.

Nico grabbed the Rabbid.

Nico: Buddy, no peeing on the bad guy. It'll just piss him off!

CRUNCH!

HE BIT NICO'S FINGER!

Nico: OUCH! Why you little!

Maria: (laughs) That's a Rabbid for you!

Nico: Yeah.

Maria got out her Fuestle for New Wave.

Maria: Blow on this!

She blew it and fired waves of water and blasted Golba!

?: Take this!

Then a girl with blue hair and red eyes and black clothes and angel wings and a tiara with Overflow on it came.

Me: (GASP) Cassidy Overflow!

Cassidy Overflow: (Grunts) It's good to see you J.D.! I got this!

She fired waves of water and blasted Golba down!

Lincoln fired waves of lightning and electrocuted him.

Cassidy lost control and fired water at Shendu

He fired a blast of fire and the blasts collided and a huge cloud of steam erupted out.

Shendu teleported out and kicked her down.

I fired a beam of electron energy and injected the antidote into her.

Me: Antidote injected.

Maria charged at her and fired waves of water and blasted her all over.

Maria: Take that!

?: (ECHOING) EBONY BLAST!

A blast of dark spirit energy hit Cassidy and blast her down.

JagerLoweemon came!

Me: JagerLoweemon! Wow!

Nico: Cool!

JagerLoweemon: (In a girl's voice) This girl needs to be cured.

Nico: Janet Jager Lowee!? Whoa!

JagerLoweemon: Awesome to see you again Nico. I'll help in this.

Maria: Thanks!

JagerLoweemon: You're welcome!

She roared and slashed Cassidy.

I fired energy blasts and blasted Golba all over1

Rodan: Had enough dragonface!?

Maria fired more water blasts

She blasted him.

Girl Jordan, Leeli, Bai Tza and Tso Lan fired energy and water blasts and blasted Cassidy.

Janet reverted back and was a girl with black hair, purple eyes, black clothes, black angel wings, had JagerLoweemon on her Forehead and skirt and had the Kanji for the Dark Spirits on her arm and had a darkness sword in her hands.

Janet Jager Lowee: Take this! (ECHOING) DARK MASTER!

She enveloped herself in a dark aura and slashed Cassidy and knocked her down and the antidote took effect. She was back to normal and her eyes were back to their normal blue.

Cassidy Overflow: (Groans) What happened?

Eli: Ugly story.

Nico: We're not done yet!

Me: Lets finish him Kango!

Eli: Yeah!

Rodan: Here we go!

Nico: (ECHOING) TERRA FORCE!

He formed a huge ball of energy and threw it!

Kango fired a massive energy blast and Rodan fired a wave of energy and the blasts all hit Golba and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

HE WAS DEAD!

Me: OH YEAH!

Nico: Golba you have failed this world!

We regrouped and cheered!

Me: That was awesome!

Nico: It sure was!

Lincoln: Like old times, huh?

Kango: You got that right!

Janet Jager Lowee: That was awesome though!

Me: Yep.

Girl Jordan: Do you have a favorite memory of Nico?

Janet Jager Lowee: I sure do. Me and my family live over in Africa and we have a lion reserve. We nurse and restore lions.

Me: Boy Jeri would love to see that.

Janet Jager Lowee: I'm sure she would. I showed Nico some of the lions and the cubs licked him all over.

Nico: (LAUGHS) Yeah they were so cute.

Me: Aww that is adorable.

Eli: Yep.

Nico and Janet hugged.

Nico: I've missed you.

Janet Jager Lowee: Same here Nico.

We later came home.

May: Hey guys. How did it go?

Me: Awesome!

We told everyone what happened and it was awesome.

May: Wow! That is cool!

Rita: Oh Lily we're so proud of you sweetie.

Lily: Thanks mom.

Nico: Next time, Cheese, Starlight Glimmer, Tracer, Scott Truman, and Horsea should come

Starlight Glimmer: Awesome! Looking forward to it.

Xenia: Yeah!

Horsea: YAY!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000.000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to

get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

In the lab, Stewie was working on something.

Helga Fern: What's going on here?

Stewie: I'm working on a special device for Ben.

Me: What is it Stewie?

Stewie: It's a machine that will give the Omnitrix Aliens individual forms while ensuring Ben can still turn into them

Me: Wow!

Qin: That's cool Stewie!

Stewie: It's in case Ben wants his aliens to have their own usual battles.

Me: Very interesting and cool!

Dahlia Dioptase: And so they can have their own lives, right?

Stewie: Exactly.

Stewie put the finishing touches on it.

Stewie: It's ready!

Me: Lets test it out then.

Stewie: Push the button Brian!

Brian: (Imitating Igor) Yes master! (LAUGHS) I have always wanted to say that.

He pushed the button and it activated!

Stewie: Excellent. It's ready! Now we just got to attach it to the Omnitrix.

Me: I hope it doesn't break it. I'll call in Ben.

I did so.

Azmuth: Stewie, I really hope you don't end up breaking the Omnitrix.

Me: I said it before you Azmuth.

Azmuth: Oh my apologies.

Kevin Levin: We don't want a repeat of how my second mutation went.

Stewie: You can wait outside then.

Kevin: Okay.

He went outside.

Me: Stewie has never been wrong guys.

Ben came in.

Ben: What's up J.D.?

Me: Stewie made this awesome device for the Omnitrix.

Stewie explained what it can do.

Ben: Wow! So all my aliens will be given sentience and all that? That is cool.

Zs'Skayr: What brought this on?

Stewie: Well, I thought about how you escaped the Omnitrix before and the Sentient Ultimate Aliens.

Zs'Skayr: Oh I see.

Me: Boy this is gonna be interesting.

We attached it to the Omnitrix.

Me: There.

Ben: Lets see.

He chose the alien and pressed the blue button and it formed Heatblast!

Heatblast: What's up guys!

Me: WHOA IT WORKS!

Stewie: IT'S ALIVE! ALIVE! (EVIL LAUGHTER) (THUNDERCLAPS)

Ben: Awesome!

Heatblast: Boy it feels great to be able to be out of the Omnitrix. And I'm glad to help you all

Wildrider: Let's do Wildmutt and Way Big now!

Nico: Whoa Way Big will crash through the ceiling.

Wildrider: Okay too extreme.

Ben called out Wildmutt!

Wildmutt roared.

Me: Sweet!

?: Boy that is so cool!

We saw a girl with blue hair, blue eyes, blue wolf ears, blue wolf tail, blue clothes, blue angel wings and had a tiara with Blizzard Wolffang on it and had a wolf Claymore.

Tallia Wolffang: Tallia Wolf Moon Wolffang, Embodiment of Blizzard Wolffang.

Zarya Moonwolf: Wow! Awesome to see you Tallia.

Tracer: (British Accent) Good to see you love.

Tyler Bowman: Yeah looking great.

Tallia Wolffang: You all are looking great Zarya, Tracer and Tyler. The Wolf Moon is blessing you.

Me: That's right the Wolf Moon is tonight!

Nico: Cool!

Smokescreen: How did you meet Zarya, Tyler and Tracer?

Tallia Wolffang: I met Zarya on Gemina when we battled Tazma the first time and I slashed her across her face.

Me: WHOA! You left your mark on her.

Tallia Wolffang: I sure did. It was before you guys came.

Me: Wow.

Tallia Wolffang: Yep. I met Tracer when she and the Overwatch team battled Talon.

Me: Cool!

Tracer: Indeed.

Tallia Wolffang: Yes and I met Tyler when they battled Wertz in his attempt to kill the Supernoobs.

Me: That motherfucker needs to be sent to the Black Abyss for his crimes!

Tallia Wolffang: I agree! I left my mark on him though. I slashed him across his back with an ice scythe.

Nico: WHOA! He's going to be pissed at you.

Me: Yeah!

Nico: Would you like to join us?

Tallia Wolffang: I would be honored.

Rage Mage: Okay, Kevin, you can come back in now

Bombshell (Skylanders): Indeed. It was a jolly good success.

Kevin came in.

Kevin Levin: Wow so it works!

Me: Went off perfectly.

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was a clone of Steven Universe's monster form and it's causing havoc in Beach City, and to make matters worse: it was created by our old enemy, Slade Wilson. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: WHAT THE HELL?!

May: Please, tell me that wasn't who I think we just saw!

Lincoln: I'm afraid it is, May, and I thought we were through with that son of a bitch.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than a clone of Steven Universe's monster form and it's causing havoc in Beach City, and to make matters worse: it was created by our old enemy, Slade Wilson.

WE GASPED!

WHEN WE HEARD IT, NOT ONLY WERE WE HORRIFIED, BUT

NOW, WE WERE BEYOND MEGA PISSED OFF!

Shanan: YOU'VE GOT TO BE FUCKING KIDDING! (GROWLS) HE'S FUCKING DEAD!

Tara: Slade's back?! Anti Monitor, you madman!

Me: You monster!

Nico: Now, he's really really pissed us off. We need to head there at once!

Steven Universe: He needs to be stopped right now.

Nico: Just what I was about to say, let's head for Beach City at once and stop the clone of your monster form Steven, and we're going to destroy Slade once and for all!

Lincoln: Of all the lines that Slade's crossed in the past, this is the worst! This is where he dies once and for all, and we'll make sure of that!

Me: Yeah!

Camie: Can you remind me again who Slade is?

Me: I sure can Camie. He was Robin's Archnemesis and also Green Arrow's archnemesis before.

I went over his history and it was not pretty!

Slade Joseph Wilson, known simply by his first name Slade, is the main antagonist of the 2003 animated action series Teen Titans.

Based on the comic book version of Deathstroke the Terminator himself, Slade is a ruthless criminal mastermind bent on taking over Jump City and destroying the Teen Titans by whatever means necessary. He is also the archenemy of the Teen Titans' leader Robin, and is by extension considered the greatest and most dangerous adversary of the Teen Titans themselves.

He was voiced by Ron Perlman, who also played Clayface in the DC Animated Universe, Mr. Grasping in An American Tail: The Treasure of Manhattan Island, Dieter Reinhardt in Blade II, Viceroy in Star Trek: Nemesis, Bane and Rumor in The Batman, Kago in Tarzan II, Sheriff Collie Entragian in Desperation, Warhok in Kim Possible, Sozin in Avatar: The Last Airbender, Clay Morrow in Sons of Anarchy, The Lich in Adventure Time, Nicola in Bunraku, the Stabbington Brothers in Tangled, Nino in Drive, Xibalba in The Book of Life, Armaggon in Teenage Mutant Ninja Turtles (2012), Bular in Trollhunters and the Podestà in Guillermo del Toro's Pinocchio.

Season 1

Slade's first appearances are "Divide And Conquer" and "Final Exam" where he first appears as a silhouetted figure hidden in shadow. In "Divide And Conquer", Slade sends Cinderblock to free Plasmus from jail, as well as other criminals. After Cinderblock and Plasmus were defeated and sent back to jail, Slade then hired Gizmo, Jinx, and Mammoth to defeat the Teen Titans, who were then defeated although they took over their tower for a while. The headmistress told Slade that Jinx, Gizmo and Mammoth will be punished. Slade however did not care as he told her that their job was just to send the Teen Titans a message.

In "Forces of Nature", Slade disguised himself as an old man and convinced Thunder and Lighting to work for him until the two brothers realized that their "fun" was harmful and wrong (thanks to Beast Boy teaching them a lesson). Robin fought the disguised Slade while the other Titans took out the flame monster. After Robin kicked Slade's face, his real face was revealed. Slade then vanished into thin air.

In the episode "Masks", Robin searches obsessively for Slade's identity, going so far as to create a new villain persona known as "Red X" to propose a partnership with Slade. Slade, however, was aware that Robin was Red X all along and the two do battle, with Slade escaping yet again.

In the episodes "Apprentice: Parts 1 and 2", he tricks and forces Robin into being his apprentice. When Robin refuses to work for him, Slade threatens to destroy Robin's friends with nanobots of his own design hidden within their bodies. Robin defeated Slade by placing the same nanobots into his system, telling Slade that if he killed his friends he would also lose his current apprentice, Robin. Rather than wipe out the Titans in one blow and have nothing left standing in his way, Slade chose to shut down the nanobots and in doing so allowed Robin to attack him and break half his mask off. Slade brought his entire lair down and escaped once again.

Season 2

Slade returns in Season 2, where he discovered a girl named Terra, blessed and cursed with tremendous power. Throughout the season, Slade tormented her and exploited her fears of being unable to control her powers and of alienating her newfound friends, the Teen Titans, slowly drove her to his side. Slade coaxed Terra into subjecting herself willingly to apprenticeship, despite the Titans having warned Terra of Slade, and promised that he could teach her to control her powers. After believing that Beast Boy betrayed her trust and told the other Titans of her difficulties in controlling her powers (even though Beast Boy did not tell her and Robin only figured it out), Terra eventually betrayed the Titans to Slade, who indeed taught her to control her powers, and took over the city with her help. During this time, Slade had crafted a new suit for Terra, one bearing his insignia, and was able to access her powers to assist her in combat, and to an extent, control her. With Slade's help, Terra mercilessly defeated the Titans, who were reluctant to fight their old friend, and were focused on trying to redeem her rather than defeat her. The Titans, however, returned and fought her again. But this time, they fought her mercilessly and viciously. By failing Slade's command to destroy the team, she returned to him, only to be beaten by him in anger. Slade then controlled Terra and used her to nearly kill Beast Boy, who arrived at the base to redeem Terra. Beast Boy and the Titans then convinced Terra to overcome the link her new suit had to Slade, and she sent him to his apparent doom in a lava pit while she turned to stone.

Season 3

Sometime after the final battle with Slade, Robin (still obsessed with Slade) accidentally inhaled a hallucinogen drug (in dust form) released from Slade's cracked mask. After Robin was knocked out of the battlefield by Cinderblock while his other fellow Titans defeated him, he spots Slade in the woods, and goes after him in pursuit. He tries to fight Slade, but every time a lightning bolt strikes, he vanishes every time (due to him being a hallucination). Robin's team eventually catches up to him, and Robin explains to his team that he saw Slade, although Cyborg stated that he fell into a pit of lava. Robin tells the team that Slade is going to create a massive earthquake with three generators, and orders Beast Boy (who catches a cold), Raven and Cyborg to find the generators, but the generators were not there. When Robin and Starfire go after Slade, Robin orders Starfire to stop him, but she was unable to see him.

Robin continues to go after Slade and eventually corners him in his old hideout. Robin's friends couldn't see Slade, because only Robin could due to the dust he inhaled; Slade was a hallucination. Robin fights Slade again, but was unable to touch him and gets pummeled very badly by Slade, receiving a lot of bruises. Robin's friends try to explain to Robin that Slade is not there, but Robin (who was still angry) threatened to take down his friends if he got in his way, but Starfire knocks him out.

Back at the tower, Slade continues to haunt Robin's mind, and Robin continued to fight a losing battle. Raven enters Robin's head to see through his eyes and saw Slade herself. She then reveals to the others that the stress on Robin's brain is destroying his body. Just as all hope is lost, the flickering lights made Slade disappear who admits that he is an hallucination. Robin finally believes in his friends that Slade is not real, and switched on the lights, and the Slade hallucination vanished completely.

Robin was then cured of the hallucinogen drug but after he left, Cyborg then discovers and reveals to the others that someone triggered the mask from outside the tower. In the basement, the eye in Slade's mask glows red.

Season 4

In the fourth season, Slade surprisingly returned, now sporting the S-shaped Mark of Scath on his forehead. Slade had gained new, demonic pyrokinetic powers, flight and invincibility. It is later revealed that, after Terra killed him, he met Trigon the Terrible, Raven's demonic father, and was resurrected by him.

After Raven sacrificed herself to release Trigon, Robin had no choice but to join forces with Slade to look for Raven. The two traveled to Hell, where it was revealed that Slade was existing only as a reanimated corpse. After Slade delivered Raven to him, Trigon reneged on their deal and refused to give Slade his mortal body back. After parting ways with Robin, Slade then came face-to-face with a demonic guard and stole his weapon after destroying him and regaining his mortal body. Slade then aided the Titans in their final battle against Trigon, only for the demon to blast Slade away. He was never seen again after this, though Robin vowed that if he ever showed up again, they would be ready.

Season 5

Although he does not make an appearance in the final battle between the Brotherhood of Evil and the Teen Titans (likely due to refusing the offer of being a member of the Brotherhood of Evil), Slade does appear again in the last episode of the series, taunting Beast Boy about how the seemingly revived Terra no longer wants anything to do with him. After an intense battle, this Slade is revealed to be a robot duplicate, though its existence revealed that the real Slade is still alive and active

---

When I was done everyone that hadn't heard about it was horrified!

Sakura Knudson: Oh man! I heard all about Slade! He was pure evil!

Laney: Yeah he was!

Camie: What a monster!

Shanan: Yeah. Slade also made Tara sacrifice herself. After that I vowed to make sure that Slade SUFFERED MY WRATH times INFINITY for everything he did! I will have my revenge on him!

Tara: And I vowed to get revenge on Slade for everything he made me do and everything he did to my friends especially Beast Boy!

Jenny Markov: And I'll gladly help you sis!

Gloria Markov: Yeah me too!

Robin: Tara, me and the others will fight Slade first while you and Shanan deal with Monster Steven. Slade IS our enemy too.

Tara: No Robin. Slade is Mine and Shanan's business. He made me do all those terrible things to you guys and now I'm going to return the favor.

Shanan: I saw Tara sacrifice herself and I was too weak to stop her. I'm sorry Robin but this is PERSONAL!

Me: Yeah Robin. Let them deal with Slade while we hold off Steven's Corrupted Gem form.

Robin: Okay.

Nico: Okay.

Then the previous group came.

Selene: Can me, Shendu, Webstor, Red Ghost, Angel, Skalamander, Rich Texan, Steam Smythe, Black Adam and Amora go with you guys?

Nico: Yes you all can come with us. But I'm afraid you're not going to like what you are about to see.

Me: We're going to deal with a clone of Steven Universe's Corrupted Gem form. We never saw this kind of corrupted gem before.

Nico: Yeah.

Steven Universe: Yeah I never saw what it looks like.

Xenia: Yeah.

Selene: Wow! This is gonna be rough.

Me: Yeah and you are not going to believe who made it. Slade did.

THEY GASPED!

Shendu: Slade is back!?

Me: Yeah thanks to Anti-monitor!

Gluko: Nico, which Gene Slammer do you think you'll meet next?

Nico: This one is gonna be awesome. Vademon next.

Me: Oooh! Out of this world.

Camie: Cool!

Lola: Yeah.

Izzy: Vademon was creepy.

Me: An Alien Digimon. That one is bound to be a creature from another planet.

Laney: Yeah.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Adam, another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way.

Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than Adam, another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him.

We gasped.

Brittney: Oh shit, I thought I'd never have to see him again. Adam was a scientific military experiment of psychology professor and evil genius, Maggie Walsh, created for the Initiative as the ultimate weapon for defending the United States of America, he's a bio-mechanical demonoid, a composite being comprised out of several demon organs, the remains of a deceased human soldier and several mechanical appendages.

Me: A fucking mad scientist bitch made that monster! What the fuck?!

Brittney: And it get's worse, Adam's goals revolved around the 314 Project, the Initiative's code name for the creation of an army of bio-mechanical-demonoids. Following in the foot steps of his creator, Adam elaborated a plot of having the Initiative soldiers fight to the death with the demons held captive by the Initiative for study. In the aftermath of the slaughter, Adam would then harvest the organs of both the dead soldiers and demons to create an army of creatures similar to himself with whom he could bring about chaos to the entire planet.

Buffy: And Adam is notable for being one of the most difficult enemies that we've ever had to encounter, proving to be physically superior to me, as well as one of the most calculating. Nevertheless, he was ultimately stopped through the literally combined forces of all of us and we destroyed him.

Lincoln: Looks like he's brought himself back to life to get revenge.

Riley Robbins: This can't go on any longer, this abomination needs to be destroyed.

Lincoln: And even though I'm gonna be sick doing this, but I'm also going to absorb him.

Nico: We'll have a bucket ready just in case. Alright, team, let's go, we're off to Beach City to take down the clone of Steven Universe's monster form, and finally get rid of Slade once and for all!

Lincoln: Slade's caused more than enough trouble to last an eternity, this is where he dies here and now, and once we get done with him, you're next, Adam.

Riley Robbins: Never again are we going to let that demon live any longer, today, he dies here.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us head out to Beach City to take down the clone of Steven Universe's monster form, and finally get rid of Slade once and for all, and once we finally get rid of Slade once and for all, Lincoln and Riley Robbins along with me and Nico are going to destroy Adam.

We were off to Beach City.

We arrived in Beach City.

Me: Ahh Beach City.

Webstor: Good old Beach City

Steven Universe: It feels good to be home.

Connie: I know Steven.

Garnet: We missed this place.

Amethyst: We sure have.

Qin: It's looking better than ever.

Xenia: Yeah.

Me: Boy everything is doing really well. Especially Little Homeworld.

Nico: No kidding wow.

Qin: Yeah!

Me: Yep.

Dominique: Where's Jasper?

Deadpool: I told her to be on standby!

Me: She'll be here shortly.

Steven Universe: Lets go see the Donut Shop.

Me: Okay.

We went to the Donut Shop and we saw Sadie screaming in pain from a NASTY HEAT RASH!

Steven Universe: Sadie?

Sadie Miller: Steven!? Wow it's great to see you.

Me: Awesome to see you too Sadie. But man that is a nasty rash.

Nico: Is that a sunburn?

Sadie Miller: No it's a Heat Rash.

Me: OOH Yikes!

She was itching like you wouldn't believe.

Xenia: Ouch.

Me: Ouch. Here.

I pulled out some Aloe Vera gel.

Me: This will help you.

Sadie Miller: Thanks J.D.

I put some on her.

Me: What caused a bad heat rash like this?

Sadie Miller: I don't really know. It was a strange monster that had a REALLY Hot temperature.

Me: Weird.

Xenia: That is unusual.

Qin: Wonder what kind of monster would cause a heat rash this bad?

Camie: Yeah.

Lola: That is a mystery.

Sadie Miller: Yeah.

Angel: Being from Jump City, I never did like Slade.

Me: I don't think anyone from Jump City liked him.

Sadie Miller: I heard he's back and I thought you guys were rid of him.

Me: So did we. But we have a new threat out there to deal with.

Sadie Miller: Oh right! Anti-Monitor. I heard he brought back many of your major enemies that you all faced over the last seven years.

Me: Yeah he sure did.

Xenia: Thankfully Xehanort, Opaline, Rita Repulsa and Flip are not some of them just to name a few.

Lync: I want some donuts too!

Homer: WOOHOO! Me too!

Lily: Me too!

Steven Universe: Is Lars still working here?

Lars Barriga came.

Lars Barriga: Long time no see Steven.

Steven Universe: Good to see you Lars.

Lars Barriga: Same here and Team Loud Phoenix Storm.

Me: Awesome to see you Lars.

Rich Texan: Lets get Waffle Woman to come.

Me: Good idea.

Waffle Woman came.

Xenia: Awesome.

Waffle Woman: I'm here guys.

Me: Awesome.

Then Lincoln had a premonition!

Lincoln: WHOA! This is gonna be a hot one! Not only are we dealing with Slade and Steven's Corrupted Gem form but also we're dealing with Tara's Akuma form.

WE GASPED!

Tara: My Akuma form!? This is gonna be crazy!

Qin: Yeah!

Laney: Who is she?

Lincoln: Her name is Lady Tungurahua and she's The Hypothetical Akuma form of Tara Markov A.K.A. Terra and she is a slime girl made entirely out of pure lava and fire and she is intensely hot! She has a temperature of over 10,000˚ Fahrenheit and she can deliver nasty heat rashes from close range. She has the powers of fire and lava and rock and earth. She's a living volcano. She was made when Slade hurt her friends and Beast Boy for far too long and vowed to destroy him with the fury of the volcano.

Me: WHOA! 10,000˚ Fahrenheit!?

Xenia: That's as hot as the surface of the sun!

Lana: No wonder Sadie got a nasty heat rash!

Octane: That's probably who Sadie saw!

Me: Yeah!

Sadie Miller: I couldn't even get near her because she was so hot!

Me: Good thing WE can.

Laney: Yeah!

Me: What does she look like?

Lincoln showed a sketch of her and she was a girl made entirely out of pure lava!

Me: WHOA! She's made of pure lava!

Nico: Whew! That is incineratingly hot!

Moana: It's like facing Te Kă all over again!

Xenia: Yeah!

Black Adam: I've dreamed of wanting to battle Slade. But this Akuma comes first

Me: Wow! Looks like you're going to get your shot Adam.

Nico: Yep.

Needlenose: Where is she right now?

Eli: (Concentrates) On the beach walking.

Me: Whoa! She can probably turn the sand into glass with her intense heat.

Nico: Lets go find her.

We got to the beach and we saw a figure and leaving glowing red hot footprints.

Amora: Is that her?

Me: Looks like it!

We went to face her and MAN WAS SHE INTENSELY HOT!

Me: HEY!

She turned and saw us.

Lady Tungurahua: So you all are here at last.

Me: Lady Tungurahua, I presume?

Lady Tungurahua: That's right. Do you know where Slade is? I have a score to settle with him.

Me: Funny you should mention that. We are here for the same thing. To kill him.

Beast Boy: Tara? Is that you?

Lady Tungurahua: Yes Beast Boy it's me. I couldn't stand seeing you get hurt because of Slade so I became this to get revenge on Slade for hurting not just you but me and our friends too.

Beast Boy: You are still the same girl I love.

Tara: Yeah you are still really cool like this.

Lady Tungurahua: Yeah I sure am.

Waffle Woman: Tara, we both want the same thing. Stand down and we'll kill Slade for you.

Me: Wait. I got a better idea. How about we both go at him. You know let you have some fun with him and then let us handle the rest.

Lady Tungurahua: I like that. You got a deal.

Nico: That was easy.

Lady Tungurahua: After this I'll go into the M.O.E.

Me: Fair enough.

Waffle Woman: Good negotiations.

Lady Tungurahua:: But first, show me what you got,

Waffle Woman: Fair enough. (Charges at her)

She fired waffles and syrup and they bursted into intense flames.

Me: Wow! That is some lethal heat!

Tara: Being made entirely of magma from the Earth's core is amazing.

Lady Tungurahua: It sure is.

Maria: How about this then?

She fired waves of water and it hit her and a HUGE CLOUD OF STEAM CAME OFF HER!

Me: WHEW! That is potent steam!

Waffle Woman: I got something special for this! Chug on my RADIOACTIVE POLYTHERMAL SYRUP LAUNCHER!

She fired a wave of syrup and it drenched her and then...

EXTREMELY MASSIVE FIERY EXPLOSION!

Me: WHOA!

Nico: Wow!

Lady Tungurahua: Nice one! Good shot!

Dead End: This can end in defeat for either one of you

Me: I agree.

Waffle Woman: Numbuh 1 we're going to need some ice cream!

Numbuh 1: You got it!

Waffle Woman and Sector V fired ice cream and chocolate and drenched her and knocked her down.

Me: She got cold feet!

Steam Smythe: That will make you scream!

Me: Yep.

Then SHE EXPLODED OUT IN EXTREMELY INTENSE HEAT AND FIRE!

Lady Tungurahua: Nice one. Okay you win.

Me: Wow.

Lady Tungurahua: That was fun.

Lola: AND JUST IN TIME TOO! LOOK!

We saw A HUGE PINK CREATURE COME OUT OF THE SEA! IT WAS STEVEN UNIVERSE'S CORRUPTED GEM FORM!

* * *

Monster Steven is an enormous hot-pink humanoid saurian or wingless draconian creature with white-pink spikes protruding from his back and elbows, as well as four spikes on his face (it has a little look a like to the legendary Pokémon Palkia), two of which are like tusks and the other two like horns. He has a hunched back and muscular build with an armored carapace, a potbelly with his gemstone where his navel would be, digitigrade arms and legs with five dark pink claws on the end of each and a short tail with two more spikes. His face has a pig-like nose, dark eyes with small pink pupils and a mouth of sharp teeth.

WE GASPED!

Qin: WHOA!

Lola: He looks like Palkia!

Xenia: Yeah!

Camie: Wow! He's huge!

Eli: He looks like a pink version of Godzilla!

Exhaust: We need to make sure he doesn't see us and follow him back to Slade

Me: Right.

We went invisible.

We saw him leave and we followed him to an island not far from Beach City. We saw him with SLADE WILSON!

Me: (Whispering) There he is.

Nico: Lets go guys. Entrance time.

We went at them.

Slade: Soon my friend you will get what you want.

Then the spirits of jewels appeared and they swirled around them and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a phoenix cry was heard and then we landed.

Me: Slade Wilson. So we meet again for the last time!

Camie: Yeah!

Slade: Team Loud Phoenix Storm. Nice to see you again.

Me: We came to kill you. Is this a bad time?

Skalamander: I might not be a Crystal Gem but I'm helping to kick your sorry ass anyway!

Me: Yeah!

Shanan: You have a lot of nerve showing yourself again Slade!

Tara: Especially after how you made me almost kill my friends!

She fired a blast of fire and blasted him down!

Shanan: That's it, I've had it up to hear with you to last a fucking eternity, Slade!

Tara: After everything you've done, this is where we make sure that you die here and now!

Suddenly, something within Shanan's mind snapped as the memories of Slade's crimes and Terra's sacrifice rushed and echoed through her head, and her emerald green eyes turned neon emerald green, and she was surrounded by an emerald green energy aura with life energy, stars, galaxies, planets, magic, phoenixes, and angels, and as she angrily approached Slade, she left emerald green energy, life energy, stars, galaxies, planets, magic, phoenixes, and angels with every step.

Shanan: I will never ever forgive you for what you've done, you piece of motherfucking shit! Even after seven years, you still make me sick to no end, Slade! You've hurt Tara, her friends, and Beast Boy for far too long, and you show absolutely no fucking remorse! (SUDDENLY GETTING EXTREMELY AND DANGEROUSLY PISSED OFF) I would've thought you'd remain forgotten for good, but, to find out Anti-Monitor brought you back as well to get revenge on us once again and hurt Tara, her friends, and Beast Boy once more..., YOU'VE ABSOLUTELY CROSSED ONE FUCKING LINE TOO MANY FOR THE LAST FUCKING TIME, SLADE, AND FOR THAT, I WILL MAKE YOU PAY FOR EVERYTHING YOU HAVE DONE AND MORE, AND I WILL MAKE SURE THAT YOU DIE A HORRIBLE, BLOODY, PAINFUL, AND EXCRUCIATING DEATH, AND I WILL MAKE ABSOLUTELY SURE YOU NEVER EVER RETURN!

We gasped at the sheer and extremely dangerous extent of Shanan's rage: and this meant Slade's already fucked up big time.

Me: Oh, shit!

Nico: Slade, you are eternally damned!

Lincoln: The memories of Slade's crimes and that day still scarred Shanan even now, and now, she's going to take out her rage on Slade and make him pay! STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF SHANAN WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO THE MANY DIFFERENT ALIEN SPECIES IN THE UNIVERSE AND BEYOND, PHOENIXES, AND ANGELS, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE MANY DIFFERENT ALIEN SPECIES IN THE UNIVERSE AND BEYOND, PHOENIXES, AND ANGELS WENT BACK TO EARTH AND SHANAN GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

We then stood our ground as Shanan screamed like a madwoman and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

An emerald green energy exploded from her, and she was surrounded by a massive vortex of emerald green energy with life energy, stars, galaxies, planets, and magic surrounding the vortex, there are aliens of different species, angels, and phoenixes running around the vortex, and in the vortex is a green phoenix with blood red eyes glaring at Slade: the blood red eyes of eternal death and judgement, and the force of the vortex and power was so great, it sent Slade flying into a tree.

Me: INCREDIBLE!

Nico: WHOA!

Varie: UNBELIEVABLE!

Lincoln: Shanan's rage has finally been unleashed on Slade, and it'll be the final time we ever have to deal with him.

We were truly amazed by Shanan's Super Angel-Alien-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Slade saw it, he rushed at her to kill her and get revenge, but Shanan fired a massive barrage of emerald green energy, stars, galaxies, planets, life energy, magic, phoenixes, and angels which hits Slade and sent him flying into a tree, he got back out, but this pissed him off to no end!

Shanan: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Life Interstellar Planetary Life Magic Master Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Life Interstellar Planetary Life Magic Master Phoenix God Angel Love) Slade Wilson, I will NEVER FORGIVE YOU for everything you've done! Tara: Hold on, Shanan, I also want in on this as well. This is payback for everything you've done in hurting me, my friends, and Beast Boy!

Suddenly, something within Tara's mind snapped as the memories of Slade's crimes and her sacrifice rushed and echoed through her head, and her blue eyes turned neon blue, and she was surrounded by a yellow and orange energy aura with stars, fire, flames, earth, lava, golems, phoenixes, and angels, and as she angrily approached Slade, she left yellow and orange energy, stars, fire, flames, earth, lava, golems, phoenixes, and angels with every step.

Lincoln and the girls fired elements that took on the gems and they hit the clone of Steven's Monster form and Slade as well.

Lincoln and his harem: GEM FINAL SMASH: GEM BLASTER!

Lincoln and his harem fired various explosive gems which hit the clone of Steven's Monster form and Slade as well and exploded. Then, Lincoln turned the tips of his tails into Cell's stinger's and he stabbed them into the clone of Steven's Monster form and he began absorbing him and he and all of us were assimilating his Superhuman Strength, Superhuman Durability, Willpower, Magic Immunity, Shapeshifting, Water-Walking, Sonokinesis, and Healing and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and medium sized white angel wings with aurora and orange tips and small sized white angel wings with aurora and orange tips under his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Steven's monster form. Then, we turned our attention to Slade was literally on his last legs thanks to us thrashing him.

Slade: You. You think this all over, you think this is the end?! It's not over until I say it's over!

Waffle Woman: Now it's time for me to deliver the final blow. EAT MY SUPER WAFFLE SLICER!

SHE FIRED A HUGE WAFFLE SAWBLADE!

Tara punched him and jumped out of the way and then...

IT CLEAVED HIM INTO PIECES!

Nico: YIKES!

Suddenly, the bell of judgement rang in Slade's ears meaning that his time was finally up! Then, the spirits of all those he's harmed and killed appeared and grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on Slade's forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Slade: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, TITANS! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST INSANE SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU ASSHOLE, AND DON'T YOU DARE COME BACK, YOU PIECE OF SHIT!

We cheered wildly as we holstered our weapons and we powered down and Shanan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blue green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large emerald green planets orbiting around her legs, fifteen emerald green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive blue green angel wings and medium sized blue green angel wings and small sized blue green angel wings underneath her massive blue green angel wings are permanent, and Tara's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large yellow and orange planets orbiting around her legs, fifteen smaller yellow and orange planets orbiting around her waist, smaller planets orbiting around her fingers, and massive blonde angel wings and medium sized blonde angel wings and small sized blonde angel wings underneath her massive blonde angel wings are permanent.

Tara: It's finally over, now we're finally rid of Slade at long last.

Shanan: Indeed we are, now I'm rid of him forever, after everything he's done, he deserves to be wiped out forever.

Nico: You said it, and that's another of Anti Monitor's resurrected villains put down for good.

Lincoln: Now, there's only one last thing thing to do and one last loose last loose end to tie up: Adam, the mad scientist experiment of Maggie Walsh.

?: I will have my revenge on you, Slayer, and realize Dr. Walsh's ambition.

Suddenly, the fifteen large planets orbiting around my legs, the fifteen large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the fifteen large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the fifteen large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the twelve large planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that came out of nowhere and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Adam, or we'll force you out.

A bio-mechanical demonoid came out, it was Adam, Maggie Walsh's creation and dangerous enemy of Buffy Summers and her friends.

Brittney: Should've known you'd show up once again, Adam.

Riley Robbins: But, this is where it all ends for you.

Suddenly, Riley Robbins' blue eyes turned neon blue and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, dolphins, phoenixes, and angels, she unholstered her massive water greatsword, and as she approached Adam, she left aqua blue energy, stars, water, ocean waves, dolphins, phoenixes, and angels with every step.

Riley Robbins: You really make me sick to no end, Adam, you may have been created to defend the United States, but you're no better, all you desire was to wipe out all the demons and humans so you can remake the world. You're just a biomechanical dark messiah worse than the demons you sought to destroy along with all humanity, and now, I will see to it that you die here and now.

Suddenly, Riley Robbins was surrounded by a massive vortex of aqua blue energy with stars, water, and ocean waves surrounding the vortex, there are dolphins, phoenixes, angels, and Neo-Spacian Aqua Dolphin flying around the vortex, and in the vortex is a blue phoenix with blood red eyes glaring at Adam: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Oh boy, now things are definitely going to get ugly.

Lincoln: And Riley's right, what Adam's done proved he's no better than the demons he sought to destroy. Now, he's going to be destroyed forever.

Then, as the vortex faded, Riley Robbins emerged, but she was changed forever.

Riley Robbins grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large aqua blue planets orbiting around her legs and fifteen smaller aqua blue planets orbiting around her waist, she has the body of a goddess, she has yellow highlights in the bangs of her long aqua blue hair and blue hairband with blue phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and an aqua blue energy aura with stars, water, ocean waves, dolphins, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Neo-Spacian Aqua Dolphin emblazoned on her forehead and Third Eye with blue iris, she has on dolphin earrings with blue gems for eyes and holding the Star, Water, and Eternity Kanjis in their flippers, she also has Neo-Spacian Aqua Dolphin with blue gems for eyes and holding the Star, Water, and Eternity Kanjis in his hands for the second pendant on the bottom of her orange scarab beetle-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and aqua blue gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Riley Robbins felt a sharp pain on her back, and then, her massive aqua blue angel wings with blue tips on the large aqua blue feathers grew much larger for her new body with a wingspan of 20'0" and medium sized aqua blue angel wings with blue tips grew and sprouted out underneath her massive aqua blue angel wings with a wingspan of 15'0" and small sized aqua blue angel wings with blue tips grew and sprouted out underneath her medium sized aqua blue angel wings with a wingspan of 10'0" and she now has eleven massive and long aqua blue wolf tails with blue tips and blue markings, Riley Robbins has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Riley Robbins' massive water greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of aqua blue energy, stars, water, ocean waves, dolphins, phoenixes, and angels, and when it emerged, it was transformed into Riley Robbins' True Cosmic Eternal Harmony Oceanic Water Maelstrom Master Neo-Spacian Aqua Dolphin Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Oceanic Water Maelstrom Master Neo-Spacian Aqua Dolphin Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded blue gems and Neo-Spacian Aqua Dolphin and etched on the 8'0" massive, wide, double-edged aqua blue blade, large aqua blue dolphin heads with blue gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large aqua blue gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large aqua blue dolphin heads with blue gems for eyes and on the bottom of the large aqua blue dolphin heads is a large aqua blue dolphin head with blue gems for eyes and blue gem in its mouth for the pommel, Riley Robbins has on her brand-new large gold Bracers of The Champions of The Universe with large aqua blue gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Neo-Spacian Aqua Dolphin's head with aqua blue gems for eyes and blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Riley Robbins' Super Angel-Neo-Spacian Aqua Dolphin-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Adam saw it, he went ballistic and charged at her to kill her, but Riley Robbins fired a massive barrage of aqua blue energy, stars, water, ocean waves, dolphins, phoenixes, and angels which hit Adam and sent him flying into a wall, he got back up, but he was really really angry now.

Riley Robbins, Lincoln, Nico, and I went after Adam, and we fired extremely powerful blasts of rainbow energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Adam and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Riley Robbins also did the same by firing aqua blue energy slashes from her massive greatsword and gold-plated dragon claws, and he, Riley Robbins, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Adam even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln said the Lord's Prayer and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was glowing with rainbow light, and as he swung his massive greatsword, he fired a massive beam of rainbow light that hit Adam with full force, and he exploded into nothing and he was sent to The Black Abyss forever. Everyone cheered wildly for what Riley Robbins, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Riley Robbins' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large aqua blue planets orbiting around her legs, fifteen smaller aqua blue planets orbiting around her waist, smaller planets orbiting around her fingers, and massive aqua blue angel wings and medium sized aqua blue angel wings and small sized aqua blue angel wings underneath her massive aqua blue angel wings are permanent.

Riley Robbins: Your plans to destroy all humans and demons and remake the world end here and forever. Thanks for helping me take down Adam, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Riley.

Me and Nico: Our pleasure, Riley.

Suddenly, Riley Robbins wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Riley Robbins; face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Neo-Spacian Aqua Dolphin flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Riley Robbins sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that bioengineered demon down and Lincoln fired that beam of rainbow light.

Me: And sent him to The Black Abyss forever. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a sheep made of purple fire pass through the sky.

Panda Faye Ling: Was that...?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Carly Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Ram.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Carly Zihuo is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of purple fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Ram, along with having angel wings along with having intense purple fire powers. She's known as The Secondary Leader of The Sisterhood of The Fists of Fire, because she's the second-in-command of The Sisterhood. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of black fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Laura hates Lori with a blazing passion, because of what that control freak bitch has done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Nico: Yikes!

Me: I remembered her all too well, she's one powerful and skilled warrior, and Lincoln literally kept up with her in his training with her and she was so proud of how strong he's gotten.

Lincoln: She's going to be even more proud of how much stronger I've gotten the last time when we meet her again.

Nico: And we really liked hearing about the memories you, Cage, Travis, and the others all had with Caleb, Hunter, we've definitely got to hear more.

Hunter: (German Accent) Trust me, you'll love hearing them.

Professor XXXL (laughs): Slade of all people getting defeated by the power of breakfast!

Grizzly: Well, it ensured his demise, didn't it?

Me: Yeah no kidding! That was a good way to ensure it.

Machinedramon: It sure did!

Toad: Should we have the breakfast food to celebrate?

Salami Swami: No. I'll cook up Salami. Save the other food for breakfast tomorrow

Me: Okay.

Nico: Good idea. That was an awesome mission! Great job today everyone.

Steven Universe: It sure was! (To the viewers) This was a fun one!

Lola: Yeah it was!

Varie: Yep and we saw what Steven's Corrupted Monster form looked like.

Xenia: Scary.

Nico: Lets head home.

We headed home and we marked down Slade as the next villain down, now we only had 308 more to go.

We later went to sleep.

Meanwhile in Mega City, Joey and Captain Atomic were getting ready for when Sunny Starscout, Aqua and Harry arrive as well as us.

Joey: I'm so excited for this!

Captain Atomic: Me too! This is gonna be so fun.

Pauline Bell: I can't wait to kick some butt!

Joey: Me too. LETS GO ATOMIC!

He put on Captain Atomic and turned into his awesome Superhero Form and they went at the screen and it froze.

BATTLE OF THE ATOMIC PUPPETS

This chapter is based on the show Atomic Puppet.

In the Early Morning hours at 1:52 AM, Varie was sleeping and she had a really amazing and interesting dream. She saw herself underwater in an ocean in her mermaid form and she saw that she was on a strange distant planet with 4 moons. Varie was loving it and she saw a beautiful girl with purple hair and she had purple eyes and purple clothes and was swimming with her.

Days of darkness

Like a shadow on the sun

From all this confusion

The ancients said would come the one

When she comes she'll light the way

Clear the mists of night to day

Learn the wisdom of the whale

A promised one

A magic age will come

Away

Will come to save

Our ocean away

Ocean away

She'll come away

She'll come awake

Ocean... away...

Varie and the girl were swimming and it was like they knew one another.

She then woke up at 7:59 AM.

Varie: Huh? Wow that dream again. What was it?

Breakfast was ready. She went and got dressed and headed down to the table.

Aqua woke up to see Suicune looking at her

Aqua: Huh? Oh morning Suicune.

Suicune: Morning Aqua. Time for breakfast.

Aqua: Okay.

She got up and went to the table for breakfast.

Me: Morning Aqua, Sunny and Harry, it's your big day today so I made you guys something special.

I gave them awesome chocolate donut pancakes and french toast.

Sunny Starscout: Oh boy! Thanks J.D.

Me: Anytime.

Flint Lockwood, Sam Sparx, Earl, Brent, Cal, Manny and Cheddar Cheeseburger were with us.

Qin: Wow! It's absolutely amazing how Swallow Falls was turned into this because of Flint's machine.

Xenia: I know! We were absolutely shocked to see all this too.

Carly Atlas: Boy this is amazing! When we were in Swallow Falls last time it was turned into a huge pile of food.

Misty Tredwell: I know. That was rough.

Xenia: Yeah.

Camie: But this is amazing that it was turned into this. A HUGE Food world. And the animals are food animals too.

Cheddar Cheeseburger: I know. And this is now an amazing sanctuary for all the foodanimals ever known.

Nico: It sure is.

Pipp Petals: Oh my glitter this is gonna be so fun!

Nico: Pipp, I want to thank you, Jasper, and your teams for coming.

Pipp Petals: No problem Nico this is gonna be totes amazing!

Nico: It sure is.

Anna: I'm really looking forward to this guys!

Elsa: Me too!

Nico: Anna, remember when you met Lana?

Anna: That was so awesome. I remember that.

Lana: I do too.

Me: You weren't with us back then Nico. It was in the teams old days and it was also during the time my sister Jayme babysat.

Lincoln: I remember that. That was awesome.

Lola: Yeah!

Lily: Boy that was cool.

Nico: Can you tell me what happened?

Me: Sure. It was awesome.

I went over what happened during that time in chapter 213 of Loud House Revamped

---

Lana went into the Simulator and it activated and Lana found herself in the frozen kingdom of Arendelle in 2013's Frozen.

Lana: Awesome! I'm in Frozen. And from the looks of things Anna and Elsa are in trouble.

Lana ran onto the frozen water and she saw Hans talking to Elsa.

Lana: I don't think so you monster!

Lana spread her ice wings and she had a uniform similar to Trunk's and she flew toward Hans and kicked him in the face and sent him crashing into a boat and took his sword.

Lana: Elsa don't believe that man. Anna is still very much alive and she doesn't have much time left. But we can still help her.

Anna: (Weakly) That's right.

Anna now had blonde hair and she was so cold.

Lana: Anna. Let me help you. [Chants an Incantation] Gurosiga Ulandian Mestioxa!

Lana fired a healing laser at Anna and it fully cured her and restored her memory on what happened when she got hit with Elsa's powers.

Lana: Elsa. You have amazing powers and you're letting your emotions get the better of you. Your hate and fear is making you lose control of them. Love is far more powerful than hate and love, kindness and friendship can help thaw a frozen heart of ice.

Elsa began to realize that her powers were a gift to her and that Lana was right. She removed all the snow and ice and returned Arendelle to it's great glory once again.

Lana, Elsa and Anna were on a boat and Hans got up.

Lana: I got this.

Lana walked up to him and punched him in the face and sent him into the water.

After everything was restored Hans was taken back to his land and as punishment for his crimes he was disinherited and demoted to a stable boy for life. Kristoff was made the royal sled man and Olaf was made a permanent resident.

Elsa: Lana I can't thank you enough helping me and Anna. You also have saved all of Arendelle from total destruction.

Lana: I'm glad I could help you Elsa.

Anna: You are an amazing girl Lana. Thank you for bringing my sister back to me.

Lana: You're welcome Anna.

I beamed Arendelle over to a beautiful part of Norway and set up a trade route for it. Lana was made Ambassador for Arendelle.

Lana came back and we cheered for her.

Me: Great job out there Lana.

Lana: Thanks J.D. Hans was an evil man wasn't he?

Me: He sure was.

* * *

When it was done Nico was amazed.

Nico: Wow! That was cool! Lana you did really well on that one.

Lana: Thanks Nico. That was so awesome.

Anna: Lana did all of Arendelle a good favor for us.

Me: I hate Hans.

Sakura Knudson: Me too! I love the movie Frozen. But if I ever see that jerk, I'm going to slug him in the mouth so hard and knock out his teeth and then kick him where the sun doesn't shine!

Me: Yeah! You get him sis! But yeah I hate him.

Nico: I'm not surprised if he's the one Lana's gonna face

Lana: That will be awesome for my future big day mission.

Lola: We'll find out what it is soon.

Xenia: Yep.

Camie: Yeah!

Me: Man what a day yesterday.

Nico: No kidding! We defeated Slade and Steven's Corrupted Gem form and met Tara's Akuma! Wow! She was blisteringly hot.

Shanan: No kidding! But it was awesome that we got to destroy Slade. Now the world is a safer place without him.

Nico: Don't forget Monster Steven

Me: That was scary seeing Steven like that!

Qin: No kidding! What do you think would have caused him to turn into that?

Nico: It would have been the result of shattering Jasper.

Jasper: That is a possibility.

Nico: Yeah I can't believe Steven thought he would have become that.

Lola: Yeah.

Varie: Thank goodness that never happened for real.

Xenia: Yeah.

Nico: Fighting him was just as tough as killing Slade.

Shanan: Yeah no kidding!

Varie: Yeah that was brutal!

Shanan: No kidding! But the important thing is now Tara and me never have to see Slade ever again!

Xenia: Yeah! Curse that Anti-Monitor.

Laney: But it was great to see Beach City again.

Varie: Yeah. I'm just sorry Sadie had to get a NASTY heat rash like that.

Me: No kidding. Ouch.

Maria: But now, it's a mystery as to who Robin's gonna face.

Nico: I think I might have an idea. But I'll tell you in the future.

Me: Okay. For Raven I hope it's not Trigon.

Qin: Yeah.

Me: I have a good feeling about Cyborg and who he might face and that's Brother Blood.

Nico: That could be.

Me: Starfire, Raven and Beast Boy are a mystery.

Nico: I hope we find another Foodimal Gene Slammer here.

Me: Me too. But look at all these.

We saw LOTS OF FOODIMALS!

Flint, Brent, Sam, Earl and Cal did a PROLONGED GASP!

Camie: Wow!

Carly Atlas: This is amazing!

Me: Wow!

Xenia: This is amazing!

Lola: Yeah!

Fluttershy: Oh this is amazing! Look at all these animals made of foods! They are so adorable!

Cheddar Cheeseburger: This is incredible! I always wondered what seeing all of these Foodimals would be like.

Lola: Yeah!

Camie: Wow! Flint this is amazing! I can't believe that your machine did all this!

Fluttershy was talking to a bunch of Kiwis.

Fluttershy: Oh you guys are adorable.

Laney: The Wild Scallions are awesome too.

Lola: Especially the Watermelephants.

The Watermelephants trumpeted.

Shrimpanzees came and they hooted.

Camie: Shrimpanzees! How cool!

Maria: Just like when we first met them

Me: Yep.

Fruit Cockatiels landed on Fluttershy and she giggled.

Me: Fruit Cockatiels. Aren't they cool?

Qin: They sure are.

We saw a bunch of Pizzas flying over us.

Me: Look! Pizza!

Nico: Wait they are also Owls!

Me: Pizzowls!

Nico: I like that.

Camie: That is cool!

Flint: I don't think we met those before

Me: No we didn't. Also we haven't met those.

We saw snails that were part Pad Thai Chinese food. Their shells were Chinese Food boxes.

Me: Pad Thai Snails? How cool!

Nico: Yeah!

Me: PadThaigot?

Nico: I like it!

Qin: Cool!

Me: Gary would find snails like that interesting.

Nico: Yeah.

Flint: You think the machine's making new species?

Me: With thousands of recipes and foods out there it's very possible.

Nico: Look!

We saw Chili Pepper Butterflies!

Me: Ooh!

One landed on my finger.

Me: Chili Pepper Butterflies? Chilifly!

Nico: Cool!

Maria: What about Seahorses?

Me: Like these?

We saw Radish Seahorses.

Me: Radish Seahorses.

Flint: Seahorseradishes.

Nico: That is funny!

Lily: The gnarliest stuff in the ocean!

We laughed!

Qin: (LAUGHS) That was funny!

Maria: Horsea would love those.

Me: Yeah! Look there.

We saw Tiramisu Tigers! They were half Tiger and half Tiramisu Dessert.

Nico: Tiger Tiramisu? Tigermisu!

Flint: That is so cool!

Qin: Yeah!

Me: WHOA! LOOK!

We saw A HUGE WOOLY MAMMOTH HAM!

Me: WHOA!

Xenia: Half Ham and Half Wooly Mammoth!

Nico: WOW! Wooly Hammoth!

Qin: That is cool!

Juran: Any tadpoles?

Me: Nope I don't see any unfortunately.

Flint: Unless you count the butter frogs in the Breakfast Bog.

Xenia: Yeah.

Juran: Those work.

Qin: Yeah.

Lola: But this is awesome seeing all these new creatures.

Xenia: Yeah!

Lincoln: Okay, gang, we're in for one awesome battle here in the transformed Swallow Falls, but we got some major bad news: our old enemy, Chester V, has broken out of prison and he's here for revenge.

WE GASPED!

Me: No doubt it's against Flint and the others.

Nico: You said a mouthful, J.D.

Lincoln: We'll send him straight to The M.O.E. prison, I'm sure time there will do him good.

Cheddar Cheeseburger: The Foodimals all told us of what Chester V has done, and I agree with Lincoln, he'll be better at serving Vypra than spending the rest of his life in prison.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I literally can't believe Chester V's come back. But, this was also the first time Jack Spicer made his appearance and not as a foe to fight us.

Luna: That was years ago when we were once fighting The Legion of Doom.

Camie: Who is Chester V?

Me: He was once one of Flint Lockwood's idols until we found out his true nature.

I went over his history.

Chester V, also known as the "Ghost Man", is the main antagonist of Sony Pictures Animation's 9th feature film Cloudy with a Chance of Meatballs 2.

He was the founder/CEO of Live Corp (also known as Evil Corp, while spelled backwards) and Flint Lockwood's former idol and archenemy. At first, he joins Flint and his community to restore Swallow Island back to normal after the FLDSMDFR malfunctioned and nearly destroyed the world with gigantic food leftovers thanks to Mayor Shelbourne's actions, but it later turns out Chester wants to acquire the FLDSMDFR for his own gain.

He was voiced by Will Forte, who also played his holograms in the same film, Principal Farquhare in The Cleveland Show, Eddy Davenport in Lat Rats, Doug in Strays and Older Scott in Scott Pilgrim Takes Off.

Early Years

Chester V's origins are quite unknown, but in his early years, he made his first invention known as the food bar and then began to invent and founded Live Corp. A world-renowned scientist (very clearly a parody of the late Steve Jobs), apparent super-inventor, and the CEO of Live Corp, Chester invented various items, such as Live Corp's ever so popular food bars, his assistant: Barb, and presumably; his holograms programmed to travel and run errands where the real Chester couldn't go. When he and Flint were recovering tech from the latter's lab, Chester claims to have been bullied as a kid due to his genius. Though given Flint's similar upbringing treatment, this isn't played much for sympathy due to how little it seems to affect him now, especially compared to Flint.

However, he was extremely greedy, malicious and acquisitive, as he tried to expand his company's popularity, calling it "the coolest, hippest company in the world". Around some point, his orange facial hair went white, and he began to wear a Live Corp vest instead of a lab coat. He also discovered Flint's latest, "destroyed" FLDSMDFR, and tracked down the invention; discovering that the FLDSMDFR survived the explosion.

Immediately, Chester sent one of his holograms and Live Corp members to the food covered Swallow Falls in search of the machine, which Chester wanted to use to develop his latest food bar: the Live Corp Food Bar 8.0.

Arrival at Swallow Falls

He relocated Flint, his friends, and the citizens of Swallow Falls to San Franjose, California. Unbeknownst to Flint, the FLDSMDFR survived the explosion and landed in the center of the island, and Chester was determined to find it, using the cover of having his employees clean up the island for the inhabitants to avoid suspicion.

Chester invited Flint, his biggest fan, to work at Live Corp, where he meets Chester's assistant Barb, a talking orangutan with a human brain. Meanwhile, Chester was informed that his search-parties on the island have been attacked by monstrous cheeseburgers which were learning how to swim.

Fearing the world's inevitable doom, Chester tasks Flint to find the FLDSMDFR and destroy it once and for all by using The BSUSB (short for Bifurcating Systematic Universal Stop Button). Despite Chester's demands to keep the mission classified, Flint recruits his girlfriend and meteorologist Sam Sparks, her cameraman Manny, police officer Earl Devereaux, and "Chicken" Brent. Much to Flint's dismay, his father Tim joins the crew and they travel to Swallow Falls on his fishing boat.

Later, Chester discovers that Flint allowed his friends to join in the mission and arrives on the island with Barb, chagrined and determined to separate them. After escaping a Tacodile attack, Sam notices that the Foodimal was protecting its family, and begins to suspect Chester is up to no good. Sam attempts to convince Flint to spare the Foodimals, but Flint is intent on making Chester proud. Sam leaves in anger along with the others (including his pet monkey named Steve).

In the jungle, Sam proves that the Foodimals mean no harm by taming a Cheesespider. Upon realizing Chester had deceived them and Live Corp's true colors (via Manny' camera revealing the company's true name Evil Corp), the group is taken hostage by Live Corp employees.

Operation Slice n Dice

Flint finds the FLDSMDFR, but notices a family of cute marshmallows and becomes hesitant to destroy the machine. Flint finally realizes that the machine and its Foodimals are not dangerous. However, Chester V plugs the BSUSB into the machine. It reveals that what it really does is reprogram the machine to it to a Live Corp setting and that the former reveals to Flint that he wanted his machine all along. Chester immediately seizes control of the FLDSMDFR and knocks a crushed Flint into the river but rescued by the marshmallows.

Flint is taken to his father who, along with the Foodimals, helps him infiltrate the Live Corp building that is under construction on the island. Flint frees the trapped Foodimals and confronts Chester, who announces his plot to make his updated line of food bars out of the Foodimals and threatens to make food bars out of his friends who are wrapped by police tape. Chester makes several holograms of himself to overwhelm Flint, but Flint uses the "Party-In-A-Box" to expose the real Chester. An army of Foodimals arrive and Flint's friends are freed.

Meanwhile, Chester V runs up the stairs and breaks the glass where the FLDSMDFR is being held. Despite, Flint's attempts to make him stop, Chester proceeds to escape anyway, only to be surrounded by Flint and his friends, as well as the Foodimals. Flint demands that Chester V hands over the FLDSMDFR, only for Chester to foolishly decline and says "Never!". Chester V makes his final stand when he spots Barb and tells her to save him, calling her "monkey" once again. Finally having enough of Chester's treatment, Barb shouts that she is an ape, and snatches the FLDSMDFR out of Chester V's hands, having a change of heart.

Death

Chester attempts to recover the machine from Barb, buts loses his balance and falls into the Live Corp Food Bar 8.0 Maker. He spots his holograms and asks them to save him, which they obey. Chester V gloats at Flint but stops when he falls right through his holograms (due to them being projections and completely unable to do anything to stop his falling). His limbs and his head retract into his vest right before he hits the bottom of the grinder. He ricochets erratically between the blades of the machine before he is sling-shot out of the machine.

As Chester boasts about having managed to save himself, he attempts to make his escape, but is immediately grabbed by the Cheesespider's special sauce web and pulled into the mouth of the Cheesespider. The Cheesespider spits out Chester V's sleeveless. After a suspenseful moment, it deflates, revealing that Chester V had been eaten alive and killed as well by the Cheesespider, finally ending his threat to the Foodimals once and for all. Afterwards, Flint returns FLDSMDFR to its original spot and restores it, allowing the Foodimals to flourish.

It is uncertain what will happen to Live Corp after Chester's death, though it can be assumed that Flint and his friends would possibly expose their crimes to the world and Live Corp would be shut down and its employees arrested.

When I was done everyone that hadn't heard about it was shocked!

Twilight Sparkle: Of all the!?

Applejack: WHY THAT LOW DOWN DOUBLE-CROSSING SIDEWINDER!

Xenia: Yeah!

Cheddar Cheeseburger: Yeah I would not want to eat him! That would be disgusting.

Me: I don't blame you Cheddar.

Suddenly, Rodin, The Gates of Hell's owner and legendary blacksmith appeared.

Nico: Rodin, what brings you here?

Rodin: Just got a little something for your friend, Caleb. Had these built from the same alloy used for Bayonetta and Jeanne's guns and the same metal used for the creation of Grave's Left Head and Right Head Cerberus twin pistols.

Rodin got out a large black case and put it on a table he summoned, and the case opened revealing two new solid black twin pistols with the large barrels measuring at 60 centimeters and the models are based on Grave's Left Head and Right Head Cerberus twin pistols with a silver skull on the red crosses on the 60 cm barrels and loaded with 15 mm caliber bullets made of pure silver from Macedonia and drenched in holy water and blessed by a priest, and written on the barrels were the words, "Death's Harbinger".

Nico: Whoa.

Caleb Maxwell picked up the two guns.

Caleb Maxwell: Nice craftsmanship.

Then, Caleb Maxwell tossed the two new guns into the air and he tossed his Caleb Maxwell's Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel

Justice into the air, and then, all of the greatswords and swords that he'd gotten came out and began merging together, and they're surrounded by a kaleidoscope of black and blood red energy, stars, darkness, dark magic, black magic, Satanic Magic, shadows, skulls, demons, phoenixes, and angels, and when it emerged, it was transformed into Caleb Maxwell's True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Justice, a brand-new pair of solid black twin pistols with large barrels measuring at 60 centimeters and the models of the guns are based on Grave's Left Head and Right Head Cerberus twin pistols with a silver skull on the blood red crosses on the 60 cm barrels and they're loaded with 15 mm caliber bullets made of pure silver from Macedonia and drenched in holy water and blessed by a priest, and etched on the barrels were the words, "Death's Harbinger and Hope to All".

Then, Caleb Maxwell grabbed the brand new twin pistols as they came down to him. Suddenly, Caleb Maxwell also gained a newly revamped version of his outfit when he first transformed after he came back from the dead: a blood red short-sleeved shirt, a noticeably short black jacket with a cape at the back that resembles a tuxedos split-cape and collar with red linings, long black pants, black knee-high boots with skulls for the buckles, and long open black coat with red inlay inside the coat and coat's collar with stars, darkness, dark magic, black magic, Satanic Magic, shadows, skulls, demons, phoenixes, and angels and on the back is a red cross with a skull in the center of the cross and there's a blood red kanji with crescent moons and skulls in between the kanji below the cross that said, "Caleb Maxwell, Loving Son of Marlene Maxwell and Older Brother of Allie Maxwell, Friend of Hunter Drake Michaelson, Cage Brunt, Captain Don Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase, Former Son and Slayer of Marcus Maxwell, Former Older Brother and Slayer of Drake Maxwell, Pursuer of Justice, Slayer and Killer of Mafia Gangs and Crime Lords, True Immortal and Omnipotent Warrior of The Universe, Future Member of Team Loud Phoenix Storm, Master of Darkness and Death, Awesome and Powerful Defender of Many Innocent People, Master of The Black Gates, Amazing And Powerful Student of Many Amazing and Powerful Teachers, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Destroyer of Irredeemable Black-Hearted Villains, Destroyer of Evil, Destroyer of Demonic Monsters, Power-Hungry Bastards, and Maniacal Tyrants, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, True Immortal Hero, Great God of Friendship, Hope, Love, Courage, and Justice, Emissary and Champion of Thanatos, and Master of Stars, Darkness, Death, Demons, Phoenixes, and Angels"

Nico: Okay, now that's really impressive.

Me: Now, that's really really awesome.

Caleb Maxwell: A new weapon upgrade and outfit upgrade as well. I can tell something's up, but we'll deal with that later on Lincoln's rescue.

Eli: Alright, we should get going and catch Chester V before he does something else.

Nico: Right. We can't let him go on running loose, we need to catch him before he goes after Flint and the others.

Me: This is going to be one messy food fight.

Lincoln: (Sensed for Chester V) AHA! Gotcha! I just spotted Chester V, he's 20 yards away, and he's still after Flint and the others to get revenge on them.

Nico: Figures. Let's get after him and take him straight to The M.O.E. Prison.

Lincoln: This is just like old times when we first went after Chester V, but now, it's going to end with him going straight to his new boss' prison to cool down.

Suddenly, we hear a demonic choir sing as flames from Hell burst from the ground, and we see the sigil of Mammon, The Demon of Greed, form from the fires of Hell.

Anna Anyanova: The Sigil of Mammon?! That means, we're running into the fourth of the Nine Keyblade Knights of Hell and Avatars of The Nine Circles of Hell.

Lincoln: There's no doubt who it is.

We then took off into the air and set our sights on Chester V, but as we were flying, Caleb was in very deep thought.

Caleb Maxwell: (Thinking) Rodin showing up and what happened seconds ago, there's no doubt that something's up, and it has something to do with some familiar figures from Dad's Syndicate. If they are who I think they are, then, that's going to be the final straw for me and I'm going to make sure I exact horrible bloody vengeance on them since they were also there with Drake on the night that I was killed.

Little did Caleb know was that we heard his thoughts, and we knew something was up, and that it's involved more of his old enemies from back when he got killed.

We were flying in the air, and we spotted multiple figures coming and they were well-dressed men and they had guns in hand, and when Caleb Maxwell saw them, his blood literally boiled.

Caleb Maxwell: What the Hell?!

Cage Blunt: Caleb, those men in suits...! Are they...?!

Caleb Maxwell: They are members of The Syndicate my Dad created, but these men are the soldiers of the four captains and the senior members of The Syndicate, Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell. I thought I was rid of them, if their men are here, that must mean they have returned. That does it!

Suddenly, something appeared levitating over Caleb Maxwell's eleven massive and long midnight black wolf tails: it was The Black Coffin of Thanatos, but it was transformed into a black and red version of Brandon Heat's Death Hauler.

Nicole: Oh shit! Everyone, stand back, he's about to do some demolition!

Caleb Maxwell brought out The Black Coffin of Thanatos that brought out a missile, and then, he kicked with extreme force and sent the missile flying right at Chester V and the men of Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, and it exploded sending Chester V into a wall and blowing up some of the men to pieces.

We then landed, and more of the men came after Caleb Maxwell and surrounded him.

Caleb Maxwell: Go to Hell, all of you!

Suddenly, Caleb Maxwell's brand new Caleb Maxwell's True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Justice glowed blood red, and then, he started shooting all over the place and the bullets hit all of the men, and all of them were dead.

Me: That takes care of them. Now for Chester.

Irma heard a Pokemon cry.

Irma: Look here guys!

We saw a Goldeen!

Me: Cool a Goldeen.

Misty: Looks like my Goldeen is gonna have a friend.

Me: Yep.

Irma: Cool and the poor thing is hungry.

We gave it some food.

Goldeen: Ah thank you.

She ate it.

Goldeen: That was good.

Me: Awesome. Would you like to come with us?

Goldeen: I would be honored.

Xenia: Cool.

Irma: You won't regret it.

We were off and then we spotted our target, CHESTER V!

Me: Target sighted!

We landed.

Nico: It's been a long while, Chester V. I'd say it's good to see you, but that would be a lie.

Me: After what you tried to do, I knew you wouldn't stay away for long.

Chester V: You won't be laughing for long, I'll have that machine and have my revenge!

Me: We'll see about that. You don't have your holograms to save you this time.

Camie: Yeah!

Chester V: Ouch.

Cheddar Cheeseburger: Yikes! Okay, I'd better transform and take you down before Caleb tries to get rid of you.

Suddenly, Cheddar Cheeseburger's brown eyes turned neon brown and she was surrounded by a brown energy aura with stars, fire, flames, burgers, condiments, phoenixes, and angels, she unholstered her sword, and as she approaches Chester V, she left brown energy, stars, fire, flames, burgers, condiments, phoenixes, and angels with every step.

Cheddar Cheeseburger: I honestly was about to make you suffer big time after I found out you broke out of prison, but I've got a better idea for you, but I'm still going to take you down before Caleb tries to kill you, and because we saw some of the men loyal to the four higher-ups in his dad's organization with you, you basically pissed him off big time and you're in big trouble.

Suddenly, Cheddar Cheeseburger was surrounded by a massive vortex of brown energy with stars, fire, flames, burgers, and condiments surrounding the vortex, there are phoenixes, angels, and the Cheeseburger Spider flying around the vortex, and in the vortex is a brown phoenix with blood red eyes glaring at Chester V: the blood red eyes of judgement.

Nico: Oh man, now things are really going to get messy.

Me: Big time.

Lincoln: He's gonna get covered in ketchup, mustard, and pickles!

Nico had an embarrassed blush on his face.

?: Smart move snapping them out of it.

Suddenly, we saw a girl appear from a tornado of hellfire: she has black hair, red eyes, black clothes, green demon wings, and she has Xehanort's Keyblade in her right hand.

Lincoln: (GASPS) Ava Avarice, Keyblade Knight of Hell and the Avatar of the 4th Circle - Greed. Whoa! Alright, now it's time we take you down and send you to a brand-new place of work for you, Chester V.

Me and Nico: Let's get him.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel Hope) But, now that you have no additional help, this'll make things much easier.

Cage Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) We should still take it easy on him, Caleb, he is just an old man.

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Caleb is still pissed off after what he saw, Cage, you know it won't be easy.

James Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) We'll make sure to take it easy on him though.

Lincoln, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Cheddar Cheeseburger, Nico, and I went after Chester V, and we fired extremely powerful blasts of rainbow energy, brown energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Chester V and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Cheddar Cheeseburger, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Chester V madder than ever.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel Hope) This is the end.

Suddenly, Caleb Maxwell leaps into the air and he slams down The Black Coffin of Thanatos with one of his eleven massive and long black wolf tails which opens up six missile ports on the coffin, and they fire missiles all around which hit Chester V and knocks him down and out as the Black Coffin changes back to normal and is back behind Caleb, and Lincoln beamed him to The M.O.E.'s prison. Everyone cheered as we holstered our weapons and powered down, and Cheddar Cheeseburger's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large brown planets orbiting around her legs, fifteen smaller brown planets orbiting around her waist, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings and small sized brown angel wings underneath her massive brown angel wings are permanent.

Nico: This'll keep Chester V out of trouble until he cools down. But, it looks like Caleb beat you to the punch, Lincoln, I wanted to see you use the other Songs of The Mermaid, Thunderbird, Sylph, Golem, or Fairies on him.

Lincoln: I know, but this was very serious. I've never seen Caleb that pissed off before, and I thought we were done with his Dad, his brother, and The Syndicate his Dad formed. Looks like we got to deal with the last remnants of his Dad's organization.

Me: Looks like it. So, Lincoln, are you going to introduce us?

But, before he could, Ava Avarice had her hands on Lincoln's hairy pecs, and she began deeply kissing Lincoln on the lips and kissing him on the face, along on his massive hairy pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. This is Ava Avarice, Keyblade Knight of Hell and the Avatar of the 4th Circle - Greed, she's Lincoln's Guardian Angel from Hell and she's a powerful force of epic power to be reckoned with. She was born and raised in Hell, and she's a powerful master of darkness and a deadly force to be reckoned with, she's the bringer of the punishment of Greed and she can melt her enemies in molten gold and bury them in piles of gold coins. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness and molten gold and gold, and she hates all of Lincoln's enemies that are greedy and will bring those punishments to them.

WE GASPED!

Nico: OH SHIT!

Me: I remember her all too well, she viciously pulverized many of Lincoln's enemies that are greedy and she sent them to The Circle of Greed where they were turned into gold statues!

WE GASPED IN HORROR!

Eli: MY GOD!

Lincoln: I saw what she did that time, and boy, I was horrified. And it's so good to see you again, Ava.

Ava Avarice: You too, Lincoln, and whoa, you've really really grown into quite a large, sexy, and extremely manly rugged hunk of a man.

Lincoln then wrapped his massive and muscular arms around Ava Avarice and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ava Avarice with blood red gems on the gold lightning bolt links with blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Ava Avarice saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

Nico: And that's the end of that.

Cheddar Cheeseburger: Now I have Chester as my archenemy.

Xenia: Yep.

Lola: Yeah.

Me: Boy that was so cool. Flint we're sorry one of your idols turned out to be a villain.

Flint: It's all right guys. Chester may have been a villain but he did teach me one thing.

Me: And that would be?

Flint: That you should never choose science over your friends.

Me: That is too true.

Nico: Nice job, Goldeen!

Goldeen: Thanks Nico. It was fun.

Qin: It sure was.

Poromon: Want a beer?

Goldeen: Oh no I can't drink beer.

Poromon: Okay.

Me: I don't know if Goldfish Pokemon can hold cans of beer.

Goldeen: It's true.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Gatomon: Goldeen, would you like to get on this plate I'm holding?

Me: Gatomon don't even think about it.

Kari: Yeah Gatomon we know you're a cat but you can't eat fish

Pokemon.

Goldeen: Besides I'm not sure I am edible.

Gatomon: GET IN MY STOMACH!

Gatomon then got splashed by the water from Goldeen.

Xenia: Funny.

Me: Maybe this will help. (WHISTLES)

Magikarp came.

Magikarp: Need to stop Gatomon?

Me: Yep.

Magikarp: Leave that to me.

He went over.

Magikarp: YOOHOO! HERE GATOMON! TIME TO EAT ME!

Nico: Where did the Magikarp come from?

Me: Oh I found him and adopted him.

Nico: Nice.

Me: He's my Pokemon to stop Gatomon.

Gatomon: GET IN MY STOMACH!

Then she jumped and bit on Magikarp and then...

CLANG!

She bit onto him and her teeth hurt!

Gatomon: OUCH!

Me: Magikarp's skin is as hard as a block of steel.

Qin: Ouch that had to hurt.

Gatomon: Ouch.

Nico: Now, what have we learned?

Gatomon: Not to go after fish Pokemon that belong to others.

Me: And?

Gatomon: And go after Mevya too.

Kari: And?

Gatomon: I'm sorry.

Horsea saw the Seahorseradishes.

Horsea: Awesome! Those are Radish Seahorses.

Me: Seahorseradishes. They are half Radish, half Seahorse.

Horsea: Wow that is cool!

Xenia: Yep.

But then Horsea tried to eat one of them!

Maria grabbed her.

Maria: Horsea don't eat them. They are living creatures.

Horsea: Oh sorry.

Gary saw the PadThaigot.

Gary: Meow.

PadThaigot: Meow.

Me: They meow like cats too.

SpongeBob: (LAUGHS) Looks like Gary is gonna have some snail friends here.

Manny: Wow! I got to admit for a fellow mammoth you look awesome made of ham.

The Wooly Hammoth agreed.

Nico: They sure do.

Eddy: Anyone else want to hop on the cannibal train?!

We all shook our heads.

Me: How about we stick to the kicking bad guys butts train?

Lola: Yeah.

Poliwag: Any tadpoles like me?

Me: No just the Butter Toads in the Breakfast Bog.

Poliwag: That works.

Juran: Just like I said.

Me: Yep.

Poromon: What about birds?

Me: Look around. Lots of them.

Poromon saw many food birds.

Tentacool: Any jellyfish?

Me: Peanut Butter and Jelly Sandwich Jellyfish. PB&Jellyfish.

May: Lots of animals here.

Camie: I know.

Xenia: Including some we haven't seen before.

Camie: Yeah.

Laney: The machine is making many new kinds of food animals.

Flint: Yep.

Nico: What about the Cheesespider?

Nicole: Tons of them.

She pointed to the cheesespiders in the forest.

Qin: Wow.

Nico: Yep.

Me: Cool.

Nico: Can I try some cheese?

Cheddar fired waves of cheese and it went into his mouth.

Cheddar: Nice. Oh a piece of cheese string.

Me: I got it.

I cut it.

LOUD FART!

Lynn: LORI!

Lori: That wasn't me! It was my shoe!

Me: Actually that was the cheese. Good joke.

Luan: Boy that was a GAS! (LAUGHS)

WE LAUGHED!

Me: (LAUGHS) Good one! But that was me. Sorry.

Nico: It's fine.

Qin: Does that happen every time you cut the cheese?

Me: I don't know.

Xenia: Yeah but it's still funny.

Eddy: It sure is.

Qin: Yep.

Nico: Yeah. Now for the main event.

Maria: The Anothers.

Me: Yep.

Eli: (Concentrates) WHOA! We got Another Jasper, Polar Boy, Gorillamon, Pain Yatta, Badpipes, and Mechanized Dragon (Rayman).

Qin: Wow!

Aqua: And I have a feeling the Another with Jasper is me right?

Eli: Bingo.

Me: Whoa!

Xenia: This is gonna be interesting.

Nico: There they are!

We saw Another Polar Boy, Gorillamon, Pain Yatta, Badpipes, and Mechanized Dragon (Rayman).

Nico: WHOA!

Qin: This will be fun.

Another Polar Boy: (In a girls voice) It sure will.

They reverted back and they were the Gene-slammers of Starmon, Magnadramon, Mephistomon, CaptainHookmon and Petermon

Nico: (GASP) Sina Star, Laura Magnadra, Mindy Mephistopheles, Jenna Hook and Patti Pan!

Me: WHOA! The gene-slammers of Starmon, Magnadramon, Mephistomon, CaptainHookmon and Petermon.

Sina Star: That's right.

Jenna Hook: Awesome to see you again Nico.

Nico: You too Jenna.

Me: Can you tell us more about yourselves?

Sina Star: Sure. I'm Nico's friend from Space Camp and master of the stars. We saw all kinds of amazing stars form in galaxies beyond ours.

Laura Magnadra: I'm Nico's friend from Art. I make dragon statues.

Mindy Mephistopheles: I'm Nico's friend from art class and I work on paintings of hell.

Me: Ooh! Scary!

Jenna Hook: I'm the direct descendant of Captain James Hook and I am a Buccaneer and went on treasure hunts with Nico.

Me: Cool! I didn't know Hook had blood ties.

Patti Pan: And I'm the daughter of Peter Pan and I lived for over 300 years in Neverland.

Me: WHOA!

Qin: That is amazing.

Me: Yeah! By the way is the Another Jasper and Aqua friendly or hostile?

Sina Star: Friendly and they are awesome.

Me: Wow!

Nico: Sorry we have to do this girls.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: Nice!

Qin: Yeah!

Nico: And now we wait.

Me: Yep.

Nico: Jenna, I hope you realize that your ancestor was very bad.

Jenna Hook: I know. But he is still my family.

Applejack: Well at least y'all aren't like him.

Me: Yeah. Wait there they areQ

We saw ANOTHER AQUA AND JASPER! The Another Aqua looked like Anti-Aqua.

Nico: (GASP) Anti-Aqua.

Me: No the Another looks like her.

Aqua: Oh boy.

Another Jasper: (Nepal Accent) Looks like we got here in time.

Another Aqua: Yeah.

Me: (GASP) That voice!

Aqua: (GASP) It can't be.

They reverted back. Another Jasper was a girl with green hair and blue eyes and brown clothes and brown angel wings and had a tiara with the symbol of the Mountain Dopant on it and had the same symbol on her skirt and had an earth sword. The Another Aqua was a girl that looked like a younger version of Aqua!

Me: (GASP) Lhotse Kathmandu!

Aqua: Sapphire!

Sapphire: Aqua? Oh my god!

She and Aqua went over and saw each other for the first time in a long time.

Sapphire: Aqua my sister I thought I would never see you again!

Aqua: Me too Sapphire.

Me: You know her Aqua?

Aqua: She's my little sister Sapphire. She was only three years old when I was trapped in the Realm of Darkness.

Me: Wow! Awesome to meet you Sapphire.

Sapphire: You too J.D.

Me: I used my magic to get Aqua out of the Realm of Darkness years ago.

Sapphire: And I'm eternally grateful to you J.D. I was upholding my sisters legacy and being a keyblader in her absense.

Me: That's cool!

Aqua: Now we both can be keybladers.

Me: Yep.

Nico: I take it your heard the news then?

Sapphire: I sure did. Nico, J.D., you guys are the strongest ever and you both killed Xehanort with ease. That was awesome.

Me: Yeah that was an amazing battle.

Nico: Yeah.

Me: Oh yeah. Lhotse is from Nepal and yes she is named after both the 4th Highest mountain in the world Mount Lhotse and the Kathmandu Region in Nepal. Also she has the strength of a thousand mountains and is as strong as one. And she can LITERALLY form mountains as the Embodiment of the Mountain Dopant.

Jasper: Wow! She is as strong as me.

Nora Valkyrie: And would do stuff Po Kong would be proud of.

Lhotse: Yeah I get that a lot.

Me: Cool.

Kaito: (gets out Ohranger gear) Did Swartz promise you anything?

Zocks: (gets out Carranger gear) Because we can grant it instead.

Kaito got a Zeo sword and Zocks got an American Turbo sword.

Sapphire: No he didn't. I used my Stop magic to freeze time while we ran.

Lhotse: Yeah and it worked.

Me: Clever.

Xenia: That was awesome.

Camie: Yeah.

Sougo: (gets out Zeo Ridewatch) Xehanort really is gone for good, Sapphire.

Geiz: (Gets out American Turbo Ridewatch) The Anti Monitor decided to leave him to rot in the Black Abyss

Sougo got out ZeoRedArmor while Geiz got AmericanRedTurboArmor

Sapphire: I'm glad he is gone. After everything he did to the universe he had it coming.

Me: I know. But after 7 years our biggest mission is finally done. At least it didn't take us 2,000 years to do it.

Lori: Like what we literally learned in the 71st century.

Me: Yeah.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets get it on!

We got it underway

Nico: (Gets out Jasper's ridewatch) Jasper has a hard head and I do too

May: (Gets out Gorillamon's ridewatch) Lets do it!

Maria: (Gets out Badpipes Ridewatch) Lets do it!

Anna: (Gets out Polar Boy's ridewatch) Yeah!

May: (Echoing) ENERGY CANNON!

They used the powers of Jasper, Polar Boy, Gorillamon, Pain Yatta, Badpipes, and Mechanized Dragon (Rayman) and blasted the Anothers.

Pitcher Plant Monster, Hysteria (Danger Mouse), Fearful 5, Gadget Cop, Dottie (Batman Beyond), Roger the Potted Ghost, Donquixote Doflamingo, and Billy the Kid (The Simpsons) came!

Me: Whoa!

Nico: Nice Team Pitcher Plant Monster!

Pitcher Plant Monster: Thanks Nico!

Me: Wait Billy the Kid?

Billy the Kid (The Simpsons): That's right!

Horsea: Nice!

Me: Yeah!

?: This will be good!

Vademon came!

Me: Whoa Vademon!

Xenia: Wow!

Vademon: (In a girls voice) It sure is awesome.

Nico: Xaxthura Vade? Wow!

She reverted back and was a girl with purple hair and blue eyes with light blue sclera and had purple thunderbolt marks on her face and had purple and blue clothes and had purple angel wings and had

Vademon on her Forehead and Skirt and had a lightning sword in her hand.

Shanan: (GASP) I didn't expect the Vademon gene-slammer to be a Thorvelgrite.

Xaxthura: That's right Shanan. I got this. (ECHOING) UNIDENTIFIED FLYING KISS!

She fired a massive asteroid shower that blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Qin: Awesome!

Juran: She looks human to me.

Qin: What is a Thorvelgrite?

Shanan: Thorvelgrites are a race of Viking Human aliens with intense lightning powers. They come from the distant planet of Hræsvelgr Prime which is located in F200DB-045.

Nicole: Wow! That's 168 million lightyears away.

Shanan: Yep. And they were one of the most powerful warrior races in that area. They have intensely powerful lightning powers that are as strong as Thor's times 100,000.

Nico: Yep.

Me: Wow!

Shanan: But their planet was destroyed by a black hole.

Me: Whoa man!

Superman: So she is the last of her kind.

Xaxthura: That's right.

Me: I'm sorry Xaxthura.

Nico: Some of us know how that feels.

Me: Yeah.

Anna: Do you have a favorite memory of Nico?

Xaxthura: I sure do. When me and Nico went and destroyed an entire Mafia organization in New York City and killed all his men and threw him in jail.

Nico: Yep that was awesome.

Me: Good he can stay there.

Nico: Yep.

Nico and Xaxthura hugged.

Nico: I've missed you.

Xaxthura: Same here Nico.

we went back home.

Lincoln: Ah, we're here in Steam Gardens, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we got the news that we found out on Nico's rescue when we went after Chester V.

Caleb Maxwell: The very news I didn't want to hear: Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, the four captains and senior members of The Syndicate. have been sighted here.

Cage Blunt: And no doubt they want revenge on Caleb for killing Marcus and Drake, but that's going to be the final straw for Caleb and he's going to exact horrible bloody vengeance on them because they were also there on the night he was killed.

Travis Tackett: They came to The Hollow Shade Bar while Caleb was fighting me and Cage, which led to Caleb pushing Cage and I out of the way, only for him to be shot and killed by them and Drake.

Nico: So, we're going to kill them and have them join his dad and brother in Hell. But, won't they try and escape Hell as well?

Caleb Maxwell: At this point, I don't give two shits if they escape from Hell, let them keep coming back again and again, I'll just kill them once more! (Red Eyes turn Neon Blood Red With Vengeful Fury and Hatred)

WE WERE HORRIFIED: IT WAS LIKE WE WERE LOOKING AT THE HARBINGER OF DEATH HIMSELF!

Pipp Petals: I think I'm gonna need a therapy session! He just scared the daylights out of us!

Lincoln: I know that he harbored that much anger towards his dad, his brother, and all those in his dad's organization, but I hadn't realized just how deep his anger really was. But, we did see that Caleb found out his dad and brother's dark secret, and that sowed the seed that would lead to him severing his ties with his dad and brother along with his death at the hands of his brother.

Me: This is really serious, just hope that Caleb can finally find peace with what happened to him.

CHINESE MUSIC PLAYS

We then saw a ram made of purple flame fly through the skies.

Lincoln: The ram made of purple flame, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with purple streaks and purple headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless purple crop top, white bridal gloves, crimson red skirt, black stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, purple fire, purple flames, rams, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Ram, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the ten girls.

Lincoln: (GASPS) Carly Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Ram.

Carly Zihuo: That's right, and I got the girls away from Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, but they're heading here right now, and they're out to kill Caleb again.

?: (Two Male Voices) You goddamn bastard! I don't care if you're the boss' eldest son and the young master's elder brother, you murdered our boss!

?: (Two Male Voices) And for that, you will die once more!

We then saw four males with brown hair, brown eyes, and dressed in suits and carrying guns, they were Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, the four captains and senior members of The Syndicate, and they were out for Caleb's blood!

Caleb Maxwell: Don't you dare think I'll be that easy to kill once again, and I still owe you for what you did riddling me with bullets eight years ago!

Caleb Maxwell dug his left hand into the left side of his stomach!

Me and Nico: (TRIES NOT TO HURL) OH! OH MAN! TELL ME YOU DIDN'T JUST...!

Then, Caleb Maxwell dug and pulled out the bullets that were still inside him and he dropped them to the ground as his stomach healed and sealed up, but we saw it now, those four were now seriously up shit creek without a paddle: DEATH IS COMING FOR THEM AND THERE IS NO ESCAPE!

Now, join my dad and my brother in Hell! I DON'T EVER WANT TO SEE YOU PIECES OF SHIT HERE EVER AGAIN!

WE GASPED AT THE EXTENT OF CALEB MAXWELL'S FURY AS

WE SAW HIM CRY TEARS OF BLOOD!

Then, the bloody tears hit Caleb Maxwell's True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Justice and the skull's eye sockets glowed blood red, and then, he fired a massive barrage of blood-infused bullets which hit Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell all over the place, and by the time it was over, Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell were bloodied and riddled with bullets and their suits were torn and they laid dead as Caleb Maxwell's Black Coffin of Thanatos devoured their souls and sent them straight to Hell. We cheered as we holstered our weapons and powered down.

Cage Blunt: Caleb...?

Caleb Maxwell just silently broke down and cried as more tears of blood fell from his eyes, and we saw it for ourselves, and it hurt us in our hearts.

Nico: Oh man. This...this is really bad. I can't believe how much his dad and brother seriously hurt him.

Me: I know, it really is awful.

Hunter: (German Accent) This is exactly why we'd never ever forgive Drake nor Marcus for what they did to their elder son and older brother.

Cage Blunt and Travis Tackett put their left and right arms around Caleb Maxwell's shoulders for comfort.

Lincoln: Drake and Marcus crossed too many lines when they started this whole Syndicate, and Caleb saved his mom and little sister from being dragged into that world, only for Drake and those four to respond by killing him. If they hurt his mom and his little sister, there's going to be Hell to pay if they escape from there. (To Carly Zihuo) And it's so good to see you again, Carly.

Carly Zihuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Carly Zihuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Carly Zihuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Carly Zihuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Carly Zihuo and hugged her, and Carly Zihuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carly Zihuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Carly Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Ram, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of purple fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Ram, along with having angel wings along with having intense purple fire powers. She's known as The Secondary Leader of The Sisterhood of The Fists of Fire, because she's the second-in-command of The Sisterhood. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of black fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Laura hates Lori with a blazing passion, because of what that control freak bitch has done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Lincoln showed Lori with two black eyes, broken arms and legs, bloody broken nose, and with an irreversible super double mega wedgie, and it was horrific!

Nico: Jeez. That was just nasty.

Me: I know, and I thought the thrashings Lori had gotten were bad before, the one Carly gave her topped all of them, and now that you're here, Carly.

Lincoln leaned his head down the right side of Carly Zihuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Carly Zihuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln. Oh, and the ten girls I rescued are extremely voluptuous, so...!

Me: Oh boy, it's a Code: Seductive Beauty! Let's go, gang.

We left for home except for Lincoln's harem and Nicole. Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carly Zihuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Carly Zihuo: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carly Zihuo.

Carly Zihuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Carly Zihuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Carly Zihuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the ten girls, and when Lincoln saw them, he immediately recognized them and he wound up getting a nosebleed. The ten girls are Lilysa Amano, Mikari Tachibana, Nagomi, Magino, and Mayuri Hanyu from 2.5 Dimensional Seduction and Emika Mizaku, Kanae Atoki, Rei Rokumiya, Sakurako Hyougetsuin, and Yurina Sakimachi from Boob SCHxxL Harem.

Lincoln: Oh whoa, it's Lilysa Amano, Mikari Tachibana, Nagomi, Magino, and Mayuri Hanyu from 2.5 Dimensional Seduction and Emika Mizaku, Kanae Atoki, Rei Rokumiya, Sakurako Hyougetsuin, and Yurina Sakimachi from Boob SCHxxL Harem.

Nicole: That's why Carly told Dad and the others to go home and why Dad called that code. Plus, they are as seductive as they are beautiful especially while cosplaying, hope you can keep yourself from fainting from a nosebleed, Lincoln.

Lincoln: I'll try. Are you girls okay?

Lilysa Amano: Yes, we're okay, thanks to you.

Then, when Lilysa Amano and the other nine girls saw who it was that saved them from Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command, Strategist, And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos, and Master of Elemental

Lilysa Amano: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Lilysa Amano: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lilysa Amano, Mikari Tachibana, Nagomi, Magino, Mayuri Hanyu, Emika Mizaku, Kanae Atoki, Rei Rokumiya, Sakurako Hyougetsuin, and Yurina Sakimachi with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villains we went after were Caleb Maxwell's other enemies: the four captains and the senior members of The Syndicate, Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell who wanted revenge on Caleb for killing Marcus and Drake.

But, when Lincoln showed what we all did in severely beating them down, and what Caleb Maxwell did in ending them with that attack of his and sending them all straight to Hell, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Carly Zihuo have a lot of catching up to do, now that she's back in town.

Maria: We all heard the whole thing from Cage and Travis along with the rest of the team about what happened. Man, I can't believe how pissed Caleb was.

Lincoln: That was how deep the scars were: Caleb was badly wounded by what his dad, his brother, and those four did.

Nico: And as much as we want to send them to The Black Abyss, you still don't want to send them there, Caleb?

Caleb Maxwell: It doesn't matter. I want them to suffer as I've suffered, and if they come back again, I'll just send them back to Hell again.

Me: The same can be said for Sapphire Nautilus' rapist of a father. Nico did say that if that piece of shit dares to escape from The Book of Vile Darkness, he'll just keep killing him over and over again.

Nico: I did say that. But, you should know, Caleb, you're not alone anymore. You not only have Cage, Travis, James, and the NYPD Nightshift as your friends and family along with your mom and little sister, Allie, but you also have us and you're also reunited with Hunter and the rest of his friends from all over the world.

Me: And all of them knew of the pain you've suffered through because of your dad and brother, all of them wanted to make them pay.

Caleb Maxwell: You..., you're right. I'd been dead for eight years only left with the haunting memory of who my killers were, and all I had was a burning desire for revenge on them. But, that ended with their deaths at my hands, but what you all said is true, I'm not alone anymore, I not only have Cage, Travis, James, and the NYPD Nightshift as my friends and family along with Mom and Allie, but I also have you and I'm also reunited with Hunter and the rest of his friends from all over the world, and that is the one thing that sets me apart from Dad and Drake.

Lincoln: If they show up again, we'll be sure to give them a really nasty surprise before you shoot them dead once again.

Caleb Maxwell: Thanks.

After Lincoln and all of us beat down Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell and Caleb Maxwell shot them all dead, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carly Zihuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Carly Zihuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carly, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Carly Zihuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Carly Zihuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000.000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

?: I see you're still working out and training as hard as ever, Lincoln.

Lincoln: That voice.

Suddenly, we saw a girl enter: she has long white hair, blue eyes, black angel wings, and she's dressed in black clothes, and she has a darkness greatsword holstered on her back.

Nicholette Torrington: (GASPS) Malena Corvinus, Gene-Slammer of Parl, Hermit of Dark World?!

Clara St. Clarice: The missing member of The Goths of Dark World is back!

Nico: You know her, Lincoln?

Lincoln: I sure do. This is Malena Corvinus, Gene-Slammer of Parl, Hermit of Dark World, she's my Guardian Angel from Michigan and she's a powerful Goth Girl born with darkness, dark magic, black magic, Satanic Magic, and black angel wings. She's also a member of The Goth Girls of Dark World formed by Nicholette Torrington and her friends and she's also a friend of Lucy and the Young Morticians' Club.

Nicholette Torrington: And there's something you all should know about her, and this concerns both Selene, Michael, Eve, and David: Malena is also a descendant of Alexander Corvinus, the fifth Century warlord turned Immortal from Hungary, and she's kept a close eye on both the Vampires and Lycans in Hungary and she kept an eye on Kraven since she knew he was hungry for power and desired to dominate the Coven along with his secret alliance with Lucian, progenitor and leader of The Lycans, but thanks to Lucian's pursuit of Michael Corvin, her distant cousin, Kraven's lust for power and domination failed and that almost exposed the world to the blood feud that's raged for centuries, a war started because of Viktor's actions in the 15th Century.

WE GASPED!

Eli: I had no idea about that!

Selene (Underworld): I remembered seeing her near the mansion and keeping an eye on the Lycans, and she's thrown our security off many times before.

Giselle Harrington: She's used her powers of darkness to do just that. Malena told Lincoln along with Nicholette and all of us of her lineage and about The Vampire-Lycan War that's been going on for 600 years, and they swore to not only keep it a secret, but we also protected Malena from the Lycans and from Kraven, Viktor, and by extension, Marcus Corvinus, the blood leader of The Vampires and her ancestor's son.

Me: In other words, this was long before we...!

Nico: Before any of us met Selene, Eve, David, and Michael Corvin, but by then, the world of the vampires and Lycans was exposed to the public, and two years ago, we brought an end to the war with the death of Marius, and a month ago, we killed Viktor and Kraven who came back thanks to Morgana Midnight Sparkle's dark magic and sent them to The Black Abyss.

Malena Corvinus: I still couldn't believe Morgana did that. When we see her and the other Midnight Princesses again, I'm gonna tear them apart!

Lincoln: We'll do just that, Malena.

Bertha Sellington: She always enjoyed crossing lines and pissing us off. And Lincoln made her a darkness greatsword, and to show thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion, because that heartless bitch had the nerve to try and expose Malena to the Lycans, but that didn't happen as Lincoln and the other Dark World Goth Girls dealt with them and they viciously beat up Lori.

We gasped in pure horror!

Eli: Lori, of all the stupid dirty deeds you've done to piss off your own brother and his Guardian Angels, this was by far the lowest!

Lincoln: But, we got rid of The Lycans that Lori met up with and we beat Lori up for what she did.

Selene (Underworld): Unfortunately, it was too late, Dark Lori's stunt dragged you and your Guardian Angels into our ancient conflict.

Nicholette Torrington: We were really pissed off at Lori for what she did, because of her actions, we had to increase security for Malena. If that bitch, Dark Lori, comes back, she and the rest of those insufferable Dark Sides of The Louds are heading for a one-way trip to The Black Abyss, but not before we beat them all senselessly into the ground!

Nico: We'll hold you on that matter, Nicholette. But, it won't just be them, there's also no doubt that Killjoy Huggins, Ophelia Shroud, Hawk, Hank, The Stankcos, and Dark Chase Young also among the group of those who made Lincoln suffer, so if they all show up on the big day of Lincoln's future Ambassador Mission, all of them are heading for The Black Abyss.

Clara St. Clarice: I can't wait to see what Lincoln will do to them, it'll be payback times infinity on the five bitches and those outright monsters!

Elizabeth Afton: (Swooning) I truly missed out on a lot after what William did in killing me. Lincoln's truly grown up to be that strong and manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nut (SMITE), Bel'Veth, Xayah, Nami, Zoe, Leona, Orianna, Vayne, Karma, Morgana, Janna, Sivir, Zeri, Kai'Sa, Lillia, Neeko, Evie, Lillith, Rei, Tyra, Ying, Furia, Kalypso, Kareena, Karst, Katejina Loos, Elizabeth Afton/Scrap Baby, Simulator Airazor (Beast Wars), Universe 666 D'Vorah, Miss Delight, Hoppy Hopscotch, Bobby BearHug, Picky Piggy, and Crafty Corn and they hugged the girls in their abnormally massive and powerful muscular arms and Nut (SMITE), Bel'Veth, Xayah, Nami, Zoe, Leona, Orianna, Vayne, Karma, Morgana, Janna, Sivir, Zeri, Kai'Sa, Lillia, Neeko, Evie, Lillith, Rei, Tyra, Ying, Furia, Kalypso, Kareena, Karst, Katejina Loos, Elizabeth Afton/Scrap Baby, Simulator Airazor (Beast Wars), Universe 666 D'Vorah, Miss Delight, Hoppy Hopscotch, Bobby BearHug, Picky Piggy, and Crafty Corn placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Nut (SMITE), Bel'Veth, Xayah, Nami, Zoe, Leona, Orianna, Vayne, Karma, Morgana, Janna, Sivir, Zeri, Kai'Sa, Lillia, Neeko, Evie, Lillith, Rei, Tyra, Ying, Furia, Kalypso, Kareena, Karst, Katejina Loos, Elizabeth Afton/Scrap Baby, Simulator Airazor (Beast Wars), Universe 666 D'Vorah, Miss Delight, Hoppy Hopscotch, Bobby BearHug, Picky Piggy, and Crafty Corn and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, thirty-four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nut (SMITE), Bel'Veth, Xayah, Nami, Zoe, Leona, Orianna, Vayne, Karma, Morgana, Janna, Sivir, Zeri, Kai'Sa, Lillia, Neeko, Evie, Lillith, Rei, Tyra, Ying, Furia, Kalypso, Kareena, Karst, Katejina Loos, Elizabeth Afton/Scrap Baby, Simulator Airazor (Beast Wars), Universe 666 D'Vorah, Miss Delight, Hoppy Hopscotch, Bobby BearHug, Picky Piggy, and Crafty Corn on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Nut (SMITE), Bel'Veth, Xayah, Nami, Zoe, Leona, Orianna, Vayne, Karma, Morgana, Janna, Sivir, Zeri, Kai'Sa, Lillia, Neeko, Evie, Lillith, Rei, Tyra, Ying, Furia, Kalypso, Kareena, Karst, Katejina Loos, Elizabeth Afton/Scrap Baby, Simulator Airazor (Beast Wars), Universe 666 D'Vorah, Miss Delight, Hoppy Hopscotch, Bobby BearHug, Picky Piggy, and Crafty Corn are in your harem, Linky.

Nut (SMITE), Bel'Veth, Xayah, Nami, Zoe, Leona, Orianna, Vayne, Karma, Morgana, Janna, Sivir, Zeri, Kai'Sa, Lillia, Neeko, Evie, Lillith, Rei, Tyra, Ying, Furia, Kalypso, Kareena, Karst, Katejina Loos, Elizabeth Afton/Scrap Baby, Simulator Airazor (Beast Wars), Universe 666 D'Vorah, Miss Delight, Hoppy Hopscotch, Bobby BearHug, Picky Piggy, and Crafty Corn showed the marks Lincoln made on the right sides of their necks.

Girl Jordan: I was so happy that you brought Elizabeth back, Linky. But, I'm so mad that William was the one who murdered her, if we ever see that serial killer, he's going to die!

Jenna: You guys had no trouble at all.

Elizabeth Afton: Nope, not at all. But, Linky did have us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles. It's hard to believe that Lincoln went from the cute 11-year-old to what he is right now.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons

of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Ooh, they're in trouble!

Later it was time for another Super Mario Odyssey adventure.

Nico: Next is Ruined Kingdom for round 2

Me: Awesome! You know I'll be going.

Eli: And me too.

Anakin: And me and Sabrina will go as well. I sense something about to come.

Sabrina: I sense it too.

Nico: Okay. Lets go.

We went in and the Simulator activated and we were at Ruined Kingdom!

Eli: Whoa! This is scary.

Me: I know.

Sabrina: Wow you weren't kidding about it being something out of an apocalyptic movie.

Me: I know and it was amazing.

Nicole: You guys are gonna like the bad guy I picked for this one.

Me: I sense a huge one.

Nicole: Yep.

Nico: Which is?

Nicole: Oh I don't want to spoil the surprise. He's on the spot where you faced the Lord of Lightning.

Eli: Lets get a move on.

We were off.

We flew and it was a scary place.

We landed and then to our shock we saw DARTH MAUL!

Me: Darth Maul!?

Nico: Oh no!

Anakin: I knew it was him!

Darth Maul: (Ignites Red Lightsaber) You will not stop me this time Anakin! Soon I will kill all of you and Team Loud Phoenix Storm and the Republic and the Confederacy will fall and my revenge will be complete!

Me: What kind of fucked up world do you live in!?

Anakin: You're deluded Maul. Your hate blinds you.

Darth Maul: We shall see.

Me: And this time you will STAY DEAD!

We ignited our lightsabers!

Eli: You will pay for your crimes Maul.

Anakin: For sure!

DUEL OF THE FATES PLAYS!

Eli clashed with him and sparks flew all over as they clashed.

We clashed with him.

ZAP ZAP ZAP ZAP ZAP ZAP!

I clashed with him and lightning struck all over the place and I kicked him in his face and jumped back.

Eli fired a blast of Force Lightning and Darth Maul fired a blast of his lightning and the blasts collided and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Sabrina and Anakin jumped out of the Smoke and slashed at him and he blocked their strikes and I teleported and slashed him on his back and he screamed.

Me: You are disgusting Maul!

Darth Maul: I cannot be killed! Not by you! Not by anyone!

Me: Oh really? I killed you before and we can kill you again!

Me and Darth Maul clashed and looked at each other in the eyes. My eyes were rainbow and his eyes were red and overflowing with intense burning hatred!

I headbutt him and punched him in his face and sent him crashing into the wall!

He got up and roared!

Sabrina: My turn!

She fired a blast of Force energy and blasted him all over.

Darth Maul: My attack is lethal!

Me: Ha. Your overconfidence will be your undoing! Just like when we killed Palpatine!

Darth Maul: Your tenacity is your downfall!

We clashed more and sparks flew everywhere.

Anakin slashed at him and he ducked and I teleported and kicked him and jumped and slashed him across his chest and kicked him in his face and knocked him down!

Darth Maul: Submit or suffer!

Me: You're the one that's going to suffer!

HE ROARED AND WENT AT ME AND I CLASHED

FEROCIOUSLY!

Sparks and lightning blasts flew everywhere and massive fiery explosions were blasting all over.

I punched him and kicked him in his face and kicked him down.

Anakin: You're not even on the level of my Darth Vader self!

Nico: No he was worse! And you are just a low grade amateur!

Darth Maul: I WILL KILL YOU FOR THAT!

He slashed at Nico! But nico dodged all his strikes like they were nothing!

Darth Maul: Submit or suffer!

Me: You're the one that's going to suffer!

HE ROARED AND WENT AT ME AND I CLASHED FEROCIOUSLY WITH HIM!

Sparks and lightning blasts flew everywhere and massive fiery explosions were blasting all over.

I punched him and kicked him in his face and kicked him down.

Anakin: You're not even on the level of my Darth Vader self!

Nico: No he was worse! And you are just a low grade amateur!

Darth Maul: I WILL KILL YOU FOR THAT!

He slashed at Nico! But nico dodged all his strikes like they were nothing!

Nico: At least he had a justifiable reason for his crimes. What's your excuse?!

Me: All you want is some worthless petty revenge! You're no better than all the Evil Sasuke's we killed!

Eli: Yeah!

Eli fired a wave of Force Fire and blasted him down!

Eli: At least the Jedi learn from their mistakes! The Sith are nothing more than just worthless pawns in a scheme of pure darkness!

Sabrina: That's right! Palpatine paid the ultimate price for his crimes!

Anakin: Just like you will Maul!

Darth Maul: Then come prove it!

He went at us and we clashed more with him.

I punched him and he went at us and I kicked him in the back.

Nico: Funny. He seems to be putting up more of a fight this time.

Darth Maul got up.

Darth Maul: I HATE YOU ALL!

Our auras flared up with intense force!

Me: Big mistake pal!

I teleported and slashed him and slashed his Lightsaber in two!

Eli used the Force and threw numerous rocks at him!

Anakin: He should be easy now, right?

Nico: He should be.

He threw one half of his lightsaber away.

?: (ECHOING) CLEANSING LIGHT!

A light laser blast and missiles hit him and then out came Beowulfmon and a girl with green hair, green eyes, green clothes and green angel wings and had tiara with Commander Yanmark on it.

Chloe Yanmark: Chloe Yanmark, embodiment of Commander Yanmark.

Anakin: Awesome you made it Chloe.

Sabrina: You sure did.

Chloe Yanmark: Long time no see Master Anakin and you too Sabrina.

Beowulfmon: (In a girls voice) Looks like the fun is about to start.

Nico: Nikki Beowulf!? Wow!

Beowulfmon: Awesome to see you again Nico.

Nico: Yep.

Me: Lets finish him.

Darth Maul: You have a lot to learn fools!

Me: You're the one that has a lot to learn!

Nico: (gets out Jasper and Roller Ghoster's Ridewatches) Time to ride the knuckle sandwich express!

Nico activated them and ran at Darth Maul and bashed him in the face.

Anakin and Sabrina blasted him.

Eli and me fired waves of energy and Chloe Yanmark fired waves of energy and blasted him all over.

Nikki reverted back and was a girl with blue hair, blue eyes, blue clothes and had blue angel wings and had Beowulfmon on her forehead and skirt and had the Light Spirit Kanji on her arm and a deadly light sword.

Nikki Beowulf: My ancestor was Beowulf and now you will see his fierce power!

She flew at Darth Maul and then...

SLASH!

SHE CLEAVED HIM IN HALF AND KILLED HIM INSTANTLY!

Nico: WHOA!

Me: WOW! That was awesome!

Nico: YEAH!

Sabrina: And without a lightsaber!

Me: YEAH!

We got 30 Power Moons as a result!

Nico: Cool!

We all high five.

Nico: How did you meet Anakin and Sabrina?

Chloe Yanmark: Well I met Anakin during the battle of Geonosis and I helped him battle Dooku.

Me: That was an awesome battle.

Eli: Really epic too.

Chloe Yanmark: Yeah and Anakin trained me and Ahsoka in the ways of the Force before I became the Embodiment of Commander Yanmark.

Me: Wow that is awesome.

Chloe Yanmark: Yeah. And I met Sabrina when she and Carly Beth were fighting copies of the Haunted Mask still running around. I destroyed them with my Jedi training.

Sabrina: She sure did and it was awesome.

Chloe Yanmark: And I even reprimanded those jerks Chuck and Steve. But that was a long time ago.

Me: Wow! I see. And Nikki your ancestor was the legendary hero Beowulf? He lived back during the European Dark Ages.

Nikki Beowulf: That's right and he was a mighty warrior and an amazing leader. His warrior blood runs through me now.

Me: That is amazing that you have ancestral ties to the legendary mighty hero Beowulf. I've read a lot about him and he was a very powerful and noble hero.

Nikki Beowulf: Yeah.

Me: Do you have any favorite memories of Nico?

Nikki Beowulf: I sure do. When me and Nico went to Norway and found an awesome viking treasure trove and donated it to the museums of the world.

Me: That is cool.

Nico: It sure was.

Nico and Nikki hugged.

Nico: I've missed you.

Nikki Beowulf: Same here.

Nico: Would you two like to join us?

Chloe Yanmark: We would be honored.

We left the simulator and everyone cheered wildly for us.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Sunny Starscout's main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Drakkon was walking back to his room.

Lord Drakkon: I could use a good book to read.

He went in. His room was FULL of a massive collection of Power Rangers and Super Sentai merchandise from over the last 47+ Years! Including King Ohgers!

He sat down in his chair and was reading a coming.

He then felt something and saw Poromon.

Poromon: Hello!

Lord Drakkon: Poromon? What are you doing here?

Poromon: Playing hide and seek with the mascots.

Lord Drakkon: Wow

Twilight: Oh dear God. Where are the mascots now?

Me: Oh boy they must be playing hide and seek at M.O.E. HQ again.

Nico: Lets go see another room then.

Camie: Yeah.

We were off to M.O.E. HQ.

Drakkon: Where are Poliwag and the others?

The door opened and in came the said mascots.

Poliwag: Found ya!

Manaphy: Wow! Lord Drakkon this is amazing! You have all the merchandise from Super Sentai and Power Rangers from 1975 to the present?

Lord Drakkon: Yeah it's a huge hobby. I am a collector.

Poliwag: This is amazing! You can't even find most of this anymore.

Lord Drakkon: I know.

We were flying.

Sunny: I'm so excited for my mission today!

Me: We are too Sunny.

Aqua: Yeah this will be fun.

Harry Potter: (British Accent) It's gonna be fun.

Me: Yep.

Twilight Sparkle: The legacy of me is ready for this.

Me: Yep.

We arrived and I knocked on the door and Vypra answered.

Vypra: Hey guys.

Me: Hey Vypra.

Vypra: Mascots in here again?

Me: Yep.

Vypra: Come on in.

We went in.

Horsea: Look. A toy version of Kairi Yano's Dial Fighter!

Lord Drakkon: Yep. Bought those after we first met the LupinRangers and PatRangers.

Horsea: Cool!

Poliwag: Wow! Action figures of Vypra, Diabolico and Queen Bansheera.

Lord Drakkon: Vypra doesn't mind the action figures of Bansheera.

Horsea: Cool!

We arrived at Lord Drakkon's room.

Vypra: They are in here.

We went in.

Poromon: Hey guys!

Me: Hey guys. Wow! Lord Drakkon you have a lot of amazing Power Rangers Stuff!

Nico: Wow! This is amazing! This has to be the most amazing collection of Power Rangers and Super Sentai merchandise ever.

Lord Drakkon: Yep. I've been collecting this since 1993.

Me: Wow!

I looked at some stuff.

Me: Wow this brings back memories! Lightspeed Rescue Toys. I loved playing with these a a long time ago.

Nico: Wow! No kidding.

Lord Drakkon: Yeah it's fun for me.

Me: And you have the latest King Ohger toys too. That is cool.

Nico: Yeah.

Lord Drakkon: Yep they just came out today.

Qin: Wow!

Blossom: Wow and I thought Lenny Baxtor had more than enough toys of us, the Powerpuff Girls.

Me: I remember that Lenny Baxtor loved collecting the toys and merchandise for you girls.

Nico: Yeah.

Lord Drakkon: Yeah he has all that stuff in his room. You should see how big a collection he has.

Me: I believe it.

Lord Drakkon: But with the rangers and Sentai teams expanding each year there's more coming in.

Me: Yeah I believe it. And the Boonboomger rangers toys are coming soon.

Lola: Yeah.

Vypra: Yeah I was shocked seeing this amazing collection and impressed that he has all our merchandise from over the years.

Qin: That is awesome.

Crankcase: That's right. The King Ohgers finished their adventures.

Me: Yeah but they actually finish next month on the 25th of February.

Crankcase: Oh sorry.

Me: No worries. Soon we will be helping them out.

Lola: Yeah.

Crankcase: They even got replicas of the Sentai gears.

Nico: Cool! Just like the ones I made.

Me: Yeah.

Kaito: That is cool.

Zocks: It sure is.

Armada Hoist: Don't Lana, May, and Starfire have those missions?

Nico: Yes they do.

Lana: Awesome!

May: This is gonna be cool going to Chikyu to help them out.

Starfire: Oh it will be glorious.

Me: It sure will. I hope we battle each of their monsters to help Lana and everyone prepare for it like we did on Lyra's missions.

Nico: That would be fun.

We later went back home.

Ransack: What do you think Sergeant Subatomic's plan is gonna be?

Nico: Probably sending some random monsters, defeating said monsters, and making himself to be a hero in the eyes of the public

Nicole: No way are we going to let that happen.

Me: Don't want a repeat of Team Buktu.

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than Sergeant Subatomic, and he's on the move and is causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you've finally made your move, Sergeant Subatomic.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than Sergeant Subatomic, and he's on the move and is causing havoc.

WE GASPED!

Sunny Starscout: I knew it.

Nico: So, Sergeant Subatomic's finally on the move, and now, we can finally destroy him forever.

Me: You said it.

Eli: He's finally getting The Black Abyss for what he's done.

Me: No he's not worth killing. Jail is more appropriate for him.

Eli: Okay then.

Nico: You said a mouthful. Alright, team, let's get ready to head to Mega City and take down that piece of shit, Sergeant Subatomic.

Lincoln: He's not getting away with this, the time to destroy him has finally come.

Me: I agree.

The previous group came.

Skulker: Can me, Mumbo Jumbo, Patty & Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, Machinedramon, Toad, and Salami Swami go with you guys? And I assure you that me coming along right away is purely a coincidence!

Nico: We know and yes you all can come with.

Xenia: Yeah.

Me: Awesome.

Ravager: Nico, which Gene Slammer do you think you'll meet next?

Nico: Three of them this time. Geckomon, Otamamon and ShogunGeckomon,

Me: Whoa! Mimi's friends as gene-slammers.

Mimi Tachikawa: It sure will be awesome.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: the figure to our shock and horror was none other than Lady Tremaine, and she's suddenly returned from The Black Gates and she's still out to get revenge on us and Cinderella. When we saw it, we knew it meant trouble.

Lincoln, Nico, me, and the Louds: YOU'VE GOT TO BE FUCKING

KIDDING!

Rayman: Please, tell me that wasn't who I think we just saw!

Lincoln: I'm afraid it is, Rayman, and I thought we were through with her. The figure that we just saw is none other than Lady Tremaine, and she's the next of Anti-Monitor's minions who's returned from The Black Gates and she's still out to get revenge on us and Cinderella.

WHEN WE HEARD IT, NOT ONLY WERE WE HORRIFIED, BUT NOW, WE WERE BEYOND MEGA PISSED OFF!

Nico: OF ALL THE! (GROWLS) I THOUGHT WE WERE RID OF HER SINCE NOVEMBER!

Me: Knowing her, that bitch refuses to stay dead! Well, that's the last fucking straw!

Sunny Starscout: She won't be leaving here alive. She and Sergeant Subatomic are both heading for The Black Abyss, I'll make her pay for what she did and all for her greedy selfish agenda.

Connor Chan: For sure. I'm disgusted that a black widow bitch like her exists!

Nico: There've been many black widows like her, but she won't see the light of day ever again, this is where she dies once and for all. Alright, team, let's go, we're off to Mega City to help Joey and the others destroy Sergeant Subatomic.

Lincoln: That monster's looking at a one-way trip to The Black Abyss after we get done with him, and once we get done with him, you're next, Lady Tremaine.

Sunny Starscout: Starlight Glimmer, Asteria Astrophel, and Lincoln got rid of you before, and now, we're going to do the same to you, but this time, we'll make absolutely sure that you never ever rise again, Lady Tremaine.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Mega City to help Joey and the others destroy Sergeant Subatomic, and once we got done with him, Lincoln, Sunny Starscout, Aqua, and Harry Potter are going to destroy Lady Tremaine, and this time, we'll make sure she stays dead and eternally forgotten forever.

We were off to Mega City

We arrived.

Golden Glider: Is this it?

Me: Yep.

We were at the house of Joey Felt.

Sunny Starscout: Awesome!

We went and knocked on the door.

Joey answered it.

Joey Felt: Hey guys! You all made it!

Me: Like we would miss this for anything.

Snaptrap: Can we come in?

Joey Felt: Sure guys.

We went in.

Pauline Bell: Hey guys you all made it!

Sunny Starscout: We're so excited to help out.

Aqua: We sure are.

Joey Felt: I know and it was awesome to help you guys 2 days ago.

Grizzly: We want to thank you guys for helping to take down King Guesra

Captain Atomic: It was no trouble at all.

Me: That was so awesome.

Joey Felt: Yeah it was.

Pauline Bell: Yeah.

Gemini Man: Captain, do you use an Atomic Breath in battle?

Captain Atomic: No I don't have that kind of power.

Carol: You're thinking of Godzilla who can do that.

Me: Yeah.

Gemini Man: Oh sorry.

Me: That would be cool if Captain Atomic can do that.

Xenia: Yep.

Gemini Man: Sorry I meant to ask if he can do an Atomic Blaster in battle.

Captain Atomic: Now THAT I can do.

Me: Awesome. Can't wait.

Patty: Anyone of you want a smoke?

Machinedramon: This is actually optional.

Mandee: No thanks. But here light ya?

Selma: Sure.

She flicked her thumb and formed a flame and lit their cigarettes.

Patty: Thanks.

Mandee: Anytime.

Annika Van Houten: I brought my own.

She puffed an E Cigarette.

Me: Patty and Selma smoke a lot. But for me...

I pulled out a peppermint stick and pretended like I was smoking.

Me: I like smoking peppermint.

Nico: It's not really smoking. Just making him cool.

Me: Yeah.

Joey: That's cool. I'm too young to smoke.

Kitten: Machinedramon just said it was optional

Me: Yes we know.

Lola: Yeah.

Camie: Speaking of smoking.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 2 bottles of beer.

Poromon: (to Joey and his friends) Hello there! I'm the beer fairy! Come to give you guys 2 bottles of beer!

Salami Swami: You get one under a pillow if you've been good

Pauline Bell: Oh Poromon is so cute as a fairy.

Lily: Yeah he sure is.

Joey Felt: Yeah. But we're too young for beer sorry.

Me: Luckily I do have have something that is just as good.

I pulled out my cooler and gave them bottles of root beer.

Pauline Bell: Root beer! Awesome!

Joey Felt: Yeah!

They opened the bottles.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Vivian Felt: No son of mine will be drinking beer!

Bright Man: Ok. How about you and your husband?

Vivian Felt: Oh no thank you I don't drink.

Phil Felt: Sorry no.

Me: I gave them root beer.

Vivian Felt: That's good.

Me: But there's another thing you might not like and it's B-L-O-O-D A-N-D H-O-N-E-Y.

Joey Felt: Um...say what?

Manaphy: HE MEANS THE BLOOD AND HONEY MOVIE! (shows trailer close to Joey Felt's face) LOOK AT IT! IT'S UGLY, ISN'T IT?!

Joey Felt: HORRIBLE! IS THAT THE MOVIE I THINK IT IS?!

Poromon: (shows trailer close to Captain Atomic's face) YOU LOOK AT IT!

Captain Atomic: WHAT IS THAT MOVIE!

Poliwag: (shows trailer close to Pauline Bell's face) YOU LOOK AT IT!

Pauline Bell: (SCREAMS) HORRIBLE!

Horsea: (shows trailer close to Phil Felt's face) LOOK AT IT!

Phil Felt: HORRIBLE!

Vivian Felt: HORRIFYING!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

Toad: It's been 7 months since they've done this.

Me: OH FOR FUCKS SAKE!

I spun my magisword bracelet!

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed the mascots down.

Me: Why did I have to open my big fucking mouth and spell it out for them.

Joey Felt: Is that the Blood and Honey movie?

Commander Mars: It sure is.

Hoppip: Take a good look at it and SEE WHAT IS THE RESULT OF GREEDY MOVIE MAKERS GETTING THE IDEA OF TURNING BELOVED CHILDHOOD CLASSICS INTO HORROR FILMS!

Me: Yeah.

Lola: They turned Winnie The Pooh into a dark and savage monster!

Qin: Yeah!

Me: We went into a massive lawsuit against that. And won.

Vivian Felt: I remember watching that! That was intense!

Lola: It was.

Camie: But we got that movie banned forever.

Joey Felt: Wait. Are those versions even real?

Zzzax: Yep. But I wasn't there for when J.D. and the others fought them.

Mevya: WE DESTROYED THE ABOMINATIONS! CHRISTOPHER ROBIN LEAVING THEM WAS NO EXCUSE!

Me: Yeah! He was going to college and they turned into savage monsters.

Xenia: It was awful.

Kit Taylor: It was after my adventure with Natalia.

Joey Felt: You should've given the creators the Black Gates for spitting on Pooh and Piglet like this!

Miranda: We gave the creations that, not the creators.

Me: Besides the creators are INNOCENT PEOPLE and our code NEVER ALLOWS us to do harm to the innocent.

Lola: Yeah!

Captain Atomic: He's right on that. As superheroes it's our job to protect the innocent. Not destroy them.

Me: Yeah that's something Sergeant Subatomic would do.

Maria: First can you tell us about him?

Captain Atomic: Sure. He's my former Sidekick, Mookie.

He went over his history.

Mookie, also known Sergeant Subatomic is the main antagonist of the Canadian-French animated series Atomic Puppet. He was an arch-enemy of Captain Atomic.

He was voiced by Peter Oldring.

Sergeant Subatomic is Captain Atomic's bitter and envious former sidekick and is responsible for his transformation into a puppet, done in an attempt to replace him as Mega City's protector. While Mookie does have a wide assortment of gadgets to use, by himself, he's nothing more than a glory hound that lives in his mother's basement. He frequently tries to force the citizens of Mega City to accept him as their hero, but his incompetence and lack of superpowers fail to win them over.

When it was done we were shocked!

Barnacle Boy: He and I have so much in common.

Me: Really Barnacle Boy?

Barnacle Boy: Yeah. I was bitter and envious of Mermaidman most of the time. But I would never turn against him like that.

Lily: Mermaidman and Barnacle Boy have known each other since they were in college and beyond. For over 50 years they did it all.

Mermaidman: It's true. Good times.

Barnacle Boy: Maybe I can try and talk him down.

Professor XXXL: And when that fails, we beat the crap out of him and Tremaine!

Nico: Good idea.

Joey Felt: I can't believe Anti-Monitor brought back many of your major enemies!

Me: I know.

Sunny Starscout: Good think I told you guys.

Pauline Bell: Yeah.

Lincoln then had a Premonition!

Lincoln: Whoa! We got trouble!

Me: Uh oh! An Akuma coming?

Lincoln: Yeah! Aqua's Akuma.

WE GASPED!

Me: Who is she?

Lincoln: Her name is Dark Spellweaver. She is a being made entirely out of pure energy and has as much power as the Crystal of Atlantis. She is intensely powerful and her powers are Nearly Omnipotent. She was made when she lost Terra and Ventus died and vowed to destroy the one responsible for it: XEHANORT

Me: WHOA!

Nico: What does she look like?

He pulled out a sketch of her and we were shocked to see her. She looked like how Kida turned into when she was bonded with The Atlantis Crystal and had wings. She was made of pure energy!

Me: Whoa!

Nico: Where is she?

Eli: (CONCENTRATES) 40 yards and closing.

Me: Lets get out there.

Nico: Right.

We went down to the street and we saw a figure coming.

We saw her and it was DARK SPELLWEAVER!

Me: Whoa! Her power is mindboggling!

Qin: Wow! She's made of pure energy!

Lola: Amazing!

Riku: Aqua?

Dark Spellweaver: (Spirit Voice) Yes Riku it's me. And Terra and Ventus I'm glad you're back. Where is Xehanort?

Me: I'm afraid you are too late on that one. Me and Nico here are the ones that killed him.

Aqua: Yeah.

Dark Spellweaver: I had a feeling he was dead.

Aqua: Wow my Akuma form is incredible.

Kida: It's like being bonded to the Great Crystal all over again.

Me: It sure feels like it.

Skulker: Xehanort's gone for good, Aqua. The Anti Monitor didn't bring him back. You can stand down or we'll make you!

Me: That's right Aqua. We don't want to hurt you like this but we will do what we can if we have to.

Dark Spellweaver: I understand. Please hit me with your best shot.

Skulker: Okay then.

Skulker and me and Aqua fired energy blasts and they hit her and knocked her down.

Me: Boy that was easy.

Dark Spellweaver: (gets up) You didn't think it was that easy, did you?

Skulker: Not really. Hit us with your best shot!

She fired a blast of energy and I deflected it back.

Skulker fired a blast of energy and I fired a powerful blast of energy and we blasted her down

Skulker fired numerous missiles at her And blasted her down in a fiery explosion.

Me: Bullseye!

Qin: Yeah!

She was knocked out.

Me: There.

Qin: That was awesome!

Me: Yeah!

Razorclaw: At least she wasn't like Anti Aqua

Me: Thank goodness.

Qin: Yeah.

Aqua: But it was cool meeting my akuma.

Xenia: Yeah.

Nico: Looks like we were right.

Professor Tite-Gripp (also known simply as Tite-Gripp) is one of three secondary antagonists (alongside Naughty Kitty and Zorp) of the Canadian-French animated series Atomic Puppet. He is a criminal that uses mechanical hands for grabbing.

Professor Tite-Gripp was a cunning and ruthless criminal with massive mechanical hands that give him superhuman strength. He was originally Captain Atomic's archenemy and is now Atomic Puppet's most dangerous foe.

Joey Felt: Professor Tite-Gripp!

Professor Tite-Gripp: If you want Sergeant Subatomic, you'll have to go through me!

?: You won't be a problem!

In the warehouse Malachite and Tala came.

Skulker: (to Malachite and Tala) Thanks for coming.

Malachite: Anytime.

Tala: This will be good.

In the warehouse we saw Subatomic bashing and destroying robots of Darksides.

Me: (Whispering) Okay Mysterio needs to get all his robots back.

Nico: Yeah.

Malachite, Skulker and Tala went up to him.

Sergeant Subatomic was finishing off the last of the Darkside Heartless.

Sergeant Subatomic: You've had your fun, Heartless scum, but curfew is in full effect and it packs lethal force!

He fires a few more lasers from his blaster, killing the last Darkside. A crowd of people behind him bursts into smiles and cheers as they gather around him, almost reverently. Sergeant Subatomic turns to greet his followers with a broad smile, arms outstretched.

Sergeant Subatomic: No, no, no, people. I'm just doin' my job. It was nothin'. Everything's gonna be okay now that I'm here.

The crowd seems to agree, but goes quiet with fear and confusion. Sergeant Subatomic follows their gaze and sees Skulker, Tala, and Malachite.

Tala: So, you really think you've convinced the people here that you're a hero, Subatomic? I'll have to disagree.

Skulker: (to the crowd of people) Let me tell you something. Your so called hero is a brat of a man who turned Captain Atomic into a puppet in the first place. All so he could bask in your cheers and praises for killing Heartless that HE sent.

The crowd gasped as Subatomic tried to reassure them.

Sergeant Subatomic: Don't mind these guys, ladies and gentleman.

Just needs a bit of a talkin' to…

Malachite: Oh no. Us and our friends are gonna give YOU a talking to!

Sergeant Subatomic: What are you talking about?

Then the spirits of nuclear energy came and swirled aroun him and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and then we came out.

Me: They mean us! Sergeant Subatomic, you're under arrest!

Sergeant Subatomic: Team Loud Phoenix Storm!?

Me: The True heroes!

The Crowd Cheered for us!

Barnacle Boy went over to him.

Barnacle Boy: Okay, Subatomic. I know you did this because you felt stuck in Captain Atomic's shadow. I know what that's like. I used to feel like I was in Mermaid Man's shadow too. But I grew over that. And you can grow over that too. All you need to do is stop this.

It looked like Sergeant Subatomic was going to consider that offer.

Me: And Lady Tremaine, we know you're hidinig in the shadows so you can come out now you golddigging black widow!

But then, a very unwelcome voice spoke.

?: You ruined my entrance!

Lady Tremaine walked out of the shadows

Aqua: Well well well if it isn't my least favorite villain that I faced.

Lady Tremaine: Aqua what an unpleasant surprise.

Aqua: Nice to know I made an impression and also That Cursed Coach should've completly incinerated you with its' attack!

Tremaine: But it didn't. And now, I get to take revenge on you all for foiling my plans!

Me: We'll see about that!

Cinderella: You killed my father! You made him suffer a terrible death and worked me like a slave all just for your own greed and selfishness!

Tremaine: You were never meant to live Happily Ever After! I WAS!

Me: I don't know what Cinderella's father ever saw in a golddigging parasitic leach like you!

Lady Tremaine: That man got what he deserved!

Me: By all accounts, you should have taken that poison! Not him! You just let him suffer and die and treat his only daughter like a slave!

Anastasia: That's right mother! I never liked what you did to Cinderella! You hurt her for far too long!

Sergeant Subatomic: Boy I read Cinderella a lot when I was a kid! I didn't know Tremaine was that evil!

Me: Yeah she was one of the worst.

Sergeant Subatomic: You'll have to tell me more about it later. But we got to fight now. Kudabots!

An army of Kudabots appeared

Me: Kudabots! Now you're talking!

Xenia: YEAH!

We fired energy and element blasts and blasted them all over.

Then the Kudabots jumped Joey and friends.

Joey, Captain Atomic, and their friends lay defeated at the hands of the Kudabots.

Sergeant Subatomic: If I can't be this city's hero, I'll be its' greatest hero by killing you all!

Tremaine: You can have the rest. I want Aqua to die at my hands.

Aqua punched Tremaine down!

Aqua: Not if I finish you myself!

POW!

I punched a Kudabot!

Horsea: Oh no. What do we do?!

Aqua, Harry, and Sunny got an idea.

Aqua: (to everyone watching) Everyone out there! Lend the Joey, Captain Atomic, and their friends your strength! They get stronger with your support! When I go "1, 2", shout "Let's Go Atomic"! Okay? 1, 2...

All: LET'S GO ATOMIC!

Harry: One more time! 1, 2...

All: LET'S GO ATOMIC!

Sunny: Louder! 1, 2...

All: (LOUDER!) LET'S GO ATOMIC!

Jamesdean5842: LET'S GO ATOMIC!

Captain Atomic: Do you hear them calling out, Joey?

Joey Felt: (gets up) I do. I'm not giving up. Not now. Not ever!

With that Joey got up and slammed a Kudabot to the ground

Sergeant Subatomic: WHAT!?

Lady Tremaine: IMPOSSIBLE!

Joey Felt: Thanks for the help, everyone.

Captain Atomic: They're cheering for us, not Sergeant Atomic.

Pauline Bell: Of course they are.

Phil Felt: It feels strange to be helping out like this. But I'm not complaining!

Abigail Felt: You and Dad ready, Mom?

Vivian Felt: As long as we're all careful.

Me: Come on guys! It's party time!

Xenia: YEAH!

We were ready!

Sunny: Let me, Aqua, and Harry transform with you guys!

Brody: It'll be our pleasure, Sunny.

Ninja Steel Rangers: IT'S MORPHIN TIME! POWER STARS, LOCK IN! READY! NINJA SPIN!

Shinnosuke pulls out a small red car-like device, twists the back of it around 180 degrees and places it into the brace

Shinnosuke: Henshin!

At his battle cry, Shinnosuke forces the small car upwards, acting like a lever before slamming it back down.

Mr. Belt: Drive! Type: Speed!

As Mr. Belt announces the transformation, a column of energy in weird tire-like segments forms around Shinnosuke, consolidating into a black undersuit topped with red and silver armor resembling a sports car, concluding with a tire generated on Tridoron's front left wheel shooting off and landing across Shinnosuke's torso.

Chase Pulls out a device resembling a large knuckle guard with a gun muzzle and some sort of wing piece on it He holds the device to his chest and presses the gun barrel into the device, causing some sort of standby music to play, before releasing it

Break Gunner: Break Up!

As this call is emitted, Chase is surrounded by shadowy energy and electricity which consolidates into a strange set of purple and black armor with some silver bits primarily resembling pipes of some kind and glowing orange eyes, all in all looking kind of Frankensteined together or like it was in a wreck of some kind)

Go: (Seeing the Mach Driver in hand) Alright then!

Go pulls out what looks like a small white motorcycle, as he pulls up the slot in the Mach Driver and places the motorcycle in it)

Mach Driver: Signal Bike!

Go: Let's... Henshin!

After letting his battle cry be known, Go slams the Mach Driver slot down, beginning his transformation.

Mach Driver: Rider! Mach!

With that, what appear to be energy rings swirl around Go, before splitting apart and consolidating onto him as his armor, a primarily white armor with a pair of red stripes down one side, black and light blue accents all over it, silver antennae on the helmet, and the strangest addition, a small tire-looking device pasted onto his right shoulder

Go: Tracking... terminating... all done at Mach speed! Kamen Rider... Mach!

Brody: "Power of the Ninja! Ninja Steel Red!"

Preston: "Stealth of the Ninja! Ninja Steel Blue!"

Calvin: "Strength of the Ninja! Ninja Steel Yellow!"

Sarah: "Spirit of the Ninja! Ninja Steel White!"

Hayley, "Speed of the Ninja! Ninja Steel Pink!"

Levi: "Rhythm of the Ninja! Ninja Steel Gold!"

All: "Ninja Rangers fear no danger! Power Rangers Ninja Steel!"

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready!

Shinnosuke: Revving up for Action! KAMEN RIDER DRIVE!

Go: Revving up for Adventure! KAMEN RIDER MACH!

Chase: Revving Up For Excitement! KAMEN RIDER MASHIN CHASER!

Brody: Ninja Rangers, fear no danger!

Shinnosuke: We're taking you out for a drive!

Me: And we're going to turn you into Roadkill!

Nico: YEAH!

Me: (To the crowd) Everyone you may want to clear out of here! This is gonna get really ugly!

They agreed and ran.

Sergeant Subatomic: YOU! BECAUSE OF YOU, OUR PLANS WERE RUINED!

Lady Tremaine: I WILL KILL EVERY LAST ONE OF YOU, I WILL

HAVE MY REVENGE AND MY HAPPILY EVER AFTER!

Sunny Starscout: No, this is where you die once and for all, Sergeant Subatomic.

Aqua: As for you, Lady Tremaine, we're going to make sure you never ever come back!

Harry Potter: (British Accent) After everything you've done, you don't deserve to live any longer.

Suddenly, the eyes of Sunny Starscout, Aqua, and Harry Potter turned neon emerald green, neon blue, and neon brown, and they were surrounded by colored energy auras, stars, elemental forces, mythological animals, phoenixes, and angels, and as they approached Sergeant Subatomic and Lady Tremaine, they left colored energy, stars, elemental forces, mythological animals, phoenixes, and angels with every step.

Sunny Starscout: You've caused Joey and his friends far too much trouble for far too long, Sergeant Subatomic, and there's no way we're forgiving you for everything you all have done.

Aqua: And as for you, Lady Tremaine, you really are nothing more than a pain in the neck. No matter how many times we've put you down, you just refuse to stay dead.

Harry Potter: (British Accent) Now, we're going to make absolutely sure that both of you stay dead for good, and that's a promise we intend to fulfill.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that Lady Tremaine fired at us and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Lincoln: You deserved it though, Lady Tremaine, you caused so much pain to Cinderella and you even murdered her father and tried to kill her to get your hands on his fortune, you're just a black widow.

Sunny Starscout, Aqua, and Harry Potter: And now, it's time for you to finally pay the price for what you've done!

Suddenly, the eyes of Sunny Starscout, Aqua, and Harry Potter turned neon emerald green, neon blue, and neon brown, and they were surrounded by colored energy auras, stars, elemental forces, mythological animals, phoenixes, and angels, and as they approached Lady Tremaine, they left colored energy, stars, elemental forces, mythological animals, phoenixes, and angels with every step.

Sunny Starscout: After everything you've done to Cinderella and her father, honestly, death is the one thing that only you deserve.

Aqua: No matter how many times we've put you down, you just refuse to stay dead.

Lincoln, Sunny Starscout, Aqua, Harry Potter, Nico, and I went after Lady Tremaine, and we fired extremely powerful blasts of rainbow energy, magenta, pink, and emerald green energy, blue energy, red and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Lady Tremaine and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Sunny Starscout also did the same by firing magenta, pink, and emerald green energy slashes from her massive greatsword and gold-plated dragon claws, and he, Sunny Starscout, Aqua, Harry Potter, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Lady Tremaine even angrier than ever.

Then, I fired an energy dagger into The Monitor Orb embedded in Lady Tremaine's forehead and it shattered and we gained a very massive power boost and Lady Tremaine screamed in agony.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Lincoln swung his massive greatsword and he fired elemental blades made of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions which slashed Lady Tremaine all over the place, and she was bleeding all over the place and her dress had slash marks.

Skulker: (to Tremaine) I have a good idea for how to kill you. FIRE FULL ARSENAL!

He fired a massive barrage of lasers, missiles and energy blasts and blasted her all over!

Qin: YEAH!

He blasted her and obliterated her in an instant!

HER SPIRIT APPEARED!

Lady Tremaine: AGH! YOU! I'M NOT DONE YET!

Suddenly, the bell of judgement rang in Lady Tremaine's ears and she was suddenly seized by the spirits of all those she's harmed and killed.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on Lady Tremaine's forehead, and she was being consumed by the black flames of The Black Abyss and she began to fade away: he was finally being erased by The Black Abyss!

Lady Tremaine: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU! DAMN YOU, FILTHY PEASENT! DAMN YOU ALL, TEAM LOUD PHOENIX STORM, DAMN YOU ALL TO HELL! (LETS OUT ONE LAST INSANE SCREAM BEFORE SHE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU PIECE OF TRASH, AND DON'T YOU DARE EVER COME BACK, YOU BLACK WIDOW BITCH!

Everyone cheered as we holstered our weapons and we powered down and Sunny Starscout's new body, clothes, weapons, jewelry, Third Eye, fifteen large magenta and emerald green planets orbiting around her legs, twelve smaller magenta and emerald green planets orbiting around her waist, smaller planets orbiting around her fingers, longer magenta and pink tail with rainbow streaks, and massive apricot angel wings and medium sized apricot angel wings and small sized apricot angel wings underneath her massive apricot angel wings and longer horn are permanent, Aqua's new body, clothes, weapons, jewelry, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large aqua blue planets orbiting around her legs, fifteen smaller blue planets orbiting around her waist, smaller planets orbiting around her fingers, and massive blue angel wings and medium sized blue angel wings and small sized blue angel wings underneath her massive aqua blue angel wings are permanent, and Harry Potter's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen red and yellow planets orbiting around his legs and fifteen red and yellow smaller planets orbiting around his waist, Third Eye, smaller planets orbiting around his fingers, and massive black angel wings and medium black angel wings and small black angel wings underneath his massive black angel wings are permanent.

Suddenly, Sunny Starscout felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Sunny?

Sunny Starscout: I'm a little dizzy, but I'm okay, and we did it: Lady Tremaine's finally gone.

Lincoln: You said it.

Suddenly, Sunny Starscout wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sunny Starscout's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Sunny Starscout sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln, Sunny Starscout, Aqua, and Harry Potter: Lady Tremaine, you have failed this entire universe, and don't you dare come back, you heartless greedy black widow!

WE ALL CHEERED!

Nico: That'll teach that bitch! This time, she's never ever coming back!

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw an elephant made of cyan fire pass through the sky.

Panda Faye Ling: Was that...?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Callie Qingsehuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Elephant.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Callie Qingsehuo is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of cyan fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Elephant, along with having angel wings along with having intense cyan fire powers. She's known as The Strongest of The Sisterhood of The Fists of Fire, because she's literally that strong, she's able to bring fully grown men to their knees with her strength especially those who try to hurt Lincoln. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of cyan fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Callie hates Lynn with a blazing passion, because of what that superstitious belching farting super aggressive gorilla has done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Nico: Whoa! And she's really that strong to bring even Lynn to her knees?!

Lincoln: I saw it for myself, and she's really really strong.

Me: Same here. Plus, that incident, it was where Lincoln got beaten up so badly, he was bleeding so badly and Lynn even broke his arms and legs, and his wounds regenerated along with his arms and legs getting healed and that led to Callie allowing Lincoln to bite her and he fed on her blood.

Eli: That gorilla!

Luna: We couldn't forgive Lynn for what she did, but his regeneration factor kicked in and his wounds healed and his arms and legs regenerated, and we warned that belching farting ape that if she ever dared to hurt Lincoln again, we'll toss her to Arpina and her Sisterhood and they'll beat her to death.

Caleb Maxwell: Jeez, I would've reported her to the cops and threw her in a juvenile detention center for the rest of her life.

Cage Blunt: With how crazy strong she is, she could easily beat up the inmates and guards.

Travis Tackett: And because of Dark Lynn's gross habits, she can easily get away easily.

James Blunt: How disgusting.

Me: Even I was disgusted with that pig's lack of manners and discipline and acted like an animal. But, I'm also proud of Lincoln and his Guardian Angels who always put Lori, Lynn, Lola, Lisa, and Luan in their place.

Lincoln: And that always peeved them off big time and they always tried to get revenge again, but due to them always being predictable, it was always easy to outsmart them and beat them down.

Nico: You've got to show me them one day, I just know I'm going to laugh my butt off.

Hikaru charged at Professor Tite-Gripp

And they bashed him down.

Luna, Marina and Jack fired waves of energy and blasted him and knocked him out.

We came back.

Me: YEAH!

Dark Laser: Looks like Subatomic is heading to the big house.

Roquefort: And Tremaine is gone for good!

Me: Good riddance.

Roman Goodwin: (to the Ginga team) You guys helped too.

Me: Yeah.

Hikaru: We sure did.

Me: We owe you big time Hikaru.

Hikaru: No problem J.D.

Joey: (to Hikaru) See you in 2 days.

Hikaru: We'll be waiting.

Joey and Hikaru hgih fived each other.

Ssserpent: How shall we celebrate?

Phil Felt: I can cook up something for dinner.

Gizmo: Oh boy!

Me: Yeah!

Nico: Great job today everyone! This was awesome!

Twilight Sparkle: Yeah! It sure was! Sunny you did a great job on your big day. I'm proud that my legacy lives on in you.

Sunny Starscout: It was so awesome Twilight and I'm glad we did all this.

Aqua: We are too.

Harry Potter: We sure are.

Argyle Starshine: We are so proud of you Sunny Bunny.

Sunny Starscout: Thanks dad. (To the viewers) This was an awesome and amazing day for us.

Me: You said it Sunny.

We went to Joey's house and had a good meal. Then we later went back home and got Joey and everyone settled in and then went to sleep.

Right: Oh morning Vivillon.

Vivillon: Time for breakfast Right.

Right: Cool.

He got dressed and went down to the table and he was having pancakes.

Me: Nico, I know we promised not to go back to Hell but there's no other choice.

Nico: You want to rescue Halinora's dad from there.

Me: Yes.

Xenia: She needs her father more than ever.

Camie: Yeah I agree.

Nico: After breakfast we'll head out.

Me: Okay.

Halinora was with us for this.

Xenia: Hell always scares me.

SCREAMING WAS HEARD EVERYWHERE!

Camie: This is always scary!

Me: Be strong everyone.

Nico: Yeah. Hell is a scary place. But I promise you we will leave once we're done here.

Me: Yeah.

Camie: Good.

Nico: Hitch, I want to thank you, Pitcher Plant Monster, and your teams for coming.

Hitch Trailblazer: No problem Nico. This will be awesome.

Me: Yes it sure will.

Danger Mouse: (British Accent) I'm always up for some action.

Nico: Are you similar to Mickey?

Danger Mouse: Oh no unfortunately. I am actually a secret agent that brings justice to bad guys that threaten to take over the world.

Me: Danger Mouse was very popular back during the 80s in England and it came back in 2015. I thought it was cool.

Nico: Awesome.

Danger Mouse: So in a way I am similar to Mickey.

Nico: Cool.

Eli: Yeah the bad guys he faces are amazing.

Qin: Yeah I love Danger Mouse.

Sakura Knudson: Same here.

Nico: Do you have a duck and dog friend like Mickey does?

Danger Mouse: Oh unfortunately no. I have Penfold and he's a hamster and I save the world from the forces of Baron Silas Von Greenback. With my partners Professor Squawkencluck and my boss Colonel K we do it all.

Qin: Yeah.

Camie: Cool!

Nico: Awesome.

Me: Yep.

Nico: Sunny you and Aqua and Harry all did a great job yesterday.

Sunny Starscout: That was so much fun Nico.

Nico: Sergeant Subatomic will be a good addition to the Masters of Evil

Qin: I agree. Locking him up was a great gamble.

Nico: I agree.

Xenia: Now we just got to find a suitable archenemy for him.

Me: Yep. Also weve now seen the last of Lady Tremaine.

Camie: Yeah.

Varie: That monster had it coming.

Lola: Yeah! That monster golddigger.

Nico: She had it coming after what she did.

Me: I agree. She killed Cinderella's father.

Lola: Yeah!

Qin: What a heartless fiend! And she tried to take over the kingdom!

Camie: Yeah!

Nico: Now she's a forgotten memory.

Laney: Good riddance.

Me: Letting her live and banishing her was a mistake. They should have killed her back then

Nico: No kidding!

Me: Yeah! I have this feeling that Frollo will return soon.

Nico: Oh god! Not him! If he does we'll rip him apart like we did before.

Camie: Yep.

Me: Yeah.

SCREAMING!

Nico: Hell has ALWAYS been scary.

Qin: Yeah.

Lola: It sure has.

Halinora Hatfield: I just want my dad back!

Nico: I know. I know.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here in the 7th Circle of Hell, and we're not only here to save Halinora Hatfield's dad, Harry, but we're also going to battle Francesco Portinari, and he's still going to be out for revenge on J.D. for thinking he'd something to do with killing over 3,000 people 800 years ago even though he was never born back then to begin with!

WE GASPED IN SHOCK!

Nico: Not again!

Me: He still won't let that go!? Oh man!

Xenia: Yikes!

Me: This is one serious grudge he still has for something I didn't have a hand in. But, I can also sense there's another reason why we're also here.

Lincoln: That's right. I'm also here to banish Flip's father, his brother, Flop, and his cousin, Slip, and the rest of his family along with his thugs to The Black Abyss.

Eli: Wait, what? Flop and Slip are also in Hell?! But, how?!

Lincoln typed on his wrist computer and he brought up the footage of Flop and Slip still really pissed off at what we did in killing Flip and sending him to The Black Abyss. Suddenly, we saw a portal of darkness open up, and we saw a figure step out, and to our shock, we saw who it was: it was Caleb Maxwell. Then, he raised his guns to the faces of Flop and Slip, and he pulled the triggers and shot them both dead and send them straight to Hell, and then, he left.

WE WERE TOTALLY SHOCKED!

Nico: HOLY SHIT! So, Caleb was the one who killed those two assholes?!

Me: This was done when we went to Kaede's world, so he killed them both and sent them to Hell, and then, he went to Kaede's world. Damn, he really knows how to pull some surprises.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I literally can't believe Francesco still refuses to let go of that misplaced hatred towards you, J.D., and I can't believe it. So, Caleb was the one who killed Flop and Slip, and sent them to Hell to join the rest of his family.

Cage Blunt: You've always been known to pull some stunts like that, Caleb.

Caleb Maxwell: I wanted them to suffer in Hell, but you know what. After everything I heard about Flip, I think his thugs, his brother, his cousin, and the rest of his family deserve to join him in The Black Abyss.

Lincoln: Yep, and I'm going to be the one who sends them there. But, first, we need to save Halinora's dad.

Me: Right.

Xenia: Yeah.

Camie: I can't believe Francesco still has it out for you J.D.

Sakura Knudson: Yeah bro there's no way you could have been there back all those years ago! It's impossible!

Me: Unless I time traveled which I would never do.

Camie: Yeah.

Lincoln: (Sensed for Harry Hatfield) AHA! I just spotted Harry Hatfield, he's 20 yards away. But, I also sensed Flip's thugs, along with his brother, cousin, and the rest of his family, they're heading for us and they're mega pissed. Which also means Francesco Portinari isn't far behind.

Caleb Maxwell: Well, let's get going and save him.

Me: And take down Francesco once again.

Lincoln: Right, and now, I'm going to make absolutely sure the rest of Flip's family and the very memory of Flip are a forgotten memory.

Suddenly, we hear a demonic choir sing as the flames of Hell burst out with intensity, and we saw the sigil of Satan, Demon of Anger and Wrath, form from the fires of Hell.

Anna Anyanova: The Sigil of Satan?! That means, we're running into the fifth of the Nine Keyblade Knights of Hell and Avatars of The Nine Circles of Hell.

Lincoln: There's no doubt who it is.

We then took off into the air and set our sights on rescuing Halinora Hatfield's father, Harry, and taking down Francesco Portinari, and sending Flip's father, his brother, Flop, his cousin, Slip, the rest of Flip's no good family, and the multitude of Flip's thugs to The Black Abyss to join Flip.

Nicole heard a Pokemon cry.

Nicole: Huh? Look here!

We saw a Regiflame, the Fire Regi!

Riley McArthur: (Australian Accent) Bonza! It's a Regifire.

Nicole: Cool!

Me: Oh the poor thing is hungry.

Regifire: Yes I am.

We gave it apples.

It ate them.

Regifire: Ahh needed that.

Nicole: You're welcome.

Me: Would you like to come with us?

Regifire: I would be honored.

Me: Awesome.

Nicole: You won't regret it.

Nico: No you won't..

We were flying in the air, and we spotted our first objective: Harry Hatfield, Halinora's father.

Lincoln: There's Halinora's dad, Harry. Now, we can save him, and then, we can take down Francesco Portinari, and finally, banish Flip's father, his brother, Flop, his cousin, Slip, the rest of Flip's no good family, and the multitude of Flip's thugs to The Black Abyss to join Flip.

We landed, and we approached Harry Hatfield.

Me: Mr. Hatfield.

Harry Hatfield saw us, and when the rest of the team saw him, they were horrified.

He was mangled and burned and hurt all over.

Nico: Oh man.

Eli: My god!

May: Halinora wasn't kidding when she said about what happened to him. Mr. Hatfield, we're here to rescue you.

Harry Hatfield: No. I don't...I don't deserve to be saved at all!

Me: Harry listen! Your daughter needs you! She misses you!

Lincoln: Mr. Hatfield, we know why you did this and who it was that you killed, it was Flip's father, right?

Harry Hatfield: How did you...?

Lincoln: Because his son, Flip, tried to kill us multiple times, and we stopped him. He's in The Black Abyss, but the rest of his family along with the multitude of thugs, along with his dad, are still here in Hell. This wasn't your fault, you killed Flip's father to protect Halinora, but what Flip's father did ruined your life.

Monica Hernandez sensed something. Then, she saw something on Harry's arm: it was the Sigil of Lucifer, the manifestation of the curse Flip's father put on him.

Monica Hernandez: (GASPS) Oh man. Guys, I found the manifestation of the curse Flip's father put on him: The Sigil of Lucifer, that was the source of the curse that sent him to Hell all those years ago.

Me: So that's it!

Rachel Hernandez: We need to pray for him to be freed.

Hannah Hernandez: And we need to do it now.

Lincoln: Let's form a circle and start praying.

Lincoln, Monica Hernandez, Hannah Hernandez, Rachel Hernandez, Michelle Hernandez, and Maria Hernandez surrounded Harry Hatfield in a circle, and then, they started praying.

Lincoln, Monica Hernandez, Hannah Hernandez, Rachel Hernandez, Michelle Hernandez, and Maria Hernandez: Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done; on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation; but deliver us from evil, for thine is the kingdom, the power, and the glory forever.

Suddenly, The Sigil of Lucifer started glowing red, and we knew they needed one last push to break the curse.

Lincoln, Monica Hernandez, Hannah Hernandez, Rachel Hernandez, Michelle Hernandez, and Maria Hernandez: Amen.

Suddenly, a beam of holy light shined down on Harry Hatfield and a chorus of angels sang, and The Sigil of Lucifer was eventually destroyed, and Harry Hatfield was also restored to normal form.

Halinora Hatfield: Dad...?

Then, Harry Hatfield ran up to Halinora, and he hugged her tightly.

Harry Hatfield: Yes, it's me, sweetheart.

Suddenly, Halinora Hatfield broke down in tears and hugged her father.

Nico: Wow. That was really awesome!

Me: Wow!

Natasha Hernandez: That was just like how we performed our exorcisms to free those who've been possessed by demons, but for Harry Hatfield, it was to get rid of the curse Flip's father put on him.

Me: That really was a divine miracle. Now, Mr. Hatfield, we need to send you to The World Tree Estate, we're going to be facing Francesco Portinari along with Flip's father, his brother, Flop, his cousin, Slip, the rest of Flip's no good family, and the multitude of Flip's thugs who were also sent to Hell.

Harry Hatfield: I know. But, J.D., there's something you should know: Flip's father has lied to Francesco numerous times saying that you killed over 3,000 people 800 years ago even though you were never born back then to begin with!

WE GASPED IN HORROR! BUT, THEN, WE SUDDENLY BECAME FUCKING LIVID!

Me: THAT FUCKING BASTARD! NOW, I'M SEVERELY PISSED OFF!

Nico: SO, THAT'S WHY FRANCESCO'S TRIED TO KILL YOU! IT WAS BECAUSE OF A FUCKING LIE FLIP'S FATHER TOLD HIM?! OF ALL THE MISERABLE, TWO-FACED...!

Me: That monster!

Caleb Maxwell: That bastard, the rest of his family, Flip's brother and cousin, and the thugs you all killed already going to face death, after we take care of Francesco Portinari.

Me: It's not safe for you here Harry.

I snapped my fingers and beamed Harry Hatfield back to The World Tree Estate for safety. Then, we stood to face our next targets.

Me: Lets head to the Abominable Sands.

Nico: Right!

We went there.

We arrived in the Abominable Sands.

Me: Here we are guys. The Abominable Sands. Here the damned did Violence against God.

Xenia: Scary.

Nico: Stay alert guys.

Me: Right.

?: J.D. KNUDSON!

We then saw our first target: Francesco Portinari, and he was still out to kill me.

Me: Not again.

Sakura Knudson: Oh boy.

Lincoln: Francesco needs to be taken down again, and then, we got our next target to kill.

?: YOU GODDAMN LOUDS! YOU'LL PAY FOR WHAT YOU DID TO FLIP!

Then, we saw our other targets: Flip's father, his brother, Flop, his cousin, Slip, the rest of Flip's no good family, and the multitude of Flip's thugs who were also sent to Hell, and all of them were still out to kill us.

Nico: Well well well.

Monica Hernandez: And there's those pieces of dung now!

Hannah Hernandez: Now, we'll get rid of them.

Rachel Hernandez: And take down Francesco Portinari.

Francesco Portinari: You will pay for this, J.D., you animal!

Me: I'll face Francesco. You guys take care of Flip's family.

Nico: Okay.

I went over to him.

Me: This grudge against me has gone on long enough Francesco.

Francesco Portinari: You will join us here forever! WHERE YOU BELONG!

He unsheathed his sword and we charged and clashed!

CLANG CLANG CLANG CLANG CLANG CLANG!

Me: You need to wake up and listen to reason Francesco! Flip's father played you for a fool!

Flip's father: YOU KILLED MY SON! YOU KILLED HIM!

Nico kicked him in his face!

Nico: YOUR SON WAS A MONSTER! Like you!

Regifire charged at them and blaster Flip's dad and family with fire!

Nico: You WRONGFULLY damned Halinora's father and ripped her heart apart!

Flip's father: Good then she can go die and get raped for all I care just like her wretched father!

THEY GASPED!

Nico: YOU MOTHERFUCKING HEARTLESS DOUCHEBAG!

Nico ran and kicked him!

Francesco Portinari: That's right!

Me: Like I keep saying! I wasn't born back in the 12th Century! I was not there when it happened! How can I be there if I was never born back then? There's no way I was there back then! Flip's father lied to you!

Francesco Portinari: What!?

Me: You heard me!

I kicked him and knocked him down.

Me: I kept telling you all those times we were here but you wouldn't listen! I WASN'T THERE!

KROW!

Nico: YOU ARE NOTHING BUT A ROTTEN DISGUSTING PIECE OF GARBAGE!

Francesco Portinari: If you think so then prove it!

Me: Okay then!

I jumped back and held out my hand and used my Quirk. The Witches Head Nebula in the constellation of Eridanus the River formed and then...

NUMEROUS LIGHTNING STRIKES AND THUNDERCLAPS!

Lightning struck him all over!

Francesco: I will still kill you J.D.!

Monica Hernandez: Okay, time for us to transform and end this once and for all.

Suddenly, the eyes of Monica Hernandez, Hannah Hernandez, and Rachel Hernandez turned neon red, neon yellow, and neon dark blue, and they were surrounded by red, yellow, and dark blue and black energy auras, stars, fire, hellfire, lightning, darkness, dragons, fiends, ghosts, phoenixes, and angels, they unholstered their greatswords, and as they approached Francesco Portinari, they left red, yellow, and dark blue and black energy, stars, fire, hellfire, lightning, darkness, dragons, fiends, ghosts, phoenixes, and angels with every step.

Monica Hernandez: Francesco Portinari, you should've known that J.D. wasn't born 800 years ago and he wasn't responsible for the deaths of 3,000 Crusaders during the time of The Crusades.

Hannah Hernandez: But, as always, the parasitic father of that goddamn mutant always finds a way to fuck things up along with his miserable family and thugs.

Rachel Hernandez: Either way, we're taking you down once more, Francesco. As for you, Flop, Slip, and the thugs of your miserable son and the rest of your damned family, you are all heading for The Black Abyss to join Flip, and believe us, it's far worse than Hell, perfect for bastards like you.

Suddenly, Monica Hernandez, Hannah Hernandez, and Rachel Hernandez were surrounded by three massive vortexes of red, yellow, and dark blue and black energy, stars, fire, hellfire, lightning, and darkness surrounding the vortex, there are dragons, fiends, ghosts, phoenixes, angels, and the Three Sacred Beasts, Uria Lord of Searing Flame, Hamon Lord of Striking Thunder, and Raviel Lord of Phantasms flying around the vortexes, and in the vortexes are three black phoenixes with blood red eyes glaring at Flip's father, Flop, Slip, and the rest of Flip's family, and Flip's hired musclebound thugs: the blood red eyes of eternal death and judgement.

Michelle Hernandez: OH MAN! ETERNAL DAMNATION HAS FINALLY COME FOR FLIP'S ENTIRE FAMILY!

Lincoln: You said it, and I've waited for the chance to send them all to join Flip in The Black Abyss, and we'll take down Francesco Portinari once again and hopefully, he'll never listen to liars like Flip's family ever again.

Then, as the vortexes fade, Monica Hernandez, Hannah Hernandez, and Rachel Hernandez emerged, but they were changed forever, and eternal damnation was coming for Flip's entire family and Flip's hired musclebound thugs.

Suddenly, Monica Hernandez felt a sharp pain on her back, and then, her massive crimson red angel wings with yellow tips on the large crimson red feathers grew much larger for her new body with a wingspan of 20'0" and medium sized crimson red angel wings with yellow tips grew and sprouted out underneath her massive crimson red angel wings with a wingspan of 15'0" and small sized crimson red angel wings with yellow tips grew and sprouted out underneath her medium sized crimson red angel wings with a wingspan of 10'0" and she now has eleven massive and long crimson red wolf tails with yellow tips and yellow markings, Monica Hernandez has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Lincoln: (GASPS) Winona Wrath, Keyblade Knight of Hell and the Avatar of the 5th Circle - Anger. Whoa! Alright, now it's time we take you down, Francesco, and then, we're sending you and the rest of you mutants to join that mutant, Flip, in The Black Abyss.

Lincoln, Monica Hernandez, Hannah Hernandez, Rachel Hernandez, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Francesco Portinari, and we fired extremely powerful blasts of rainbow energy, crimson red energy, golden yellow energy, dark blue and black energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Francesco Portinari and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Monica Hernandez, Hannah Hernandez, Rachel Hernandez, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Francesco Portinari madder than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire

Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This has gone on long enough. Time for you to see the truth for yourself, Francesco Portinari!

Lincoln said the Lord's Prayer and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was glowing with holy light, and as he swung his massive greatsword, he fired waves of holy light crosses that hit Francesco Portinari, and suddenly, he saw that it was the truth: I wasn't born 800 years ago and I wasn't the one responsible for the killing of over 3,000 people 800 years ago to begin with, and that it was Flip's father and the rest of his family who lied to him, and the demon version of Francesco was separated from Francesco himself and sent to The M.O.E.

Francesco Portinari: I...I see clearly now. So, it was all a lie, how deeply I have wronged you, J.D. I understand everything now, and I swear to you, all of you, that I will redeem myself.

I offered my hand to Francesco as he grasped it, and that of course, made Flip's father, and the rest of Flip's family and Flip's musclebound thugs super angry!

Flip's Father: (ENRAGED BELLOW) I CAN'T BELIEVE THIS! DAMN YOU! NONE OF YOU ARE GETTING AWAY WITH THIS! YOU WILL ALL DIE FOR WHAT YOU DID TO FLIP!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your stupid mutated son got what he deserved, and so will all of you!

Lincoln swung his massive greatsword and fired a shower of swords made of holy light that pierced Flip's father, Flop, Slip, the rest of Flip's family, and Flip's musclebound thugs, and all of them got badly hurt.

Flop: YOU! YOU!

Slip: WE'RE NOT DONE YET, YOU HEAR ME!?

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, all of you, you're done here forever. YOUR TIME IS FINALLY UP!

Suddenly, the bell of judgement rang in the ears of Flip's father, Flop, Slip, the rest of Flip's family, and Flip's musclebound thugs meaning that their time was finally up! Then, the spirits of all those they've harmed and killed appeared and grabbed him.

Spirits: Guilty!

The spirits found them guilty, and then, the kanji Black Abyss 黒深淵 appeared on the foreheads of Flip's father, Flop, Slip, the rest of Flip's family, and Flip's musclebound thugs, and they were being consumed by the black flames of The Black Abyss and they began to fade away: they, like Flip, were finally being erased by The Black Abyss!

Flip's Father, Flop, Slip, Flip's Relatives, and Flip's Musclebound Thugs: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! CURSE YOU! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST ENRAGED BELLOW BEFORE THEY FINALLY FADE AWAY FOREVER)

GOOD RIDDANCE, YOU PIECES OF ABSOLUTE GARBAGE, AND DON'T YOU DARE COME BACK, YOU PIECES OF SHIT!

Lincoln: That should do it. Now, Flip and his family are finally a totally dead memory.

Nico: I know Flip, his brother, and his cousin caused all of Michigan trouble, but to find out their entire family caused everyone around them trouble, that's just too much.

Me: But, Lincoln made absolutely sure that Flip and his family are now nothing more than a totally dead memory. So, Lincoln, are you going to introduce us?

But, before he could, Winona Wrath had her hands on Lincoln's hairy pecs, and she began deeply kissing Lincoln on the lips and kissing him on the face, along on his massive hairy pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. This is Winona Wrath, Keyblade Knight of Hell and the Avatar of the 5th Circle - Anger, she's Lincoln's Guardian Angel from Hell and she's a powerful force of epic power to be reckoned with. She was born and raised in Hell, and she's a powerful master of darkness and a deadly force to be reckoned with, she's the bringer of rage and anger and will punish those guilty of Anger with an eternity of drowning in the black sludge of The River Styx. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness and the black sludge of The River Styx, and she hates all of Lincoln's enemies that are always angry like bullies and vows to make them suffer this fate.

WE GASPED!

Nico: OH MAN!

Me: I remember her all too well, she viciously pulverized many of Lincoln's enemies that were always angry like bullies and she sent them to The River Styx and they were left to suffer there forever!

WE GASPED IN HORROR!

Eli: MY GOD!

Lincoln: I saw what she did that time, and boy, I was horrified. But, one day, if they dare to return, I will send them to The Black Abyss forever, and it's so good to see you again, Winona.

Winona Wrath: You too, Lincoln, and whoa, you've really really grown into quite a large, sexy, and extremely manly rugged hunk of a man.

Lincoln then wrapped his massive and muscular arms around Winona Wrath and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Winona Wrath with blood red gems on the gold lightning bolt links with blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Winona Wrath saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

Me: Come on guys. Lets get out of here. I don't want to stay here another second.

Nico: Okay.

We teleported to the park.

Me: Whew!

Xenia: Thank goodness.

We saw Halinora and her father sitting on a bench by the lake.

Nico: You okay now, Halinora?

Halinora Hatfield: Thanks to you all of you guys.

Harry Hatfield: Yes I'm free now and back with my little girl.

Me: You must have a lot of catching up to do after all that.

Harry Hatfield: I sure do.

Laney: Yeah.

Harry Hatfield: (Groans) Geez I'm really hungry.

Me: Boy I can tell.

We made a HUGE Buffet for him and he got to eating.

Nico: Nice job Regifire!

Regifire: Thanks Nico. Boy that was awesome.

Me: Yeah. Hopefully that will be the last time we go to Hell.

Nico: Lets hope so.

Poromon: Yeah. Want some beer?

Regifire: Oh I don't drink sorry.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Regifire: The puppy eyes don't work on me pipsqueak.

Nico: How do you like the Estate, Joey?

Joey Felt: It's amazing!

Pauline Bell: Boy no kidding! The view of the planet is amazing.

Me: 528,000 feet up shows the most amazing view.

Camie: It sure does.

Sunny Starscout: Yeah it sure does.

Nico: Yep.

Nico: Aqua, you, Sunny, and Harry did good yesterday

Aqua: We sure did.

Sunny Starscout: That was such an awesome mission though.

Harry Potter: (British accent) We had a lot of fun.

Me: Glad you had fun

Nico: And we got rid of Tremaine.

Sunny Starscout: Yeah we sure did.

Aqua: Yeah good riddance.

Lola: Yeah and avenged Cinderella's father.

Camie: Yep.

Nico: Don't get mad at me for saying this but while Sergeant Subatomic had to be stopped, I DO feel bad for him.

Me: And to be honest Nico I actually agree there.

SpongeBob: Yeah Barnacle Boy said he felt the same way.

Camie: Yeah.

Horsea: No one said being a Hero was easy

Me: It never is.

Qin: Nope.

Me: Yeah.

Camie: You got that right.

Nico: So, Xaxthura. What have you been up to before meeting me?

Xaxthura: Just bringing bad guys to jail and also trying to figure out what fun things to do.

Qin: Okay then.

Lola: Yeah.

Nico: I'm thinking we can do something together.

Xaxthura: I would like that.

I got an idea for later today.

Poromon: Nico, we'd like to show you something later.

Nico: Okay guys.

Qin: Oh boy.

Me: Oh boy.

Lola: Uh oh.

Poromon: No. I mean, ALL of us, including J.D., have to show you something later

Me: Oh sorry.

Xenia: Can't wait.

Me: Okay.

Poliwag winked at me.

I winked back.

Joey Felt: So that was really Hell, huh?

Me: Yep.

Lola: Yeah.

Nico: Trust me. You can see why we prefer not to go there.

Eli: Yep.

Joey Felt, I see what you mean.

May: We only go there when we really need to

Nico: Yeah.

Me: We promised not to go there unless needed.

Qin: Yep.

Joey Felt: I can see why.

Camie: Yeah.

Nico: Though I have a feeling it won't be the last time we'll go there

Me: I have that same feeling too.

Qin: Yeah.

Camie: Me too.

Eddy: But don't expect us to go there in a regular basis

Nico: Yeah.

Qin: It's only when needed.

Joey Felt: Right.

Laney: Yeah.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Nefarian, Onyxia, Sinestra, General Drakkisath, Sartharion, Maloriak, Malygos, Sindragosa, Sapphiron, Eranikus, Alysrazor, Chromatus, Dargonax, Halion, Ultraxion, Valiona, Theralion, Vexiona, Murozond, Epoch Hunter, and Morchie, and he began absorbing the Black, Blue, Green, Chromatic, Twilight, and Infinite Dragonflights and he and all of us were also assimilating all of their immense magical and arcane powers, inhuman superhuman strength, durability, endurance, elemental breath, sharp claws, elemental magic, and shapeshifting, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips, medium sized white angel wings with aurora and orange tips, and small sized white angel wings with aurora and orange tips spread out even more and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of the Black, Blue, Green, Chromatic, Twilight, and Infinite Dragonflights and he sent all of their souls to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: Never again will we allow you all to run free and terrorize Azeroth again, Nefarian, Onyxia, Sinestra, General Drakkisath, Sartharion, Maloriak, Malygos, Sindragosa, Sapphiron, Eranikus, Alysrazor, Chromatus, Dargonax, Halion, Ultraxion, Valiona, Theralion, Vexiona, Murozond, Epoch Hunter, and Morchie. (To Callie Qingsehuo) And it's so good to see you again, Callie.

Callie Qingsehuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Callie Qingsehuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Callie Qingsehuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Callie Qingsehuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around

Callie Qingsehuo and hugged her, and Callie Qingsehuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Callie Qingsehuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Callie Qingsehuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Elephant, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of cyan fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Elephant, along with having angel wings along with having intense cyan fire powers. She's known as The Strongest of The Sisterhood of The Fists of Fire, because she's literally that strong, she's able to bring fully grown men to their knees with her strength especially those who try to hurt Lincoln. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of cyan fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Callie hates Lynn with a blazing passion, because of what that superstitious belching farting super aggressive gorilla has done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Lincoln showed Lynn with two black eyes, broken arms and legs, bloody broken nose, and with an irreversible super double mega wedgie, and it was horrific!

Nico: Jeez. That was just nasty.

Me: I know, and I thought the thrashings Lynn had gotten were bad before, the one Callie gave her topped all of them.

Lincoln: You said a mouthful, and now that you're here, Callie.

Lincoln leaned his head down the right side of Callie Qingsehuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Callie Qingsehuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Callie Qingsehuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Callie Qingsehuo: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Callie Qingsehuo.

Callie Qingsehuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Callie Qingsehuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Callie Qingsehuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Ayumi Kinoshita, Honoka Nagatsuka, Kanako Kubo, Kyouko Shirakawa, Naomi Tachibana, Satsuki Higashijuujou, and Tomomi Hayase from Examining Room of Disgrace.

Lincoln: Oh wow, it's Ayumi Kinoshita, Honoka Nagatsuka, Kanako Kubo, Kyouko Shirakawa, Naomi Tachibana, Satsuki Higashijuujou, and Tomomi Hayase from Examining Room of Disgrace.

Nicole: (Gasps) Oh man. Thank goodness Callie got them away from Nefarian, Onyxia, Sinestra, General Drakkisath, Sartharion, Maloriak, Malygos, Sindragosa, Sapphiron, Eranikus, Alysrazor, Chromatus, Dargonax, Halion, Ultraxion, Valiona, Theralion, Vexiona, Murozond, Epoch Hunter, and Morchie, they could've almost gotten killed by them!

Lincoln: You said it. Are you girls okay?

Ayumi Kinoshita: Yes, we're okay, thanks to you.

Then, when Ayumi Kinoshita and the other six girls saw who it was that saved them from Nefarian, Onyxia, Sinestra, General Drakkisath, Sartharion, Maloriak, Malygos, Sindragosa, Sapphiron, Eranikus, Alysrazor, Chromatus, Dargonax, Halion, Ultraxion, Valiona, Theralion, Vexiona, Murozond, Epoch Hunter, and Morchie, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many

Ayumi Kinoshita: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayumi Kinoshita: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayumi Kinoshita, Honoka Nagatsuka, Kanako Kubo, Kyouko Shirakawa, Naomi Tachibana, Satsuki Higashijuujou, and Tomomi Hayase with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villains we went after were Nefarian the Dark Dragon, along with Onyxia, Sinestra, General Drakkisath, Sartharion, and Maloriak, The Black Dragonflight Dragons, Malygos, Sindragosa, and Sapphiron, The Blue Dragonflight Dragons, Eranikus and Alysrazor, The Green Dragonflight Dragons, Chromatus, The Chromatic Dragonflight Dragon, Dargonax, Halion, Ultraxion, Valiona and Theralion, and Vexiona, The Twilight Dragonflight Dragons, and Murozond, Epoch Hunter, and Morchie, the Infinite Dragonflight Dragons from World of Warcraft.

But, when Lincoln showed what we all did in beating them all down viciously and Lincoln absorbing them and all of us assimilating all of their immense powers and abilities and Lincoln sending them to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Callie Qingsehuo have a lot of catching up to do, now that she's back in town.

Maria: Oh man! So, Nefarian along with the rest of the evil Dragonflights were the villains you guys went after?! Then, that means Deathwing's one of the villains that Anti-Monitor's brought back!

Lincoln: When we face him, we'll make absolutely sure that he dies once and for all, and we'll make sure to send him to The Black Abyss.

Nico: After what he did, we'll make absolutely sure that Deathwing never returns again.

Me: Deathwing was a monster and a traitor, there's no way we'll ever forgive him.

Alexstrasza: You are correct, J.D.

Caleb Maxwell: I thought you guys already got rid of Deathwing.

Nico: Actually, here's what really happened. When we were facing Deathwing, the dragon form of the Cursed Dragon Aspect, Neltharion, J.D. used a spell that stripped him of his dragon form and he was cursed to be a human for all eternity, and he was thrown into The Masters of Evil.

Lincoln: But, this proves that Maria's right, Neltharion's dragon form, Deathwing The Destroyer, has escaped The Black Gates, but we'll have to see if it was by the hand of Anti-Monitor or by Morgana Midnight Sparkle.

Eli: Right.

After Lincoln and all of us beat down Nefarian the Dark Dragon, along with Onyxia, Sinestra, General Drakkisath, Sartharion, and Maloriak, The Black Dragonflight Dragons, Malygos, Sindragosa, and Sapphiron, The Blue Dragonflight Dragons, Eranikus and Alysrazor, The Green Dragonflight Dragons, Chromatus, The Chromatic Dragonflight Dragon, Dargonax, Halion, Ultraxion, Valiona and Theralion, and Vexiona, The Twilight Dragonflight Dragons, and Murozond, Epoch Hunter, and Morchie, the Infinite Dragonflight Dragons and Lincoln absorbed them and sent them to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Callie Qingsehuo saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Callie Qingsehuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Callie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Callie Qingsehuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Callie Qingsehuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Axel Adell: (Swedish Accent) Oh, and we also have the video of how Caleb was able to fight off Cage and Travis when those two were under the influence of demon blood.

Hunter: (German Accent) And it's also the night of how Caleb died.

Axel Adell put the video up on the screen, and it showed The Hollow Shade Bar, but everyone inside the place was dead completely drained of blood by Cage and Travis under the influence of demon blood.

Nico: Holy smokes! You guys turned that bar into a massacre!

Travis Tackett: But, here's where things got really scary for Caleb.

Then, just as Travis said, we saw Caleb Maxwell walking home late one night. But, then, he saw a pool of blood and it was coming from inside The Hollow Shade Bar.

Past Caleb Maxwell: What the? Blood?

Then, Caleb slowly opened the door, and what he saw was indeed shocking for words: everyone in the Hollow Shade Bar was dead and completely drained of blood.

Past Caleb Maxwell: (Horrified) My God. Wh-who could've done this?

Caleb Maxwell went inside, and when he saw bite marks on the victims, he figured out that the two vampires he and Hunter encountered did this.

Past Caleb Maxwell: Oh God. They...did this. I better get out of here and fast.

But, as Caleb Maxwell was about to leave, he felt a hand on his left shoulder as his heart was racing, and as he turned around, he was ambushed by Cage Blunt and Travis Tackett under the influence of demon blood.

Past Cage Blunt: Well, well, well, another midnight snack has come to us.

Past Travis Tackett: Hey, Cage, doesn't he look familiar?

Past Cage Blunt: Oh yes, that's the kid who bailed on us when we invited him and his friend for a quick bite. Too bad your friend with those weird powers isn't here to save you..., (Smirks Evilly) Caleb Maxwell.

Caleb's heart skipped a beat, and his skin lost all the color as he backed away slowly as Cage Blunt and Travis Tackett slowly walked to him, and Caleb was right near a billiards table. Then, he grabbed a pool cue and he swung at them.

Past Travis Tackett: (Hisses) Okay, you're dead, kid.

Past Cage Blunt: (Smirks Evilly) So, you want to waste your breath fighting us? How uninteresting.

But, Caleb Maxwell fought back as he punched them in the stomach and dodged their claws and he leg swept them knocking them off balance, and he continued punching them and he got off of them, but by then, his adrenaline was already starting to decrease. But, Cage Blunt and Travis Tackett were completely unaffected and got back up and were approaching Caleb Maxwell.

Past Caleb Maxwell: Damn it. Nothing worked on those monsters, is...is this really how it ends?

Caleb Maxwell looked down as his life was about to end. Suddenly, he saw car lights, but he saw the car was black with black tinted windows: he knew they were his brother's goons, and then, he saw Drake Maxwell, along with Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell come out of the car with machine guns.

Past Travis Tackett: More snacks for us? This is our lucky night.

Caleb Maxwell saw they were about to fire, and then, he pushed Cage Blunt and Travis Tackett out of the way, but then, they fired and Caleb Maxwell wound up getting riddled with bullets and his own blood was spilled as he let out a bloodcurdling scream, but despite that, he was really pissed off.

Past Caleb Maxwell: (Badly Wounded) You...! You...! Don't you dare think you're getting away with this, you...fucking sewer roach!

Luna: Dude, you were riddled badly with bullets and you're still standing?!

Casey Antonio: We were stunned ourselves.

Then, we saw Caleb Maxwell slowly walk up to Drake Maxwell despite his wounds, and he punched Drake hard in the face before he stumbled to a wall to his left and fell to the ground and his life finally ran out and died. Then, Drake and the others fled, but Cage Blunt and Travis Tackett saw the whole thing.

Past Travis Tackett: He...saved us?! Even though we almost...!

Past Cage Blunt: What the Hell was he even thinking?! Come on, we better get out of here!

Cage Blunt and Travis Tackett ran out as the video ended, and many of us went to the trash cans and barfed seeing Caleb getting shot at multiple times.

Me: Caleb really did put up a fight against you guys, but despite that, he failed and then, his brother showed up and he wound up getting shot at.

Cage Blunt: What Caleb did was really stupid, we can survive anything, but not him. But, when we got our punishment from The Council, we understood why Caleb did what he did, but while we would live again, he wouldn't.

Cronus Chase: He had his life ahead of him, only to have it taken by his brother when he killed him, and that led to his resurrection years later, but he wouldn't be the same.

Jack Howard: No, in fact, he was completely driven by revenge, and the whole resurrection also drove him a little insane.

Nico, me, and Lincoln: A little?!

Cage Blunt: I have to agree with them.

Roxy Drake: Same here. Jack, we all saw it, after he was resurrected, Caleb was really driven insane by what that piece of trash did, and he had a complete hatred towards his father and brother and the Syndicate and wanted them dead, and I'm just glad we stopped him from trying to go after The Big Claw Gang, otherwise, he would've really caused untold pandemonium.

Lincoln: I have a feeling we'll be meeting them soon on my rescue, but we'll need to know everything about them first.

We got a shower, and then, Lincoln, TLPS Ms. Tarantula, Rell, Sejuani, Senna, Universe 666 Cassiopeia, Universe 666 Elise, Universe 666 Evelynn, Universe 666 Katarina, Universe 666 LeBlanc, Universe 666 Shyvana, Universe 666 Maeve, Universe 666 Nyx, Universe 666 Seris, Universe 666 Skye, and Universe 666 Vora are heading to Dolphin Shoals.

swooning over him especially when he started showing off by flexing his muscles.

Rell: (Swooning) What a man!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to TLPS Ms. Tarantula, Rell, Sejuani, Senna, Universe 666 Cassiopeia, Universe 666 Elise, Universe 666 Evelynn, Universe 666 Katarina, Universe 666 LeBlanc, Universe 666 Shyvana, Universe 666 Maeve, Universe 666 Nyx, Universe 666 Seris, Universe 666 Skye, and Universe 666 Vora and they hugged the girls in their abnormally massive and powerful muscular arms and TLPS Ms. Tarantula, Rell, Sejuani, Senna, Universe 666 Cassiopeia, Universe 666 Elise, Universe 666 Evelynn, Universe 666 Katarina, Universe 666 LeBlanc, Universe 666 Shyvana, Universe 666 Maeve, Universe 666 Nyx, Universe 666 Seris, Universe 666 Skye, and Universe 666 Vora placed their hands on the massive pecs of Lincoln and his clones.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of TLPS Ms. Tarantula, Rell, Sejuani, Senna, Universe 666 Cassiopeia, Universe 666 Elise, Universe 666 Evelynn, Universe 666 Katarina, Universe 666 LeBlanc, Universe 666 Shyvana, Universe 666 Maeve, Universe 666 Nyx, Universe 666 Seris, Universe 666 Skye, and Universe 666 Vora on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

TLPS Mr. Wolf: Okay, now that I really didn't see coming! I didn't know that Ms. Tarantula had feelings for Lincoln.

TLPS Mr. Snake: Same here. But, wow.

TLPS Mr. Piranha: Looks like we better make plans for a wedding for her and Tiffany.

TLPS Mr. Shark: But, that's for the future.

Jenna: You guys had no trouble at all.

Rell: Nope, not at all. But, Lincoln did have us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles. It's hard to believe that Lincoln went from the cute 11-year-old to what he is right now.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Ooh, they're in trouble!

Later it was time for Lily, Lemon Hearts and Maria's 2nd mission.

Me: Anyone else want to go with Lily, Lemon Hearts, and Maria? Besides Cheese, Starlight Glimmer, Tracer, Scott Truman, and Horsea?

Noah: I'll go.

Iceage: So will I

Nico: Okay.

Twilight Sparkle: And me and the rest of my friends will go too.

Sunset Shimmer: Awesome!

Applejack: YEEHAW! This will be fun!

Me: Yep. Lets go!

We were off to Japan.

We arrived at G.U.T.S. HQ.

Kengo: Hey guys!

Me: Hiya Kengo!

Lily: Guys, meet Starlight Glimmer, Tracer, Scott Truman, and Horsea

Starlight Glimmer: Awesome to meet you all. Starlight Glimmer, Princess of Empathy and the Undead Skylanders.

Tracer: (British Accent) Cherrio to you. I'm Lena Oxton of Overwatch. But reveryone calls me Tracer.

Scott Truman: Awesome to meet you. I'm Scott Truman, leader of the R.P.M. Rangers.

Me: You may know them as the Go-Ongers.

Kengo: Wow!

Horsea: And I'm Horsea. Maria's mascot.

Yuna: Awesome to meet you all!

Noah: My name is Noah Carver, Blue Ranger of the Megaforce and Super Megaforce Rangers.

Me: You may know them as the Goseiger and Gokaigers. They were made to commemorate Super Sentai and Power Rangers 20th and 30th Anniversaries.

Yuna: Wow!

Iceage: I'm Iceage! One of the Dino Charge monsters.

Me: You may know him as Debo Hyogakki and he's one of the Kyoryugers monsters.

Yuna: Whoa it's an honor.

Twilight Sparkle: And we are Starlight's friends. I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

Sunset Shimmer: Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders.

Applejack: I'm Applejack, princess of Honesty and the Earth Skylanders.

Rarity: I'm Rarity the Princess of Generosity and the Water Skylanders.

Fluttershy: I'm Fluttershy, Princess of Kindness and the Life Skylanders.

Rainbow Dash: I'm Rainbow Dash, Princess of Loyalty and the Air Skylanders.

Pinkie Pie: And I'm Pinkie Pie, Princess of Laughter and the Tech Skylanders.

Yuna: Wow an honor!

Me: Yep we had many awesome adventures with Twilight and friends.

Cheese: (dressed up like lady) Ha ha! Pretty! Pretty Cheese! (Smiles smugly) I'm pretty.

Nico: Oh boy.

Yuna laughed.

Me: And this little guy is Cheese.

Lincoln: He is our funny Imaginary Friend.

Me: He has a brain the size of an amoeba and always drive our enemies batty.

Starlight Glimmer: Yeah and he is funny.

Scott: Me and my team might be the American versions of the Go Ongers. But our story is a lot more dark

Me: Their world was decimated by the evil Artificial Intelligence Venjix and he turned much of the world into a nasty Post-Apocalyptic nightmare.

Eli: Yeah that was horrible!

Kengo: Oh man!

Yuna: That's horrible!

Me: Yeah it was.

Eli: Yeah.

Me: It reminded me of SKYNET from the Terminator movies.

Yuna: Oh man! That is awful! Scott that must've been horrible!

Scott: It was.

Me: But the SHOCKING PART came 10 years later in 2019 when we found out that Venjix resurfaced as the main villain of the Beast Morphers Rangers, you may know them as the Go-Busters. Venjix was reborn as Evox.

Kengo: WHOA MAN! That is shocking!

Scott: Yeah he hid in my morpher!

Eli: That was REALLY Shocking!

Nico: Yep.

Rarity: Yeah it sure was darlings.

Tracer: Indeed.

Kengo: (to Tracer) Is it true that your team consists of members from different countries?

Tracer: That is right. We defend the world from the forces of the evil Talon.

Me: Talon is an evil organization that was out to destroy everything. They almost destroyed us.

Yuna: How did that happen?

Nico: They used my contingency plans that I made against us.

Me: Nico made contingency plans should we ever go rogue. After the Great War with the Royal Defenders in 2020, Nico made those to prevent us from going rogue like the Royal Defenders did and like the Justice Lords did.

Yuna: (GASP) That is terrible! You guys would never do that! You have too much honor for that.

Lincoln: That's what I was telling everyone.

Me: Yep.

Nico: And Lincoln is right. We have too much love in our hearts for us to abandon our cause.

Eli: Yeah.

Twilight Sparkle: Yeah.

Horsea: That is for sure there.

Kengo: (to Horsea) So, how did you meet Maria?

Horsea: I met her at Narnia

Yuna: I love that book! That's one of my favorites. The Chronicles of Narnia is one of my favorites.

Me: Yeah mine too. We found the Wardrobe that leads into Narnia in my attic.

Kengo: Really?

Me: Yeah. Also my grandfather helped the parents of the Pevensie children a long time ago and their family is forever grateful to him for that. I know the Pevensie kids and they are great friends.

Horsea: It's true. Also we destroyed Jadis the White Witch.

Me: Yeah.

Yuna: I hated the White Witch! She was a monster!

Me: Yeah no shit!

Maria: Horsea's been my best friend ever since. But sometimes, she can get very emotional

Horsea: Yeah it's true.

Kengo: That's awesome.

Me: Yeah it sure is. You wouldn't believe all the kinds of creatures in Narnia. There's mermaids, centaurs, satyrs, everything. All the animals talk too.

Fluttershy: And they are so adorable and amazing.

Me: Yeah.

Lincoln: Fluttershy loves all animals great and small.

Yuna: Aww that's awesome and sweet.

Lincoln: But Fluttershy is terrified of Dragons.

Me: Not the cute kinds of dragons or the dragons we ride. She's terrified of the scary kinds of dragons. These.

I formed a hologram of a dragon.

Yuna: Oh THOSE kinds. I can tell she is scared of them.

Fluttershy: Yeah it's not fun.

Me: She's not terrified of Twilight's assistant dragon Spike and he's awesome.

Nico: Yep.

Twilight Sparkle: Yeah.

Tracer: Indeed. Also G.U.T.S. is kind of similar to Overwatch. Except not a lot of members.

Kendo: That's right except we battle monsters that are like Kaiju.

Me: It's very similar to G-Force and defends the country from monsters that are like Godzilla.

Nico: Yeah.

Me: That's right.

Nico: Also, it's funny we have Twilight and her friends here. Her successor shined just yesterday

Lincoln: Yep.

Yuna: Lincoln told us about that yesterday and that is awesome that Sunny, Aqua and Harry Potter did that. I'm proud of them.

Me: We are too.

Twilight Sparkle: Our successors have come a long way.

Me: They sure have.

Nico: So, any trouble here lately?

Then the alarm went off.

Me: Uh oh!

We went to the computer and we saw DEATHDRAGO!

Deathdrago (デスドラゴ, Desudorago) is a monster that debuted in Ultraman Trigger: New Generation Tiga. The first recorded monster to appear on the Earth of Ultraman Trigger, Deathdrago fought against the precursors to TPU six years prior to the series, and later fought against Trigger in the present day.

Deathdrago's existence (as well as three other monsters) was dated as early as 30 million years prior to the series, whose presence had been documented in the ancient ruins of several foreign countries. The Wings of That Day Akito speculated that their rampaging spree in the past was due to the Eternity Core's influence. Wavering Heart Six years prior to the series, Deathdrago was the first recorded monster to appear. It fled after its right horn was severed by the GUTS Wing (piloted by Mitsukuni Shizuma no less), but not without killing Akito's parents. Its presence managed to validate Mitsukuni's claim of monster appearances, thus leading to the formation of TPU and GUTS-Select.

In the present day, Deathdrago awakened and fought Trigger to a standstill. After retreating to the underground, it was empowered and brainwashed by Carmeara into a Dark Monster. Deathdrago returned to the surface to fight Trigger while Darrgon was busy chasing Yuna Shizuma and Akito Hijiri. It was defeated by Trigger Sky Type's Runboldt Arrow Strike via the Circle Arms' Sky Arrow

Nico: WHOA! Deathdrago!

Me: I remember him! He was scary and ugly!

Eli: Yeah!

Nico: Lets go get him then!

Scott: ENGINE CELL! RPM! GET IN GEAR!

He transformed!

Scott: GET IN GEAR! RPM RED RANGER!

Noah Carver: GO GO MEGAFORCE!

He transformed!

Noah: BITE OF THE SHARK! MEGAFORCE BLUE!

Nico: Yeah! Lets go!

We were off!

* * *

We were flying.

Nico: He should be here somewhere.

Me: Like right there?

We saw DEATHDRAGO!

Nico: WHOA! He is ugly!

Eli: Time for some power of the Kaiju! GODZILLA!

Deathdrago roared!

But then a familiar roar was heard!

(GODZILLA THEME SONG PLAYS)

Godzilla had arrived!

Godzilla roared!

Kengo: That's Godzilla!

Nico: Yep.

Eli got on him.

Godzilla: So Deathdrago is here. This will be a challenge.

Kengo: ULTRAMAN TRIGGER!

HE TURNED INTO ULTRAMAN TRIGGER!

Me: OH YEAH!

Deathdrago roared!

Godzilla: Taste this!

He fired his Atomic Ray and blasted Deathdrago all over the place in fiery explosions!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOMMMM!

MASSIVE FIERY EXPLOSIONS BLASTED OUT ALL OVER THE PLACE WITH INCREDIBLE POWER!

Me: OH YEAH!

Starlight Glimmer got out her Fuestle for Dr. Starline!

She blew it and fired waves of energy and blasted him all over!

Starlight Glimmer: Take that and this!

She formed a ball of fire and fired a Demonfire Blast and blasted him all over!

Nico: YEAH!

Me: And this!

I had a ball of energy and it formed into the North America Nebula and then...

NUMEROUS LIGHTNING STRIKES AND THUNDERCLAPS!

Lightning struck him all over the place and blasted him all over.

Kengo: That is so cool!

Nico: Yeah it is!

Kengo: Gonna use a Legendary Mode?

Noah: No. It's been a while since I used this mode. Ultra Mode Activate!

He donned his ULTRA MEGAFORCE FORM!

Noah: Wave Power! Ultra Megaforce Blue!

A MASSIVE SURGE OF WATER BLASTED OUT!

Nico: OH YEAH!

He fired waves of water and energy and blast Deathdraco!

Me: OH YEAH!

?: That was cool!

Out came a girl with blue hair, red eyes, black wings and black clothes and had a tiara with Water Hazard on it!

Me: (GASP) Orlia Orishan!

Nico: Water Hazard's Embodiment!? Whoa!

Orlia Orishan: (Grunts) Yeah I got this!

She fired a wave of water and blasted Deathdrago all over!

Orlia lost control and fires a stream of water from her hands at Iceage

Iceage fired waves of ice and froze the water.

Maria fired waves of water and blasted Orlia all over.

Nico: YEAH!

I fired an electron ray and injected the antidote into her.

Me: There!

Twilight Sparkle: We'll help out here!

She fired waves of magic and blasted Orlia all over.

Noah charged at her and fired blue energy blasts.

Sunset Shimmer, Rainbow Dash, Fluttershy and Rarity fired energy blasts and blasted her.

Godzilla fired Atomic Ray blasts and blasted Deathdrago.

Me: YEAH!

?: (ECHOING) RED CROSS!

Red energy beams hit Orlia and knocked her down.

Me: What the?

Rhihimon came.

Me: WHOA! Rhihimon!

Eli: Cool!

Rhihimon: (In a girls voice) Looks like the fun started.

Nico: Rika Rhihi!? Whoa!

Rhihimon: Awesome to see you again Nico! I'll help out with this.

Noah got out his Fuestle for MetalSeadramon!

He blew it and fired a powerful energy blast!

He blasted Deathdrago all over!

Rika reverted back and was a girl with black hair, purple eyes, black clothes, AncientSphinxmon's wings and had Rhihimon on her forehead and skirt and had the Dark Spirit kanji on her arm and had Rhihimon's lance in her hand.

Rika Rhihi: Now here is this! DARKNESS BLUSTER!

SHE RAN FAST AND DISTORTED REALITY AND BASHED HER DOWN WITH DEVASTATING FORCE AND KNOCKED HER DOWN! The antidote took effect and she was cured.

Orlia Orishan: (Groans) What hit... (SCREAMS) MY BODY HURTS!

Eli went down and helped her up.

Eli: We'll get you to the infirmary.

Nico: Being cured doesn't usually hurt that bad

Maria: I think that attack broken some of her ribs.

Nico: Oh that's different.

Me: Lets finish Deathdrago off.

Nico: Right!

Kengo: Lets do it!

We fired a massive rainbow energy and Atomic blast and the blasts all hit Deathdrago and he exploded!

EXTREMELY MASSIVE AND FIERY EXPLOSION!

He was dead!

Nico: YEAH! Deathdrago you have failed this world!

Me: Yeah!

Godzilla roared in victory!

We regrouped.

Nico: You okay?

Orlia Orishan: (Groans) Just in a lot of pain.

Rika Rhihi: Yeah I might have broken some of her ribs. I have a nasty habit of being too overpowering.

Me: It's okay Rika.

Maria: Yeah we know the feeling ourselves.

Me: Do you have a favorite memory of Nico?

Rika Rhihi: I sure do. Many of them. Mine is where me and Nico found an amazing star system orbiting around a Pulsar Star and it had an Earth planet full of life despite the radiation.

Me: Whoa! That iis completely unheard of. A planet full of life in orbit around a pulsar. Those stars are intensely radioactive and full of X-rays.

Rika Rhihi: I know. Shocking.

Nico: But it was awesome.

Me: Yep.

Nico and Rika hugged.

Nico: I've missed you.

Rika Rhihi: Same here.

* * *

We arrived back home.

May: How did it... Whoa! She looks in pain!

Varie: Oh man! We need a gurney stat!

We got one and loaded Orlia on it and they took her.

Me: There but it was fun.

We told everyone what happened.

May: WHOA! That is cool!

Lola: Yeah!

Nico: Next time, New Wave, Ebon, Pimon & Tumbaa, Live Action Optimus, Animated Optimus, Winx Club Stella, and the other Meta Breed Members should come.

Me: Awesome!

Qin: Yeah this will be cool!

Lola: Yep.

Later it was time for Nico and Xaxthura's surprise. I had Nico blindfolded and Varie had Xaxthura blindfolded.

Yanmamon: You guys are gonna love this.

Me: Yep.

Nico: I can't wait.

Xaxthura: Me too.

We arrived at the movie theater.

Me: We're here!

We took off their blindfolds.

Nico: Cool!

They saw each other.

Xaxthura: Nico!?

Nico: Xaxthura!?

Both: YOU'RE MY BLIND DATE!?

Me: Yep.

I went over to the ticket woman.

Me: Tickets for the movie Strange World please.

Woman: You got it J.D.

Sunny Taiyoura: This is gonna be fun!

Me: Yep.

We went and got our snacks for the movie and went into the theater.

The movie was starting.

SPOILER ALERT

In Avalonia, a land surrounded by an endless wall of mountains, adventurers Jaeger Clade and his teenage son Searcher brave the wilderness to explore new worlds. While trying to traverse the mountains, Searcher discovers a green plant that gives off energy. He and the rest of the expedition team decide to return to Avalonia with the plant while Jaeger angrily continues his mission alone.

25 years later, Searcher has made a name for himself by introducing the miracle plant, dubbed Pando, as a fuel source for Avalonia. He and his wife Meridian are Pando farmers, while their son, Ethan, has a crush on his friend Diazo and chafes at his father's expectation of becoming a farmer like him. One night, Callisto Mal, the president of Avalonia and one of Jaeger's former expedition teammates, shows up in her airship, the Venture, to inform the Clades that Pando is losing its power and asks Searcher to help find the cause. He joins an expedition to travel into a giant sinkhole, in which the roots of

Pando have been located. On the way down, Meridian tries catching up in her crop-duster when Ethan and their three-legged dog Legend stows away on the Venture. The Venture, attacked by red wyvern-like creatures, crash-lands in a subterranean world, where Searcher and Legend are separated from the group. They are attacked by a creature called a "Reaper", but are rescued by Jaeger, who has been living underground all these years. He has been trying to cross the mountains from below, but is blocked by an acidic ocean, and states his intention to board the Venture to attempt to cross it.

Meanwhile, Ethan sneaks away from the Venture to find Searcher. He befriends an amorphous blue creature, naming it Splat, before being reunited with Searcher, Legend and Jaeger. They are attacked by more Reapers, but are rescued by Meridian and Callisto and return to the Venture. Searcher insists on completing their mission, while Jaeger wants to continue journeying across the Strange World. Ethan becomes frustrated with them and their opposing worldviews. After another wild encounter, Searcher and Jaeger finally have a heart-to-heart talk and realize that they do respect each other's goals in life. They eventually find a cluster of Pando's roots, which is being attacked by the Strange World's creatures. When Searcher learns that Ethan wants to explore more of the Strange World, he blames Jaeger's influence on him. Ethan angrily jumps off the Venture and on to one of the Reapers. Searcher follows him aboard a small flying vehicle, but as they are reconciling, they realize that they have passed through the mountains to the ocean beyond, where they see the eye of a giant turtle-like creature. The two realize that Avalonia is on the creature's back, and that they have been traveling through its body, meaning that the Reapers and all the other creatures are its immune system.

Seeing that Pando is an infection attacking the creature's heart, they head back to inform the expedition team that Pando must be destroyed, but Callisto has them locked up to prevent them from stopping the mission, while Jaeger furiously sails off to see for himself. After Legend and Splat free the family, Searcher and Ethan head to the creature's heart to clear a path for the Reapers, while Meridian takes over the ship and convinces Callisto to help. Jaeger returns, and with his help, they break through Pando, and the creatures appear and destroy it, bringing the heart back to life and saving the land.

One year later, Ethan is in a relationship with Diazo as they and their friends collect resources from the Strange World. Avalonia has shifted from Pando energy to wind turbines. Jaeger revisits his ex-wife Penelope who has remarried during his absence, and Searcher and Jaeger's relationship has improved. The camera zooms away from Avalonia to show the giant turtle-like creature on an ocean-covered planet.

When the movie was done we cheered wildly for it!

Qin: Boy that was so cool!

Nico: Wow! Those creatures were amazing!

Lola: Yeah!

Camie: Wow! No kidding!

Me: Well see ya!

KROW!

I kicked Nico in his butt and I teleported away!

Poromon: Lets get him!

They teleported.

On planet Mustafar everyone arrived and everyone came to the cave I was in.

Nico: There he is!

They came to me and saw that it was a decoy!

Nico: A Decoy!

But it was a bomb!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
KRASPLAT!

It exploded and covered them in red ketchup!

Nico: (Slurps) Ketchup. How silly.

Luan: Boy that is something that Ketchup! (LAUGHS) Get it?

They laughed!

Eddy: (LAUGHS) Good one!

Poliwag: He already left!

Eli: He's on the ice planet Hoth!

Nico: Oh man! Better wash off and get our fur parkas.

They went and washed off and got their parkas and went to Hoth.

On Hoth it was blisteringly cold.

Nico: Man is it cold!

Eli: He's in that cave there.

They went in

Runamuck: Come out come out wherever you are!

They then saw me sitting on the floor.

Nico: Okay J.D. time for your...

He saw that it was A criminal I sprayed with the Joker's laugh poison!

He was laughing like a fucked up lunatic!

BANG!

Nico shot him in the head.

Nico: I got to admit that was clever. But he's not here.

Manaphy: (GROWLS) Where is he?

Eli: (Concentrates) He's hiding on Dagobah!

May: OH NO! I am NOT GOING TO THAT PLANET!

Nico: Then the rest of us will go.

May: Okay honey.

Joey Felt: How come she doesn't like Dagobah?

Nico: She got filthy there and doesn't like getting muddy there.

Joey Felt: Oh.

May went back to the estate and everyone went there.

Eli: He's in Yoda's old house.

Nico: Okay then.

They went in and saw me sitting.

But they got closer.

Nico: AHA!

But saw that it was a dummy! And then...

BOING! KROW!

A Spring loaded boxing glove punched Nico in the crotch and knocked him down!

Horsea: THAT'S PLAYING DIRTY!

Nico: (Chipmunk voice) We never play fair.

Horsea: Oh.

They went to the planets Coruscant, Endor, Tatooine, Felucia, and many major planets of Star Wars. They got mangled up with all kinds of pranks Luan would be proud of. Hours later I came back to the estate and watched TV.

?: Boy they are going to be pissed at you.

I saw a girl with blue hair, blue eyes, blue clothes and had green angel wings and had a tiara with Rainy Turtloid on it.

Rain Turtloid: Rain Turtloid, embodiment of Rainy Turtloid.

Me: Oh pleasure. Everyone should be back shortly.

We got to watching TV. We were watching Itchy and Scratchy

Later everyone came back all brutally mangled up.

FWOMP!

They groaned.

Nico: AHA! (Groans)

Me: What took you guys so long?

Nico: (Groans) Your pranks REALLY hurt us.

Me: Had to step up my game somehow.

Rain Turtloid: Boy you guys REALLY got mangled up!

Nico: We sure did. Oh I don't believe we met.

Rain Turtloid: My name is Rain Turtloid, embodiment of Rainy Turtloid.

Luna: Hey Rain! Rockin to see you dudette!

Luke: Yeah!

Rain Turtloid: Rockin to see you too Luna and Luke! Congratulations on you and Sam hitching Luna!

Luna: Thanks dudette.

Red Alert: How did you meet Luna and Luke?

Rain Turtloid: I met them at a concert and helped Luna get the courage to ask Sam out and I also played a bunch of songs with the Moongoats too.

Me: That's rockin. You will be awesome for both the Moongoats and the Rainbooms. We know lots of awesome songs.

Xenia: We sure do.

Rainbow Dash: Yeah we do.

Me: Yep.

Rain Turtloid: Awesome.

Me: Would you like to join us?

Rain Turtloid: I would be honored.

Nico: Yeah.

Me: Sorry guys. But you really had quite a chase.

Eli: You lead us on a really funny wild goose chase.

Cybertron Scourge: You led us on quite a chase!

Me: Yeah I sure did.

Nico: I'll say. But we had a lot of fun J.D.

Xexthura: Yeah that was awesome.

Camie: It sure was.

May: I didn't go on Dagobah

Me: Good.

Nico: Oh J.D.?

Me: Yes? UH OH!

Nico tickled me.

But I teleported away before he touched me and then..

KROW!

I kicked him in the butt!

Nico: OUCH! WHY YOU LITTLE!?

Nico went at me and I jumped and then grabbed him and shoved his face in my butt and then...

LOUD FART!

Nico coughed and vomited!

Nico: Just let me tickle you!

Me: Not in this millennium!

Nico went at me and I stopped and grabbed Nico in a hold!

Me: GOT YOU! Now the shoe is on the other foot!

I then was tickling Nico!

Me: Coochie coochie coo!

Nico: (LAUGHING HYSTERICALLY) HHAHAHAHAHAHAHAHAHAHAHA! HEY! NO FAIR!

Nico laughed!

Me: SAY UNCLE!

Nico: (LAUGHING)

Me: SAY IT!

Nico had his tail tickle me!

Nico tickled me back!

Nico: (LAUGHS) NOW I GOT YOU!

Me: (LAUGHS) HEY NO FAIR! HAHAHAHAHAHAHAHAHA! HEY!

Nico: SAY UNCLE!

Nico tickled me with his hands!

Nico: SAY IT!

Me: (LAUGHS)!

Qin: J.D. IN THE NAME OF HUMANITY SAY IT!

Me: UNCLE! UNCLE! UNCLE!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the rotten tempered train, Diesel 10, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Uh oh. We've got trouble.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than the rotten tempered train, Diesel 10, and he's causing havoc.

WE GASPED!

Me: Uh oh. That's not good.

Nico: He could be a good member for The M.O.E., but first things first, we need to take him down.

Lincoln: Yep, and the scans shows he's in England.

Me: Perfect.

Nico: Looks like we got a battle in hand. Alright, let's get going and take that rotten tempered train down.

Lincoln: Luckily, none of Anti-Monitor's minions aren't coming after us, but still, we've got to keep our heads up.

Me: Yep.

The previous group came.

Roman Goodwin: Can me, Duskmon, Blizzard, Scorcher, Abomination, Dark Laser, Roquefort, Demyx, Ssserpent, and Gizmo go with you guys?

They saw most of us mangled up.

Duskmon: GOOD GRAVY! What happened to all of you!?

Nico: Ask buttkicking prankster blind datesman here!

Duskmon: Oh Blind Date chase.

Me: I gave them a funny blind date chase.

Nico: Yep and yes you all can come with us.

Me: We're going after Diesel 10.

Duskmon: Cool!

Gigantam: Nico, which Gene Slammer do you think you'll meet next?

Nico: Flymon next.

Me: Ooh!

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Marcus the Vampire, a serial killer turned vampire and another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than Marcus the Vampire, a serial killer turned vampire and another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him.

We gasped.

Brittney: Oh shit, I thought I'd never have to see him again. Marcus was a vampire as you said, Lincoln, and he's an absolute fucking sicko. He enjoys torturing others and even raping and killing children.

WE WERE ABSOLUTELY PISSED!

Me: What the fuck?!

James Blunt: Raping and killing children, that's an even worse offense a vampire can commit, and the council allows us to kill murderers and rapists by draining them dry of blood and stabbing them in the heart.

Brittney: I never knew about that rule, and Marcus' goal was to gain control of the Gem of Amara so he can kill as many children as he wants in the day time, but that failed, and he was killed.

Emily Riis: That...goddamn...!

Cage Blunt: Uh, what's happening with Emily?

Lincoln: Oh boy. This isn't going to end well, Emily and the others hadn't forgotten that among the 98 people that died in the massacre of Barrow were children, and what Brittney said just added fuel to the fire.

Nico: And sparked an inferno of rage that'll consume him whole. Alright, team, let's go, we're off to England to take down Diesel 10.

Lincoln: And send him to Vypra after we get done roughing him up, and once we get done with him, you're next, Marcus.

Emily Riis: Never again will you be allowed to run free and rape and kill children for your own sick twisted pleasure, today, you die, Marcus.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us head out to England to take down Diesel 10 and send him off to Vypra, and once we got done with him, Lincoln and Emily

Riis along with me and Nico are going to destroy Marcus, the sadistic serial killer turned vampire.

We were off.

We arrived in Sodor.

Me: Wow! The Island of Sodor.

Blizzard: Here we are at Sodor

Qin: Yep.

Thomas: Boy it feels good to be home.

Camie: Awesome.

Sakura Knudson: I loved the island of Sodor. So awesome.

Barbossa: It been so long since we've been here

Me: Many moons actually.

Qin: Yeah.

Thomas: If feels great to be back home.

Lola: Yeah.

We walked around.

We saw the conductor.

Abomination: Hi Sir Topham Hatt!

Sir Topham Hatt: Why Team Loud Phoenix Storm good to see you and Thomas welcome back.

Thomas: Glad to be back sir.

Me: Awesome to see you again. Sorry we couldn't drop in for some talk time. You know how busy we are saving the world

Burst Man: And Thomas and the others have helped us on some occasions

Thomas: Yeah and it's so awesome.

Qin: Yep.

Sakura Knudson: Yep.

Thomas: It's so fun.

Roquefort: We're here for Diesel 10.

Sir Topham Hatt: Ah yes I heard he was back. He escaped from your prison when you guys were battling Xehanort.

WE GASPED!

Me: So it was a perfect opportunity for him to escape.

Qin: Yeah!

Energon Scorponok: As you know, we fought him when we fought Opaline

Me: Yeah we sure did.

Sir Topham Hatt: That is amazing.

Xenia: It sure was.

Me: Now we're going to put him in the M.O.E.

Sir Topham Hatt: Not only is Diesel 10 back but also there's a horrifying train here.

Me: A horrifying train?

Thomas: Is it a nightmare train?

Sir Topham Hatt: In a way. But it looked more monster like and its voice sounded like Right's there.

WE GASPED!

Lincoln had a premonition.

Lincoln: WHOA! And I know who it is. It's Right's Akuma called Terrorrail! He has the strength of 500,000 runaway trains and a massive thirst for blood. He also can shoot lasers, missiles and more from all sides. He's like a horrifying fortress of evil. He was made when Emperor Z killed his friends and turned him into a dark ranger of revenge.

WE GASPED!

Supernova Zap: Oh man! Emperor Z would Never kill anyone!

Gizmo: He's got too much honor for that!

Laney: He would never resort to cold blooded murder!

Qin: No!

Nico: What does he look like?

Lincoln pulled out his sketchpad and we saw A HORRIFYING TRAIN! IT LOOKED LIKE A TRAIN FROM HELL!

WE WERE SHOCKED!

Me: That is a Nightmare Train!

Xenia: Yeah!

Sir Topham Hatt: By George! That is a scary train!

Aqua Man: Lets call the Six Gum Gang.

Nico: Good idea.

May: Yeah.

Sir Topham Hatt: This one only comes out during night though.

Me: A nocturnal train. How cool. Maybe we can trap him in the light.

Nico: Awesome idea for a trap,

The Six Gum game came.

Runt: We're ready.

We got the area ready.

We turned off the lights.

One light was on.

Me: (Imitating Mel Blanc) TURN OFF THAT LIGHT!

It turned off.

Patrick played a scary version of the Thomas the Tank Engine song.

Ssserpent: Patrick, you're not helping.

Patrick: Sorry.

He stopped playing it.

Nico: J.D. that was a good imitation of that.

Me: Thanks. It's what they did during World War II. Mel Blanc did that years ago.

Blaster Tron: Scanning for Terrorrail

He got to scanning for him.

Blaster Tron: Target coming fast.

We heard a REALLY SCARY train honk.

Me: Whoa.

Nico: Scary.

Demyx: Damn it! It's just a Troublesome Truck!

Me: Look again.

We saw a SCARY TRAIN! IT WAS TERRORRAIL!

Terrorrail: (ROARS FEROCIOUSLY)

Me: Hit the lights!

We lit the lights and he was pinned down by them!

Nico: WHOA!

Terrorrail: (Demonic Voice) Very clever trap.

Me: He's even scarier than in the sketch!

We went up to him.

Kairi Yano: Right? Is that you?

Terrorrail: Yes Kairi it's me. And Kagura, Akira, it's great to see you all again. Still doesn't change the fact that I have to kill Emperor Z.

Supernova Zap: Sorry we can't let you do that Right. He is in the M.O.E. As my archenemy.

Me: Z is an honorable guy and he would never kill anyone.

Runt: Right, what kind of fucked up world do you live in?!

Lunk: Z would never kill anyone even in his worst moments!

Me: Yeah that's right!

Qin: He demonstrated his full power on Nico's birthday and J.D. matched him in everything!

Lola: Yeah!

Me: My sparkle was just as good as yours when you went Rainbow!

Dixie: There's only one way to reason with you!

Me: And that is to fight! Like this!

Emily Riis: You really make me sick to no end, Marcus, you've been raping and killing children and committing crimes of torture, kidnapping, pedophilia, and child murder. You're a sick and twisted individual, and you're just as despicable as the vampires who destroyed Barrow, and now, I will see to it that you die here and now.

Suddenly, Emily Riis was surrounded by a massive vortex of white and black energy with stars and light surrounding the vortex, there are moss, phoenixes, angels, and Neo-Spacian Glow Moss flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Marcus: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Oh boy, now things are definitely going to get ugly.

Lincoln: And Emily's right, what Marcus has done proved he's just as worse as the vampires who destroyed Barrow. Now, he's going to be destroyed forever.

Then, as the vortex faded, Emily Riis emerged, but she was changed forever.

Emily Riis grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large white and black planets orbiting around her legs and fifteen smaller white and black planets orbiting around her waist, she has the body of a goddess, she has white highlights in the bangs of her long black hair and white hairband with white phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a white and black energy aura with stars, light, moss, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss emblazoned on her forehead and Third Eye with blue iris, she has on fairy earrings with blue gems for eyes and holding the Star, Light, and Eternity Kanjis in their hands, she also has Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss with blue gems for eyes and holding the Star, Light, and Eternity Kanjis in their hands for the second pendant on the bottom of her white fairy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and aqua blue gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Emily Riis has on a black sleeveless vest, white sleeveless crop top, white skirt, black stockings, black knee-high high-heeled boots with butterfly buckles, and long long-sleeved white trenchcoat with stars, light, moss, fairies, phoenixes, and angels on the coattails, and on the back is Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss and on top is the symbol of the Barrow Anti-Vampire Defense Coalition surrounded by fire and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a white gem with neon glowing white lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Emily Riis felt a sharp pain on her back, and then, her massive white angel wings with black tips on the large white feathers grew much larger for her new body with a wingspan of 20'0" and medium sized white angel wings with black tips grew and sprouted out underneath her massive white angel wings with a wingspan of 15'0" and small sized white angel wings with black tips grew and sprouted out underneath her medium sized white angel wings with a wingspan of 10'0" and she now has eleven massive and long black wolf tails with white tips and white markings, Emily Riis has on her Ring of the Phoenix with large white gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Emily Riis' massive light greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of white and black energy, stars, light, moss, fairies, phoenixes, and angels, and when it emerged, it was transformed into Emily Riis' True Cosmic Eternal Harmony Solar Light Storm Master Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss Fairy Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Solar Light Storm Master Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss Fairy Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded blue gems and Neo-Spacian Glow Moss and Neo-

Me: No way, did Emily just transform?!

Emily Riis, Lincoln, Nico, and I went after Marcus, and we fired extremely powerful blasts of rainbow energy, white and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs,

Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Marcus and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Emily Riis also did the same by firing white and black energy slashes from her massive greatsword and gold-plated dragon claws, and he, Emily Riis, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Marcus even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln said the Lord's Prayer and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was glowing with rainbow light, and as he swung his massive greatsword, he fired a massive beam of rainbow light that hit Marcus with full force, and he exploded into nothing and he was sent to The Black Abyss forever. Everyone cheered wildly for what Emily Riis, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Emily Riis' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large white and black planets orbiting around her legs, fifteen smaller white and black planets orbiting around her waist, smaller planets orbiting around her fingers, and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath her massive white angel wings are permanent.

Emily Riis: Don't you ever come back, you fucking sicko. Thanks for helping me take down Marcus, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Emily.

Me and Nico: Our pleasure, Emily.

Suddenly, Emily Riis wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily Riis' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Emily Riis sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that vampire down and Lincoln fired that beam of rainbow light.

Me: And sent him to The Black Abyss forever. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a lion made of white fire pass through the sky.

Panda Faye Ling: Was that...?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Regina Huoqiang, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Lion Emperor.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Regina Huoqiang is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of white fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Lion Emperor, along with having angel wings along with having intense white fire powers, she's known as The Regal Fighter of The Sisterhood of The Fists of Fire because she fights with the regality and ferocity of a lion. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of white fire. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and just like her older sister, Arpina Huoqiang, Regina hates Lori with a blazing passion because of her cold-hearted egotist misandrist control freak attitude and black-hearted hatred towards Lincoln, and one incident had Lincoln beaten almost to the point of death by that bitch, Lori, and that caused Regina to beat Lori up that badly and sent her to the hospital in a full-body cast for two years, and Regina healed Lincoln by feeding him a blood bag.

Nico: Yikes!

Me: I remembered her all too well, she's one powerful and skilled warrior, and Lincoln literally kept up with her in his training with her and she was so proud of how strong he's gotten.

Lincoln: She's going to be even more proud of how much stronger I've gotten the last time when we meet her again. And now, tomorrow is Luna's big mission.

Luna: You got that right, bro. Hikaru, you and the rest of the team hang in there, we're coming tomorrow, just stay strong.

Abis Mal: That's one way to defeat him.

Rhomboid: I wanted to blow him up real good!

Cargill: But this is better.

Me: Yep.

Multiplex: The first target of the year that we don't kill.

Thomas: Let's celebrate here in Sodor.

Me: Yeah!

Madame Masque: Good idea.

Nico: Awesome! Great job today everyone.

Thomas: Yeah this was awesome!

Nico: Yep.

Thomas: (To the viewers) Don't be a railroad jerk or you won't like what happens..

Me: Yeah.

We had a great meal at the Sodor Snack Bar.

We later went back home and enjoyed the rest of the day and went to sleep.

Meanwhile in Japan Hikaru and the Ginga team were getting ready for our arrival.

Hikaru: It's gonna be awesome to see Luna, Samurai Jack and Marina again. I can't wait to kick some butt.

Tomoya: I know.

Hikaru: Lets get it on!

They turned into ULTRAMAN GINGA AND VICTORY!

They went at the screen and it froze!

TO BE CONTINUED!

Me: I hope this planet is not Valmorg hot.

Xenia: Yeah that would be brutal.

Camie: It sure would be.

Lola: Yeah.

Varie: But we've handled hot temperatures many times before.

Sailor Mercury: Yes we sure have and it will be fun.

Camie: Yep.

Nico: Ami, I want to thank you, Space Kook, and your teams for coming

Sailor Mercury: You're welcome Nico. This is gonna be so amazing and fun.

Lola: Yep.

Elaine Ekenas: We're really excited for this.

Nico: Elaine, what do you like to do in your free time?

Elaine Ekenas: I am a chemistry scientist. I like working on chemicals. I like helping Lisa make formulas now.

Nico: Ooh.

Lola: Yeah.

Lisa Loud: Indeed. She makes some of the most amazing potions and formulas that can revolutionize the scientific worlds.

Me: That sounds complex but really cool.

May: Yep.

Elaine Ekenas: Also I like to play video games with Lincoln.

Lincoln: She's really good at playing Super Smash Bros.

Nicole: That's awesome! Does she like seeing Lincoln and his sisters in Super Smash Bros.?

Elaine Ekenas: I sure do and I was blown away that Lincoln and his sisters were added to the Super Smash Bros. Roster.

Nico: All of us were! Lincoln was shocked the most.

Maria: I think the mascots had fun using some of said potions the other day.

Poromon: You bet we did. (LOUD FART)

WE LAUGHED!

Qin: (LAUGHS) Yeah the mascots got perfume farts.

Lola: (LAUGHS) That is funny.

Nico: Yeah.

Luna: (LAUGHS) Yeah dudes.

Nico: Yep. Man what a day yesterday.

Thomas: Yeah it was good to be back home on Sodor.

Lola: Yep

Nico: We went there back in 2019.

Me: Yeah been 5 years.

Qin: Yeah.

Thomas: I know. Back then we took on some delinquent trains.

Camie: Wow! But this time we took on Diesel 10.

Sakura Knudson: You don't have any idea how much I wanted to smash his face in. I hated his rotten attitude.

Camie: I can tell.

Sakura Knudson: I know. I hated him since I was a little girl.

Nico: I know.

Right: but seeing my Akuma was frightening!

Nico: It was like an evil version of Thomas the Tank Engine!

Me: No kidding!

Qin: Yeah!

Poromon: LOOK AT IT!

Me: That's only for the trailer.

Poromon: Sorry.

Me: But yeah that was scary.

Nico: It was.

Me: Yeah.

Nico: But now, Diesel 10 is in the Masters of Evil

Me: Yep. And I know just the archenemy for him.

Nico: You do? Who?

Me: Fortress Trailmon.

Nico: OOH! That fits perfectly.

Nicole: I like it dad.

Me: Yep.

Lisa Loud: We have arrived at our destination.

Nico: Oh screen.

We saw that we were at a red planet and it was amazing.

Me: Wow so that's Dilgan.

Camie: Wow.

Nico: We're here. Lets engage the heat shields and land.

Me: Right.

We got to landing and engaged the heat shields and landed and we then got out and saw that it was a volcanic hot lava mountain planet.

Me: WHOA! So this is Dilgan.

Camie: Wow!

The temperature was not as hot as Valmorg but it was as hot as Death Valley. It was 120˚Fahrenheit. Atmospheric composition was that of Earth.

Qin: Amazing.

Nico: It's so hot!

Sailor Glaren: This is amazing.

Qin: It sure is.

Lola: Wow.

Nico: How far away is it from its parent star?

Me: Lets see.

I looked.

Me: Wow. Same distance as Mars. Doesn't have the same atmospheric composition as Venus does but it's still hot enough to have lava that is still as hot as Venus' Lava.

Camie: That is amazing.

Varie: Yeah.

Maria: Anyone need water.

Me: Not right now.

We shook our heads.

Maria: Okay I'll be ready for that.

Me: Okay.

Nico: Lets go exploring.

We went to check it out.

Nico: Wow what an amazing planet.

Camie: Yeah.

Varie: Boy this is amazing.

We saw lots of mountains, rivers of lava, cascades of lava and more.

Me: Wow! This planet doesn't have nearly the amount of volcanoes as Valmorg does.

Camie: Yeah. Or the hot temperature.

Nico: It sure looks the part, doesn't it?

Me: Yeah.

Lincoln: And fitting for our battle too. Okay, gang, we're in for one really dangerous battle: we're here on the volcanic planet of Dilgan, and here's the dangerous part, I found out that our old enemy, Neflite, has returned.

WE GASPED!

Me: Oh shit!

Nico: I can't believe it. So, Neflite's returned.

Sailor Mercury: I thought we were rid of him, but it looks like he refused to stay dead.

Valkyria Valenciana: Wait, I've got an idea, we'll have him thrown in The Masters of Evil after we take him down.

Me: That's a great idea, Valkyria, we're going to unleash the power of the 88 Constellations on him.

Lincoln: If we're going to do that, I'm going to have to get into gear with this.

Suddenly, Lincoln's long shoulder-length wild white hair, large white wolf ears on top of his head, eleven massive and long white wolf tails and rabbit tail, and massive white angel wings and medium sized and small sized white angel wings underneath his massive white angel wings turned purple with stars except for the multi-colored phoenix fire ombre streaks in the back of his hair and front strands of hair in front of his face, the rainbow markings on his large wolf ears, the rainbow tips and markings on the wolf tails and rabbit tail, his large white pants turned purple with stars except for the elemental forces on them, the fifteen large colored planets orbiting around his legs and the fifteen smaller planets orbiting around his waist turned purple with stars, and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned purple as a nebula with the 88 Constellations appeared behind him.

Lincoln has transformed into COSMIC LINCOLN, ELEMENTAL HERO OF THE STARS AND THE UNIVERSE!

Me: I knew he was going to turn into that!

The rest of the team came out of the ship.

Ed Cowart: We got here as fast as we could.

Lori: I'm shocked that Neflite has returned, but this means that Jadeite, Zoisite, and Kunzite are also back.

Lincoln: But unlike those three, Neflite has honor, so only Neflite will live, if we run into the other three, we'll cross that bridge when we face them.

Me: Right.

Camie: Who is Neflite again?

Me: One of Queen Beryl's Generals. Sailor Earth knows him.

Sailor Earth: Yeah it's a long story.

Me: You guys may want to have a box of tissues ready because what we found out was dark and sad. This was one that an alternate version of Molly knows.

I went over his history.

Neflite, also seen spelled Nephlite, is the second of Queen Beryl's warriors of the Negaverse. He often poses as a millionaire tennis coach named Maxfield Stanton.

Neflite was a part of the attack on the Moon Kingdom but is sealed by the Imperium Silver Crystal and sent to be reborn on earth.

After Jedite was defeated by the Sailor Scouts and put into Eternal Sleep by Queen Beryl, Neflite became the new commander. He did not get along with Zoycite at all, with Zoycite hoping that he would fail and be punished.

His strategies revolved around draining more energy from one person than Jedite could have taken from several people at once. He would find out whose energy was about to reach its highest peak, then implant a Negamonster's essence inside an object close to that person. This would turn the person evil. Once the energy reached its highest point, then the monster would come out of the item and start draining energy, but Sailor Moon foiled all of his plans, destroying the monsters, which consisted of Tensie, Petasos, Black Widow, Kyameran, and Jumo.

At one point, he attempted to use Tuxedo Mask as Sailor Moon's weakness to destroy her, sending Leo the Lion to attack them. He was unable to destroy her, but was not punished by Queen Beryl, as he was able to steal energy from Molly for the Negaforce. Molly fell in love with him before this, and he erased her memory of the attack afterwards.

Neflite's final attempt to gather energy was in Episode 17. The monsters he summoned were the Gemini Warriors, but Sailor Moon, Sailor Mercury, and Sailor Mars destroyed them.

Afterward, Beryl began looking for the Moon Princess. Neflite assumed that Princess Diamond was the Moon Princess, and implanted Soul Shadow in her, but Soul Shadow was driven out of her, and Sailor Moon destroyed him.

Molly was still in love with Neflite even after learning that he was evil, and protected him from Sailor Moon's tiara after he was defeated by the Sailor Scouts. When Zoycite's monster Yasha attacked, Neflite protected Molly from her attack, much to his shock. Yasha was destroyed by Sailor Moon.

Neflite told Molly he wanted to fight alongside the Sailor Scouts against the Negaverse, and asked her who Sailor Moon was. Molly didn't know, and called Serena. From this, Neflite assumed that Serena was Sailor Moon, and was proven right when he saw her transform. He attacked her, but Tuxedo Mask arrived. Then Neflite sensed that Molly was in danger, as three of Zoycite's monsters - Housenka, Grape, and Suzuran - kidnapped her. Neflite went to save her, beating up the monsters. Neflite carried Molly to safety and after Molly noticed a cut on his arm she took him to the woods and tore off a piece of her pajamas to use as a bandage. They talked a bit about the Negaverse and going to get a Chocolate Parfait. However, the monsters found them again, and Housenka stabbed Neflite with thorns from her arm. The Sailor Scouts arrived and killed the monsters.

Neflite died of his injuries, and dissolved into dust, leaving a devastated Molly crying.

When it was done everyone was HORRIFIED!

Shanan: Neflite. He had honor and redeeming qualities in him after all.

Maria: We'll have him put in the redemption squad too.

Shanan: That's awful. Molly, I'm so sorry.

Sailor Earth: (Crying) Yeah.

Shanan: If I wasn't poisoned with dark orbs and blinded by the thrill then we would have done something.

Lincoln: (Sensed for Neflite) AHA! Gotcha! I just spotted Neflite, he's 20 yards away, but he's waiting for us.

Nico: He's sure to have some soldiers waiting for us, so we better be ready for them.

Suddenly, we hear a demonic choir sing as the flames of Hell burst out with intensity, and we saw the sigil of Berith, Demon of Heresy, form from the fires of Hell.

Anna Anyanova: The Sigil of Berith?! That means, we're running into the sixth of the Nine Keyblade Knights of Hell and Avatars of The Nine Circles of Hell.

Lincoln: There's no doubt who it is.

Sailor Earth was crying and Sailor Moon comforted her.

Sailor Moon: It's okay Molly. It's okay. We'll bring him back.

Lola: Yeah Molly, we have a chance to do so.

Qin: Yeah.

Black Widow heard a Pokemon cry

Out came a Spinarak and it was crying too.

Black Widow: A Spinarak.

It went over to Molly and comforted her.

Spinarak: It'll be okay Molly. You can still save Neflite.

Sailor Earth: Really?

Spinarak: Yeah you can do it! You saved him before and you can do it again.

Sailor Earth: Thank you.

Black Widow: Wow that was motivating.

Spinarak: Thanks.

Me: You must be hungry.

We gave it apples and she ate them.

Nico:...how much of that did you hear?

Spinarak: All of it.

Me: Sharp hearing.

Spinarak: Sorry.

It finished.

Spinarak: Ahh. That was great.

Black Widow: Want to come with us?

Spinarak: I would be honored.

Xenia: Aweosme.

Ash: You know Officer Jenny in Catallia City told us that their police force had a lot of Spinarak instead of Growlithe.

Me: Wow. We'll have to check that out someday. Sounds amazing.

Nico: Yep.

Ash: Yeah they had Spinarak for Police Pokemon.

Nico: Interesting.

Me: Yeah.

Black Widow: You won't regret it Spinarak.

Nico: Nope. Lets go.

We were off.

We then took off into the air and set our sights on taking down Neflite and sending him to The Masters of Evil and the Redemption Squad.

We were flying in the air, and we spotted our target: Neflite.

Lincoln: There's Neflite. (Suddenly picked up on Neflite's monsters) I knew he wasn't alone, he's summoned some monsters for us to deal with.

Nico: Figures.

Shanan: I remember all of his monsters. They were powerful and strong.

Caleb Maxwell: What the?! Okay, time for me to do a little demolition.

Lincoln: No, Caleb. Let me.

Lincoln fired purple energy and star blasts that hit the group of Neflite's monsters and then, he sucked out their energy and they flowed into him making him even stronger than ever and the monsters died as we landed in front of Neflite.

We landed.

Me: Been a very long while since we ran into you, Neflite.

Shanan: It has been a while since we fought the last time.

Neflite: It has been a while Shanan and Lincoln you sure have grown since the last time.

Lincoln: All the wonders of training and everything you know my friend. And your return also proved Lori's conclusion that Jadeite, Zoisite, and Kunzite have also returned, which also means Queen Beryl has also returned, and she's now become one of Anti-Monitor's lackeys.

WE GASPED!

Nico: You pieced together all the clues that were pointed out: Neflite's return, which proves that Jadeite, Zoisite, and Kunzite have also returned, which also led to the conclusion of Queen Beryl has also returned and has become one of Anti-Monitor's minions! AGH, MY BRAIN'S ALREADY HURTING!

JUST LIKE THAT, NICO'S BRAIN WAS LITERALLY FRIED AND HIS EYES SHOWED THE RED SCREEN!

Me: Whoa, what the?!

Qin and Nico's Harem: Holy smokes, you just fried Nico's brain.

May: Yikes, he couldn't handle that much info and crashed. Hang on, I got this.

SMOOCH!

MAY KISSED HIM ON THE LIPS AND HE REBOOTED, BUT HE TURNED INTO A ROCKET AND FLEW UP INTO THE SKIES AND LANDED.

Nico: WHEW! Thanks, May.

Me: Okay you got to admit that was funny.

Nico: Anyways, you know why we're here, Neflite.

Neflite: Yes. You're planning on sending me to Vypra, perhaps, it's better than serving under Queen Beryl, but this will no doubt reach Jadeite, Zoisite, and Kunzite.

Me: Let them come.

Shanan: You better be ready Neflite. First there's someone who has something to say.

Sailor Earth went over to him.

Sailor Earth: Neflite it's me Molly. Remember me?

He was shocked to see Molly as Sailor Earth.

Sailor Earth: I have been a Sailor Soldier for over 7 years now. It's a long story. I was really devastated when you died.

She had a piece of clothe in her hand that was a makeshift bandage that green blood on it.

Sailor Earth: I had this with me ever since your death and it devastated me. My heart shattered seeing you died.

Shanan: That was shocking.

Qin: Yeah.

Shanan: The Plant Sisters killed you in cold blood.

Neflite: They did!

Xenia: Yeah.

Nico: Monsters.

Neflite: Your brain okay Nico?

Nico: Yeah it's better. Sabretooth's accelerated healing.

Neflite: Good.

Me: Yeah.

Nico: But we can give you a second chance after this.

Neflite: Really?

Me: Yeah.

Shanan: We just have to help you see reason. And for the record, I'm more powerful than ever since we fought the last time.

She then transformed into her SUPER ANGEL-ALIEN-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ETERNAL HARMONY

Neflite gasped.

Shanan: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Life Interstellar Planetary Life Magic Master Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Life Interstellar Planetary Life Magic Master Phoenix God Angel Love) I've gotten stronger since we last fought.

Neflite: I can tell you have. Queen Beryl is going to have a hard time dealing with you.

Shanan: Lets not get overconfident. But yeah she will. Lets dance.

Shanan fired a ball of energy at Neflite and he jumped away as it exploded and Neflite fired a star blast and Shanan fired a blast of energy and the blasts collided and exploded!

MASSIVE FIERY EXPLOSION!

Neflite flew into the air and Shanan flew after him.

Shanan fired waves of energy and blasted him all over.

Nicole: Time to unleash the power of the stars!

She fired waves of star blasts and blasted him.

Neflite them formed a Star Sword and Shanan and he clashed.

Sparks flew all over and massive fiery explosions blasted off all over.

Luna: WOO! YEAH!

Neflite: You have gotten stronger Shanan.

Shanan: All the wonders of training. Last time we fought each other was when Numbuh 3's house turned into a volcano. You remember that don't you?

Neflite: Yeah I do. She turned up the heat too much didn't she?

Shanan: She sure did.

Camie: Did Numbuh 3 really turn up the heat that bad?

Me: That is a total understatement. She turned it up to the point of a deadly volcanic eruption.

While the fight was going on I went over what happened in chapter 1185 of Loud House Revamped.

When it was done everyone that hadn't heard about it was shocked!

Camie: That is horrible!

Twilight Sparkle: Father put a Fire Demon inside her!?

Lincoln: He sure did. It was called an Ifrit. The Fire Demons of Islamic Myth.

Xenia: Yeah.

Sailor Mercury: Sorry, guys, he wasn't going to make it easy for you.

Suddenly, Sailor Mercury's blue eyes turned neon blue and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, magic, phoenixes, and angels, she had her Sailor Mercury's True Mercury Princess Eternal Love Angel Mage's Staff of Eternal Maelstrom Justice in hand, and as she approached Neflite, she left aqua blue energy, stars, water, ocean waves, magic, cats, phoenixes, and angels with every step.

Sailor Mercury: At least, out of the rest of your soon-to-be former cohorts, you at least have honor and humanity, Neflite, and as for Jadeite, Zoisite, and Kunzite, we'll handle them when the time comes.

Suddenly, Sailor Mercury was surrounded by a massive vortex of aqua blue energy with stars, water, ocean waves, and magic surrounding the vortex, there are cats, phoenixes, and angels flying around the vortex, and in the vortex is an aqua blue phoenix with the Mercury sign on its stomach and blue eyes gazing at Neflite: the blue eyes of salvation.

Nico: Blue eyes of salvation?

Lincoln: It only happens for those who deserve salvation, but I did some research and I found out it also works on villains who are reformed as well.

Then, as the vortex faded, Sailor Mercury emerged, but she was changed forever.

Valkyria Valenciana: Right, now it's my turn.

Suddenly, Valkyria Valenciana's purple eyes turned neon purple and she was surrounded by a purple energy aura with stars, nebulae, constellations, zodiac signs, phoenixes, and angels, and as she approached Neflite, she left purple energy, stars, nebulae, constellations, zodiac signs, phoenixes, and angels with every step.

Valkyria Valenciana: After everything we heard about you from J.D. and Lincoln, you're at least the more honorable out of Beryl's generals, but we still have to take you down, but we'll make it painless.

Suddenly, Valkyria Valenciana was surrounded by a massive vortex of purple energy with stars, and nebulae surrounding the vortex, there are the 88 Constellations, Zodiac Signs, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with the 88 Constellations and the Zodiac Signs on its stomach and blue eyes gazing at Neflite: the blue eyes of salvation.

I had an embarrassed blush on my face.

?: Yikes, even after all that time, you still react like that whenever you see Varie or any of our old friends from Colorado.

?: But, at least, she snapped him out of it.

Suddenly, we saw a girl with long purple hair with pink streaks, purple bridal gloves, purple clothes, massive white angel wings, she has The Zodiac Wheel on her right arm, and a gold greatsword holstered on her back appear from a tornado of purple energy, stars, and the 88 Constellations and Zodiac Signs, and the second girl appeared from a tornado of hellfire: she has black hair, red eyes, black clothes, dark blue demon wings, and she has Xehanort's Keyblade in her right hand.

Lincoln: (GASPS) Valencia Valenciana, Princess of The Zodiac and Hera Herria, Keyblade Knight of Hell and the Avatar of the 6th Circle - Heresy. Whoa! Alright, now it's time we take you down, Neflite.

Lincoln, Sailor Mercury, Valkyria Valenciana, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Neflite, and we fired extremely powerful blasts of rainbow energy, aqua blue energy, purple energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Neflite and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Sailor Mercury, Valkyria Valenciana, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts.

Neflite: You've vastly improved from the last time we met.

Suddenly, The Zodiac Wheel surrounded by the 88 Constellations appeared underneath Lincoln's feet, and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was suddenly surrounded by purple energy and stars.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust)

HEAVENLY ZODIAC BLADE STAR STORM!

Lincoln swung his massive greatsword and fired a massive shower of purple energy blades with stars and the Zodiac Signs and 88 Constellations that hit Neflite, and he was knocked down and out.

Nico: WHOA!

Then, Lincoln beamed Neflite to The Masters of Evil. Everyone cheered as we holstered our weapons and we powered down and Sailor Mercury's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large aqua blue planets orbiting around her legs, fifteen smaller aqua blue planets orbiting around her waist, smaller planets orbiting around her fingers, and massive aqua blue angel wings and medium sized aqua blue angel wings and small sized aqua blue angel wings underneath her massive aqua blue angel wings are permanent and Valkyria Valenciana's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large purple planets orbiting around her legs, fifteen smaller purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive purple angel wings and medium sized purple angel wings and small sized purple angel wings underneath her massive purple angel wings are permanent.

Lincoln: That takes care of that, Neflite's now in The Masters of Evil, but now, we know that Jadeite, Zoisite, and Kunzite are back, along with Queen Beryl's who's been turned into one of Anti-Monitor's lackeys.

Me: If we face Jadeite, Zoisite, and Kunzite, we'll make them pay for what they've done, same goes with Queen Beryl but she deserves to suffer even more for everything she's done, that witch!

Nico: If we face that bitch on one of the future Ambassador missions, we are so going to tear her limb from fucking limb.

Me: And show her absolutely no fucking mercy again! So, Lincoln, you going to introduce the rest of the team because I also know

Valkyria's sister.

But, before he could, Hera Herria and Valencia Valenciana had their hands on Lincoln's hairy pecs, and they began deeply kissing Lincoln on the lips and kissing him on the face, along on his massive hairy pecs, arms, and ten-pack abs. When they were done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. The first girl is Valencia Valenciana, Princess of The Zodiac and Master of The Zodiarts, she's Lincoln's Guardian Angel from Astronomy Class and she's also the younger sister of Valkyria Valenciana, and just like her older sister, she's also known as The Princess of The Zodiac because she has the powers of all 88 Constellations inside her and she's also a fusion of all 88 Zodiarts of the Constellations of The Sky from the Northern and Southern Hemispheres, and she has all the powers of the Stars flowing through her, and her power is omnipotent, and she can fire star blasts and more. She moved to Royal Woods where she met Lincoln, and she helped Lincoln with many of his Astronomy assignments, and they even went out at night to see the 88 Constellations and Lincoln was in awe upon seeing the constellations, and she was the only one who knew that Lincoln had the Constellations of Cygnus the Swan on his left hand and Pisces the Fish on his neck since the day he was born. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's also a student of Nicole Knudson, and Valencia really hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because one night while they were stargazing, Lori, Lynn, Lola, Lisa, and Luan went after them and tried to kill them, but Nicole and Valencia trashed them and threw them into a dumpster, and Valencia told them to eat shit and gave them the finger, and that drove the five banshees mad with rage, but before any of them took any action, Luna dragged them back to the house where they got grounded and thrown into cages like the animals they were.

Nico: Whoa!

Valkyria Valenciana: That's right, we're both known as The Twin Princesses of The Zodiac.

Me: And when they're together, the dumbasses of Colorado are literally in for a world of hurt.

Selene Arcangela: We were stunned to find out she's Valkyria's little sister. And the second girl is Hera Herria, Keyblade Knight of Hell and the Avatar of the 6th Circle - Heresy, she's Lincoln's Guardian Angel from Hell and she's a powerful force of epic power to be reckoned with. She was born and raised in Hell, and she's a powerful master of darkness and a deadly force to be reckoned with, she's the bringer of the punishment for those that are heretics and burns them in the tombs of eternal fire. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness and the tombs of eternal fire, and she hates all of Lincoln's enemies that are heretics and vows to bring them this fate.

WE GASPED!

Nico: OH MAN!

Me: We've been to The Tombs of Heresy before, and tons of heretics from over the centuries have been imprisoned and burned, and I remember her all too well, she viciously pulverized many of Lincoln's enemies that were heretics and sent them to The Tombs of Heresy.

WE GASPED IN HORROR!

Eli: MY GOD!

Lincoln: I saw what she did that time, and boy, I was horrified. But, one day, if they dare to return, I will send them to The Black Abyss forever, and it's so good to see you again, Valencia and Hera.

Valencia Valenciana: You too, Lincoln.

Hera Herria: Same here, and whoa, you've really really grown into quite a large, sexy, and extremely manly rugged hunk of a man.

Lincoln then wrapped his massive and muscular arms around Hera Herria and Valencia Valenciana and he leaned his head down to their right trapezius and he slowly bit them on the right trapezius and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from their right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit them.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Hera Herria with blood red gems on the gold lightning bolt links with blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valencia Valenciana with purple gems on the gold lightning bolt links with purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Hera Herria and Valencia Valenciana saw them and they knew they became part of his harem and are among his many future wives, and they kissed on the lips which he returned as we cheered.

Neflite: Try to go easy on the others except Beryl. They're still my teammates, after all

Shanan: Oh we can do that. I know that Queen Beryl will appear when it's my moment to shine. After all I am the one who destroyed her.

Camie: Yeah.

Nico: She's right on that.

Thetis: It might be during my turn to shine too. I was one of Queen Beryl's lackies before.

Me: That is true Thetis.

Shanan: I remember that! So it's a 50-50 split between me and you. We'll have to wait and see.

Nico: Nice job, Spinarak!

Spinarak: Thanks Nico. It was fun!

Poromon: Want some beer?

Spinarak: Sure!

Neflite: Digimon and Pokemon that drink?

Me: Don't fucking ask.

Poromon: YAY!

Spinarak drank the beer.

Spinarak: (BARNEY GUMBLE BELCH!)

Barney Gumble: Welcome to the drinking club! (BELCH)

WE LAUGHED!

Poromon and Spinarak got drunk.

Poliwag: (dressed as a conductor) Now sing the ABCs!

Spinarak: (Singing) ABCDFEI ANGOWMEH JAOKJUODMNM JWJGOJWNHYZ!

Poromon and Spinarak: NOW WE KNOW OUR ABCS NEXT TIME YOU WILL (BELCH) WITH ME!

We laughed hysterically!

Poliwag: Very good!

Lola: SO FUNNY!

Me: Yeah!

We got them back to normal.

Bakugo: Nice job using a variation of my Quirk yesterday, Jackie.

Jackie: Thanks Bakugo. It was cool.

Qin: It sure was.

Laney: Yeah.

Nico: So, Kanai. You wanna do something together later?

Kanai: I would like that Nico.

The mascots then got an idea.

Poromon: Nico, me and the others mascots want to show you something later.

Nico: Okay.

Qin: Cool.

Nico: If it's beer-

Horsea: Tempting but no. This is actually something you'll like.

Me: Ooh okay.

Qin: Yeah.

But then bats flew in and gave NICO AN ATOMIC WEDGIE!

HOING!

Nico: WHOA! HEY!

We saw the bats!

Me: Wait those look like Myotismon's bats.

Eli: And they are FROM THEM!

We saw ANOTHER Snow Demon (Kamen Rider Black), Metal Men from Mercury, Alchemy Beast Ekenas the Mercury, Mercury and Danjim!

Me: The Anothers! They must've appeared during our battle with Neflite.

Lola: Wow!

Nico: So... who's up?

Me: Elaine Ekenas, Catherine Horacio. Sonic Maid, Quetzali Quagmire and Gina Zodiac Gemini.

Qin: Yep.

Nico: GIVE ME A WEDGIE WILL YOU!

Another Snow Demon: (IN A GIRLS VOICE) (LAUGHS) You always were funny Nico.

Nico: (GASP) That voice!

They merged and she reverted back and was the gene-slammer of Myotismon!

Nico: (GASP!) Melanie Myotis!?

Qin: WHOA!

Melanie Myotis: Awesome to see you again Nico and you too Qin.

Nico: How do you like that. The gene-slammer of my archenemy. How cool.

Me: Boy that is awesome.

Melanie Myotis: Yep. And I saw your battle and you did great.

Nico: Thanks. She's one of my friends from school and she is as strong as 500,000 Myotismon and has the power of 300 MaloMyotismon and 500 VenomMyotismon.

WE GASPED!

Qin: WHOA! That is amazing!

Me: She would easily destroy Myotismon in a flash!

Nico: Yep.

Me: By the way is the Another Spooky Space Kook friendly or hostile?

Melanie Myotis: Friendly. They both are. There is Another version of her too.

She pointed to Luna.

Luna: Another me!? How freaky is that dudes!?

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Nico: And now we wait.

Me: Yep.

But then...

SPOOKY OMINOUS WAILING!

Shaggy: ZOINKS!

He jumped into my arms in fright!

Me: OOF! Shaggy! You chicken!

Nico: What was that?

Sailor Mercury: I think it was them!

We saw ANOTHER SPOOKY SPACE KOOK AND LUNA!

WE GASPED!

Luna: WHOA! Another me!

Lola: And Another Spooky Space Kook!

Shaggy: ZOINKS!

Scooby Doo: RIKES!

Nico: Oh boy!

Another Spooky Space Kook: (In a girls voice) Awesome laugh huh?

Me: (GASP) That voice!

Another Luna: And been a while Luna and Sam.

Luna: (GASP) That voice!

They reverted back. The another Spooky Space Kook was a girl with purple hair, purple eyes, clothes, purple angel wings and had a tiara with the Eggplant Dopant Symbol on it and on her skirt and she had an Eggplant sword. The second girl had brown hair, brown eyes, brown clothes, brown angel wings and had the Skylanders Symbol of Earth on her forehead and had Head Rush on her shirt and skirt and had a Brown Crystal Sword in her head and had a strong physique.

Me: (GASP) Emma Eggplant!

Luna: DUDE! Astrid Luna Erikkson!? Wow!

Emma Eggplant: Awesome to see you J.D.

Jared: I love eggplants!

Eustace: I HATE EGGPLANTS!

Nico: You know them?

Me: I do know Emma. She is the Embodiment of the Eggplant Dopant and is an amazing Eggplant Chef. She also has Eggplant Powers and also is a great mechanic too. And she is a great imitator of Spooky Space Kook's laugh.

Emma Eggplant: Yep. (DOES SPOOKY SPACE KOOK'S LAUGH)

Shaggy: (LAUGHS) Like that's really good.

Me: That scared the living crap out of many people we know back when we were in school.

Nico: Whoa!

Me: And Luna how do you and Sam know Astrid?

Luna: She was one of our bandmates that disappeared a while back.

Sam S.L.: We looked everywhere for her but couldn't find her.

Me: Wow! And wait you have the same last name as Leif Erikkson.

Astrid Luna Erikkson: That's right. I'm the direct descendant of Leif Erikkson.

Me: Wow! That is a coincidence. I am too. So I guess in a way we're sort of cousins.

Astrid Luna Erikkson: I guess we don't know the full extent of the family tree. So lets go with that.

Me: Cool.

Head Rush: And it's an honor to meet the gene-slammer of me too.

Astrid Luna Erikkson: Yeah same here Head Rush.

Astrid saw Luna and Sam with wedding rings on.

Astrid Luna Erikkson: (GASP) You two finally tied the knot. I'm so happy for you Luna.

Luna: Thanks Astrid.

Astrid Luna Erikkson: I always knew you two were made for each other and I couldn't be any happier.

Me: We are happy for them too.

Lola: Yeah we sure are.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Emma Eggplant: No he didn't.

Astrid Luna Erikkson: I used my song and crushed him under a pile of rocks and we ran out of there.

Sakura Knudson: That explains why I found him under all that rock.

Me: Yikes.

Head Rush: My song can do that.

Me: Nice.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Nico: Yeah!

Lincoln: Lets separate you both first.

We did so.

Nico: Lets get them!

Me: YEAH!

Nico: (Gets out Spooky Space Kook's ridewatch) Feeling Scared Yet?

May: (Gets out Metal Men's ridewatch) These robots know pain.

Maria: (Gets out Mercury's ridewatch) Lets bring the heavy metal.

Elaine Ekena: (Gets out Snow Demon's Ridewatch) Lets freeze!

They used the powers of Spooky Space Kook, Snow Demon (Kamen Rider Black), Metal Men from Mercury, Alchemy Beast Ekenas the Mercury, Mercury and Danjim and blasted them all over.

Nico: YEAH!

Then out came Creature of The 5th Dimension, Freeze (Skannerz Commander), Bun Lass, Mars (Saint Seiya), Old Maid (Loud House) and Despair Kaito Momota came.

Me: COOL!

Nico: Nice team Creature of the 5th Dimension!

He roared in agreement.

Nico: Nice job Creature!

Laney: Wait the Old Maid of Ace Savvy!? Awesome!

Me: She looks so much like Scoots! If she is then Lincoln's Guardian Angels are going to throttle her!

Lincoln: Whoa whoa. J.D. the Old Maid is who I modeled after Scoots but she is not like her thank goodness.

Me: Well that's a relief.

?: Thank goodness.

FLYMON CAME!

Me: Whoa Flymon!

Qin: I HATE Flies!

Flymon: (in a girls voice) I agree too Qin.

Nico: Fina Fly!? Whoa!

She reverted back and was a girl with magenta hair, eyes, clothes, Flymon's wings and had Flymon in the middle of her forehead and on her skirt.

Fina Fly: Yep. Awesome to see you Nico. I got this! (Echoing) DEADLY STING!

She fired poison stingers and stabbed the Anothers and I caught the ridewatches and purified them.

Me: Nice one!

Nico: That's gotta sting!

Me: No shit!

Fina Fly: I know.

Elaine Ekenas: Do you have a favorite memory of Nico?

Fina Fly: I sure do. When me and Nico went and killed the man that killed my father.

Nico: Fina I found abandoned in a junkyard and I gave her food and shelter and all that and her mother went into hiding. Her family was being sought after by the mafia and they vowed revenge on them. They vowed to kill her and her family.

Qin: Welcome to my world.

Nico: Yep. I helped her kill them.

Me: Wow! What about her mom?

Nico: We haven't found her.

Me: We'll find her. I know we will.

Nico: Yep.

Nico and Fina hugged.

Nico: I missed you.

Fina Fey: Same here.

We went back to the ship and went home.

Nico: Way too ironic, but either way, she's going to be stopped and absorbed by Lincoln.

Sailor Mercury: Plus, today's Luna's big day, though I can't help but get the feeling the next villains we're facing are some familiar faces that Luna's had the unpleasant pleasure of knowing.

CHINESE MUSIC PLAYS

We then saw a lion made of white fire fly through the skies.

Regina Huoqiang: That's right, and I got the girls away from Princess Tempestria, but she's heading here right now.

?: YOU WILL ALL PAY FOR WHAT YOU DID TO THE OTHER EVIL ELEMENTALS, TEAM LOUD PHOENIX STORM!

Then, Lincoln ran up to Princess Tempestria and he bearhugged her so she couldn't escape, and then, he absorbed her into his body and assimilated all of her powers and abilities and he sent her to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: Finally, after years of havoc, The Elementals who served The Old Ones and plagued Azeroth are finally gone forever, and they are never coming back. (To Regina Huoqiang) And it's so good to see you again, Regina.

Regina Huoqiang: You too, Lincoln, it's been seven years since we last met.

Suddenly, Regina Huoqiang perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Regina Huoqiang were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Regina Huoqiang: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Regina Huoqiang and hugged her, and Regina Huoqiang is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Regina Huoqiang: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Regina Huoqiang, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Lion Emperor, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of white fire and she's my little sister. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and we found out that she was born with the powers of Brotherhood of The Fire Fist - Lion Emperor, along with having angel wings along with having intense white fire powers, she's known as The Regal Fighter of The Sisterhood of The Fists of Fire because she fights with the regality and ferocity of a lion. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of white fire. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and just like me, Regina hates Lori with a blazing passion because of her cold-hearted egotist misandrist control freak attitude and black-hearted hatred towards Lincoln, and one incident had Lincoln beaten almost to the point of death by that bitch, Lori, and that caused Regina to beat Lori up that badly and sent her to the hospital in a full-body cast for two years, and Regina healed Lincoln by feeding him a blood bag.

Nico: Yikes! The Lion and Tiger Sisters, two sisters no one wants to piss off.

Arpina Huoqiang: That's the very name J.D. gave us after Regina trashed Lori, but you don't want to see the photo of Lori after she was trashed by Regina, it was even worse than my thrashing of her.

Qin: Good point.

Lincoln: I almost barfed when I saw Lori in that mangled up condition, but I was almost beaten to death by her, so that was basically a representation of the old saying "What Goes Around Comes Around", and now that you're here, Regina.

Lincoln leaned his head down the right side of Regina Huoqiang's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Regina Huoqiang: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Regina Huoqiang with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Regina Huoqiang: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Regina Huoqiang.

Regina Huoqiang had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Regina Huoqiang's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Regina Huoqiang had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Aya Himeno, Haru Kasuga, Nagisa Kisaragi, Youko Sakaki, and Yuu Miyama from Doki Doki Rooming.

Lincoln: Oh wow, it's Aya Himeno, Haru Kasuga, Nagisa Kisaragi, Youko Sakaki, and Yuu Miyama from Doki Doki Rooming.

Nicole: So, those were the girls that got kidnapped by that water monster. Regina did awesome with getting them away from her.

Lincoln: She sure did. Are you girls okay?

Aya Himeno: Yes, we're okay, thanks to you.

Then, when Aya Himeno and the other four girls saw who it was that saved them from Princess Tempestria, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and

Aya Himeno: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aya Himeno: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aya Himeno, Haru Kasuga, Nagisa Kisaragi, Youko Sakaki, and Yuu Miyama with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villain we went after was Princess Tempestria The Water Elemental from World of Warcraft.

But, when Lincoln showed what we all did in beating her all down viciously and Lincoln bearhugging her and absorbing her into his body and sending her to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Regina Huoqiang have a lot of catching up to do, now that she's back in town.

Maria: Aw man, you guys should've invited me and Arixam as well, especially if it involved someone like her.

Lincoln: Sorry about that.

Nico: But, at least, we're rid of the evil Elementals that terrorized Azeroth.

Me: That's right. But, there are a lot of other evil enemies causing trouble in Azeroth, but we'll make absolutely sure they'll pay for their crimes as well.

Lincoln: You got that right.

After Lincoln and all of us beat down Princess Tempestria and Lincoln absorbed her and sent her to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Regina Huoqiang saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Regina Huoqiang: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Regina, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Regina Huoqiang: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Regina Huoqiang: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

?: You're still always hard at work with your workouts as always, Lincoln.

?: Even after seven years, but like you've said, you're still getting stronger than ever.

?: Along with getting smarter as well.

?: And we're so surprised to see just how much you've grown and changed since then.

Suddenly, we saw four girls appear: one girl has long pink hair, pink eyes, rainbow diamond angel wings, the four diamonds emblazoned on her forehead and pink skirt and the gems of Pink Diamond, White Diamond, Yellow Diamond, and Blue Diamond on her right arm, dark blue sleeveless top, pink pants, purple legwarmers, purple sneakers, and in her hand is Obsidian's Lava Sword, the second girl has aqua blue long hair, aqua blue eyes, aqua blue angel wings, aqua blue clothes, the Ocean Kanji on her forehead, and a water Keyblade in hand, the third girl has long fire colored hair, red eyes, orange angel wings, red and orange clothes, and a fire Keyblade in hand, and the fourth girl has chin-length ice blue hair, blue eyes, blue angel wings, ice blue clothes, and an ice Keyblade in hand.

Lincoln: (GASPS) Gem Holland, Keyblade Knight of The Gem Homeworld and Avatar of The Gems, Olivia Oceania, Keyblade Knight of Oceana, Dahlia Dilgan, Keyblade Knight of Dilgan, and

Layla Lhodwi, Keyblade Knight of Lhodwi.

Varie: Olivia Oceania?

Steven Universe: Gem Holland?

Me: Varie, Steven, you know these two?

Varie: We do.

Selene Arcangela: And so do we. The first girl is Gem Holland, Keyblade Knight of The Gem Homeworld and Avatar of The Gems, she's Lincoln's Guardian Angel from The Gem Homeworld and she's a powerful force of epic power to be reckoned with. She was born and raised on The Gem Homeworld, and she's a powerful master of gems and she has all the powers of The Crystal Gems and their powers, and her Keyblade is Obsidian's Lava Sword and the blade can form into any kind of key. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of The Crystal Gems and their powers, and she absolutely loathes and despises all of Lincoln's enemies and Steven Universe's enemies with a vengeance and she vowed that if they tried anything to either Lincoln or Steven then she would banish them to the Penal Colony planet, Rura Penthe, for eternity!

Me: And you've heard of Steven's achievements in the Gem Homeworld and on Earth.

Gem Holland: Correct, and I was really really proud of him.

Selene Emperyous: So were the rest of us, the second girl is someone Varie knows all too well, this is Olivia Oceania, Keyblade Knight of Oceana, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of water and nature. She is the Keyblade Knight of the ocean planet Oceana, the home planet of Princess Neri from the Australian show Ocean Girl, and she's a very close friend of Princess Neri and she loves her and Varie like sisters, and she and Neri protected Oceana from the very dark forces of the evil Space Wizard, Galiel, and vowed that if he ever upset the balance of nature again that she would destroy him forever. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of water and she hates Pablo, Anderson, Hawk & Hank, and Chandler with a vengeance, the reason why is because they were going to destroy the entirety of the kids of the city and ensure that it has no future.

WE GASPED!

Nico: Then, it's a damn good thing we sent Pablo, Anderson, and Dark Chandler to The Black Abyss, if Hawk and Hank dare to show up, they're getting the same punishment.

Michelle Emperyous: You said it, and the third girl is linked to your rescue on Dilgan, Nico, this is Dahlia Dilgan, Keyblade Knight of Dilgan, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of fire and volcanoes. She is the Keyblade Knight of the Volcano Planet, Dilgan, and it's located in the same system as the planet Glaren. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of fire and volcanoes and she hates all of Lincoln's enemies with a vengeance.

Nico: WHOA! And you saw our battle against Neflite on your planet, right?

Dahlia Dilgan: I sure did, and I saw the technique Lincoln used on him. He was saving that for when we run into Jadeite, Zoisite, and Kunzite, we're getting front row seats for when he uses it to send those three straight to The Black Abyss.

Melanie Emperyous: We'll wait for them to make their move, and the fourth girl is Layla Lhodwi, Keyblade Knight of Lhodwi, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of ice and cold and subzero freezing temperatures. She is the Keyblade Knight of the Ice Planet, Lhodwi, and she also has an extreme immunity to the cold because she was born there and she also has an extreme immunity to heat. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of ice and cold and subzero freezing temperatures and she hates all of Lincoln's enemies with arctic cold vengeance.

Me: Yikes!

Lincoln: Her power is no joke, and she also has the same Absolute Zero Touch as Leina Mobius, but hers is deadlier: her Absolute Zero Touch drains those who are pure evil and irredeemable of all their body heat and warm blood and they turn into ice statues and shatter.

WE GASPED!

Nico: Oh God! Wait a second, I remembered hearing a story in New Jersey that a massive group of thugs were turned into ice statues, so that was...?!

Lincoln: That was her alright.

Lincoln then went up to the girls and he slowly bit them on their right trapezius and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them, and four Elemental Thunderbird Necklaces of Eternal Love appeared on their necks with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

We got a shower, and then, Lincoln, Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman are heading to Gelato Beach.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Universe 666 Imitata: Whoa, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Universe 666 Imitata, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a volleyball game, and Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Universe 666 Imitata: (Swooning) So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman are in your harem, Linky.

Universe 666 Imitata, Universe 666 Jataaka, Universe 666 Kia, Universe 666 Lord Hawkgirl, and Universe 666 Lord Wonder Woman showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Universe 666 Imitata: Nope, not at all. But, Lincoln did have us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles. It's hard to believe that Lincoln went from the cute 11-year-old to what he is right now.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Ooh, they're in trouble!

Next was another awesome Super Mario Odyssey adventure.

Nico: Next is Ruined Kingdom for Round 3.

Me: Cool!

Robin: Me and Marinette will go this time.

Me: Awesome! And I'll go too.

Nico: Okay then.

We went in and it activated and we were at Ruined Kingdom for round 3!

Me: Yeah!

Nico: I have a feeling this is gonna be a good one.

Nicole: Oh it is. And you're going to be in for a surprise when you see the next bad guy.

Nico: Really?

Nicole: Oh yeah. It's someone that will shock you.

Robin: Is it someone me and Marinette know?

Nicole: Uh uh uh. No spoilers.

Nico: Well lets get our gamefaces on.

Me: Right. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Marinette: TIKKI! SPOTS ON! HA!

She turned into Ladybug!

We were off!

We arrived at the building where we fought Lord of Lightning and to our shock we saw the 2nd Akuma of Marinette! She looked like Marinette but with blood red clothes and had red angel wings and had piercing red eyes and she had a fire aura of red energy!

WE GASPED!

Marinette: Another Akuma of me!

Scarlet Bloodreaper: Yes and I am known as Scarlet Bloodreaper!

Me: WHOA!

Nico: UH OH!

Nicole: Yep. Marinette's second akuma form, Scarlet Bloodreaper.

Nico: Uh oh!

Scarlet Bloodreaper: That's right.

Nico: How were you created?

Scarlet Bloodreaper: My story is a crazy one. I was made when that lying and conniving blackhearted bitch Lila got me expelled and spread lies about me being a wanted and convicted criminal I became the most evil and wanted fugitive in the city of Paris. After I went into hiding Hawk Moth made me into this and I vowed to kill that monster and eradicate all of Paris' criminals as a Batman vigilante.

Me: LILA! I can't believe that heartless blackhearted lying witch would do this to you!

Marinette: She was a monster! And I have a feeling that when she returns because of Anti-Monitor it's going to be during my time to shine.

Me: Yeah.

Eli: Man that Lila!

Alya: What a heartless monster!

Qin: Yeah!

Me: I can't believe that the people of Paris would buy her lies so easily where you came from!

Scarlet Bloodreaper: I know.

Nico: Batman only killed once.

Me: And his only victim was Aresia.

Scarlet Bloodreaper: Yep. But I thought it was the Joker.

Me: That's in the comics and the movies. But with us it was the rogue amazon Aresia. Ugly story.

Scarlet Bloodreaper: I see. But here is my kill where I am from.

She threw the severed head of Lila Rossi to us and I caught it.

Me: Lila Rossi's severed head!

I pulled out a spear and impaled it on it.

Nico: It actually wasn't you who killed her where we come from.

Me: No it wasn't right girls?

Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara and Silver Spoon came.

Apple Bloom: That was us. We killed that monster and Marinette used the Black Gates on her.

Sweetie Belle: I fired the fatal shot through her chest.

Scootaloo: That was awesome.

Me: Back in 2019 we should have just killed her and got it over with. But our code wouldn't let us because she was 15 at the time.

Nico: Yeah.

Apple Bloom: And we got medals for it.

Scarlet Bloodreaper: I am glad you did. Congratulations to you five for doing this universe a favor.

Diamond Tiara: Thank you.

Silver Spoon: It was cool.

Me: Yep.

Nico: Yeah that was cool

Apple Bloom: And when we face her again, she'll get the same fate as before!

Marinette: Yeah!

Me: Anti-Monitor is highly likely to have brought back Lila. So when the time comes during Marinette's time to shine, how about you, The Cutie Mark Crusaders and Marinette kill her together.

Scarlet Bloodreaper: I would like nothing more than for that to happen.

Nico: Awesome.

Marinette: Yeah!

Me: Lets get this fight done.

Scarlet Bloodreaper: Lets get it on then!

Me: RELEASE THE WOLF! (HOWLS)

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

A massive vortex of blue fire exploded out and I was ready! I went at Scarlet Bloodreaper and we clashed powerfully and intense flames blasted out.

Robin: This time, she won't have an army of Loogies!

Nico: Or Chameleon to back her up!

Robin formed his sword and Robin clashed with her and I clashed with her too!

Apple Bloom: CRUSADERS FIRE!

They fired laser blasts from their blasters and Scarlet Bloodreaper blocked all the blasts with her scythe.

Me: WHOA! She is really good with that scythe!

Marinette: Wow! She is doing really well against our attacks.

Me: I agree.

Nico: But Ace, Scott and the RPM Rangers fought her the first time

Scott: He's right!

Scarlet Bloodreaper: That is amazing! I'm glad they faced her back then.

Nico: That was fun.

Me: And me and Nico had a helping hand with that which was cool.

Nico: Yep.

?: (ECHOING) BLOCKADE SEED!

A seed flew out and hit Scarlet Bloodreaper and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Me: Whoa!

We saw Arbormon and a girl with pink hair, blue eyes, blue and pink clothes and had pink angel wings and a tiara with Shield Shelldon on it.

Sheila Shelldon: Sheila Shelldon, Embodiment of Shield Shelldon.

Morpheus: Cool! Sheila awesome to see you!

Bertrand: Yeah its been a while.

Sheila Shelldon: It sure has Bertrand and Morpheus.

Arbormon: (In a girls voice) Looks like the fun has started.

Nico: Alya Arbor! Wow!

Arbormon: Been a while Nico.

Me: Lets get her!

Nico: (gets out Space Kook and Pitcher Plant Monster' Ridewatches) This plant's gonna scare you!

Nico activated them and fired waves of energy and blasted her.

Me: Lets do it!

We fired waves of energy and blasted Scarlet Bloodreaper.

The Cutie Crusaders blasted her.

Sheila blasted her all over.

Marinette blasted her all over.

Alya reverted back and was a girl with green hair, brown eyes, and green and brown clothes and green clothes and green angel wings and had Arbormon on her forehead and skirt and the Wood Spirit Kanji on her arm.

She waves of energy and blasted Scarlet Bloodreaper down.

Nico: YEAH!

We got 30 moons!

Me: Take that!

We all high five!

Nico: How did you meet Morpheus and Bertrand?

Sheila: I met them at one of their rituals and it was to put a curse on a satanic cult that was terrorizing the city for a while. They banished them to Hell forever.

Me: Whoa! That is awesome.

Nico: Yep.

Me: And Alya what's your favorite memory of Nico?

Alya Arbor: That is an easy one. When me and Nico made the largest ever treehouse hotel in Alaska.

Me: Wow!

Robin: Amazing.

Nico: Yep.

Nico and Alya hugged.

Nico: I've missed you.

Alya Arbor: Same here.

Me: Would you two like to join us?

Sheila Shelldon: We would be honored.

We left the simulator and everyone cheered wildly. Scarlet Bloodreaper was put into the M.O.E.

* * *

I was watching TV.

Me: Hmm.

Then a noise and glow was seen and heard.

Me: Huh?

I looked and saw my cutie mark glowing.

Me: Oh the map is calling me!

Eli: Hey bro we're going to have a surprise for Nico and Kanai. Want to come with?

Me: Sorry I can't.

I showed my cutie mark glowing.

Eli: Oh a friendship problem. Good luck bro.

Me: Thanks bro. See you soon.

I went to the map.

Luna: Wonder where they're going

Eli: It'll be awesome.

* * *

Later Nico and Kanai were blindfolded and the mascots were leading them somewhere.

Nico: I hope this will be fun.

Poromon: Oh it sure will.

Kanai: Yeah.

They arrived.

Poromon: Tadah! We're here!

Polowag: We're here!

They took off their blindfolds and saw that they were at Lynn Sr.'s old restaurant he used to work at, The Aloha-Comrade Hawaiian Russian Fusion Restaurant.

Lori: Dad's old work restaurant!

Nico: Wow! Huh?

Kanai: Nico?

Nico: Kanai?

Nico and Kanai: YOU'RE MY BLIND DATE!?

Poromon: Yep we arranged this for you.

Lincoln: You guys will love this place. This used to be the restaurant where dad worked and it became the springboard for where he got the idea to open his restaurant.

Nico: Is it really? Wow.

Laney: Yep. It's fun too.

Spike the Dragon Lord: This is where Mr. Lynn used to work at?

Lana: Yep.

Laney: And also where he got the idea to open his restaurant.

Lana: Yep.

Nico: Cool!

Lincoln: You guys will love Sergei. He was dad's old boss before.

Nico: Cool!

They went in and got a table.

Leni: Boy this is as totes amazing as when dad started.

Laney: This place is just as busy as ever.

Sergei came.

Sergei: (Russian Accent) Team Loud Phoenix Storm welcome. And Lincoln it's good to see you again comrade.

Lincoln: You too Sergei.

Sergei: How is your dad doing?

Lincoln: Great thank you. He is now the owner of Lynn's Table. That restaurant right there.

He pointed to Lynn's Table.

Nico: Wow! I didn't know it was right across the street from here.

Sergei: Indeed. And Nico it's a pleasure to meet you.

Nico: You too Sergei. I heard so much about you and it's awesome to meet you.

Sergei: Same to you. I'm so proud of Lynn for achieving his dream.

Laney: We are too.

Motormaster: By the way, Flip's dead.

Sergei: I'm glad he is. That Urgroza got what he deserved.

Nico: That's Russian for Menace.

Motormaster: Oh.

Nico: And yes he sure did.

They got to eating and Sergei decided to officially join the team.

Later they were stuffed.

Nico: (Burps) Ahh. Man that was delicious.

Kanai: Boy that was just as good as the food back home in Hawaii.

Laney: We're glad you like it Kanai.

ZOOM!

By this time the Mascots already ran off.

Nico: And there go the mascots.

May: The chase is on.

They paid for the food and it was time for the chase.

Eli: They went to the Krusty Krab first.

Nico: Wow! Lets get it on.

BENNY HILL CHASE MUSIC PLAYS

At the Krusty Krab, Squidward was taking his nap in the register boat.

He woke up and saw The Mascots.

Squidward: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHH! AAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHH! AAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHH! (PANTS)

Poromon: Squidward, be quiet! We're hiding!

Squidward: Oh blind date chase?

They nodded.

Lily: Squidward!

Lily came out.

Lily: Oh hey guys.

Poromon: Hey Lily.

Lily: What brings you guys here to the Krusty Krab?

Poromon: Hiding from everyone.

Manaphy: We had Nico and Kanai put on a date at the Aloha Comrade fusion restaurant.

Lily: Dad's old workplace that got him his restaurant idea. That's cool.

Squidward: That is amazing Lily.

Lily: Yep.

Squidward: As long as you stay quiet, you guys should be fine

Lily: Yeah. Well back to work.

ZOOM!

She went back to the kitchen.

Then everyone came in!

Nico: AHA! Gotcha!

ZOOM!

The Mascots ran off again!

Nico: Wow that is fast. Oh good morning Krusty Crew!

Squidward: Morning guys.

Lily: Hey Nico! Sorry I missed the date.

Nico: No worries.

Eli: The Mascots are over at the Sardine Cannery on the eastern side of the city.

Lincoln: That's the old Amanda Dancing Sardine Cannery. It was shut down years ago.

Flint Lockwood: Deja-vu. Hope no one was stuck eating those sardines.

Lily: Yeah. Go get them.

They teleported.

At the abandoned Sardine Cannery the mascots were hiding.

Horsea: We should be safe here.

Poliwag: I'm not going to eat all this fish.

Poromon: Not after what happened when we had that tainted fish.

Manaphy: Yeah.

Horsea: It was your own fault for eating all that herring

Poromon: I know and I regret that.

Then the doors bursted open and in came everyone.

Nico: Who this place has seen better days.

Eli: Wow looks like no one has been in here for ages.

Flint Lockwood: Just like the Baby Brent Sardine Cannery back home.

Lola: Wow.

The mascots stayed quiet.

Nico: Boy I do not want to eat these.

Laney: Me neither.

Carly Atlas: Especially after having to see Swallow Falls go through eating Sardines 24/7.

Earl Devereaux: Yeah no kidding.

Flint Lockwood: I agree there.

They heard something click.

Qin: What was that?

Nico: Probably an ant.

Qin: Ant's don't click like that. No offense Flik.

Flik: None taken.

Then they heard a loud fart!

LOUD FART!

Poromon: Poliwag!

Poliwag: Sorry!

Nico: AHA!

The mascots ran off

ZOOM!

Nico: Tartarsauce!

Qin: Got away again!

Eli: That wass funny though. But Nico you are not going to like where they are going next. They are headed to the old Chum Storage.

Nico: (GULPS) Swallow your pride guys.

They were off.

Manaphy: Perfect! They'll never look here!

A chum intestine farted in their faces!

LOUD FART!

Poromon: OH YUCK!

Horsea: SO DISGUSTING!

Poliwag: Shhh!

THE INTESTINES FARTED MORE IN THEIR FACES!

Just as everyone else arrived...

ZOOM!

THE MASCOTS RAN OUT OF THERE!

Nico: WHOA! Okay that was a terrible idea for them.

They saw HUGE VATS OF CHUM!

Nico: Yuck!

Sakura Knudson: (DROOLS) Oh boy!

Plankton: Boy that is a lot of chum!

Nico: (Turns green around the gills) Lets just get out of here before I throw up!

They were off.

Nico: Now where did they go?!

Eli: Nicole is not going to like this! They went into the old Logan Fox Gentleman's club.

Nicole: That old strip club I shut down ages ago!? Oh boy.

Nico: Lets go.

Me and Fu got done with my friendship problem in the Hidden Waterfall.

Me: Never expected the friendship problem to be in the Hidden Waterfall.

Fu: That's the last place I would expect it for that.

Me: Yeah. (Senses something) Uh oh. I sense the mascots in trouble.

Fu: Lets go see what they did this time.

We were off.

The mascots were hiding.

Poliwag: Wait? Are we at a whorehouse?!

Hooker: Look! New sex toys!

The Hooker hopped on Poliwag.

Poromon: NOT AGAIN! (Echoing) LIGHTNING JAVELIN!

He fired waves of lightning and electrocuted the hookers.

Then...

Me: HI-YAH!

CRASH!

I smashed the door down and me and Fu went in and Fu kicked the hookers in their faces.

Me: Well I'll be. The Venusdoom Gang Girls. I've been after them for a long time.

Fu: Really?

Me: Yep. Lots of crimes.

I fired waves of wind and blasted them down.

Poromon and the mascots jumped into my arms.

I fired water blasts and drenched the hookers.

Horsea was squeezed in between a hooker's boobs.

LOUD FART!

The hooker coughed and gagged and vomited!

Fu smashed the hooker down.

Horsea: That was funny.

Me: Geez! What is with hookers using abandoned buildings like this as hideouts.

Fu: Don't know don't care. But if Jiraiya-sensei were here Nicole and I would smash his nuts in.

Me: You said it Fu.

Fu: Yeah!

Poromon: Yeah!

A hooker puked on Manaphy!

Manaphy: OH YUCK!

Me: Hey you bimbos! The mascots are NOT Sex Toys!

Hooker: I need to pee.

A hooker peed on Poromon

But Poromon dodged it and then everyone else came in and Sheila busted the Hookers.

Sheila: Well I'll be! The Venusdoom gang! Nice job.

We had them loaded into the van.

Nico: You guys okay?

Manaphy: JUST GET US TO THE SHOWER!

Nico: Okay okay!

Rodimus: But first...

We tackled the mascots and tickled them.

THEY LAUGHED HYSTERICALLY!

Mascots: (LAUGHING)

Me: Say it guys!

Mascots: NEVER! (LAUGHING)

Fu: Say it!

Nico: SAY IT!

Mascots: (LAUGHING) NEVER!

But then...

NICO THREW UP ALL OVER THE MASCOTS!

Mascots: (SCREAMING) OH MY GOD! OH MY GOD!

Stewie: Now that is a strong sense of deja-vu! Lois threw up all over me when she was drunk.

Me: OH SICK!

Maria: SAY IT!

Me: In the name of humanity! Say it!

Mascots: UNCLE! UNCLE! UNCLE!

Tyrone McGee: Say what!?

May: Say it!

Mascots: UNCLE UNCLE UNCLE!

Me: Okay they said it.

We stopped.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Luna's main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

The mascots came back.

Azula: You guys okay now?

Poromon: We sure are.

Me: How was the date Nico?

Nico: Fun.

They told me and Fu everything.

Fu: Whoa! So you went to the Aloha Comrade. That is awesome.

Me: It sure is. And Sergei is part of the team now. That is cool.

Nico: Yep. So what was the friendship problem?

Me: It was over in the Hidden Waterfall. Shibuki was having disagreements with the owner of a shop Fu got banned from and we told the owner of the store to let go of the hatred and we used the Kunai Scroll demonstration.

Naruto: Like how I am the container and Natsumi is the resident sort of.

Nico: Oh I get it.

Me: Yep.

Poromon: You did a nice job.

Me: Yeah.

Fu: And going to the Waterfall was the last place I would expect.

Me: Yeah ugly story.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than Dark Lugiel, and he's on the move and is causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you've finally made your move, Dark Lugiel.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than Dark Lugiel, and he's on the move and is causing havoc.

WE GASPED!

Luna: Dudes, I knew it.

Nico: Dark Lugiel's finally on the move, and now, we can finally destroy him forever.

Me: You said it.

Eli: He's finally getting The Black Abyss for what he's done.

Me: You got that right, Eli. This is gonna be one explosive battle.

Nico: Another Ultraman enemy is finally heading for The Black Abyss. Alright, team, let's get ready to head to Japan and destroy that piece of shit, Dark Lugiel.

Lincoln: He's not getting away with this, the time to destroy him has finally come.

Me: Yep.

The previous group came

Kalin: Can me, Pete, Private HIVE, Krusty, Control Freak, Abis Mal, Vreedle Brothers, Cargill, Multiplex, and Madame Masque go with you guys?

Octagon: I'm thinking there's gonna be at least one more encounter with Hookers

Nicole: If there is we're bash them to pulp.

Nico: Yep and yes you all can come with.

Qin: Yeah.

Lola: Yep.

Flywheels: Boss, which Gene Slammer do you think you'll meet next?

Nico: Dokugomon next.

Qin: Ooh! Spider Kind.

Lola: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figures were in the vision: the figures to our disgust were none other than Doug and Michelle, the blacklisted music haters, and they've broken out of prison to get revenge on us yet again. When we saw it, we knew it meant trouble.

Lincoln, Nico, me, and the Louds: YOU'VE GOT TO BE FUCKING KIDDING!

Rayman: Please, tell me that wasn't who I think we just saw!

Lincoln: I'm afraid it is, Rayman, and I thought we were through with this mess. The figures we saw and to our disgust were none other than Doug and Michelle, the blacklisted music haters, and they've broken out of prison to get revenge on us yet again.

Luna: Dudes, I thought we were done with them!

Me: Same here.

Nico: This wasn't Anti-Monitor's doing.

Lincoln: No, it wasn't, Doug broke out, but I sensed that Michelle's hiding something from her past and it's why she's a music hater like Doug. Hang on, let me try something.

Lincoln got into a levitating meditative stance and we saw his eyes glowed, and he peered into the soul of Michelle, and what he found out was too shocking for words: it turns out when Michelle was a kid, she loved music and had an amazing talent in singing, but she had dark scars from the past: one of those factors were relatives of her family who always criticized and looked down on Michelle and made her feel worthless, and the second factor was something that would piss us off even more: it turns out Michelle was also being bulled, and the person behind that was Doug when he was a kid and he even sabotaged many of her concert performances when she was in school because he hated music back then as a kid as well and sought to destroy the world of music and the talents of many talented musicians, and even as she continued through high school, Doug always sabotaged all of her performances, and eventually, she grew to hate music and became just like Doug.

When Lincoln was done, he was horrified.

Lincoln: So, that's why Michelle became just like Doug.

Me: What'd you find out, Lincoln?

Lincoln: It's not good.

Lincoln explained everything about what he found out, and we were both shocked and horrified, and when we found out who also contributed to that, we were pissed off!

Qin: Why that rotten jerk!

Me: That scum sucking butt-chewing motherfucker!

Nico: It's bad enough some of her relatives did that to Michelle, but Doug, that fucker crossed a line that would've warranted in him getting The Black Gates!

Luna: Dudes, this isn't good. Lincoln, now that we know the reason why she's like that, you need to convince Michelle to realize the error of her ways and have her abandon the music hating world and join your harem, and expose the truth to her.

Lincoln: I'm going to do just that, Luna.

Eli: That spineless bastard, I ought to tear his spine out of his body!

Lincoln: No, Eli, he's going back to jail, and this time, he's going to remain in prison for the rest of his life.

Laney: He's leaving out of there in a pine box!

Nico: Without a doubt, Laney, without a doubt, he was an asshole back then, and even now, he's still an asshole! Alright, team, let's go, we're off to Japan to help Hikaru and the team destroy Dark Lugiel.

Lincoln: That madman's time is finally up, now he'll answer for all of his crimes, and once we get done with him, we're saving Michelle's soul and we're taking you down, Doug.

Luna: And this time, we're not letting you out ever again, Doug. You deserve to spend the rest of your life locked up in a cage like the filthy animal that you are. Hikaru, everyone, hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Japan to help Hikaru and the team destroy Dark Lugiel and send him to The Black Abyss, and once we get done with him, Lincoln's going to save Michelle's soul after learning the truth about why she became the music hating blacklisted host and we're also going to take down Doug and send him back to jail where he'll spend the rest of his life locked up in a cage like the filthy animal that he is.

We were off to Japan

We arrived in Japan but we were shocked to see that the streets were deserted. It was quiet in Tokyo.

Me: This is odd.

We landed.

Nico: Where is everyone?

Me: No idea.

Laney: It's creepy.

Me: It's bizarre seeing Tokyo this quiet. Usually it's busy as all get out 24/7.

Qin: Yeah.

Nico: It's quiet. Too Quiet.

Me: I'm getting a bad feeling about this.

Nico: Me too.

Krusty: Think we should call Hydro Man?

Nico: Good idea.

Hydro Man was called in.

Hydro Man: Hey guys.

Me: Hey Morris. Glad you came.

Hydro Man: Huh. Did everyone leave for a party that I didn't know about?

Me: No Tokyo is like a ghost town.

Camie: Something weird is going on here.

Qin: Yeah.

Lola: Yeah.

Eli: I sense Hikaru and team still at their HQ.

Nico: Lets go.

We went there.

We arrived.

Hikaru: Hey guys!

Luna: Yo! Hey Hikaru!

Hikaru: Glad you all made it.

Me: Like we would miss this. By the way thanks for helping us 2 days ago.

Hikaru: No problem.

Marina: You helped us against Professor Tite Grip

Me: Yeah.

Hikaru: Yeah that was fun.

Qin: Yep.

Me: What's going on Hikaru? Tokyo is as quiet as a graveyard. It's like everyone just vanished.

Hikaru: I don't know. It's totally unheard of.

Me: Yeah.

Rei Miyamoto: Yeah it's like what happened in our world when zombies were invading.

Me: I don't think it's zombies. We would have been warned in advance if it were.

Impact Man: Has anyone in your team gone missing too?

Hikaru: No thank goodness.

Everyone was all present.

Me: That's good news.

Camie: Yep.

Abis Mal: Hikaru, is one of your attacks the Ginga Cross Shot?

Hikaru: It sure is.

Me: That is so awesome.

Lola: Yep.

Qin: All his attacks are awesome.

Bloo: I know what happened to everyone!

Flash Man: Do tell.

Bloo: A galactic overlord kidnapped them all for a ransom!

Me: That sounds like something Ed would say.

Eddy: (LAUGHS) Yeah that's something I would expect Lumpy to say.

Ed: Yeah it's true.

Cargill: You think that's what happened here?!

Nico: No it isn't.

Hikaru: Yeah.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 3 bottles of beer.

Poromon: (to the Ultraman Ginga team) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Magnet Man: You get ones under your pillows if you're good!

Nico: Yep.

Hikaru: That is so cute. But unfortunately we don't drink.

Tomoya: Yeah we don't drink sorry.

Poliwag: (Does puppy eyes) Aw pwetty pwease?

Nico: Poliwag that's enough.

Madame Masque: You guys should've seen the blind date the mascots set Nico up on.

Nico: Yeah.

Lola: It was funny.

Hikaru: Was it really?

Me: Yep.

Hikaru: I get it. Also we saw that huge tree you guys have. That is awesome.

Me: Yeah and the view of the planet is amazing. But falling from it would be scary. Almost as scary as a certain movie we loathe.

Hikaru: What do you mean?

Poliwag: HE MEANS THIS MOVIE! (shows trailer close to Hikaru's face) LOOK AT IT!

Hikaru: The Blood and Honey movie!? Oh man!

Me: Yep.

Eli: Horrible movie.

Hikaru: We saw you guys do that lawsuit and that was very well done.

Mevya: IF ANY OF YOU GUYS ARE FANS OF WINNIE THE POOH, YOU CAN UNDERSTAND WHY THESE VERSIONS ARE ABOMINATIONS!

Hikaru: Oh we are!

Tomoya: They are disgusting!

Nico: Good good.

Me: Yeah

Bounce Man: You think that movie is basically what happened to everyone?

Maria: Are you suggesting someone killed everyone?

Me: No that would take days. In a city of 14,000,000+ people that would take a long time.

Eli: Yeah. Wait. I sense something.

Me: What is it?

Then we heard REALLY ominous singing.

We heard haunting and ominously divine singing.

Nico: What's that?

Eli: That sounds like a sirens song.

Me: (GULP) That was scary.

Multiplex: You guys getting a sense of deja-vu.

We nodded.

We went and followed the song.

Me: Look.

We saw a man hypnotically entranced by it.

Me: Lets follow him.

We went and followed him.

We saw him go to the beach and then we saw on a HUGE PILE OF

SKULLS COVERED IN BLOOD AND STILL DRIPPING WITH GORE, A MERMAID! She looked like Luna with longer hair.

Nico: What the?

Me: Shh.

Sixshot: Looks like those missing people are no longer missing

Me: Yep.

We then saw a HORRIFYING SIGHT!

The man went onto the skulls and then the mermaid RIPPED HIM APART AND CONSUMED HIS FLESH! He was nothing more than a skeleton drenched in blood!

WE GASPED!

Lola: OH GOD!

Luna threw up!

Sam did too!

Me: That does it!

We went over to her!

Me: Hey! What kind of monster are you!?

Hauntsiren: I'm actually the second Akuma of Luna. Name's Hauntsiren.

Me: Whoa!

Luna: You're my 2nd Akuma! Bogus dudes!

Rhomboid: Luna?! Is that really you?!

Sam: What the heck happened?

Hauntsiren: I was made this way because of bullies hurting my beloved Sam and I vowed vowed to kill all people that do so. I sing in my beautiful form as a mermaid. But my true form is this and it is a horror from the Dark Side of the Legend of The Mermaid!

Me: Whoa man!

Sam S.L.: I can see that this form goes to great lengths to protect me.

Luna: That is for sure dudes!

Nico: Why did you kill that man?! And what have you done with everyone?!

Hauntsiren: I can see into the thoughts of everyone. And these skulls are all those that hurt Sam.

Lola: How many did you kill!?

Hauntsiren: 33,235 people.

Me: Oh man!

Qin: GOOD GOD!

Me: From the looks of things these people are all those that hurt the LGBTQ community.

Hydro Man: Luna, you need to stop this and release everyone else from your control!

Hauntsiren: Everyone still is aiive. They are just in hiding.

Eli: She's right. I sense them. They are all in their homes hiding in fear from this.

Me: No wonder that we couldn't see them.

Nico: Yeah.

Hydro Man: But still.

Hauntsiren: I can't. Not until my beloved Sam is safe.

Sam S.L.: Aww. She wants to make sure I am protected.

Luna: Just like I would protect you.

They kiss.

Hauntsiren: See? Just like how I love Sam.

Me: This must've been triggered because of Sam's evil fake parents.

Hauntsiren: That's right.

Nico: Oh man!

Hydro Man: Then I'm sorry we have to do this. (fires water at her)

I fired waves of fire and we blasted her down.

Lola: Take that!

She got up and roared.

Me: Whoa.

Me and Nico fired blasts of fire and blasted her.

Hauntsiren: My turn!

She then VOMITED OUT A TORRENT OF BLOOD!

We dodged it!

Me: YUCK!

Camie: GROSS!

I fired waves of lightning and blasted her down.

Carrie: You better not puke on me!

Hauntsiren: No way!

She fired waves of water and we dodged it.

We fired waves of darkness and elements.

Then I formed an image of the Cave Nebula and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

She got struck all over and was knocked out.

Me: That did it!

Nico: Yep.

Alister: So, all these skulls were from Lesbian haters, huh?

Qin: Yeah.

Me: Well I would normally say good riddance to bad rubbish. But these people deserve jail time for what they do.

Control Freak: What should I summon for the upcoming battle?

Nicole: I got an idea.

Nicole whispered into his ear.

Control Freak: Oooh! Awesome idea.

He summoned the N64 version of Vypra from the Lightspeed Rescue Power Rangers game.

Mixmaster: Honestly a good choice!

Me: Yeah!

Luan: Cool!

Me: The Nintendo 64 version of Vypra is awesome.

Control Freak: Thanks.

Private HIVE: Let's prepare ourselves now!

Qin: I agree.

Emerald Sustrai: Okay!

We went and did so and Then Larxene, Shade, Koragg, Dark Spicer, Dr. Light, Vanitas, El Diablo, Merman, Iron Lung, and Ranamon came.

Nico: Larxene, Shade, Koragg, Dark Spicer, Dr. Light, Vanitas, El Diablo, Merman, Iron Lung, and Ranamon.

Larxene: So, everyone's hiding?

Nico: They sure are.

Koragg: Considering the upcoming battle, that's a wise decision.

Me: Yeah no kidding.

Dr. Light: We heard you fought Neflite.

Me: We sure did and it was on the volcanic planet Dilgan.

Dr. Light: Wow!

Shade: (to Black Widow) You should take care of that Spinarak.

Black Widow: I will.

Dark Spicer: (to Hikaru) Here's your warning: Your ass is about to be kicked!

Hikaru: Bring it on shrimp!

Then the Universe 666 version of Minjo came!

Me: Minjo!

Rarity: (GASP) My goodness!

Me: I'm guessing you must be the Universe 666 version.

Universe 666 Minjo: That's right.

Me: Wow! That fits.

Universe 666 Minjo: (to the Kiramagers) It's a good thing you guys are up considering that you guys are getting a chance to shine as well

Juru: That is too true!

Rarity: And it will be a good thing darlings.

Dark Spicer: Here's form one.

He turned into an UGLY VERSION OF THE XENOMORPH QUEEN! IT WAS PURPLE AND HAD UGLY WINGS AND SPINES ALL OVER!

Furyblight: Meet Furyblight!

Shanan: WHOA! A Xenomorph Hybrid!

Luna Loud: A Xenomorph?! I hope the Queen gets fought when it's Shanan's turn.

Furyblight: I hope so too. (charges at her)

Luna fired waves of water and blasted him down.

Nico: Nice one!

Dark reverted back.

Dark Spicer: Now here's number 2.

He turned int a scary version of Terrorsaur! It was red and had 3 pairs of ugly scary wings.

Necrosky: I call this one...Necrosky!

Sam: Wasn't expecting a version of Terrorsaur.

Necrosky: Neither was I! (flies at her)

She jumped and kicked him down and he was back to normal.

Me: Awesome choices!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Nanael: Yeah we sure did. That was awful what happened to him.

Camie: It sure was. Molly was so sad. Shanan said that if she could she would go there and help Molly.

THEY GASPED!

MODOK: Marinette turned into a fugitive!? That's horseshit! No offense girls.

Pinkie Pie: None taken.

Eddy: Yeah we were shocked this happened.

Marie K.L.: Lila Rossi is going to pay for her crimes again!

Daughter: Yeah we're not surprised that Anti-Monitor brought her back and now Marinette has a score to settle with her. She and the Cutie Mark Crusaders are going to rip her apart like they did before.

Pinkie Pie: Yeah that party pooper is going down!

Maud Pie: (Monotonously) I agree there too.

Featherweight: Yeah that is for sure.

Sprocket: You got that right.

Dark Spicer: Boy that is crazy! Lets do it!

EDDY OF THE JAWBREAKERS! SPRING MAN! BEST MATCH!

Eddy: Watch this one.

He fired energy blasts and they formed into Jawbreakers! They hit the group!

KRASMASH!

They knocked out most of their teeth! OUCH!

Lincoln came.

Lincoln: She's right. This is what I saw.

He showed the orb of Michelle. Turns out that Michelle was a kid, she loved music and had an amazing talent in singing, but she had dark scars from the past: one of those factors were relatives of her family who always criticized and looked down on Michelle and made her feel worthless, and the second factor was something that would piss us off even more: it turns out Michelle was also being bulled, and the person behind that was Doug when he was a kid and he even sabotaged many of her concert performances when she was in school because he hated music back then as a kid as well and sought to destroy the world of music and the talents of many talented musicians, and even as she continued through high school, Doug always sabotaged all of her performances, and eventually, she grew to hate music and became just like Doug.

Ranamon and the group gasped!

Dark Lugiel: Aquafiend, Hydro Man and Splitface.

Splitface: Nice we made an impression.

Dark Lugiel: So nice of you 3 to drop by. Just in time for me to conquer the world!

Splitface: Not if our friends have anything to say about it.

Dark Lugiel: What friends?

Then the spirits of the Ultraman came out and swirled around him and then they converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and then we landed.

Me: Hello Dark Lugiel. Nice to see you again.

Dark Lugiel: Ah J.D. Knudson. Been a long time.

Me: 11 years.

Dark Lugiel: You have grown quite a bit since the last time we fought. Too bad it won't help you.

Me: Don't get too overconfident.

Dark Lugiel: It's good that everyone's too scared to come out. It'll make my plans much more easier!

Me: We'll see about that and Doug and Michelle, I know you're back there so there's no point in trying to hide!

Out came DOUG AND MICHELLE!

Dark Lugiel: You will all die for ruining my plans!

Doug: You little bitch! You're going to pay for ruining everything! I was so close to destroying the world of music and all talented musicians! I hate all of you!

Our energy auras flared up thanks to his hatred and we gained a massive power boost!

Nico: Screw you, scum sucker!

Michelle: You! You ruined every...!

Me: Michelle, Nico has something to tell you first and then Lincoln!

Nico: Look, Michelle, I know exactly everything about you now.

Michelle: You know nothing about me!

Nico: I know that you used to love music. And you still do. It's just that Doug influenced you into something you're not. But I promise that we'll take care of him. All you have to do is let your true self out. (holds hand out) What do you say?

It looked like Michelle was going to take his hand.

Eddy: (to Doug) I'll deal with you later, motherfucker!

Nico: Okay now you can tell her Lincoln.

Michelle: But you don't...

Lincoln: That's enough, Michelle. You've already done enough, and by the way, I know the truth of your hidden past.

Michelle gasped, and tried to deny it.

Lincoln: Don't deny it. I saw the truth of your past, you had a love and a talent for music, but you faced nothing but condescension from your other relatives who enjoyed looking down on you and causing you nothing but pain.

Michelle suddenly felt a pang in her heart.

Michelle: I thought no one would ever bring that up. It was true, ever since I was a child, I had a talent for singing and I loved music, but my relatives were nothing more than condescending jerks and they enjoyed looking down on me and causing me nothing but pain for their own amusement, music was the only joy I had to look forward to, even my parents loved hearing me sing. (Voice Breaking) But, when I was chosen to sing, my performances at school were sabotaged by a bully who enjoyed making a fool out of me, they never caught him, and that's why I became the person I am!

Lincoln saw Doug was already sweating nervously and I smirked, and Lincoln decided to deliver the blow that'll piss that asshole off and be the one thing that'll break the chains on Michelle's heart.

Lincoln: The person you mentioned, the one who did all that to you, the person who did all that to you was Doug. When he was a kid, he was the one who bullied you when you were a kid and he's also the one who sabotaged your concert performances when he was in school because he hated music back then as a kid as well and sought to destroy the world of music and the talents of many talented musicians, and even as you continued through high school, Doug always sabotaged all of your performances, and eventually, you grew to hate music and became just like Doug. Take a look.

LINCOLN FORMED AN ORB, AND WHEN MICHELLE SAW IT, SHE WAS HORRIFIED: THE TRUTH WAS FINALLY OUT, DOUG WAS THE ONE WHO SABOTAGED HER MUSIC PERFORMANCES AND BULLIED HER WHEN SHE WAS A KID!

Michelle: So..., all this time...!

Eli: Search your feelings for you will know it to be true.

Michelle: (TURNS TO DOUG AND SHE GLARES ANGRILY AT HIM WITH TEARS COMING OUT OF HER EYES) YOU SPINELESS, TWO-FACED, BRAINLESS, PENCIL DICKLESS, STUPID IDIOT BASTARD! YOU DID THIS TO ME!

Doug tried to get away, but Lincoln grabbed him by the collar of his suit and lifted him up.

Lincoln: Spill it, or else, I'm gonna crack your head open like an eggshell!

Me and Nico: You better do what the man says, asshole!

Eli: YEAH YOU JERKHEAD ASSHOLE!

Me: Tell them OR ELSE!

Doug: ALRIGHT, FINE, I FUCKING ADMIT IT! I DID IT! YOU WERE SUCH AN EASY TARGET FOR ME, YOU BITCH! NOW, LOOK AT YOU! NOW, YOU'RE AT THE PIT BOTTOM LIKE ME! (LAUGHING LIKE A TOTAL FUCKED-UP MADMAN!)

Me: (GROWL) You fucking jerk!

Nico: I'm starting to regret wanting to send you back to jail and leave you a splattered mess of guts and gore!

Caleb Maxwell: (GROWLS) You...bastard.

Caleb Maxwell had his guns ready in hand and menacingly approached Doug with a murderous intent in his red eyes.

Caleb Maxwell: (RAISES RIGHT GUN) YOU FUCKING BASTARD!

But, before Caleb Maxwell could shoot, Lincoln tossed Doug right at Dark Lugiel and crashed into a wall, they got back out, but boy, were they absolutely pissed now!

Dark Lugiel: Doug, you ignorant boob!

Doug: SHUT THE FUCK UP!

Luna: OY! HOW ABOUT YOU BOTH SHUT YOUR UGLY TRAPS, YOU JERK-OFFS!

Me: YEAH!

Michelle: I don't believe this! You were the one who did this to me! Because of you, you've made me an outcast in the entertainment world and in the world of music! I've absolutely had it with your ass! Doug, I hope you go straight to Hell for this! I'm leaving this toxic music hating world you dragged me into, and I'm joining Lincoln's harem, and besides, he's infinite times the man that you never were, you pencil dickless motherfucker!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

OUR JAWS DROPPED TO THE FLOOR AND ELI CLOSED THEM, AND WE TRIED NOT TO LAUGH, BUT IT WAS TOO MUCH!

Me: (LAUGHING HYSTERICALLY) OH! You know, that insult was only meant for Walter Peck.

Nico: I know that. (LAUGHING HYSTERICALLY) Now, he's got a new buddy that shares that same insult and same name.

Me: YEAH!

Qin: YEAH!

Me: We'll have fun later! Your plans end right here Lugiel!

Dark Lugiel: Sorry. But nothing you say will change my plans! Kuros! Bechats!

An army of Kuros and Bechats appeared

Then the footsoldiers jumped them.

The Ginga team lay defeated at the hands of the Kuros and Bechats.

Dark Lugiel: I wonder if everyone will come out in time to see your deaths?

Poliwag: (slaps a Bechat with his tail) Oh no. What do we do?!

Luna, Jack, and Marina got an idea.

Luna: Dudes in the audience! Lend the Ginga team your strength!

Samurai Jack: They get stronger with your support!

Marina: When we give the signal, share your energy with the Ginga team. Okay? Ready... go!

Everyone in the audience began sharing their energy with Marty and his friemds. And soon, Hikaru found the strength to get up.

Hikaru: Oh, everyone will come out, alright. To see us defeat you!

Hikaru threw a Kuro at a Bechat, knocking them both down

Dark Lugiel: WHAT!?

Doug: NO!

Me: OH YES!

Hikaru: Thanks for the help, everyone.

Tomoya: I didn't know that we had so many fans

Me: You have been having a lot of support like that for over 50 years since 1966.

Qin: Yeah!

Sho: Especially when they're inside their homes.

Luna Loud: Hey, everyone's still rooting for you even when not outside

Samurai Jack: Indeed they are.

Marina: Now, ready to finish this?

Me: Lets get it on!

Samurai Jack: And now, you shall pay the price for your depravity and misdeeds.

Marina Reagen: That's right, and as for you, Doug, don't you dare think you're getting away with this, as if what you tried to do to Luna wasn't enough, now we find out from Lincoln that you dragged Michelle into this when she was little, you made her just like you. Hikaru: It's all over, Dark Lugiel. We don't ever want to see you again.

Nico: You said it, that guy has failed this world forever.

Then, we turned our attention to Doug still inside the barrier Lincoln made.

Lincoln: You said it, he deserves it. Now, there's one last thing to do, and one last loose end to tie up: Doug.

Suddenly, Lincoln took the barrier down, and Doug was severely enraged.

Doug: YOU! YOU! YOU'VE RUINED EVERYTHING!

Suddenly, the fifteen large planets orbiting around my legs, the fifteen large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the fifteen large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the fifteen large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the twelve large planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that Doug fired at us and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Me: Now we have one last thing to tie up!

We turned our sights to Doug.

Lincoln: You deserved it though, Doug, you tried to turn Luna into something she's not and you tried to destroy her career as a musician along with many other musicians you come across, but what you did to Michelle dragging her down to your world of toxic music hating hatred in her childhood, you're not getting out of this easily, you piece of crap.

Luna: And now, it's time for you pay the price for what you've done!

Suddenly, the eyes of Luna, Samurai Jack, and Marina Reagen turned neon blue and neon brown, and they were surrounded by colored energy auras, stars, elemental forces, mythological animals, phoenixes, and angels, and as they approached Doug, they left colored energy, stars, elemental forces, mythological animals, phoenixes, and angels with every step.

Luna: Even after all this time, you still make me sick to no end, Doug, you caused more than enough trouble to many musicians and the world of music for the last time.

Samurai Jack: And now, you shall pay the price for your depravity and misdeeds.

Marina Reagen: That's right, and don't you dare think you're getting away with this, what you tried to do to Luna wasn't enough, now we find out from Lincoln that you dragged Michelle into this when she was little, you made her just like you. I'm just so glad Lincoln got her out of that world and into a new one with him and his harem, she's going to rebuild her dreams, but as for you, you're heading for a place that's infinite times worse than Hell, you dickless asshole!

As punishment for everything you've done, you are hereby sentenced to eternity at Lynn's Table where you'll be treated as humiliation fodder for your crimes, you piece of trash.

Lincoln fired gold energy blasts at Doug and gave him the Gessius Flores Vengeance Curse, and then, Lincoln beamed Doug to his cell in the special Solitary Confinement Wing at Lynn's Table where we threw Bubble Bass, Lewis Travolta, Mindy, Mandy's cousin, NO MA'AM, and the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and since Lincoln gave him The Gessius Flores Vengeance Curse, he was added to the humiliation roster, and when the humiliation sessions start again, he's going to be turned into humiliation fodder, and we're also giving musicians everywhere a chance to lash out at that jerk, and it's far worse than us throwing him in jail again or having him clean the sewers of Gotham Royal York.

Everyone cheered as we holstered our weapons and we powered down and Luna's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen purple and blue planets orbiting around her legs, fifteen smaller purple and blue planets orbiting around her waist, and massive brown angel wings and medium sized brown angel wings and small sized brown angel wings underneath her massive brown angel wings are permanent, Marina Reagen's new body, clothes, weapons, jewelry, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large aqua blue planets orbiting around her legs, fifteen smaller blue planets orbiting around her waist, smaller planets orbiting around her fingers, and massive aqua blue angel wings and medium sized aqua blue angel wings and small sized aqua blue angel wings underneath her massive aqua blue angel wings are permanent, and Samurai Jack's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen white and black planets orbiting around his legs and fifteen smaller white and black planets orbiting around his waist, Third Eye, smaller planets orbiting around his fingers, and massive black angel wings and medium black angel wings and small black angel wings underneath his massive black angel wings are permanent.

Nico: That'll teach that piece of shit what for!

Me: We really made a mistake showing Doug mercy after we got him off the planet, we should've sent him to jail for good.

Lincoln: True, but this proved that Doug wasn't going to be reformed at all, he's a jerk all the way to the end.

Suddenly, Michelle walked up to Lincoln.

Lincoln: Michelle?

Then, Michelle wrapped her arms around Lincoln's waist, and Lincoln felt tears on his ten-pack abs as Michelle started crying, and Lincoln on instinct wrapped his arms around Michelle and hugged her.

Lincoln: It's okay Michelle. It's okay.

Sam S. Loud: I can't believe what a jerk Doug was even when he was a kid, and what he did to Michelle, that was absolutely the lowest of the low.

Luna: Same here, Sam. But, Lincoln found out about her past through meditation, and he saved her with that, and we made sure that Doug's name was nothing more than Mud.

Alya: But, now thanks to what Lincoln found out, I also broadcasted this to all of Gotham Royal York, and now, they're all wanting to make him pay.

Me: When the humiliation sessions start again, we'll make that asshole pay.

Nico: Yeah. But on the plus side everyone will forgive Michelle.

Camie: Yep.

Suddenly, Lincoln leaned his head down the right side of Michelle's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Michelle with pink gems on the gold lightning bolt links with red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Michelle saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

Luna: You did it, bro, you saved Michelle's soul and gave her a second chance at a new life.

Me: That he did. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a spirit made of violet fire pass through the sky.

Panda Faye Ling: Was that...?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Mary Zihuo, Gene-Slammer and Avatar of Brotherhood of

The Fire Fist - Spirit.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Mary Zihuo is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of violet fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Spirit, along with having angel wings along with having intense violet fire powers. She's known as The Spiritual Master of The Sisterhood of The Fists of Fire, because she's known to be a powerful master of mind, body, and spirit, and her training in that field has helped Lincoln to grow even stronger in both mind, body, and spirit and it removes all stress that he carries with him no doubt due to Lori, Lynn, Lola, Lisa, Luan, and the rest of his enemies. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of violet fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Mary hates Lori, Lynn, and Lola, because of what The Trinity of Violence has done to Lincoln in the past, and in one incident, she beat them up so bad, they all wounded up in the hospital with two black eyes, broken arms and legs, broken bloody noses, and irreversible super double mega wedgies.

Nico: Yikes!

Me: I remembered her all too well, she's one powerful and skilled warrior, and Lincoln literally kept up with her in his training with her and she was so proud of how strong he's gotten.

Lincoln: She's going to be even more proud of how much stronger I've gotten the last time when we meet her again, and I'm not going to show the photos of Lori, Lynn, and Lola after Mary got done with them, it's way too graphic and way too ugly.

Qin: Good idea, we'd wind up barfing once again.

Nico: We hadn't forgotten about that after we saw what happened to Caleb getting shot multiple times.

Hikaru: Your brother's a piece of work.

Caleb Maxwell: (Sighs) Tell me about it, it took a lot of control to keep me from strangling him in the past, but after what he did in killing me eight years ago, I decided that was it, I was done showing him any mercy.

Hunter: (German Accent) I can't help but think we're going to run into more of your relatives who're on your father's side.

Caleb Maxwell: If I so much as encounter that pack of jackals, I'm gonna pulverize them, and if they so much as dare to hurt my sister and my mom who are still alive, they're gonna leave me no choice but to call my uncle on my mom's side.

Hunter and his friends gasped!

Hunter: (German Accent) Caleb, you better not mean...?!

Me: W-who does he mean?!

Nico: I think we'll find out tomorrow on Lincoln's rescue.

POW!

Ace and Carlota and team were bashing Kemur-Man all over.

Ace: Now, here comes the highlight!

Yona: Yona ready for this!

They fired waves of energy and blasted him and he was back to being a Spark Doll.

Yona caught it.

Yona: Yeah!

We came back.

Vanitas: Dark Lugiel is down for good.

El Diablo: And Doug is headed to prison.

Me: Yeah and Michelle is now redeemed.

Iron Lung: (to the Geats team) You guys helped too.

Ace: We sure did.

Me: That's 2 we owe you.

Ace: Yeah.

Hikaru: See you guys in 2 days.

Ace: We'll be waiting.

Ace and Hikaru then shook hands.

Merman: Too bad I didn't get to see Luna's Akumatized form.

Ranamon: Same with me!

Me: Trust me it was something you would not like to see.

Nico: Yeah.

Luna: Lets just say dudes that it was because I took my protection of Sam too far.

Nico: Yeah. But that's it for that mission. Great job today everyone.

Luna: Thanks dudes. (To the viewers) Hope you liked that mission dudes.

Me: Yeah it rocked.

We went back home and we got the Ginga team settled in and we later enjoyed the rest of the day and went to slee. Number 3 of the Big Day missions was done.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Mount Volbono, and we're going into battle against the relatives on the side of Caleb Maxwell's dad, Marcus Maxwell. Apparently, they found out that Caleb had returned from the dead eight years later, and just a month ago, he got his revenge by killing Marcus and Drake Maxwell, and needless to say, they're pissed off and desiring one thing: payback and revenge on him, and even worse news, Caleb Maxwell's little sister, Allie Maxwell, and his mother, Marlene Maxwell, have been sighted here at Mount Volbono, but those jackals are out to kill them, and when Caleb Maxwell finds out those morons have been trying to steal their money and force them out onto the streets, that's going to lead to him calling his uncle on his mom's side, a man by the name of Christiano Maxwell, and he's also someone that not even the toughest and the meanest mafia gangs nor the relatives on his dad's side ever wanted to cross: he's fierce, tough, and physically and mentally intimidating, in other words, he's a total badass and hardcore. But, once we capture his relatives on his dad's side, Caleb's calling his uncle and fists are going to fly and blood's going to be spilled.

And we're going to meet the next of the Gene-Slammers and Avatars of The Brotherhood of The Fire Fist Duel Monsters, her name is Mary Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Spirit, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of violet fire. Next up is Where we battle The Dursley's who are back for revenge on Harry and the Wizarding World.

See you next time.

THE DURSLEY'S REVENGE

This chapter is all about the Dursley's wanting revenge

Harry woke up to see Zoroark staring at him and she had a feast of Hogwarts Proportions in her hands.

Harry Potter: (British Accent) Oh morning Zoroark.

Zoroark: Top of the morning to you Harry. Time for breakfast. I had J.D. make you a Hogwarts feast for you because he knew it was your day to shine.

Harry Potter: Oh wow. Thanks.

He ate pancakes, waffles, bacon and more.

He was in for a special day today.

Later it was time for Nico's rescue and Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Kamen Rider (1971), Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade

Me: Good to be at Hogwarts again.

Nico: Wow it sure is. Boy Hogwarts is looking great.

Nicole: It sure is.

Sakura Knudson: Wow no kidding. Now that the threat of the Dark Wizards is gone for good it's now an era of peace too.

Me: Yep.

Laney: And many more generations to come in wizardry.

Camie: Yeah.

Lola: I agree.

Nico: Rei, I want to thank you, Creature of The 5th Dimension, and your teams for coming today

Sailor Mars: It's my pleasure Nico. This will be so fun.

Me: Yep.

Maara Mars: I'm looking forward to this one.

Lincoln: Me too Maara.

Nico: Maara, what do you like to do in your free time?

Maara: I like to teach all about Mars at the museum. It's fun.

Lincoln: She gives lots of amazing history classes about the planet Mars and it's awesome.

Qin: Wow!

Me: That is awesome. You know now that Mars is fully terraformed right?

Maara: I sure do. That is amazing that Mars is now like Earth.

Me: Yeah we were shocked.

Nico: J'onn's really happy about that.

Me: Yeah.

Sailor Mars: It went from a barren wasteland to an Earth Eden.

Lola: Yeah.

Qin: That was awesome.

Me: Yep.

Lola: Yeah. Boy Linky, Luna did really awesome!

Me: She sure did. That's number 2 of the Ultraman teams down.

Laney: Yeah!

Lincoln: I'm really proud of her.

Me: We all are. Especially Sam.

Qin: Yeah. And their daughter Whitney too.

Lola: Yeah that is for sure!

Nico: I forgot they adopted. That is awesome.

Maria: We took down Doug as well.

Lincoln: And saved Michelle after revealing the truth.

Nico: Me and Lincoln both had a hand in it.

Me: And Lincoln's view into the past was the final nail in Doug's coffin.

Qin: Yep.

Lola: Yeah it sure was.

Camie: Yeah that jerk!

Lincoln: Michelle was immediately forgiven by everyone all over the city and she quit show business. Now she wants to help us on our adventures.

Me: That's awesome. But man LUNA'S AKUMA WAS SCARY!

Lincoln: Yeah!

Nico: No shit!

Juran: How do we know Michelle won't double cross us the first chance she gets?

Nico: Juran, no need to get paranoid. Besides Lincoln helped make sure she wouldn't because she now knows that she was lead down the wrong path and wants to make it up to everyone whose lives she and Doug ruined.

Juran: You're right.

Lola: Yeah.

Professor Snape came.

Snape: (Brittish Accent) Welcome back to Hogwarts, Mrs. Taylor.

Qin: Professor Snape it's good to see you.

Snape: You too.

Me: Hello Professor.

Snape: Ah Mr. Knudson it's good to see you.

Me: You must've heard about all of our major enemies then.

Snape: Indeed I did and one of them is right here.

He pulled his cape back and to our shock, we saw DRACO MALFOY!

WE GASPED!

Me: Well well well if it isn't Malfoy. I was expecting you to appear during the mission later today but it would seem that the staff of Hogwarts got to you first.

Nico: Yeah.

Draco Malfoy: (British Accent) I HATE ALL OF YOU! YOU RUINED MY LIFE!

Our auras flared up intensely!

Me: You did all that yourself.

Nico: Yeah!

Draco Malfoy: (GROWLS)

Snape: (to Malfoy) While I admit I may not have liked Mr. Potter before, that was only because he reminded me of his father. You don't have an excuse. And your time as one of my favorite students ended the minute you joined up with that clone of Lynn.

Me: Yeah! Not to show any disrespect to you professor but I don't know what you were thinking having a heartless snake like him as your pupil. He was as ruthless and honorless as that scumbag father of his.

Snape: Yes you're right.

Me: But being banished to the Black Gates was more than enough for us to not kill him anymore.

Nico: WHAT!?

Me: Like you said Nico. While I still hate him for all the terrible crimes he committed he still needs to be punished for his crimes. And I know just the place for him.

Kaito Kumon then kicked Malfoy in the groin

CRUNCH!

We winced!

Qin: OOH!

Me: Nice one Kaito.

Kaito: Thanks.

Me: I was thinking of giving him Dolores Umbridge's cell in the Comet Lovejoy prison.

Nico: Fitting.

Me: Yep.

Malfoy: You!

Eli ignited his lightsaber and pointed the blade at his head.

Eli: In the name of the Galactic Senate of the Republic, You're under arrest Draco Malfoy.

Kaito Kumon: Also, that was for allying with Dai Shocker.

Me: Yeah! And one more thing...

Malfoy: What!?

Me: Go wild girls!

Daphne Greengrass: (British Accent) GET HIM!

The girls went at him and mercilessly thrashed and pulverized him all over!

VICIOUS SOUNDS OF FIGHTING!

Me: (To Sakura Knudson) We found a secret treasure trove of perverse stuff under his mattress in his dorm room and the girls of Hogwarts want his head mounted on a pike.

Sakura Knudson: Oh he was collecting underwear and stuff?

Me: Yep.

Nico: Well done Professor.

Snape: Thank you. And I must give my congratulations to all of you for defeating Xehanort and Galactus.

Me: Those were epic battles.

Qin: Yep.

Nico: We COULD snap his wand.

Snape: Or give it to someone else.

Me: Not a bad idea.

Snape gave Malfoy's wand to Eli.

Eli: Me? Interesting.

Then he felt a glow and it chose him.

Eli: It chose me. Wow.

Me: Must've decided that it was much better for you than Malfoy.

Eli: Yep.

Nico: Lets go see if anymore of Hogwarts' scumbags are still lurking.

Me: Yep.

Nico: Lets go see if anymore of Hogwarts' scumbags are still lurking.

Me: Yep.

Snape: Also, tell me if you've seen Moaning Myrtle. She seems to be missing for some time.

Me: That's queer.

Camie: Moaning Myrtle?

Sakura Knudson: She was a Ravenclaw Witch that died in 1943 because of Voldemort. She lived in the Slytherin Bathroom.

Nico: Yep.

Me: And I used the Cosmic Cube to bring back all those killed by Voldemort.

Maria: I remember that! That was when the Redemption Squad first started out.

Nico: I heard about that even though I wasn't there when it happened.

Me: Yeah. Maybe the Cosmic Cube brought her back along with all those killed by Voldemort.

Nico: It's possible. We'll find out soon.

We went and checked out Hogwarts and everything was doing great.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here at Hogwarts Castle, and here's the dangerous part, I found out that our old enemy, Jadeite, has returned.

WE GASPED!

Me: Oh shit!

Nico: I can't believe it, and this proved you and Lori were right yesterday when we fought against Neflite, Jadeite, Zoisite, and Kunzite have also returned.

Sailor Mars: I thought we were rid of him as well, but it looks like he refused to stay dead.

Maara Mars: I've heard about him all too well, and I'm absolutely disgusted by his actions and for his crimes.

Selina Almenara: As much as I want to kill him, I've got a better idea, we'll throw him in The Masters of Evil, but just to make sure he, Zoisite, and Kunzite don't get any funny ideas, we'll have Lincoln put The Hinon's Vengeance Curse on them.

Lincoln: Good idea, Selina.

Eli: You think it'll work?

Nico: Hey, it kept Max, Frost, and Tanya in line, it'll work on those three.

Lincoln: If we're going after Jadeite, I'm going to have to get into gear with this.

Suddenly, Lincoln's long shoulder-length wild white hair, large white wolf ears on top of his head, eleven massive and long white wolf tails and rabbit tail, and massive white angel wings and medium sized and small sized white angel wings underneath his massive white angel wings turned crimson red except for the multi-colored phoenix fire ombre streaks in the back of his hair and front strands of hair in front of his face, the rainbow markings on his large wolf ears, the rainbow tips and markings on the wolf tails and rabbit tail, his large white pants turned crimson red except for the elemental forces on them, the fifteen large colored planets orbiting around his legs and the fifteen smaller planets orbiting around his waist turned purple with stars, and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned crimson red as flames appeared behind him.

Lincoln has transformed into INFERNO LINCOLN, ELEMENTAL HERO OF FLAMES!

Me: I knew he was going to turn into that!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: So, Jadeite's next, huh? Well, then, I think he needs to be burned badly for what he's done before we send him to Vypra.

Lincoln: Unlike what we did to Neflite, Jadeite's not getting a single ounce of mercy, he still needs to answer for everything, and I mean, everything that he's done in Queen Beryl's name.

Me: Right.

Lincoln: Yeah. (Sensed for Jadeite) AHA! Gotcha! I just spotted Jadeite, he's 20 yards away, but he's waiting for us.

Nico: He's sure to have some soldiers waiting for us, so we better be ready for them.

Suddenly, we hear a demonic choir sing as the flames of Hell burst out with intensity, and we saw the sigil of Asmodeus, Demon of Violence, form from the fires of Hell.

Anna Anyanova: The Sigil of Asmodeus?! That means, we're running into the sixth of the Nine Keyblade Knights of Hell and Avatars of The Nine Circles of Hell.

Lincoln: There's no doubt who it is.

Carol heard a Pokemon cry.

Mew came out.

Me: Whoa Mew!

Carol: Wow hey little guy.

He flew around Carol and nuzzled her cheek.

Carol: You're friendly aren't you.

Mew: Yeah I sure am.

She gave it apples.

Mew: Oh boy.

Mew ate them.

Carol: Wanna come with me?

Mew: Sure!.

Qin: Awesome.

Carol: Cool.

Me: Better not damage the school.

I put a force field along it to avoid damage.

We then took off into the air and set our sights on taking down Jadeite and sending him to The Masters of Evil.

We were flying in the air, and we spotted our target: Jadeite.

Me: There! Target at 2:00.

Lincoln: There's Jadeite. (Suddenly picked up on Jadeite's monsters) I knew he wasn't alone, he's summoned some monsters for us to deal with.

Nico: Figures.

Caleb Maxwell: What the?! Okay, time for me to do a little demolition.

Lincoln: No, Caleb. Let me.

Lincoln fired red energy and fire blasts that hit the group of Jadeite's monsters and then, he sucked out their energy and they flowed into him making him even stronger than ever and the monsters died and he fired fire blasts at Jadeite and they hit him as we landed in front of Jadeite, and he was pissed upon seeing us again.

Shanan: Hello Jadeite.

Me: Been a very long while since we ran into you, Jadeite, but that would be a lie because you're still pissed we destroyed you long ago.

Jadeite: You stupid humans! Because of you, Queen Beryl's dead and her plans to rule the entire universe have been destroyed, and you also humiliated us! I will have my revenge on every last one of you!

Me: We'll see about that.

Shanan: Yeah!

Jadeite: Come and...

POW!

She punched him in his face with devastating force and bashed him into the wall. HE SCREAMED IN PAIN!

Jadeite: (SCREAMS IN PAIN) MY FACE! MY BEAUTIFUL FACE!

Shanan: Aww did I damage your pretty little face? That's going to be the least of your problems.

every step.

Sailor Mars: You've got some nerve coming back from the dead, Jadeite, but from what we saw with Neflite returning yesterday, I knew it was too good to be true. But, unlike with us showing some mercy to Neflite, we're not showing you any at all, you piece of crap, and getting shot by Caleb is about to be the least of your worries, because we're going to do a lot worse to you.

Suddenly, Sailor Mars was surrounded by a massive vortex of red energy, stars, fires, red flames, and magic surrounding the vortex, there are cats, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with the Mars sign on its stomach and blood red eyes glaring at Jadeite: the blood red eyes of eternal judgement.

Suddenly, Maara Mars' red eyes turned neon red and she was surrounded by a red energy aura with stars, fire, flames, phoenixes, and angels, she summoned her Earthshaker Keyblade in her left hand and unholstered her greatsword in her right hand, and as she approached Jadeite, she left red energy, stars, fire, flames, phoenixes, and angels with every step.

Maara Mars: Don't think I hadn't known about you, Jadeite, for too long, you've caused so much pain and suffering to so many in Queen Beryl's name, and on top of that, you're just a stupid bastard who wants nothing more than to destroy everything and everyone in the name of that witch! If we weren't going with throwing you to Vypra, if I could, I wish I could kill you right now! But, no, killing you is something that a bastard like you doesn't deserve.

We were amazed by Maara Mars' Super Angel-Keyblade Knight-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Jadeite saw it, he fired an energy blast at her to kill her, but Lincoln deflected it and fired an energy blast that hit Jadeite in the face, and that pissed him off big time.

Maara Mars: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Holy Celestial Inferno Firestorm Master Mars Keyblade Knight Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Holy Celestial Inferno Firestorm Master Mars Keyblade Knight Phoenix God Angel Love) Thanks for the assist, Linky. Alright, Selina, you're finally up.

Selina Almenara: You got it, Maara.

Suddenly, Selina Almenara's crimson red eyes turned neon crimson red and she was surrounded by a neon crimson red and orange energy aura with stars, superhot flames, aliens, phoenixes, and angels, she unholstered her Selina Almenara's Pyrosapien Galactic Inferno Firestorm Alien Mars Greatsword of Eternal Pyrosapien Galactic Inferno Firestorm Alien Mars Angel Justice, and as she approached Jadeite, she left neon crimson red and orange energy, stars, superhot flames, aliens, phoenixes, and angels with every step.

Selina Almenara: You really really make me sick, Jadeite, you hurt so many innocent human beings and even tried to kill them and all for Queen Beryl's desire to rule the universe! That is the last straw, you son of a bitch, as the Gene-Slammer of Alien Mars and Warrior of the Pyrosapien race, I'm putting you down like the mad dog that you are!

Suddenly, Selina Almenara was surrounded by a massive vortex of neon crimson red and orange energy with stars and superhot flames surrounding the vortex, there are aliens, phoenixes, angels, and Alien Mars flying around the vortex, and in the vortex is a crimson red phoenix with blood red eyes glaring at Jadeite: the blood red eyes of eternal judgement.

Lincoln: Oh boy, the last time Selina transformed, it was against Gleeman Vox, and now, she's going to transform again, and this time, it's against Jadeite. This is going to get ugly.

Me: Big time.

Nico: Well, Jadeite is about to know the old saying: he plays with fire, he's going to get burned.

Then, as the vortex faded, Selina Almenara emerged, but she was changed forever.

Selina Almenara grew from 7'9" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large crimson red planets orbiting around her legs and fifteen smaller crimson red planets orbiting around her waist, she has the body of a goddess, she has orange highlights in the bangs of her long crimson red hair and crimson red hairband with orange phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon crimson red eyes and red sclera with red flame tattoos covering her hands and feet and a crimson red and orange energy aura with stars, superhot flames, aliens, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has she has the Fire Kanji in the hands of Alien Mars emblazoned on her forehead and Third Eye with crimson red iris, she has on alien earrings with crimson red gems for eyes and holding the Star, Fire and Eternity Kanjis in its hands, she also has Alien Mars with crimson red gems for eyes and holding the Star, Fire and Eternity Kanjis in her hands on the bottom of her red alien-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Lily the Mermaid: Yikes, looks like Linky became even more dumbstruck now that you've transformed, Selina.

Selina Almenara: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Cosmic Inferno Firestorm Voluptuous Pyrosapien Goddess Alien Mars Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Cosmic Inferno Firestorm Voluptuous Pyrosapien Goddess Alien Mars Phoenix God Angel Love) Oops, looks like I did.

Lincoln shook his head.

Lincoln: I'm alright. Now, then, let's get that piece of trash.

?: Glad you recovered from that attack, Lincoln. But, you've always had those sorts of attacks around us, so we're not surprised.

Suddenly, we saw a girl appear from a tornado of hellfire: she has black hair, red eyes, black clothes, purple demon wings, and she has Xehanort's Keyblade in her right hand.

Lincoln: (GASPS) Vanya Violenta, Keyblade Knight of Hell and the Avatar of the 7th Circle - Violence. Whoa! Alright, now it's time we take you down, Jadeite.

Me: We've evolved a lot since the last time we met, so don't expect it to be an easy road, you piece of trash, especially after Caleb shot you in the arms and he, Cage, Travis, and James blasted you all over the place.

Lincoln, Selina Almenara, Maara Mars, Sailor Mars, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after

Jadeite, and we fired extremely powerful blasts of rainbow energy, aqua blue energy, purple energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Jadeite and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Selina Almenara, Maara Mars, Sailor Mars, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts.

Well, then, time for this fight to end.

Suddenly, The Astrological Symbol of Mars appeared underneath Lincoln's feet, and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was suddenly surrounded by red energy and fire.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) COSMIC MARS INFERNO FIRESTORM BLADE STORM!

Lincoln swung his massive greatsword and fired a massive shower of red energy blades with flames that hit Jadeite, and he was knocked down and out.

Nico: WHOA!

Then, Lincoln beamed Jadeite to The Masters of Evil. Everyone cheered as we holstered our weapons and we powered down and Sailor Mars' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large red planets orbiting around her legs, fifteen smaller red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive black angel wings and medium sized black angel wings and small sized black angel wings underneath her massive black angel wings are permanent, Maara Mars' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large crimson red planets orbiting around her legs, fifteen smaller crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive crimson red angel wings and medium sized crimson red angel wings and small sized crimson red angel wings underneath her massive crimson red angel wings are permanent, and Selina Almenara's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large crimson red planets orbiting around her legs, fifteen smaller crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive crimson red angel wings and medium sized crimson red angel wings and small sized crimson red angel wings underneath her massive crimson red angel wings are permanent.

Just then, Sailor Mars was hugged by Clyde, and he kissed her on the lips which surprised her, but she returned it.

Then, Lincoln wrapped his arms around Maara Mars and Selina Almenara, and he kissed them each on the lips, and they returned it.

Nico: That's Jadeite taken down and sent to Vypra.

Me: Now, only Zoisite and Kunzite remain.

Lincoln: And like Jadeite, those two aren't getting any mercy from us.

Me: You got that right. So, Lincoln, you going to introduce us?

But, before he could, Vanya Violenta had their hands on Lincoln's hairy pecs, and she began deeply kissing Lincoln on the lips and kissing him on the face, along on his massive hairy pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. This is Vanya Violenta, Keyblade Knight of Hell and the Avatar of the 7th Circle - Violence, she's Lincoln's Guardian Angel from Hell and she's a powerful force of epic power to be reckoned with. She was born and raised in Hell, and she's a powerful master of darkness and a deadly force to be reckoned with, she's the bringer of of 3 kinds of punishments that are from that Circle: Those that kill others: Boil in a Scalding Hot River of Blood, Those that Commit Suicide: Turn into gnarled trees forever, and Those that do Blasphemy: Burn in sands of fire and burn with fire from the sky. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness and the hot river of blood, suicide fruits and trees, and sands of fire and flames of the skies, and she hates all of Lincoln's enemies that do all those and swore to unleash all these punishments on them.

WE GASPED!

Nico: OH MAN!

Me: The Circle of Violence was literally one of the worst of The Circles of Hell, those who committed acts of violence over the centuries were sent there, and the punishments they suffered were horrible, and I remember her all too well, she viciously pulverized many of Lincoln's enemies that do all those acts and she'd sent them there, and they suffered horribly.

WE GASPED IN HORROR!

Eli: MY GOD!

Lincoln: I saw what she did that time, and boy, I was horrified. But, one day, if they dare to return, I will send them to The Black Abyss forever, and it's so good to see you again, Vanya.

Vanya Violenta: You too, Lincoln, and whoa, you've really really grown into quite a large, sexy, and extremely manly rugged hunk of a man.

Lincoln then wrapped his massive and muscular arms around Vanya Violenta and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the mark healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Vanya Violenta with blood red gems on the gold lightning bolt links with blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Vanya Violenta saw them and she knew she became part of his harem and is among his many future wives, and she kissed him on the lips which he returned as we cheered.

Harry Potter: I hope we don't get deducted house points for this

Snape: No he had it coming Mr. Potter.

Me: Indeed. But we did give everyone a good show.

Lola: Besides it was awesome taking down Jadeite.

Shanan: Now we have 2 more generals of Queen Beryl left before we take her down.

Me: It may be a while but we'll wait and see.

Nico: Nice job, Mew!

Mew: Thanks Nico!

Me: Awesome.

Poromon: Want some beer?

Mew: Oh no thanks I don't drink.

Poromon; Okay then.

Poliwag: (Does the Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Mew: The puppy eyes don't work on me pipsqueak.

Poliwag: HEY!

Harry: And no, I haven't seen Moaning Myrtle these days

Me: Weird. Like she vanished off the face of the earth.

Qin: Yeah.

Me: I think the Cosmic Cube DID bring her back and someone got to her.

Eli: And I have a good feeling on who it might be.

Bloo: Maybe a Galactic Overlord abducted her!

Me: Bloo that's your answer for many people that got kidnapped.

Ed: Maybe she entered a wormhole and was spewed into an alternate universe!

Eddy: Shut up Ed.

Patrick: Maybe she got eaten.

Nico: Ew!

Me: Okay okay lets calm down and use our heads for this.

Patrick: Maybe she got eaten.

Nico: Ew!

Me: Okay okay lets calm down and use our heads for this.

Horsea: Maybe she became famous and we didn't know about it

Me: That could be it.

Qin: Yeah.

Camie: Hmm.

Ron Weasley: (British Accent) Whatever the case, I am NOT looking for her in the women's bathroom!

Eli: Won't need to Ron.

Eli used the force and found nothing.

Eli: She's not in there. I don't sense spiritual energy in there.

Camie: The cosmic cube did bring her back.

Me: Yep. But where is she? She may be among the Anothers.

Ron: At least I'm not going in there again!

Nicole then glared at him

Me: Okay that's enough. We don't need to go in there because Eli confirmed it through the Force.

Qin: Yeah.

Nicole: Okay that's good. But Ron don't get any ideas or I'll make sure what happened to Draco Malfoy is amplified on you.

Nico: Nicole no need for that.

Ron: We had to go in there once

Sakura Knudson: I remember. That was during the Mountain Troll attack.

Nico: And during the Chamber of Secrets fiasco.

Qin: Yeah.

Ron: That's right.

Lola: Yeah.

Harry: I was there too.

Me: Yes we know.

Qin: Yeah.

Poromon: We get the idea.

Me: Yeah.

Harry: Sorry.

Me: No worries.

Nico: I was not expecting Draco to return.

Snape: Yes but J.D. that was good judgement on your part to send him to prison.

Me: Yeah he was not worth killing anymore. After facing people like him over and over and over many times before he is not worth killing again especially after being banished to the black gates. But even though we still hate them they still deserve to be punished.

Harry: My only regret is that I didn't get here in time to have a crack at him

Me: That's okay Harry. But there are many more enemies for you to take a shot at.

Nico: Yeah.

Maria: He's right about that.

Me: Yep.

Harry Potter: Good point.

Me: Yeah.

Qin: Anyway time for the main event.

Lola: The Anothers.

Me: Yep.

Eli: (Concentrates) And we have Another Creature of The 5th Dimension, Freeze (Skannerz Commander), Bun Lass, Mars (Saint Seiya), Old Maid (Loud House) and Despair Kaito Momota.

Qin: Whoa!

Lola: Awesome!

Eli: And I sense that the Anothers minus Creature are 3 people.

Me: Wow!

Eli: And there's Another Harry Potter with Creature.

WE GASPED!

Me: Whoa!

Qin: Yeah!

Me: So Sailor Mars, Maara Mars, Abigail Zodiac Aries, Selina Almenara, Commander Mars and Ares Halinora are up.

Lola: Yep.

Me: Cool.

Nico: There they are!

We saw Another Freeze (Skannerz Commander), Bun Lass, Mars (Saint Seiya), Old Maid (Loud House) and Despair Kaito Momota!

Me: Whoa!

Nico: This will be fun.

Another Freeze: (In a girls voice) It sure will.

Another Bun Lass: We're ready.

Another Mars (Saint Seiya): (In a girls voice) Yeah this will be fun.

Nico: (GASP) Those voices!

They merged and split into 3 and they were the gene-slammers of Gigantamax Articuno, Zapdos and Moltres!

Nico: (GASP!) Arlene Articuno, Zinnia Zapdos and Molly Moltres!

Me: Wow! The gene-slammers of the Gigantamax Legendary Birds.

Arlene Articuno: That's right. Nico it's awesome to see you again.

Nico: Same here.

Zinnia Zapdos: We saw the battle with Jadeite and that was cool.

Molly Moltres: It sure was.

Me: Yeah.

Nico: That is for sure.

Me: Can you girls tell us more about yourselves?

Arlene Articuno: Sure. I'm Nico's friend from Alaska and I'm an Alaskan chef. I make all kinds of awesome food from Alaska.

Me: Cool! Love food from Alaska.

Zinnia Zapdos: I'm Nico's friend from Venezuela. I lived in Lake Maracaibo for a while and I'm a master of Catatumbo Lightning. We met in Tampa, Florida and I'm a great crimefighter.

Me: Awesome!

Laney: Catatumbo Lightning is really amazing and powerful.

Me: Yep.

Molly Moltres: And I'm Nico's friend from Hawaii and we battled criminals in Hawaii.

Me: That is awesome. By the way girls are the Another Creature and Harry Potter friendly or hostile?

Arlene Articuno: Friendly and both are amazing.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: (Turns dial) MERCURY MAYHEM BRIGADE!

She summoned Spooky Space Kook, Snow Demon (Kamen Rider Black), Metal Men from Mercury, Alchemy Beast Ekenas the Mercury, Mercury and Danjim.

Lola: YEAH!

Nico: And now we wait.

Me: Yep.

But then as I was about to move I stepped on a banana peel and then...

SLIP!

Me: WHOA!

CRASH!

I slipped and crashed onto the floor!

Me: OUCH!

Nico: What the?

Me: Okay who is the wiseass that left a banana peel on the floor!?

Nico: Yeah! Who did that?!

Luan: It wasn't me but it wass Ap-pealing! (LAUGHS TO RIMSHOT) Get it? But seriously it wasn't me!

?: That was from me sorry!

Out came a girl with blond hair, yellow eyes, yellow clothes and yellow angel wings and had a tiara with the Banana dopant symbol on it and on her skirt and had a Banana Peel Magisword in her hand.

Me: (GASP) Bonnie Banana!

Nico: The Banana Dopant Embodiment!? Whoa!

Bonnie Banana: Yep. I'm one of the Embodiments that got away.

Me: Wow. Ouch.

Bonnie helped me up.

Lola: That was funny though.

Me: Yep.

Bonnie Banana: The Embodiments are on their way. They'll be here any second.

Me: Thanks for telling us.

Nico: That could've seriously hurt him!

Me: Nico you know I'm a tough guy and it'll take more than a slip on a banana peel to hurt me.

Nico: Oh. Right.

Me: Yeah and besides I handled pranks like that hundreds of times before.

Qin: Yeah.

Bonnie Banana: Wow.

Nico: Can you tell us about yourself?

Bonnie Banana: I sure can. I'm The Embodiment of the Banana Dopant and a master of bananas. I'm also a great banana chef. I also use banana peels as the classic banana slip gag. I also love the song Day O by Harry Bellafonte. And for good reason too because I lived on a banana farm.

Me: Yep it's true. Her family lived down in Jamaica and they farmed bananas.

Nico: Awesome! And Bastion here loves the Day-O song and we get a great laugh out of it.

Me: Yeah.

Bonnie Banana: That is awesome!

Lola: It sure is.

Chazz: I sang that too!

Bonnie Banana: Welcome to the Day O Banana Club.

Me: Awesome. Oh and just in time!

We saw ANOTHER CREATURE FROM THE FIFTH DIMENSION AND ANOTHER HARRY POTTER!

Me: Another Creature and Harry Potter.

Me: Whoa!

Qin: This will be good.

Another Creature: (In a girls voice) I agree there.

Me: (GASP) That voice.

She reverted back and was a girl with red hair, red eyes, black clothes and had red angel wings and had a tiara with the symbol of the Ultraman X Dopant on it and ono her skirt and in her hand was the Ultraman X Xlugger sword.

Me: (GASP) Xinnia Xextor!

Xinnia Xextor: That's right. Awesome to see you again J.D.

Nico: WHOA! The Embodiment of Ultraman X's Dopant!? That is cool!

Another Harry: (In a girls voice) (British Accent) (Moans) Harry good to see you.

WE GASPED!

Harry Potter: Moaning Myrtle!?

Me: I knew it!

She reverted back and it was MOANING MYRTLE! She was back from the dead thanks to the Cosmic Cube and she was now 19 years old.

Me: Whoa! Myrtle you look amazing!

Myrtle: Yes I'm back after 75 years.

Me: You have the Cosmic Cube to thank for that. Swartz kidnapped you and turned you into Another Harry.

Smolder: Wow! And it's an honor to meet the Embodiment of the X Ultraman.

Eli: It sure is.

Xinnia Xextor: Same to you Smolder, Eli and Chloe. I heard so much about you from Daichi Ozora. I'm glad that he now has you 3 as siblings.

Me: Yeah we're happy for him too. And Eli is my brother so that makes me part of it too.

Xinnia Xextor: Yep.

Myrtle: I have so much to catch up on. Now that I'm free to go to school again I can be with everyone in the 21st Century.

Me: I know 75 years have passed since you died. But we'll gladly show you around this time.

Lola: Yeah.

Xinnia Xextor: Yeah and also Daichi and everyone said hello.

Me: Awesome.

Xinnia Xextor: Yeah. And I am an interdimensional traveler too.

Me: Cool!

Lola: Just like the Creature.

Me: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Xinnia Xextor: No he didn't. He was...

Me: Too afraid of the powers of the Ultraman right?

Xinnia Xextor: Well... Yeah. How did you know?

Me: Same thing happened to Ophelia Orb, Connie Cosmos and Melanie Mebius.

Xinnia Xextor: I see. Yeah we ran away because he was scared.

Me: No surprises there.

Nico: Yep.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you 2 first.

We did so and got the fight started.

Nico: (gets out Creature from the Fifth Dimension's Ridewatch) We're not strangers to travelling between dimensions.

May: (Gets out Bun Lass' Ridewatch) You want your buns toasted?

Maria: (Gets out Old Maid's ridewatch) Time to make you the old maid!

Maara Mars: (Gets out Freeze's Ridewatch) Time for the Ice to freeze!

They used the powers of Creature of The 5th Dimension, Freeze (Skannerz Commander), Bun Lass, Mars (Saint Seiya), Old Maid (Loud House) and Despair Kaito Momota and blasted them both down.

Then Underbite, Antar (Skannerz), Despair Tenko Chabashira, Despair Ryoma Hoshi, Marya Meshkov A.K.A. Morning Star and Doomwing came.

Me: WHOA!

Nico: Nice team Underbite!

Underbite: Thanks Nico.

Shanan: (Sees Antar) (GASP) WHOA That's a Cobeetalian!

Me: WHOA MAN! What is a Cobeetalian?

Shanan: They come from the planet Cobaelia and they are deadly and powerful warriors that are fierce and barbaric.

Nico: GEEZ!

Underbite: It's about time I get a team!

Nico: I'll say!

?: I agree!

Then Dokugumon came!

Me: Dokugumon!

Qin: Wow!

Dokugumon: (In a girls voice) This is gonna be awesome.

Nico: Diana Dokugu!? Whoa!

She reverted back and was a girl with neon purple hair, purple eyes, black clothes, black angel wings, had a black widow hourglass on her arm and shirt and had Dokugumon on her forehead and skirt and had a Spiderweb Magisword in her hands.

Diana Dokugu: Awesome to see you Nico. I got this. (Echoing) VENOM BLAST!

She fired a poison ray from her hand and it hit both Anothers and blasted them down and I caught the ridewatches and purified them.

Me: Nice shot!

Maria: Is that a Magisword?

Diana Dokugu: Yes it sure is.

Vambre: (British Accent) Ah good to meet another good Magisword user.

Diana Dokugu: It sure is.

Maara Mars: Do you have a favorite memory of Nico?

Diana Dokugu: I sure do. My favorite is when me and Nico found a huge Spider Castle and we saw an amazing colony of spiders. We met the Spider Queen and she was amazing.

Nico: That was awesome.

Me: Boy if Leni were still scared of spiders she would be scared shitless of that.

Leni: It's totes true.

Me: Yep.

Nico and Diana hugged.

Nico: I've missed you.

Diana Dokugu: Same here. Oh and Nico just to give you the heads up, more International Digidestined Gene-slammers are still out there.

Nico: Thanks for telling me.

Me: Awesome.

We later went back home.

Volbono, and not only is Lincoln going to rescue the five girls here, but we're going into battle against the relatives on the side of Caleb Maxwell's dad, Marcus Maxwell.

Apparently, they found out that Caleb had returned from the dead eight years later, and just a month ago, he got his revenge by killing Marcus and Drake Maxwell, and needless to say, they're pissed off and desiring one thing: payback and revenge on him, and even worse news, Caleb Maxwell's little sister, Allie Maxwell, and his mother, Marlene Maxwell, have been sighted here at Mount Volbono, but those jackals are out to kill them, and when Caleb Maxwell finds out those morons have been trying to steal their money and force them out onto the streets.

But, that's going to lead to him calling his uncle on his mom's side, a man by the name of Christiano Maxwell, and he's also someone that not even the toughest and the meanest mafia gangs nor the relatives on his dad's side ever wanted to cross: he's fierce, tough, and physically and mentally intimidating, in other words, he's a total badass and hardcore. But, once we capture his relatives on his dad's side, Caleb's calling his uncle and fists are going to fly and blood's going to be spilled.

Lincoln: Ah, we're here in Mount Volbono, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going into battle against the relatives on the side of Caleb Maxwell's dad, Marcus Maxwell.

WE GASPED!

Caleb Maxwell: I knew it was going to be those filthy animals!

Eli: Oh no.

Cage Blunt: Apparently, they found out that Caleb had returned from the dead eight years later, and just a month ago, he got his revenge by killing Marcus and Drake Maxwell, and needless to say, they're pissed off and desiring one thing: payback and revenge on him, and even worse news, we got word that Caleb Maxwell's little sister, Allie Maxwell, and his mother, Marlene Maxwell, have been sighted here at Mount Volbono, but those jackals are out to kill them, and they've been trying to steal their money and force them out onto the streets.

Needless to say, Caleb Maxwell was pissed.

Caleb Maxwell: Those rotten good for nothing toxic leeches! That's it, if they're not going to listen to any of my warnings, there's only one person they're going to listen to: someone even worse than me.

Caleb Maxwell got out his phone and made a call. Then, he hung up, but we saw the scared looks on the faces of Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and Hunter and his friends.

Hunter: (German Accent) Mein Gott, please tell me you didn't call...him?!

Sailor Mars: Who exactly did he call?

Carter Kenrick: His uncle on his mom's side, a man by the name of Christiano Maxwell, and he's also someone that not even the toughest and meanest mafia gangs in New York nor the relatives on his dad's side ever wanted to cross: he's fierce, tough, and physically and mentally intimidating, in other words, he's a total badass and hardcore.

WE GASPED IN SHOCK!

Lincoln: We better get to Caleb's mom and sister and fast before those vultures do, and then, we're going to tie them up and wait for his uncle to arrive.

CHINESE MUSIC PLAYS

We then saw a spirit made of violet fire fly through the skies.

Lincoln: The spirit made of violet fire, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with violet streaks and purple headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless white crop top, white bridal gloves, crimson red skirt, cyan stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, violet fire, violet flames, spirits, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Spirit, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the five girls.

Lincoln: (GASPS) Mary Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Spirit.

Mary Zihuo: That's right, and I got the girls away from there, but those vultures are still after Caleb Maxwell's mom and sister.

?: GET THE HELL AWAY FROM ME AND MY DAUGHTER, YOU GODDAMN VULTURES!

Caleb Maxwell: That was my mom. Come on!

We rushed over, and we saw an 18-year-old young girl with long brown hair and brown eyes and she's dressed in purple clothes, it was Caleb Maxwell's younger sister, Allie Maxwell, along with an adult woman with long brown hair, brown eyes, and dressed in pink clothes, it was Caleb Maxwell's mom, Marlene Maxwell, and we also saw our targets: the lowlife relatives on the side of Caleb Maxwell's dad, Marcus Maxwell, and they're out for blood.

Caleb Maxwell: GET THE FUCK AWAY FROM MY MOM AND MY SISTER, YOU BLOCKHEAD SLIMEBAGS!

Caleb Maxwell fired blasts of dark fire at his dad's relatives and they got driven back, and they were so pissed off when they saw Caleb and all of us land.

Captain Whitten: I should've known that all of you have shown up, and you've got some nerve going after a woman and her daughter, Adrian Maxwell.

Adrian Maxwell: Fuck you, pigs! Once we get all their money, we're killing them and getting revenge for what happened to Marcus and Drake!

MEGA LOUD MOTORCYCLE ROAR!

Me: WHOA!

Caleb Maxwell: Aha, and here he comes now!

Marlene Maxwell: Oh boy, I knew he'd call my brother here. This is gonna get messy.

Suddenly, we saw a huge black motorcycle heading for our location, and we saw the driver of the beast: a really massive and physically imposing man with messy black hair, brown hair, hard brown eyes, and he was really tough both physically and mentally, and he was dressed in a black leather jacket, white tank top, blue jeans, black leather knee-high boots: it was Christiano Maxwell, total badass and hardcore older brother of Marlene Maxwell and uncle of Caleb Maxwell and Allie Maxwell.

He then parked his motorcycle and got off, and we were really stunned at the look of him: this guy is someone no one, and I mean, no one wants to mess with. Then, he approached Caleb, Allie, and Marlene, and he glared at the relatives of Marcus Maxwell, and that sharp glare caused them to turn white with horror.

Nico: Damn, just one glare, and already, they look like they're gonna piss their pants.

Me: Nice.

Christiano Maxwell: So, what my nephew told me on the phone is true, you braindead asshats were trying to steal the money he's been putting in for both my sister and my niece was true and get them thrown into the streets and killed?! Of all the stupid horseshit that you morons have pulled, this is by far the worst!

The relatives turned even whiter when they heard his loud deep booming voice!

Adrian Maxwell: (Glares Angrily at Caleb Maxwell) You! You snitched!

Caleb Maxwell: I warned you all a million times never to go after Mom and Allie, but no, you baboons have nothing but sewage for brains, I didn't want to do that, but you all left me no choice but to get Christiano involved.

Christiano Maxwell: And the money they were going to steal from your mom and Allie, it amounted to $350,000.

Me: THAT MUCH?!

Christiano Maxwell: I got him a job at one of the restaurants we have, and he earned a lot of money when he started working at seventeen, and he really earned a lot.

Nico: Nice. And I can't believe those thieves were trying to steal it.

Rena Maxwell: It's ours! ALL OURS! THOSE LOSERS DON'T DESERVE IT! THEY SHOULD JUST DIE!

Caleb Maxwell and Christiano Maxwell: SHUT THE HELL UP, YOU PILES OF HORSESHIT!

Marlene Maxwell: And FYI, that money will never ever be yours, you're nothing but thieves and losers who only leech off others, and if you ever come after us again, you're getting a knuckle sandwich in your stupid mouth, Rena!

Lincoln: So, what are we going to do with them?

Caleb Maxwell: They tried to steal the $350,000 that I placed in the accounts of Mom and Allie, there is no way that gaggle of vultures are going to be let off that easy.

Christiano Maxwell: Neither am I, I'm going to be talking to some loan sharks I know from back in the day, and they're going to squeeze every last penny out of all of you, and all the money will be sent to Caleb, Allie, and Marlene, while you all are plunged into Debt Hell.

Allie Maxwell: After Caleb died eight years ago, you made the lives of me and Mom nothing but hell with constantly harassing us and trying to rob us and kick us out into the streets. I've prayed every night for this to stop and for you all to leave us alone, but nothing helped, we suffered thanks to all of you. (Voice Breaking) We were almost that close to losing all hope and we almost our home and all the money Caleb put into our accounts to help us both, I hate you all and I hope you all die!

Caleb Maxwell: You assholes think you can make my little sister cry?! That's it! I hope you all suffer with what Uncle Christiano puts you all through. Take them away!

Christiano Maxwell called his gang over who arrived in black cars and loaded those piles of trash into the cars, and all of them drove off.

Caleb Maxwell: With what you've got planned for them, Uncle Christiano, I hope they suffer horribly.

Christiano Maxwell: They will, and we'll be in Gotham Royal York, so this way, the rest of the family on your Mom's side will have plenty of catching up to do with you.

Me: That's awesome.

Nico: Your nephew's been dead for eight years, and he's got eight years of catching up to do. He's going to be pretty busy with catching up with them.

Lincoln: But, at the very least, we saved his Mom and his little sister and the ties he has with his former dad's relatives have been severed for good, and now, all that waits for them is hard work along with repaying debts back at our home in Gotham Royal York. (To Mary Zihuo) And it's so good to see you again, Mary.

Mary Zihuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Mary Zihuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Mary Zihuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Mary Zihuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Mary Zihuo and hugged her, and Mary Zihuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Regina Huoqiang: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Mary Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Spirit, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of violet fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Spirit, along with having angel wings along with having intense violet fire powers. She's known as The Spiritual Master of The Sisterhood of The Fists of Fire, because she's known to be a powerful master of mind, body, and spirit, and her training in that field has helped Lincoln to grow even stronger in both mind, body, and spirit and it removes all stress that he carries with him no doubt due to Lori, Lynn, Lola, Lisa, Luan, and the rest of his enemies. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of violet fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Mary hates Lori, Lynn, and Lola, because of what The Trinity of Violence has done to Lincoln in the past, and in one incident, she beat them up so bad, they all wounded up in the hospital with two black eyes, broken arms and legs, broken bloody noses, and irreversible super double mega wedgies.

Nico: She took on the entire Trinity of Violence at their worst?!

Me: She did, and they stayed at the hospital for three months.

Arpina Huoqiang: But you don't want to see the photos of Lori, Lynn, and Lola after they were trashed by Mary, it was even worse than my thrashing of her.

Qin: Good point.

Lincoln: I almost barfed when I saw Lori, Lynn, and Lola in those mangled up conditions, but I was beaten horribly by those three, so that was basically a representation of the old saying "What Goes Around Comes Around", and now that you're here, Mary.

Lincoln leaned his head down the right side of Mary Zihuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Mary Zihuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Mary Zihuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Mary Zihuo: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Mary Zihuo.

Mary Zihuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Regina Huoqiang's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Mary Zihuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Chika Morisato, Gabriel, Kurimia, Neneko Shiroi, and Tsubasa Ichiki from Angel Breath.

Lincoln: Oh wow, it's Chika Morisato, Gabriel, Kurimia, Neneko Shiroi, and Tsubasa Ichiki from Angel Breath.

Nicole: So, those were the girls that got kidnapped by those vultures?! Mary got them away from them, but I wish we could've killed them!

Lincoln: True, but it's best they suffer at the hands of Caleb's uncle. Are you girls okay?

Chika Morisato: Yes, we're okay, thanks to you.

Then, when Chika Morisato and the other four girls saw who it was that saved them from the relatives on the side of Caleb Maxwell's dad, Marcus Maxwell, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of

Chika Morisato: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chika Morisato: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chika Morisato, Gabriel, Kurimia, Neneko Shiroi, and Tsubasa Ichiki with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villains we went after were the relatives on the side of Caleb Maxwell's dad, Marcus Maxwell.

But, when Lincoln showed what we all did in trashing them along with meeting Caleb's mom, Marlene Maxwell, his little sister, Allie Maxwell, and his uncle, Christiano Maxwell, who called his gang and the gang grabbed those pieces of trash and loaded them into the cars that took them back to Gotham Royal York to be condemned to work that'll send them all to Debt Hell, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Mary Zihuo have a lot of catching up to do, now that she's back in town, and we got Caleb's mom, sister, and the relatives on his mom's side into our protective custody.

Maria: Oh man, so that explains the black cars that arrived from Mount Volbono, wow!

Lincoln: We were surprised to know that Caleb's mom has a brother who's literally that intimidating even to the meanest street gangs and even his dad's relatives.

Nico: He's someone no one, and I mean, no one wants to cross, and even the members of his gang are also that intimidating. (SHUDDERS)

Me: And with the relatives of Caleb's mom here, he's got a lot of catching up to do.

Allie Maxwell: That's for sure.

Marlene Maxwell: We lost eight years with Caleb, but that's not going to go to waste ever again now that he's finally back.

Caleb Maxwell has got eight years of catching up to do, now that he's got his mom, Allie, and all of the relatives on his mom's side here in Gotham Royal York, and as for the relatives on his dad's side, thanks to Christiano Maxwell and his gang, the males are all forced to do extremely hard labor like cleaning the sewers and doing construction work, but for the females, they had something far worse for them in store, and little by little, they're going to be repaying the $350,000 that they attempted to steal from his mom and Allie, but they're going to be in for nothing but pain, and if any of them dared to escape, the loan sharks will hunt them down and beat them up before dragging them back to their work stations.

After Lincoln and all of us beat down the relatives on the side of Caleb Maxwell's dad, Marcus Maxwell, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Mary Zihuo saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Mary Zihuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Mary, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Mary Zihuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Mary Zihuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: a group of criminals are out causing havoc and they're going to start shooting the civilians.

Nico: What the?! Let's get those assholes!

Me: Right.

We then flew out of The World Tree Estate, and we spotted the criminals about to start shooting the civilians.

Lincoln: How low, now you're stooping to shooting civilians?! You're dead for sure!

But, then right before we were about attack the criminals, we suddenly saw a dragon flying from the sky and as it landed, it started breathing fire on the criminals sending them running into the hands of the police and saved the civilians.

Eli: Wow, that was really impressive.

Suddenly, we saw the dragon transform and in its place was an 18-year-old male with medium sized dark brown hair, hazel eyes, and he was dressed in a black T-Shirt with red vest and blue denim pants with black sneakers.

Nico: WHOA!

Me: That was really impressive.

The boy turned to face us.

Kaan Demir-Vanhoof: (Belgian Accent) Thanks. (Sees us) Wait, Team Loud Phoenix Storm?! Wow! It's an honor to meet all of you. Oh, sorry about that, my name is Kaan Demir-Vanhoof, my family and I just moved here from Belgium.

Nico: It's been years since we've had someone new moving in to Gotham Royal York.

Just then, we're greeted by Kaan's father, Emirhan Demir, and his two brothers and sister.

Emirhan Demir: (Belgian Accent) Oh, Kaan. Looks like you've made some new friends. (Sees us) Wait a second, Team Loud Phoenix Storm?!

Me: That's us. Your son told us everything, and we were surprised to see your son take down those criminals by transforming into a dragon and scaring them off by breathing fire at them.

Gabriel Demir-Vanhoof: (Belgian Accent) That's cause like you guys, Kaan also has powers.

Kaan Demir-Vanhoof: (Belgian Accent) That's right, I have fire powers and I can also transform into a dragon.

Jules Demir-Vanhoof: (Belgian Accent) It's still very impressive.

Madelca Demir-Vanhoof: (Belgian Accent) It sure is.

Me: Wow.

We welcomed Kaan and his family to Gotham Royal York, and we found out their home is right next to The World Tree Estate, and we went back inside and continued working out.

Lincoln: So, where were you guys living before you moved here?

Kaan Demir-Vanhoof: (Belgian Accent) Before we moved to Gotham Royal York, we lived in Belgium with Dad, we had a Mom, her name was Sophie Vanhoof, but she died of breast cancer.

That hit us in our hearts.

Me: Oh man, we're so sorry to hear that.

Kaan Demir-Vanhoof: (Belgian Accent) I know, and that led us to move here. We wanted a fresh start, but we wouldn't forget the memories we had with Mom.

Lincoln: Keeping the memory of your Mom alive is important, that's the only way to honor those who've passed on.

Eli: You said it.

Suddenly, Kaan and his family heard loud obnoxious bellows of rage!

Kaan Demir-Vanhoof: (Belgian Accent) What was that?!

Hunter: (German Accent) Those were the obnoxious bellows of the former relatives of my friend, Caleb Maxwell. (Sighs) Caleb, your dad's relatives are acting up again.

Caleb Maxwell: What? If they keep this up, I'm gonna get Uncle Christiano and his gang to head to their work stations and punch them in the mouth.

POW!

Allie Maxwell: I think Uncle Christiano did just that, Caleb.

Lincoln: Serves them right.

We got a shower, and then, Lincoln, Peni Parker, Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle are heading to Laverra Beach.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Peni Parker, Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, and Lincoln and Peni saved Addy from a gang of thugs.

Addy Brock: Whoa, so this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Addy, and it's perfect for our first date, shall we?

Lincoln, Peni Parker, Addy Brock, Flamewar (Transformers Prime/ RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a volleyball game, and Peni Parker, Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Addy Parker: (Swooning) Oh man, Peni, you weren't kidding! He's so manly!

Peni Parker: Told you.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Peni Parker, Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle and they hugged the girls in their abnormally massive and powerful muscular arms and Peni Parker, Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Peni Parker, Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle are in your harem, Linky.

Addy Brock, Flamewar (Transformers Prime/RID 2015), Mother Longlegs, Simulator Mylène Haprèle, Simulator Ondine, and Gisèle showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Addy Brock: Nope, not at all. But, Lincoln did have us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Later it was time for Lily, Lemon Hearts and Maria's 3rd Mission.

Nico: Anyone else want to go with Lemon Hearts, Lily, and Maria? Besides New Wave, Ebon, Pimon & Tumbaa, Live Action Optimus, Animated Optimus, Winx Club Stella, and the other Meta Breed Members?

He snickered.

Me: Yep.

Kengo: Wow! So, you guys were mutated by the Big Bang, right?

Ebon: That's right.

Kengo: What was that?

Me: Well it was an explosion that released an Experimental Biohazardous Mutagenic gas called the Quantum Vapor and it mutated a bunch of people that were in the wrong place at the wrong time. They were turned into what is called Bang Babies.

Nico: Yep it's true.

Kengo: Wow! That is crazy!

Maria: My little sister Carmen was also caught in the explosion. She got fire powers too.

Me: Yep.

Maria: But honestly, Ebon was the best damn leader I ever had before I met J.D.

Ebon: Aw thanks Maria.

Me: Ebon did a great job leading the Meta Breed.

Lily: He sure did.

Me: And our friend Carol knows Maria and she is a great friend. She saved Maria from herself.

Nico: Yep. It's true.

Maria: That was awesome.

Me: There are many others like the Meta Breed. We met the Nightbreed. They were nocturnal bang babies. They couldn't come out in the sunlight or it would hurt them.

Ebon: Yeah that was crazy.

Me: It was.

Kengo: Amazing!

Maria: We also met Maureen Connor. She went by Permafrost. She was a homeless girl that was given ice powers.

Me: Yeah and we felt really sorry for her too. She was on the streets when we found her.

Kengo: Oh no. Is she okay?

Maria: Yeah she's fine. She's doing much better.

Kengo: Good.

Me: Yeah.

Franciss: Before I joined the team, I was J.D.'s bully.

Me: Long story short, Francis bullied me and I showed him the error of his ways and he looks up to me like a mentor figure.

Nico: It's true.

Kengo: Cool!

Me: Yep.

Kengo: (to Animated Optimus) What about you?

Animated Optimus: I come from a world where I didn't start off as leader of the Autobots.

Me: But it was really awesome to see. And we helped them battle a

TOTAL ASSHOLE rogue Autobot with a REALLY Overzealous ego and an ugly big chin.

Live Action Optimus Prime: The Animated version of Sentinel Prime.

Starlight Glimmer: He was a much different version of the one that was saw on Tatooine.

Me: Yeah.

Eli: Yeah that was crazy.

Live Action Optimus: That was the one from my world. In my world, me and my Autobots fought the usual war against the Decepticons. But at one point, humanity turned against us.

Me: Yeah they went through total hell! You wouldn't believe all the shit they had to go through.

Nico: It was terrible.

Starlight Glimmer: And it was because of not just the live action versions of Megatron and Starscream but also an evil terrorist organization named Cemetery Wind.

Me: They were a terroristic military faction whose goal was to destroy not just the Cybertronians but kill anyone and everyone willing to help them.

Eli: Yeah!

Me: And we KILLED All of those motherfuckers.

Eli: Some of them we killed but others we sent to prison.

Kengo: That is terrible!

Starlight Glimmer: It was.

Me: Yeah. And for some reason over the course of 3 months from 2021 to 2022 we found out that their fallen comrades and those defeated in the war were appearing in our world.

Lola: Yeah that was crazy.

Twilight Sparkle: It sure was.

Kengo: Wow! Did you guys correct all those flaws there?

Me: It was a huge challenge but we did it. At the cost of General Morshower's life.

Kengo: That's good. (to both versions of Optimus): Do you guys ever miss fighting Decepticons?

Live Action Optimus: Yes we do but after so many years of fighting it's a good change for us.

Me: You would believe how long the war lasted for the Cybertronians.

Eli: It lasted for over 8 million years!

Kendo: That's crazy!

Nico: I know. That was an intense war. Spanned all over the galaxy. But after the destruction of Unicron in 2019 I was made this.

He pulled out his Decepticon Leadership Medal.

Nico: I was made the official leader of the Decepticons and am now leading them on the road to redemption.

Kendo: Wow that is amazing!

Live Action Optimus: And Nico is doing a great job doing so.

Nico: Yep.

Maria: Now, what's been going on since last visit?

Kengo: Well Lincoln told me what happened when you guys met the Ginga Team yesterday and Luna congratulations to you on your big day.

Luna: Thanks dude. It was fun.

Me: It sure was.

Then the alarm went off and we saw CARMEARA!

WE GASPED!

Me: Carmeara! I remember her! She was messed up because of a major case of lovers rejection!

Maria: And I think she's the main target for Lily, Lemon Hearts and mine big day.

Me: I remember she was really nuts! But if she is the main target I do have a plan. I'm going to purify her and then banish her evil half to the Warp and we can face her on the big day later on.

Lily: I like it!

Both versions of Optimus transformed into their vehicle modes.

Live Action Optimus: Autobots!

Animated Optimus: ROLL OUT!

We were off.

Both versions of Optimus were driving alongside us.

Nico: Keep your eyes pealed.

We then saw her!

Me: There she is!

Lily: Here we go!

I went giant and faced her.

Eli: SPACE GODZILLA!

Then a huge Crystal object came and landed and it was SPACE

GODZILLA!

Space Godzilla roared!

Carmeara: J.D. Knudson. Nice to finally meet you and Lincoln Loud been a long time.

Lincoln: It has been a while.

Space Godzilla: So she is still upset over that love on Kengo.

Eli: I'm afraid so.

Then a ball of light fell from the sky and crashed into the ground and NUMEROUS CRYSTALS grew all over the place.

Carmeara: So you came to stop me?

Me: We came to save you from this monster you became.

Eli: That's right!

Lincoln: This isn't you Carmeara! You are better than this!

Carmeara: My love for Kendo is true!

Me: That may be but this monster inside you is corrupting you!

Nico: Yeah!

Carmeara: And I see your brought those Autobot leaders with you. (to Live Action Optimus) You'll be wishing your version of Megatron killed you when I'm done with you!

Live Action Optimus: We'll see about that.

He transformed.

Me: Carmeara it's time for you to be free from this monster!

Carmeara: I DON'T NEED SAVING!

She formed an energy whip and lashed it at me and I grabbed it and channeled lightning through it and then electrocuted her all over and then I fired a wave of light and separated the darkness from her!

She was on the ground tired and weak.

Lincoln flew down and got her away from the battle.

Lincoln: You'll be okay Carmeara.

Evil Carmeara: FREE! Big mistake!

Me: Actually we were prepared for this!

I fired waves of energy and blasted her.

Space Godzilla fired his Corona Beam and blasted her all over the place and massive fiery explosions blasted off all over!

Live Action Optimus: At the end of this day, one will stand...

Animated Optimus: And one will fall!

Me: And the one that will fall will be you!

Evil Carmeara: Bring it on!

Me: With pleasure!

I used my quirk and an image of the Elephant's Trunk Nebula in the constellation of Cepheus the King appeared and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning struck her all over with intense force!

Both Optimus Prime's blasted her all over with energy lasers.

Animated Optimus got out his Fuestle for Baby Bowser!

He blew it and fired a massive fireball and it hit Evil Carmeara and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Space Godzilla used his power and lifted numerous crystals up and then they rained down and smashed onto her and then flew at her like rockets and exploded upon impact!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSIONS!

He floated into the air and fired numerous Corona Ray blasts and blasted her all over. Massive fiery explosions were blasting off!

Me: YEAH!

Kengo turned into ULTRAMAN TIGA!

Eli: OH YEAH!

Live Action Optimus got out his Fuestle for Giant Ralph.

He blew it!

Me: (Imitating Giant Ralph) PE PIE POOKA PLOT! I SMELLS YAKKO! WAKKO AND DOT!

Nico: (LAUGHS) Hey that wass really good!

Me: Thanks.

Optimus fired waves of energy and blasted her.

Lily: Take this!

The Loud Siblings all blasted her all over!

?: OH YEAH!

Then a figure with blue hair, red eyes, black clothes, black angel wings and a tiara with Walkatrout on it came.

Me: (GASP) Wendy Walkatrout!

Nico: Walkatrout's Embodiment!

Wendy Walkatrout: (Grunt) Yep. I got this!

She fired a wave of energy and blasted Evil Carmeara all over.

Me: YEAH!

Wendy lost control and leaped at Crimson Dynamo.

He blocked her strike and Nico fired an electron antidote ray.

Nico: That did it!

Crimson Dynamo punched her down.

Laney: Nice one!

The Power Pack team charged at her and fired waves of rainbow energy. They blasted her down.

Zero G: Want some salmon!?

They got out Samon Shakekisutanchin's Fuestle and blew it and a rain of salmon bombs blasted her all over.

Lightspeed: Take that!

Ebon, New Wave, Maria and Lily blasted her with darkness and water.

Pimon & Tumbaa charged at her!

The kicked her down.

Laney and Lincoln fired waves of lightning at Evil Carmeara.

Stella got out her Fuestle For Chalmers.

She blew it.

SHE FIRED A LOUD CHALMERS YELL BLAST AT EVIL CARMEARA AND WENDY!

Nico: Nice one!

Space Godzilla fired Corona Ray blasts and blasted down Evil

Carmeara.

Teresa fired Sonic Blasts and Francis fired fire blasts and they hit Evil Carmeara and blasted her all over.

Kangor stomped the ground and knocked down Wendy.

Static and Gear fired lightning and laser blasts and blasted down Wendy.

Onyx punched Evil Carmeara!

KRASMASH!

Eli: YEAH!

Eli fired Force Lightning Blasts and Electrocuted Wendy.

Me: Hey Evil Carmeara! Watch this!

I fired an illusion ray and it was the mascots!

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Evil Carmeara: HORRIBLE!

Manaphy: YOU LOOK AT IT!

Evil Carmeara: AWFUL MOVIE!

Poliwag: YOU LOOK AT IT!

Horsea: LOOK AT IT!

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Mevya: LOOK AT IT!

Hoppip: LOOK AT IT!

Emolga: LOOK AT IT!

Eevee: LOOK AT IT!

Gatomon: LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

SHE SCREAMED IN FRIGHT!

Nico: WHOA!

Kengo: What was that?!

Me: I made an illusion of our mascots showing a trailer of a movie we all hate.

Eli: Ugly story.

Me: Yep.

?: (ECHOING) LEAF CYCLONE!

A tornado of leaves hit Wendy and knocked her down.

Petaldramon came.

Me: WHOA! Petaldramon.

Nico: Cool!

Petaldramon: (In a girls voice) Looks like the fun started.

Nico: Penny Petals! Wow!

Petaldramon: Yep. I'll handle Wendy here.

Maria: Thanks!

Petaldramon: Anytime!

Me: Lets finish her.

Kengo: You got it!

Me: Hey! You know who is crazier than Daffy Duck?

I activated TTG CRAZINESS ROBIN RIDEWATCH and fired waves of crazy energy and blasted Evil Carmeara all over and Kengo and Space Godzilla fired energy waves and then a portal to the Warp opened and she was blasted through it and into the warp.

Me: There!

Nico: We're not done yet!

We went to face Wendy.

Penny reverted back and was a girl with brown hair, green eyes, green clothes and had leaf angel wings, Petaldramon on her forehead and skirt, had the Wood Spirit Kanji on her arm and had a grass sword.

Penny Petals: Take this! THOUSAND SPIKES!

She fired waves of roots and smashed down Wendy and the Antidote took effect and she was cured.

She had her eyes back to blue.

Nico: You okay now?

Wendy Walkatrout: Yeah thanks to you guys.

Carmeara: (Groans) It feels good to be separated from that monster.

Me: Good.

Penny Petals: At least we saved you both.

Me: Yep. Do you have any favorite memories of Nico?

Penny Petals: I sure do. When me and Nico were in the forest and in a giant sequoia tree we built an amazing tree mansion for me and my family.

Me: Wow!

Eli: Awesome!

Nico: Yep.

Nico and Penny hugged.

Nico: I've missed you.

Penny Petals: Same here.

Carmeara: I'm just glad I can redeem myself now.

Maria: We are too

We later came home.

May: Hey guys. How did it go?

Me: Awesome.

We told everyone everything.

May: WHOA! What an adventure.

Me: Yep.

Nico: next time, Vinyl, Jun, William, and Wataru will come

Vinyl: Oh yeah!

Qin: Yeah!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

We were playing video games.

I was playing against the mascots and Xion in Super Smash Brothers,

Me: Got you now!

Lucilla Emerson: What are you guys doing?

Poromon: Playing Super Smash Brothers Ultimate.

Me: Yep.

Xion: I'm playing as Sora.

Poromon: I'm playing as Kirby.

Me: I'm going as Zelda.

Eli: Go bro!

Xion: I got you now!

We were really playing!

Xion: Me playing as Sora is fitting.

Me: It sure is.

Xion: I got you now!

Me: Oh yeah!?

I blasted Sora all over.

Poromon blasted us all over.

Dead End: The other mascots haven't had a turn

Poliwag: Actually we are playing.

Poliwag was Samus, Manaphy was Fox, Horsea was bowser and Lily was playing as Lincoln Loud.

Nico: Whoa look at them go.

We were really blasting each other all over.

Dead End: Sorry didn't see them.

Poliwag: Got you guys now!

Lily: Oh yeah?!

Lily had Lincoln use his Final Smash with him and his siblings and they blasted all of us CLEAR OUT OF THE ARENA!

GAME!

Me: WHOA!

Poromon: WHOA!

Lily: YEAH!

Nico: WOW! What a victory!

Camie: Good game!

Me: Nice one!

?: Boy that was a victory!

We saw a girl with black hair and grey clothes and had blue eyes and had grey wings and she had a tiara with Metal Shark Player on it.

Mina Shark: Mina Shark, Embodiment of Metal Shark Player.

Boris: Oh wow! Mina great to see you.

Dante: Yeah looking great.

Mina Shark: You too Boris and Dante. Been a while.

Kup: How did you meet Boris and Dante?

Mina Shark: I met them during one of their Seances. They found the ghost of my ancestor, Captain Ahab and I got to help him realize that vengeance is wrong.

Me: Wow! Captain Ahab of Moby Dick? That is one of my favorites.

Camie: Yeah.

Mina Shark: Yep. But knowing him because of the white whale biting his leg off, he is never going to listen. But I still love him.

Lola: You're right on that.

Me: Yep. Would you like to join us?

Mina Shark: I would be honored.

Bugly: Nice job, you guys!

Me: Thanks. That was awesome.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: to our disgust, it was none other than our old enemies, The Dursleys, and they're still out for revenge on Harry. When we saw it, we knew it meant big trouble.

Lincoln, Nico, me, and the Louds: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and we're not going to like who it was that's back: I just had a vision and I saw who it was that we're going to confront today: to our disgust, it was none other than our old enemies, The Dursleys, and they're still out for revenge on Harry.

EVERYONE WAS ABSOLUTELY DISGUSTED!

May: ARE YOU FUCKING KIDDING ME!?

Qin: Not those piles of crap again! I thought we had them locked up in The Tower of London!

Lincoln: Looks like those morons have broken out of prison again. That's it, we're sending Vernon and Petunia Dursley to Azkaban for the rest of their miserable lives to rot there forever, and as for that baby hippo, Dudley, we're putting him in a foster home. I can't forget how he threatened the life of Wallflower who was pregnant at that time, mind you!

Me: Same here.

Nico: And I like your idea of punishment, Lincoln. Plus, I got in contact with the foster home, and the people there are going to make sure that Dudley gets adopted only by strict families who knows just what to do to a hippo like him.

Harry Potter: (British Accent) Luckily, they're still in England, and I've also got a few words for those three.

Me: Without a doubt they will be heading to Hogwarts. But you're Planning on raising Verbal Hell on them? We'll get the cameras rolling.

Nico: You bet. Alright, team, let's get ready to head for England, and we're putting those losers in their place once again.

Lincoln: This'll be the last time we ever have to deal with The Dursleys.

The previous group came.

Koragg: Can me, Larxene, Shade, Dark Spicer, Dr. Light, Vanitas, El Diablo, Merman, Iron Lung, and Ranamon go with you guys?

Nico: Yes you all can come with.

Qin: We're going to put the kibosh on the Dursleys.

Me: I've been wanting to do this for a long time.

Camie: Yeah!

Lola: Better call Tala here too.

Nico: Good idea.

Tala came.

Tala: I sensed the Dursley's returning so I'm ready for this.

Teen Titans Lightning: Nico, which Gene Slammer do you think you'll meet next?

Nico: Mammothmon next.

Me: Ooh that one is gonna be prehistoric.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Caleb the Priest of The First Evil and another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than Caleb the Priest of The First Evil and another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him.

We gasped.

Brittney: Oh shit, I thought I'd never have to see him again. He's a fanatic ex-priest and serial killer who worships The First Evil, and he sought to reawaken it and destroy the world, and he also rejected God.

Me: So, we got a heretic running loose?!

Ellie Davies: That heretic's going to pay for what he's done and face God's punishment.

Lincoln: That's right, Ellie, he deserves to pay for his crimes.

Nico: That heretic will pay for his crimes against humanity. Alright, team, let's go, we're off to England and we're taking down The Dursleys once more.

Lincoln: But, this time, we'll make sure they never plague anyone ever again, and once we get done with them, you're next, Caleb.

Ellie Davies: Never again will you be allowed to run free and try and destroy humanity in the name of The First Evil, today, you die, Caleb.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us head out to England to take down The Dursleys once and for all and send Vernon and Petunia to Azkaban and send Dudley to a foster home, and once we get done with them, Lincoln and Ellie Davies along with me and Nico are going to destroy Caleb, the priest of The First Evil.

We were off to Hogwarts.

We arrived at Hogwarts.

Me: Here we are!

Larxene: You guys were here just this morning!

Nico: We know.

Me: I sent an emergency message to Professor Dumbledore and the staff here and told everyone to stay in their dorms until further notice.

Xenia: Cool.

Larxene: Awesome. Wait I heard Draco Malfoy returned.

Me: Yeah he sure did. We decided that he's not worth killing anymore.

Harry Potter: That's good.

Crimson: Are there any mystic swords here?

Nico: Just these here.

We found the 4 mystic swords of the 4 Founders.

Me: These will get the job done.

Dr. Light: Let's have the teachers keep watch every hour. That way, they'll see the Dursleys coming

Me: Good idea.

Snape: I shall go first then.

Me: Okay.

Bludgeon: What about Peeves?

Me: Worry about Peeves later.

Qin: Yeah.

Me: Want to play some board games while we wait?

Nico: Sure!

Ron Weasley: Lets play Wizards Chess.

Me: Okay.

We got to playing and Ron was doing really well.

Me: Hmm. (Fingers tapping) Knight to E5.

My piece moved to said spot.

El Diablo: Bludgeon meant that Peeves can help patrol the area too

Me: Okay fair enough.

Nico: Good idea.

Ron Weasley: Indeed. Queen to E5.

His piece moved and came to life and smashed it.

Sakura Knudson: Wizards Chess is really cool.

Camie: Boy it sure is.

Me: Yep.

Cybertron Sideways: In fact, ALL the ghosts should patrol the area

Qin: Awesome idea.

Me: I agree.

All the ghosts went on patrol.

While we were playing, SpongeBob and Patrick were playing Eels and Escalators.

SpongeBob: Come on, Gary needs a new pair of shoes. [rolls the dice]

Patrick: Oh, eels. Too bad, SpongeBob. You gotta ride the eel.

SpongeBob: Darn. [moves his game piece to an eel]

Patrick: My turn! [rolls the dice] Hooray! Escalators! [laughs excitedly] Up, up, up!

SpongeBob: Come on, escalators, escalators, escalators. [rolls the dice and sighs] Eels again.

Xenia: Drat.

Patrick: My turn! [rolls the dice] Escalators!

SpongeBob: Escalators, Escalators, Escalators! [throws the dice] Eels?

Patrick: [rolls the dice] Es-skee-lators! [moves to the escalators] Well, this is your last chance, SpongeBob, or if you get eels again, you lose!

SpongeBob: [gets frustrated while rolling the dice] Escalators, escalators, escalators! [the dice is thrown and lands on escalators] Ha! Escalators! [the dice later turn over to eels]

Patrick: Eels...

Eli: Okay there has to be something magical at work in those dice.

SpongeBob: DAH TARTAR SAUCE!

Iron Lung: Let's check what it is

Brittney: Wait.

Brittney saw tiny footprints on the dice and with her spirit senses found something.

Brittney: Aha!

She used her magic and revealed DICE IMPS!

Brittney: Dice Imps! I knew it!

Nico: I thought we took care of the gremlins before.

Brittney: Now we have Dice Imps. They are mischief makers that make certain people lose.

Nico: Jeez.

Power Girl: Are these the culprits?

Brittney: Yep.

Brittney banished them back to the Spirit Realm.

Qin: Good riddance.

Lincoln then had a premonition!

Lincoln: OH MAN! Guys we have a scary one! The Akuma of Harry Potter. His name is Wizardgeist. He was made because of the constant abuse of the Dursley's and their hatred towards all wizards and he vowed to avenge his parents and kill the Dursleys no matter what.

WE GASPED!

Lola: WHOA MAN!

Camie: Geez!

Varie: What does he look like?

He showed a sketch of him and he looked like a scary faceless spirit from hell.
